SBS Question Corner

(Hippo Iron, Saitama)

Q: I want the Cat Viper's birthday to be November 22, since it can be interpreted as "Good Meow-Meow." Is that okay?

--I Love Cats

A: Whaaaat?! Okay.

Q: Hey, Masao! The guy in the SBS of Volume 81 whose birthday was December 14!! I've come to make your dream come true!! Pica's birthday will be December 14, because it kind of sounds like "controls stone freely"! What say you, Odacchi?!

--Pitera

A: How kind! (laughs) Masao was upset that no characters shared his birthday! Well, there you go! You have to speak in a funny high-pitched voice from now on.

Q: Heso, Oda Sensei! I was checking the birthday list and noticed that none of the Alabastan characters aside from Vivi had birthdays, so I did my best to fill them in.

King Cobra (February 13)
Bu (Ko-bu-ra) is 2, the King card is 13

Karoo (November 8)
"Ka" and "u" are 118 on a phone keypad

Pell (August 23)
Falcon is "Hayabusa," ha-bu-sa is "823"

Chaka (April 26)
Jackal, ji-ka-ru is "426"

Koza (May 26)
Ko-za is 526 on a phone keypad

Igaram (December 6)
I-ga-mu is "126"

What do you think of that?

--Hii (Age 20)

A: Whaaaaaat?! Okay.

WE'RE PUTTING OUT A MOVIE ON 7.23

★ Yes, it's movie time! *One Piece Film Gold*!! It comes out in Japan on Saturday, July 23, 2016. Is everybody ready for this one? At the time I'm writing this, they're running trailers in theaters and on the home page. Have you seen them yet? It's a two-part promotion. The first trailer features the music of the genius Big Band jazz singer I mentioned last volume, Mayumi Kojima! And the second trailer comes from these fine folks!!

Theme Song: "Give Me Your Anger"

GLIM SPANKY

Did you listen to it? Talk about powerful! We're aiming for a real slick, cool and gorgeous movie this time around, and the music is a crucial part of the atmosphere. I suspect many readers might not be familiar with Glim Spanky yet, but you'll love that awesome singing voice! You'll get chills in the movie theater, I promise! Look forward to it!
Next up, allow me to introduce this fellow!! ⬇

Director: Pit Boss Hiroaki Miyamoto

★ He's the third series director for the *One Piece* TV anime!! A trustworthy man who helmed the ship for six years!! He was a huge help when it came to making the Paramount War as exciting as it should be, and clarifying some of the trickier details of Fish-man Island. He's an expert of the pause, and an entertainer who brings out tears and laughter alike! Let's see what he's got to offer us! Up next is an interview!!

A Comedy Routine from the Director and Executive Producer!

O (Oda): Here's the guy in charge of putting together *Film Gold!* It's our director, Pit Boss Hiroaki Miyamoto!!

M (Miyamoto): Yay! Why am I the pit boss?!

O: Oh, you just seem like you're really in sync with the staff. You're the guy who keeps the team together!

M: Well, if that's the way you meant it, I guess it's all right.

O: So first of all, why do we need to go to the theater to see this? What's wrong with a good old TV?!)>

M: Why are you mad about it?! Well, a movie and TV show are very different things.

O: Hey, that's just how I felt about it as a kid.

M: I see. Well, first of all, the budget for a movie is much, much different. When you put lots of money into crafting CG, music, big actors, and so on, not only does it enable more creative possibilities, it allows you to take expanded formats like 3-D, 4DX, and MX4D theaters into account while you're producing the movie. This is a film that reaches its greatest potential in the theater!

O: That's right. We're doing this movie in 3-D, 4DX, and MX4D. So it'll pop off the screen! I can't wait to see how we get to fully experience it in person!!

M: And with *Film Gold,* we're actually employing ten times the amount of CG as the previous movie! It's also got the highest number of musical tracks, so we want you to experience all the dynamic camera and sound work on a huge screen with 5.1 surround sound!

O: Gaah, I'm getting so pumped up!! The festival's gonna start!!

M: Yes, it is!! Get hyped with Luffy! Get angry with Luffy! Fight alongside Luffy!!

O: It's a movie you've got to feel for yourself! Come and see it, or I'll throw ya in the clink!!

M: Please don't threaten the audience!!

O: Oh, sorry...

M: Listen, everyone! Come and see this work of entertainment in the theater!!

O: Congrats on finishing up and gaining your freedom!

M: What am I guilty of? Oh…making a fun movie?

O: Check it out!!

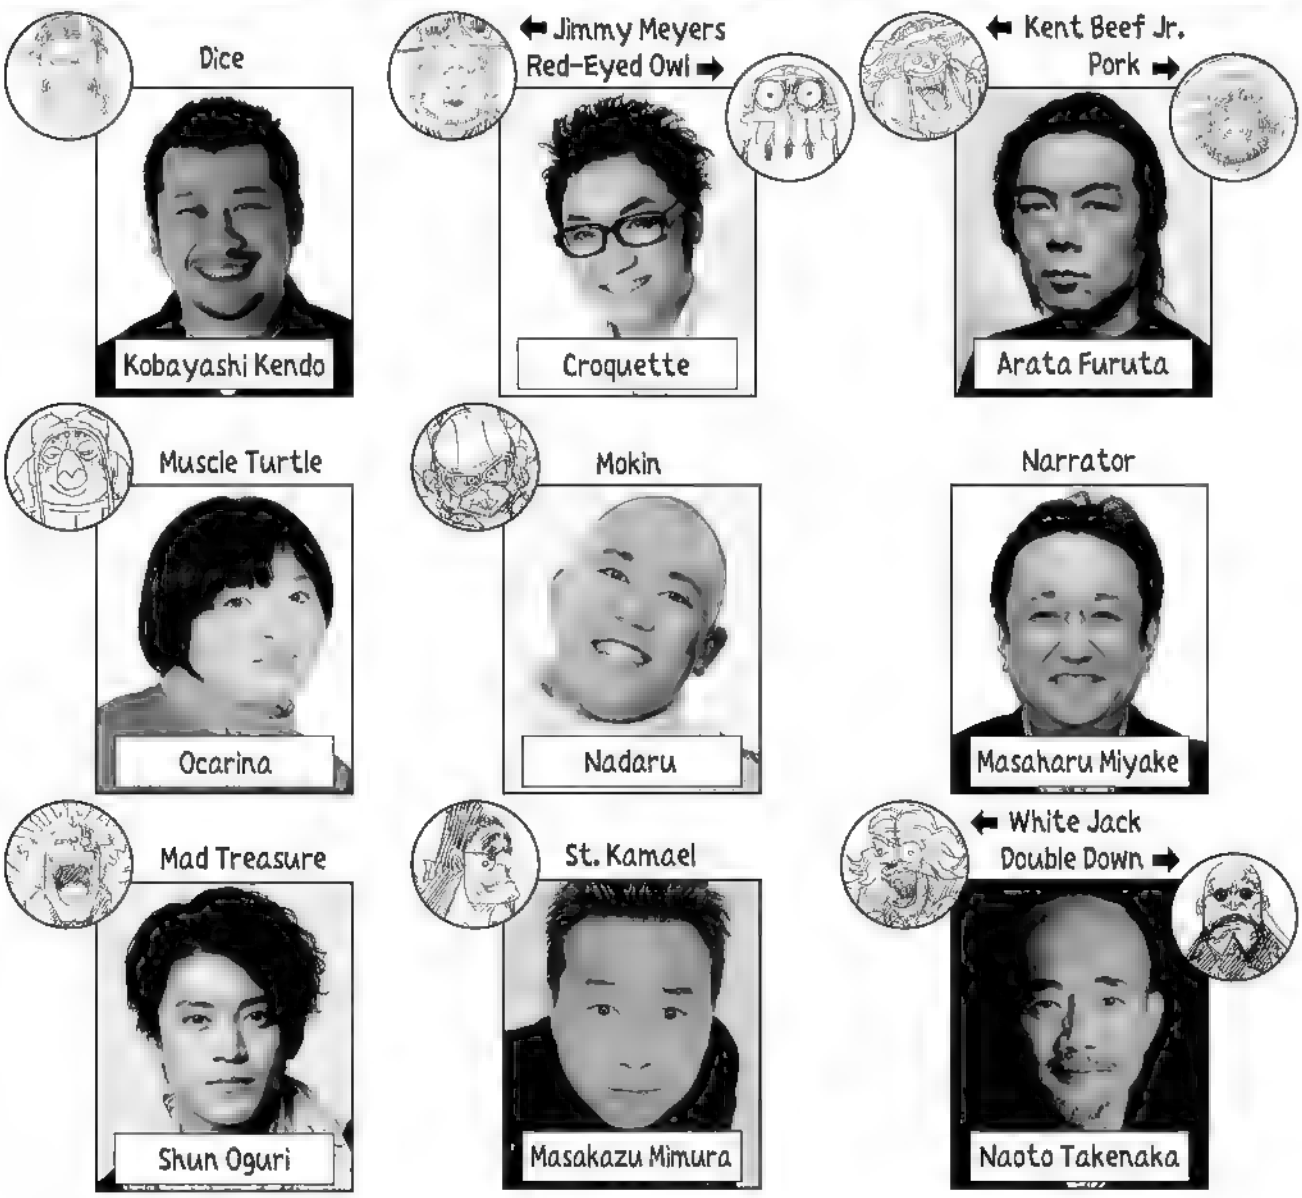
★ Remember what the director just said about all that CG? Well, the people responsible for bringing the gorgeous Gran Tesoro to life are...

Kusanagi

The cutting-edge technicians of the anime world! They've returned after *Film Z* to bring the background of the story into stunning detail again!!

★ Next, we've got some supporting roles to announce. This misfit gang is bringing these kooky characters to the screen!!

Guest Voice Actors!!



Such a stunning lineup! All these people, just for these minor roles?! This is a feat only possible through the deep connections of friendship that *One Piece* has forged through its long run! Thank you all!!

By the way, Hikari Mitsushima, who plays Carina, was once part of the group "Folder 5" that sang one of the *One Piece* anime theme songs! That's beautiful. Welcome back, Hikari!

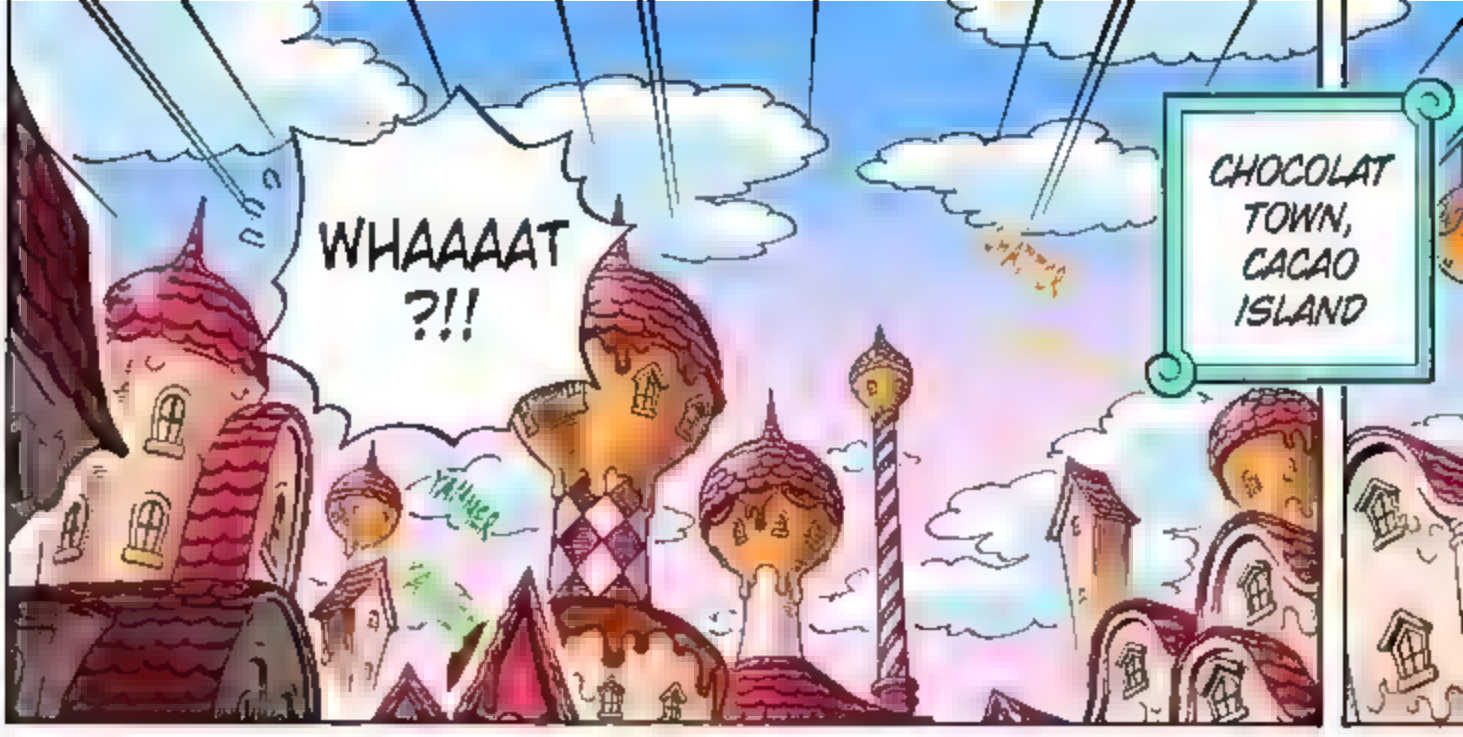
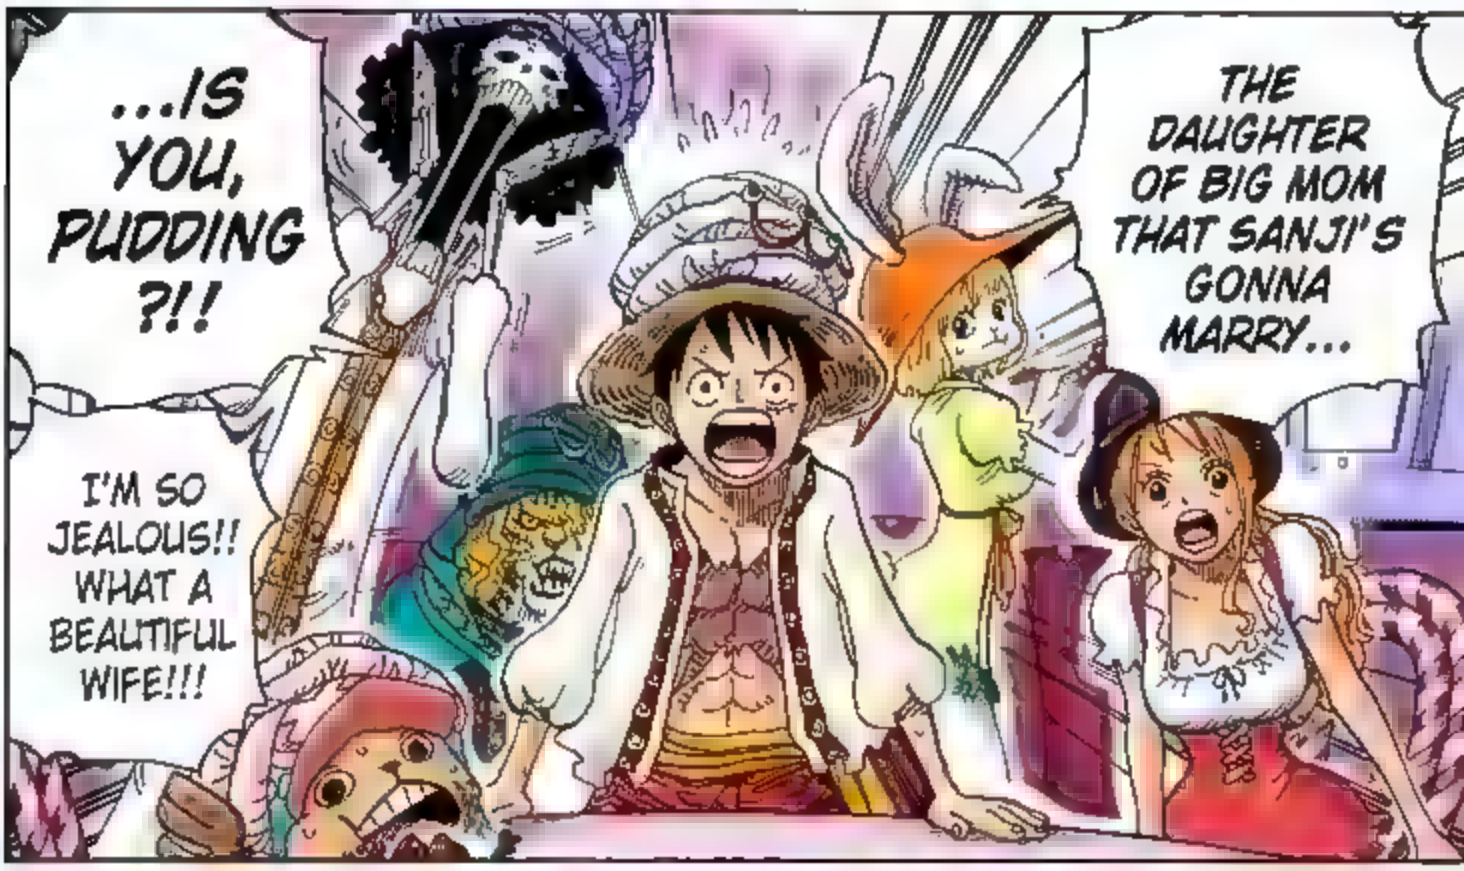
1 AND 2

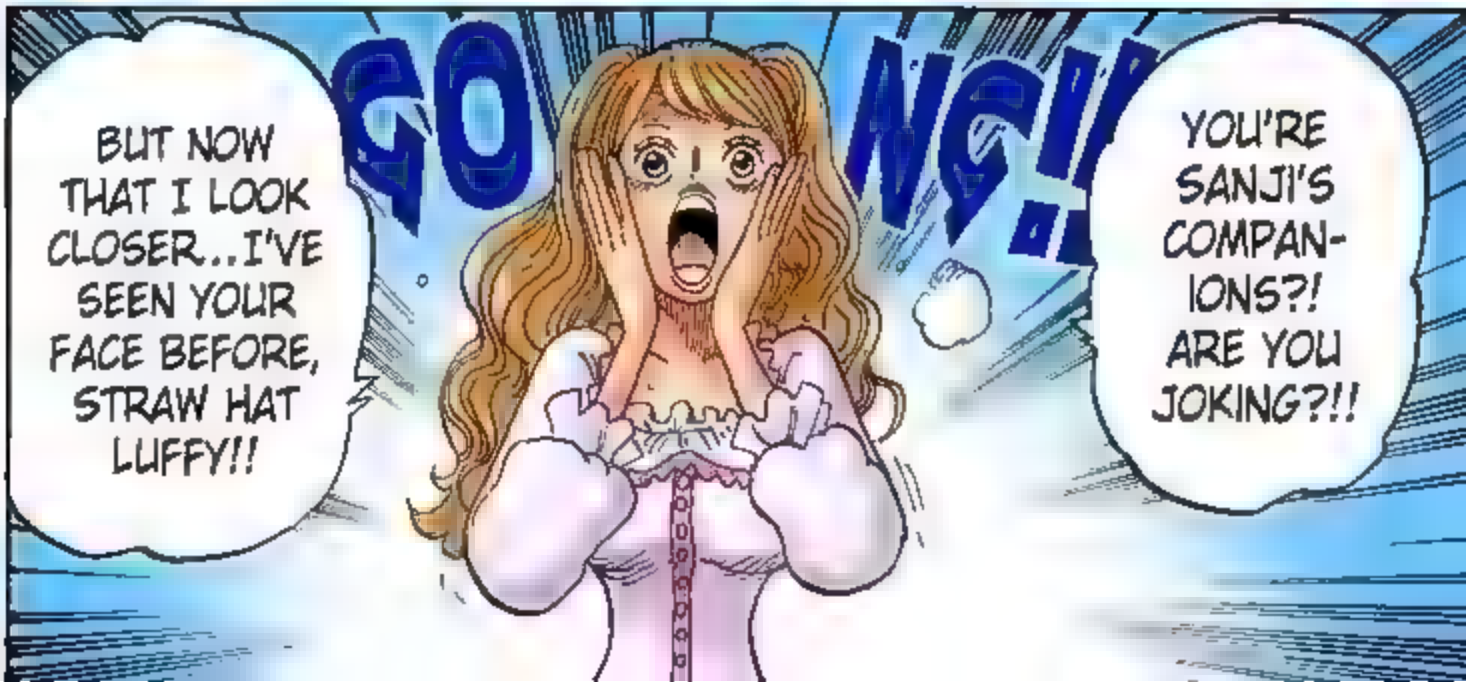
DECKS OF THE WORLD, 500-MILLION-MAN ARC, VOL. 19:
"FISHMAN ISLAND--THOSE POPULAR HERO HATS"



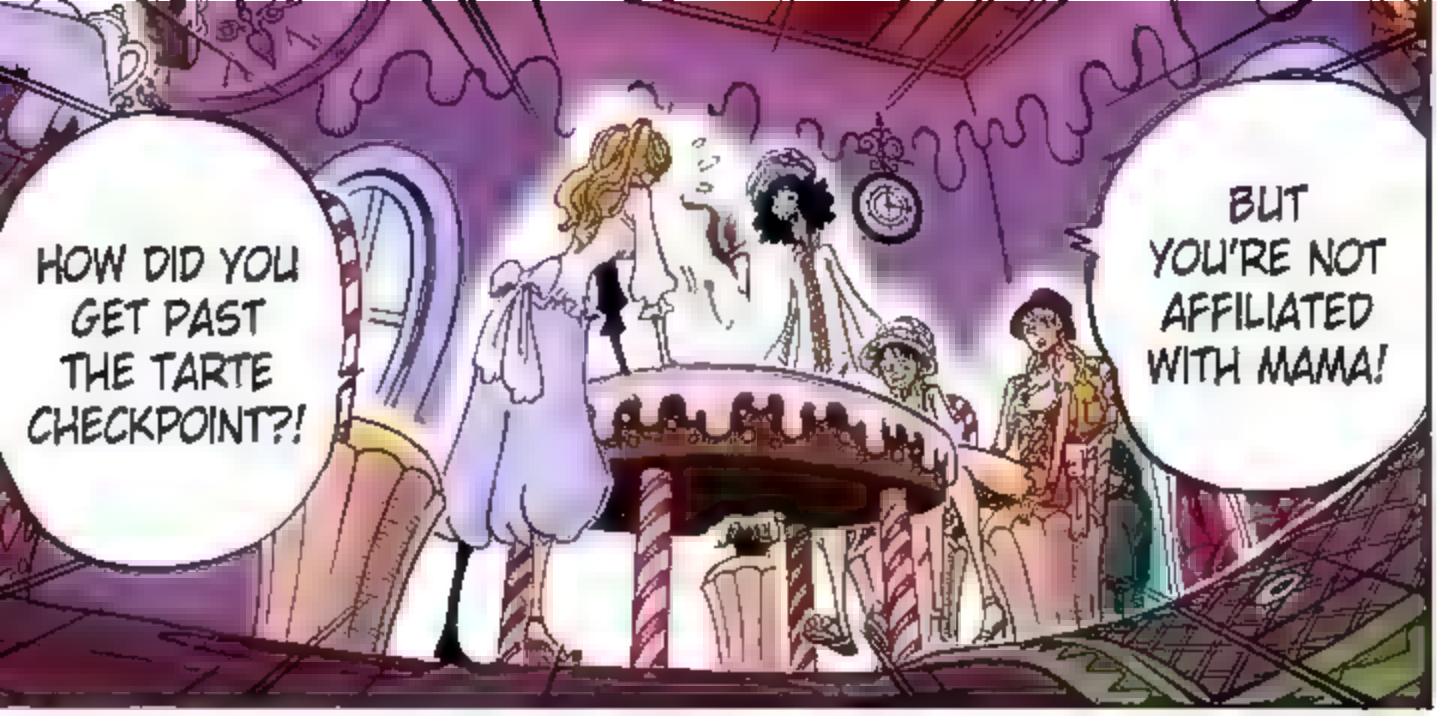
WHAAAAT ?!!
CHOCOLAT TOWN, CACAO ISLAND



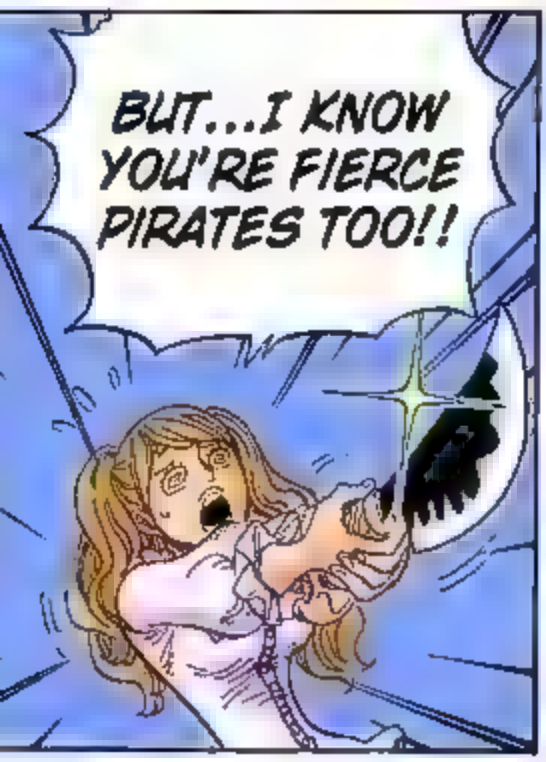
...IS YOU, PUDDING ?!!
THE DAUGHTER OF BIG MOM THAT SANJI'S GONNA MARRY...
I'M SO JEALOUS!! WHAT A BEAUTIFUL WIFE!!!



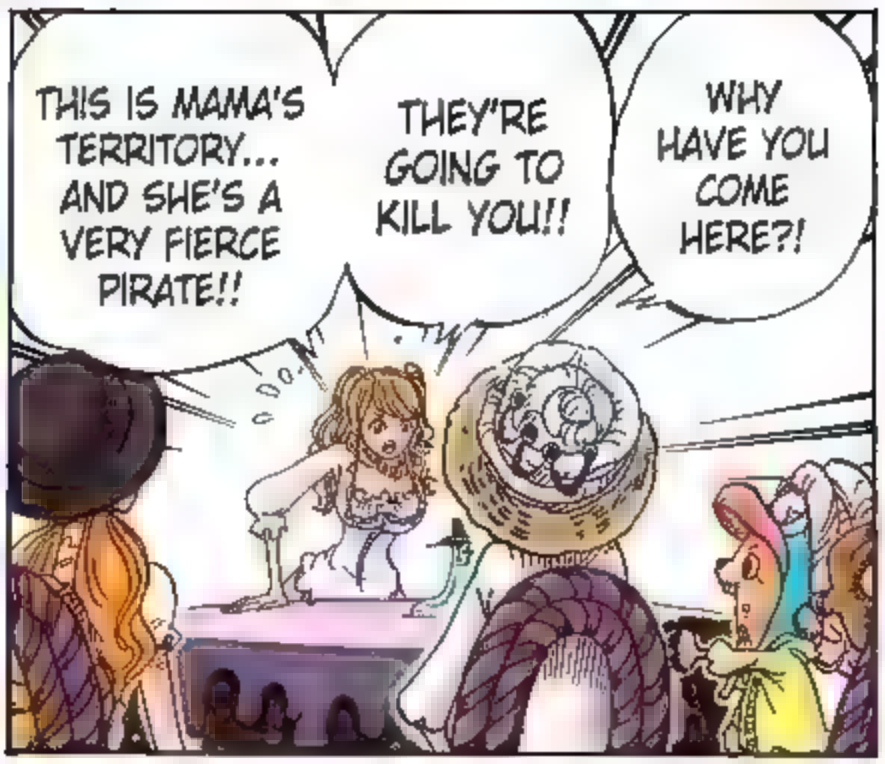
GO
BUT NOW THAT I LOOK CLOSER..I'VE SEEN YOUR FACE BEFORE, STRAW HAT LUFFY!!
YOU'RE SANJI'S COMPAN-IONS?! ARE YOU JOKING?!!



HOW DID YOU GET PAST THE TARTE CHECKPOINT?!
BUT YOU'RE NOT AFFILIATED WITH MAMA!



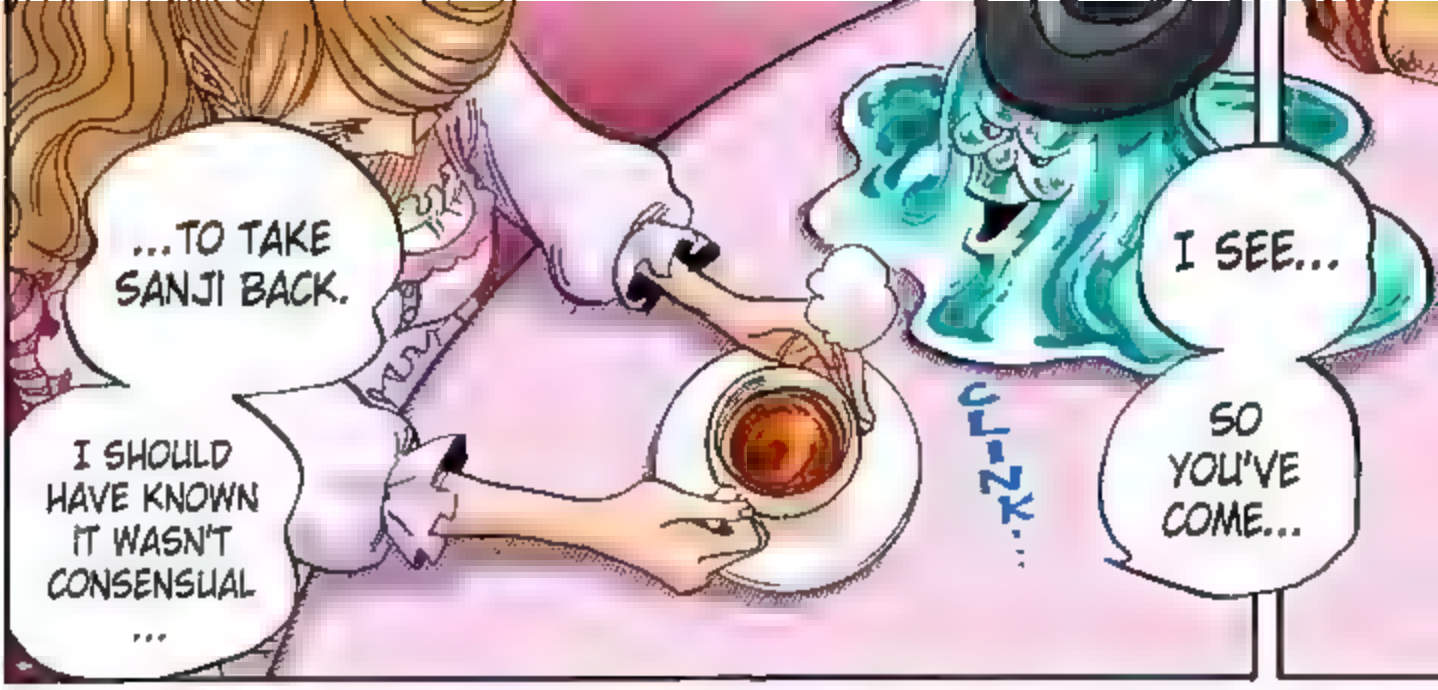
BUT...I KNOW YOU'RE FIERCE PIRATES TOO!!



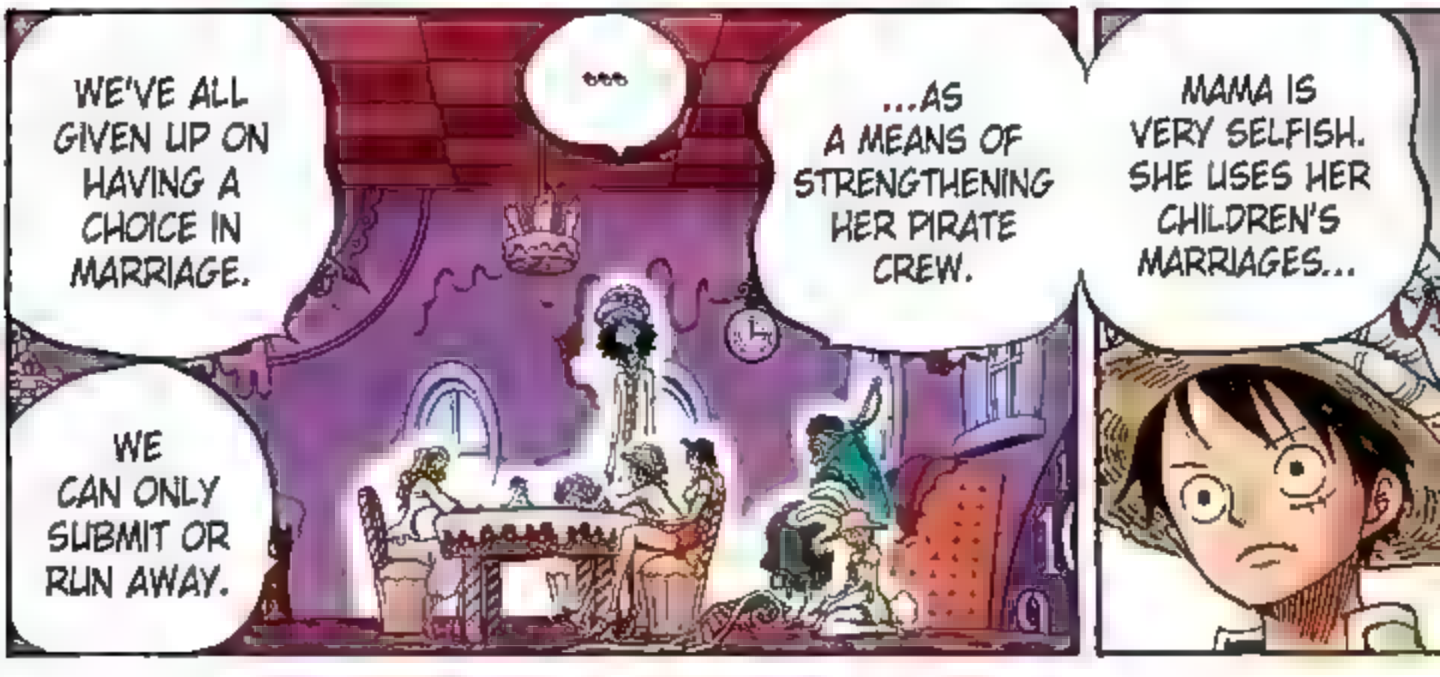
THIS IS MAMA'S TERRITORY... AND SHE'S A VERY FIERCE PIRATE!!
THEY'RE GOING TO KILL YOU!!
WHY HAVE YOU COME HERE?!

NO VIOLENCE, PEDRO!!!
EEEEK !!
WHAT SHOULD I DO WITH HER, LUFFY?
WHUP!!

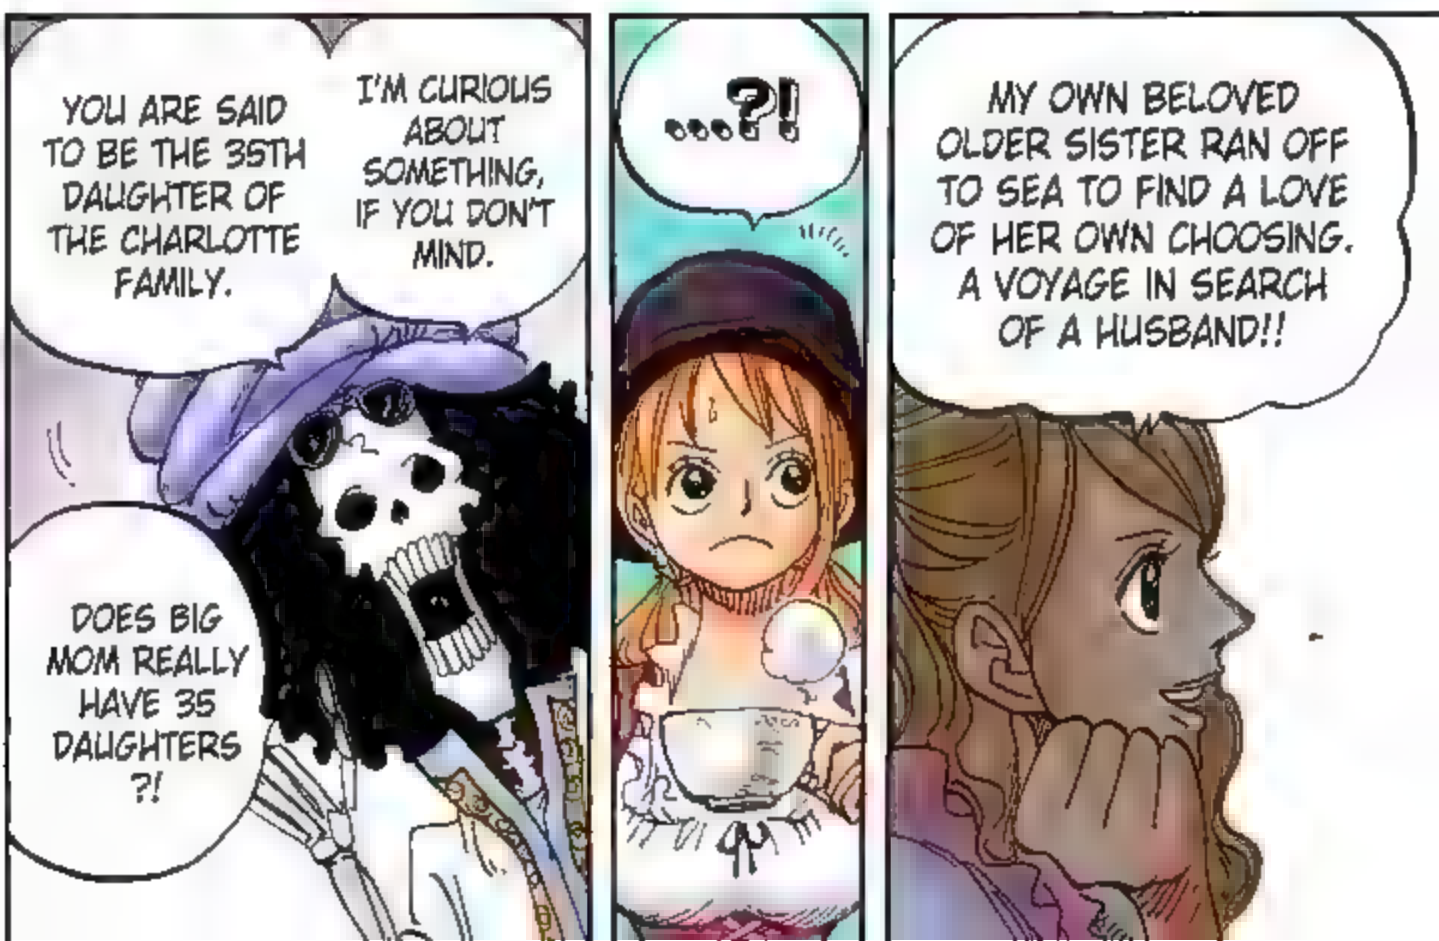
WAIT, CALM DOWN!! WE'RE NOT GOING TO GET VIOLENT!!



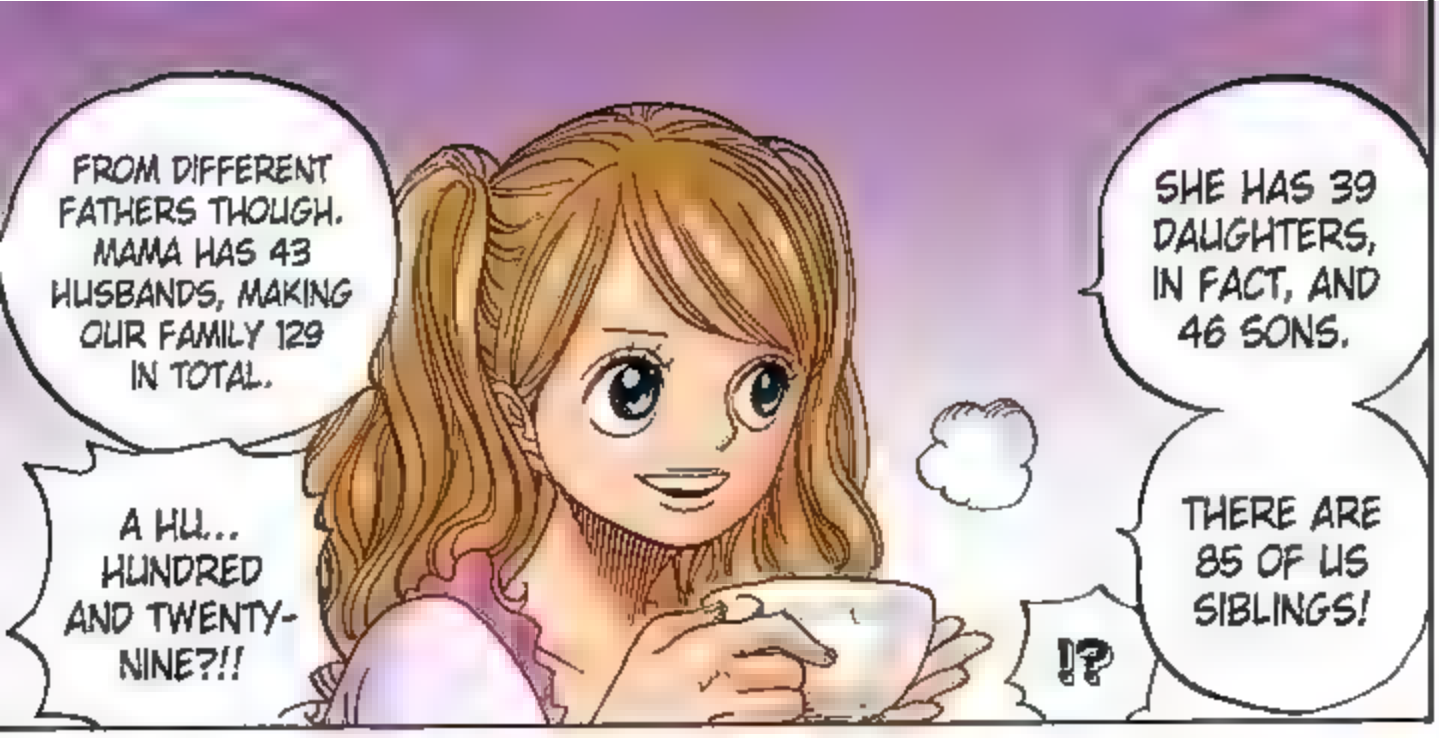
...TO TAKE SANJI BACK.
I SHOULD HAVE KNOWN IT WASN'T CONSENSUAL ...
I SEE...
SO YOU'VE COME...
CLINK...



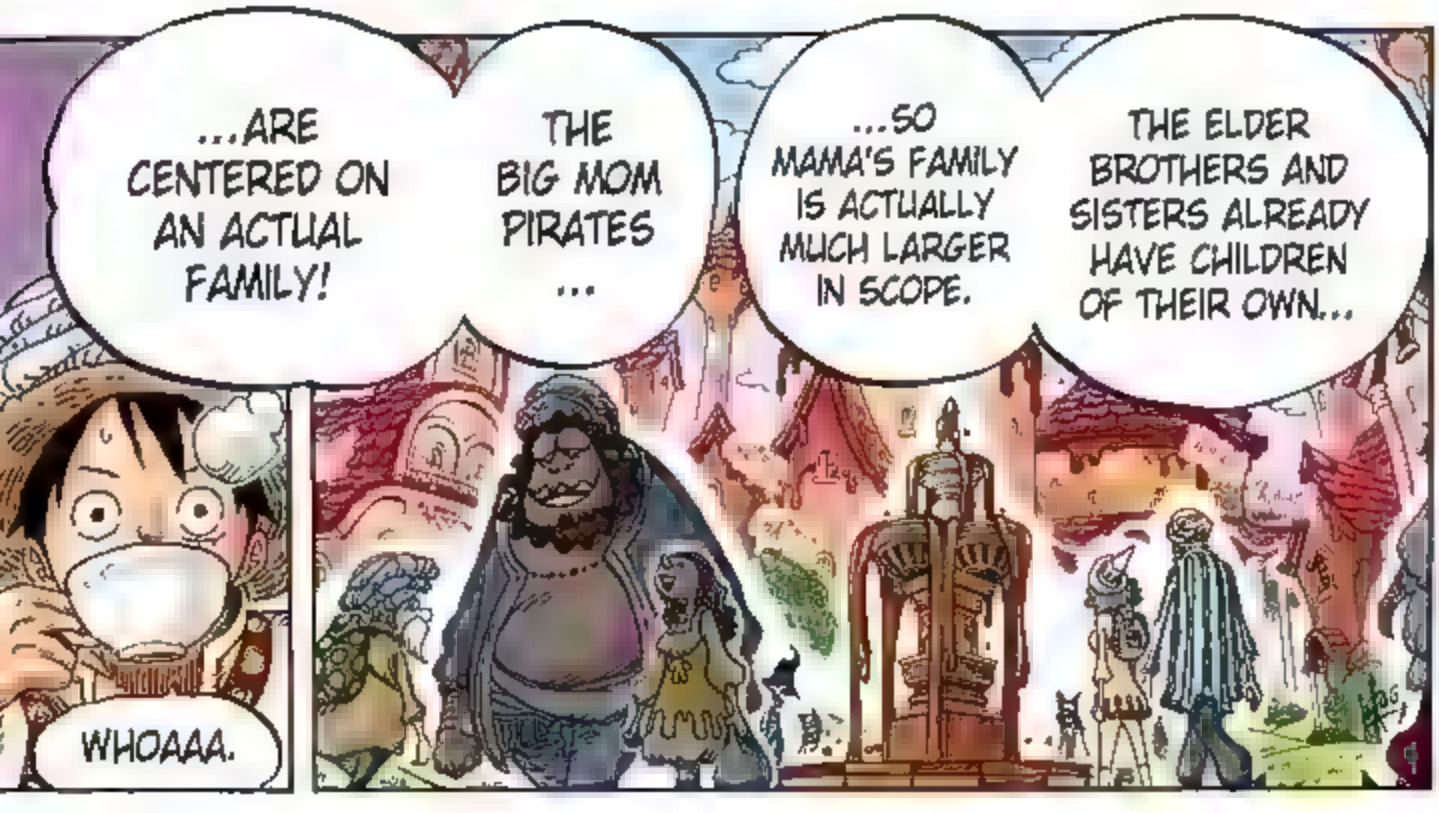
WE'VE ALL GIVEN UP ON HAVING A CHOICE IN MARRIAGE.
WE CAN ONLY SUBMIT OR RUN AWAY.
...
...AS A MEANS OF STRENGTHENING HER PIRATE CREW.
MAMA IS VERY SELFISH. SHE USES HER CHILDREN'S MARRIAGES...



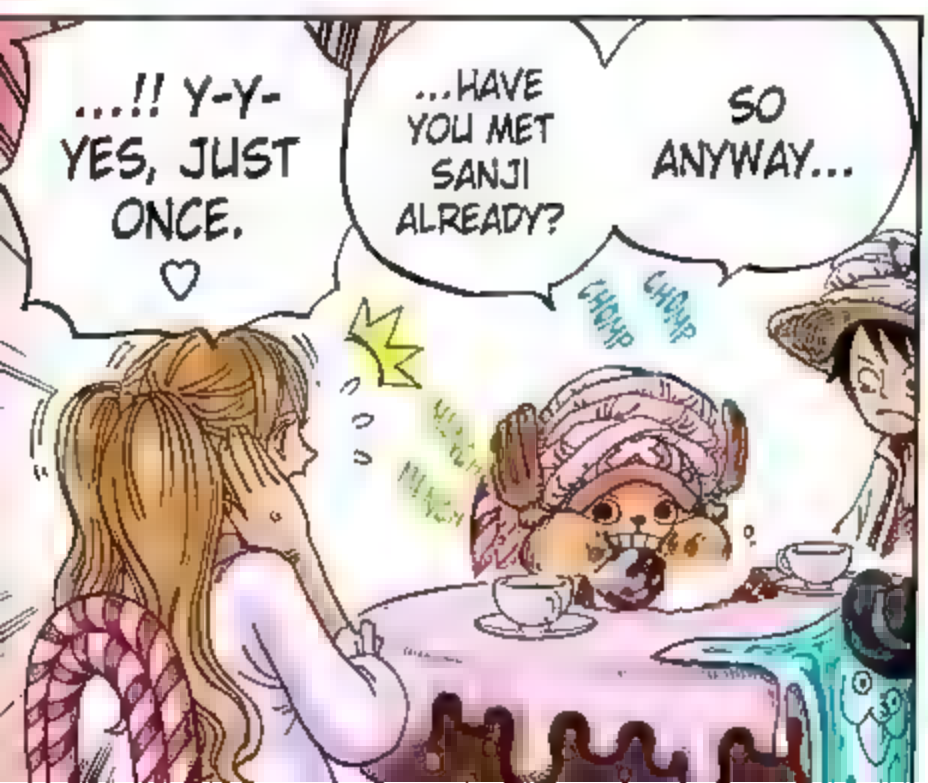
YOU ARE SAID TO BE THE 35TH DAUGHTER OF THE CHARLOTTE FAMILY.
I'M CURIOUS ABOUT SOMETHING, IF YOU DON'T MIND.
DOES BIG MOM REALLY HAVE 35 DAUGHTERS ?!
...?!
MY OWN BELOVED OLDER SISTER RAN OFF TO SEA TO FIND A LOVE OF HER OWN CHOOSING. A VOYAGE IN SEARCH OF A HUSBAND!!



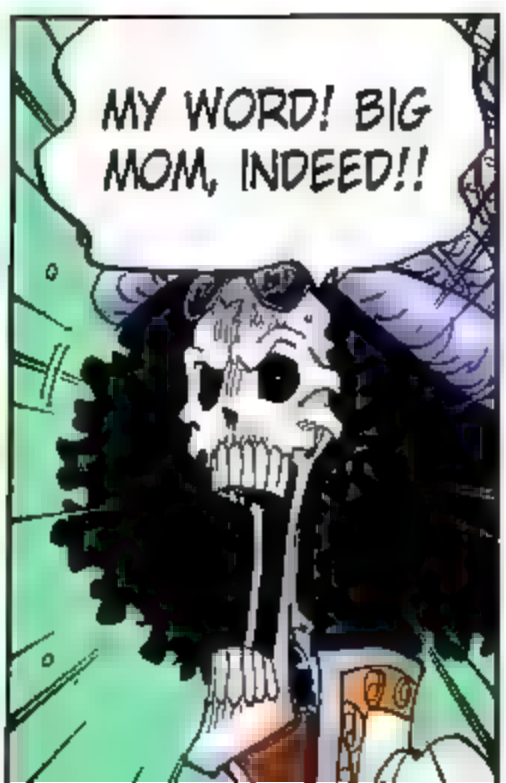
FROM DIFFERENT FATHERS THOUGH. MAMA HAS 43 HUSBANDS, MAKING OUR FAMILY 129 IN TOTAL.
A HU... HUNDRED AND TWENTY-NINE?!!
SHE HAS 39 DAUGHTERS, IN FACT, AND 46 SONS.
!?
THERE ARE 85 OF US SIBLINGS!



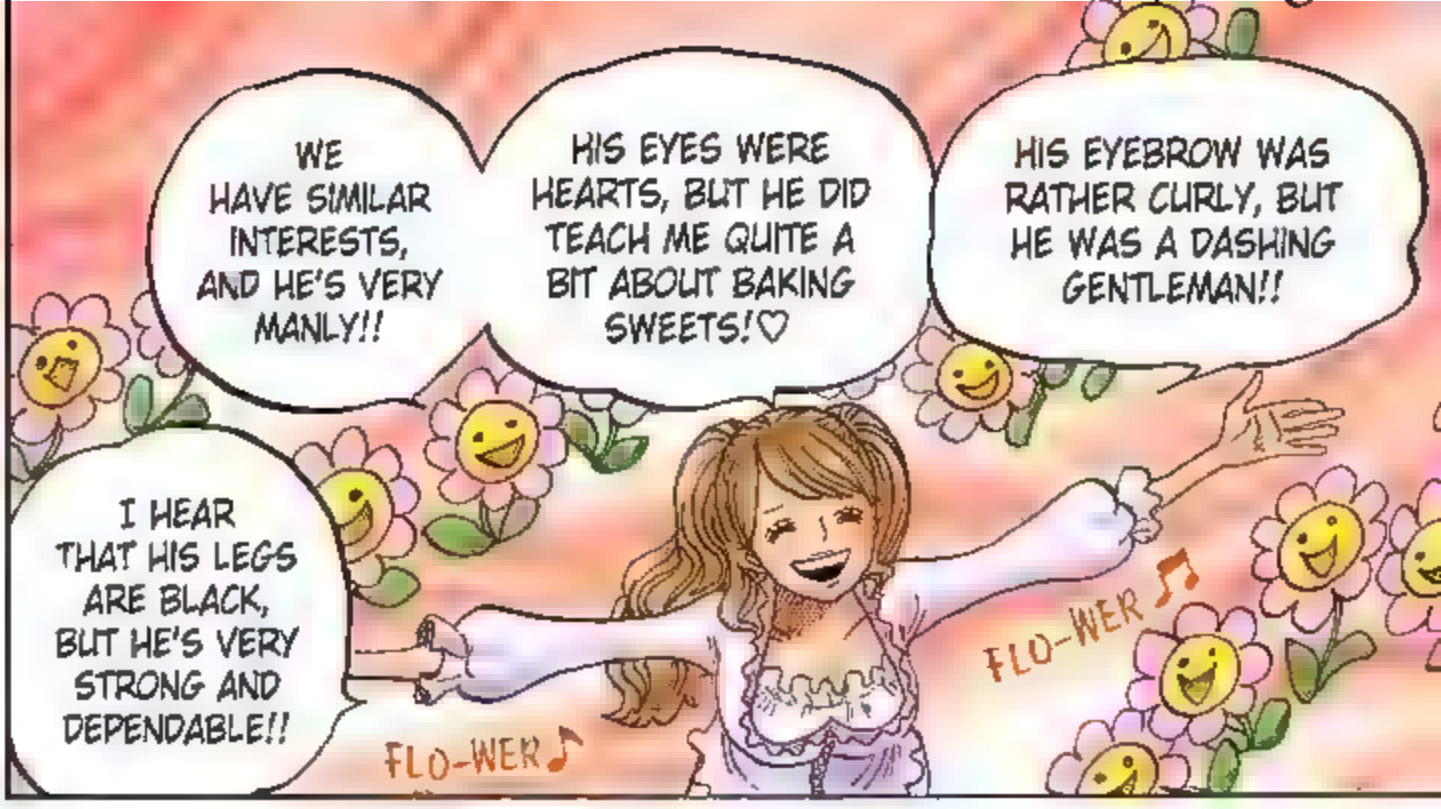
...ARE CENTERED ON AN ACTUAL FAMILY!
THE BIG MOM PIRATES ...
...SO MAMA'S FAMILY IS ACTUALLY MUCH LARGER IN SCOPE.
THE ELDER BROTHERS AND SISTERS ALREADY HAVE CHILDREN OF THEIR OWN...
WHOAAA.



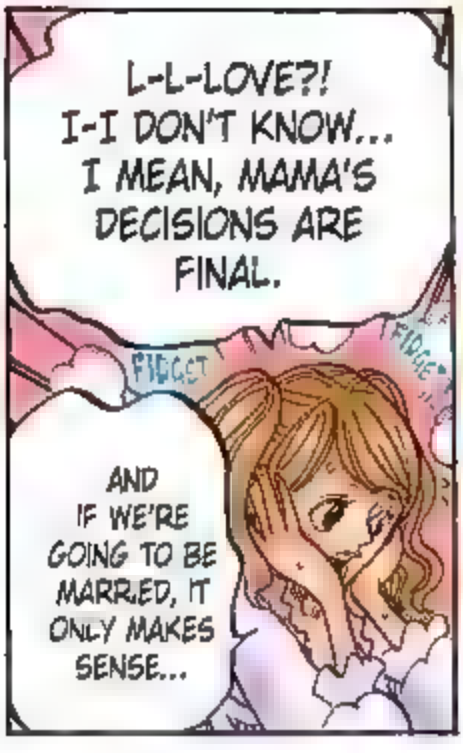
...!! Y-Y-YES, JUST ONCE. ♡
...HAVE YOU MET SANJI ALREADY?
SO ANYWAY...
CHOMP CHOMP
MUNCH MUNCH



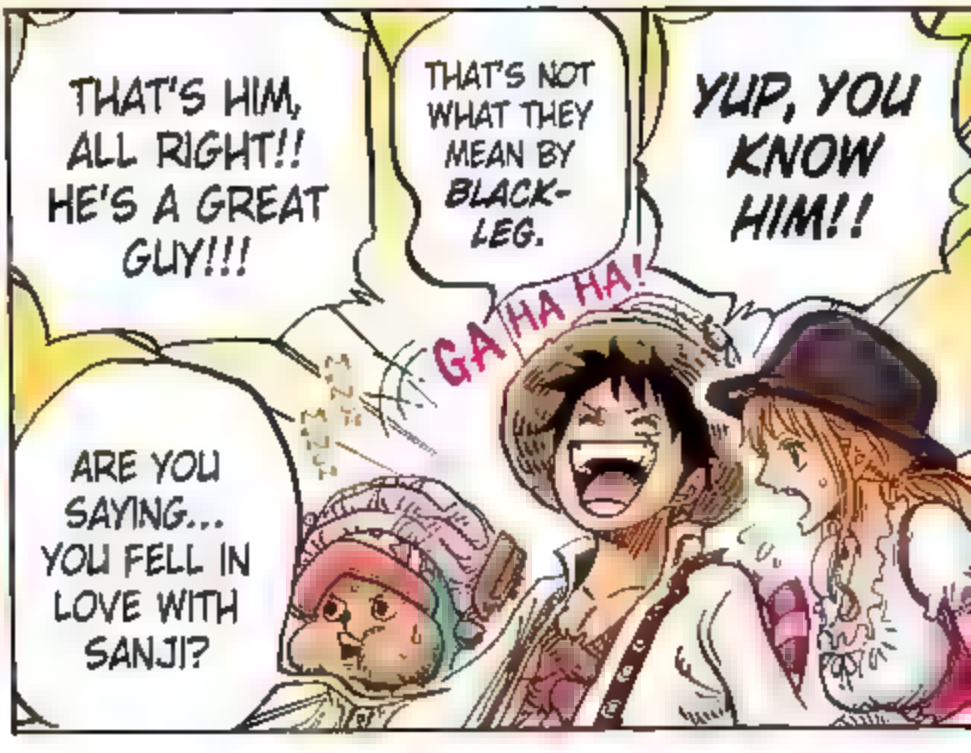
MY WORD! BIG MOM, INDEED!!



WE HAVE SIMILAR INTERESTS, AND HE'S VERY MANLY!!
HIS EYES WERE HEARTS, BUT HE DID TEACH ME QUITE A BIT ABOUT BAKING SWEETS!♡
HIS EYEBROW WAS RATHER CURLY, BUT HE WAS A DASHING GENTLEMAN!!
I HEAR THAT HIS LEGS ARE BLACK, BUT HE'S VERY STRONG AND DEPENDABLE!!
FLO-WER♪
FLO-WER♪

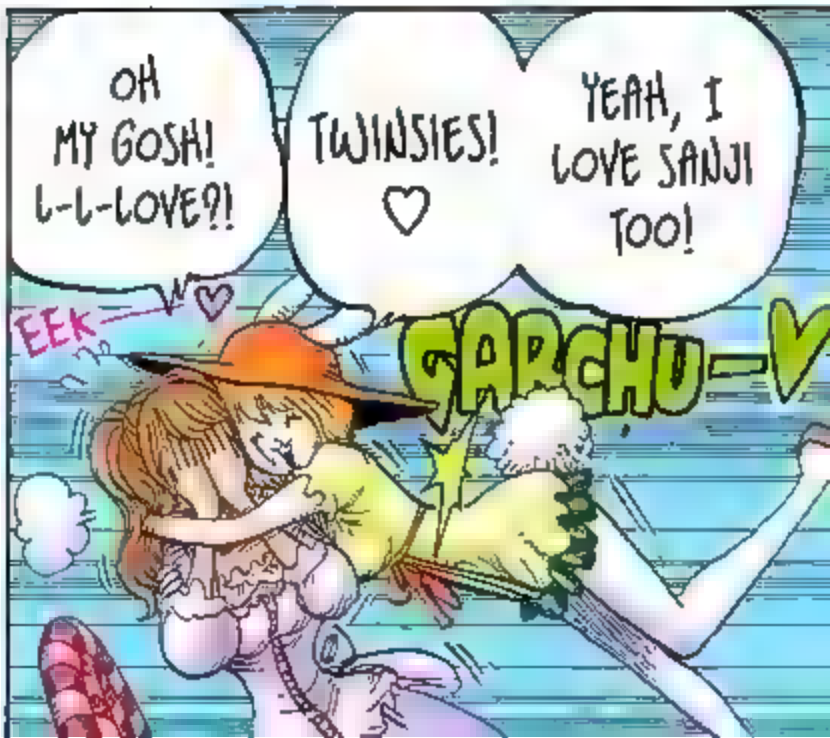


L-L-LOVE?! I-I DON'T KNOW... I MEAN, MAMA'S DECISIONS ARE FINAL.
FIDGET
FIDGET
AND IF WE'RE GOING TO BE MARRIED, IT ONLY MAKES SENSE...

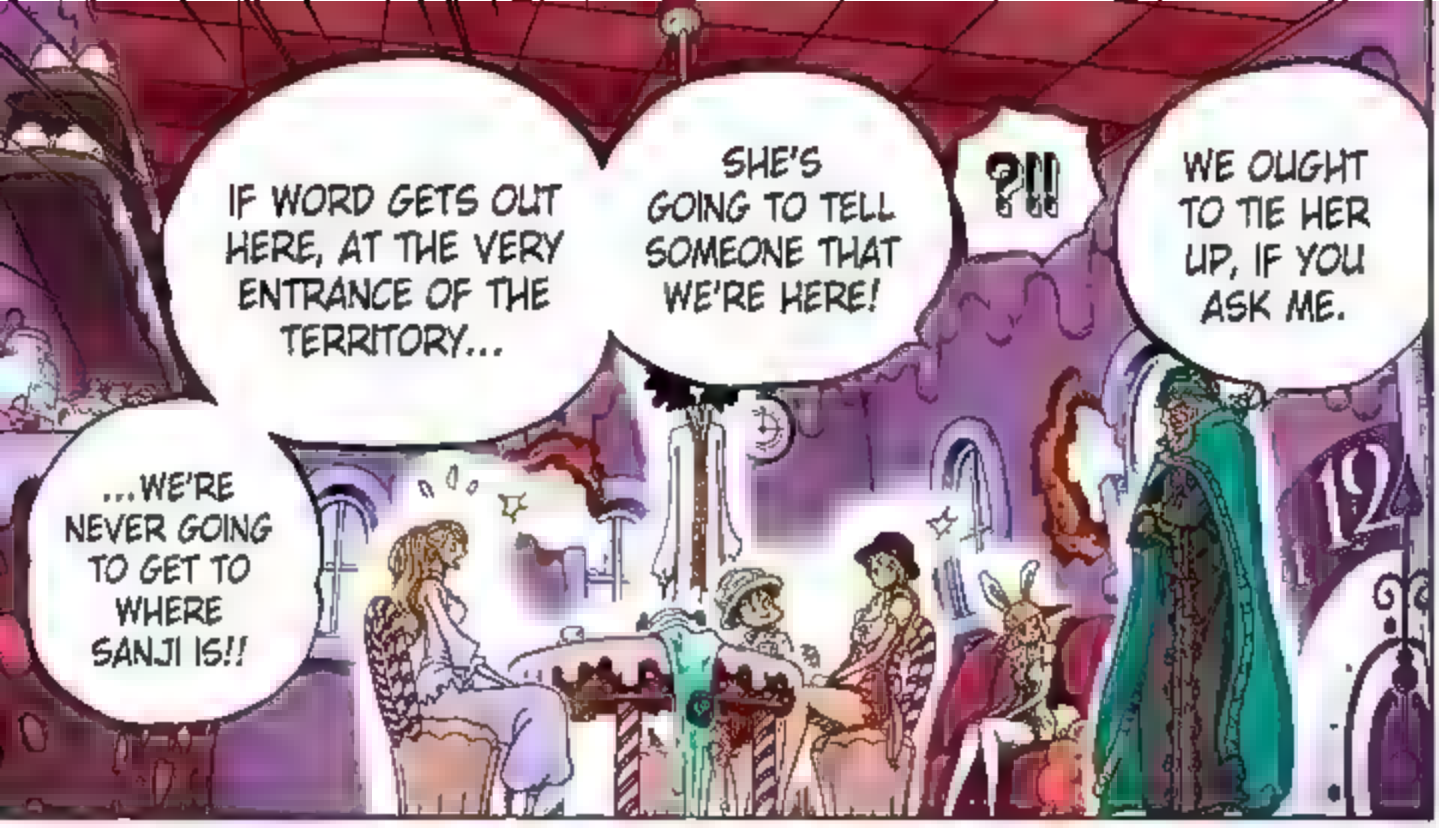


THAT'S HIM, ALL RIGHT!! HE'S A GREAT GUY!!!
THAT'S NOT WHAT THEY MEAN BY BLACK-LEG.
YUP, YOU KNOW HIM!!
GA HA HA!
ARE YOU SAYING... YOU FELL IN LOVE WITH SANJI?

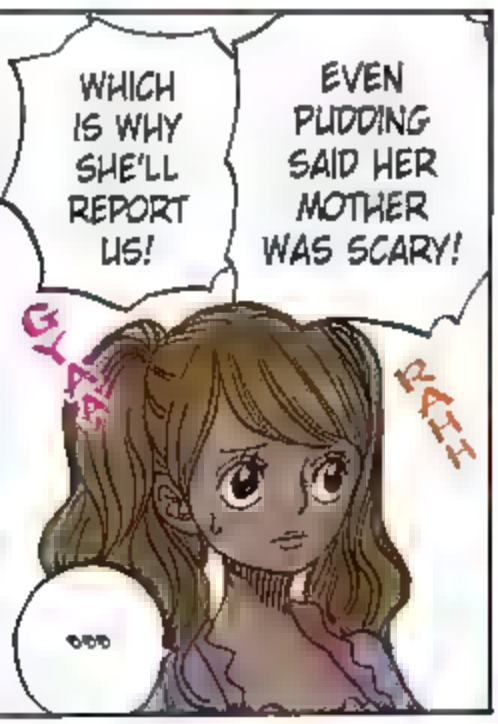
TO THINK THAT HIS PARTNER WOULD BE SUCH A LOVELY YOUNG LADY!!
THIS IS THE MOST SURPRISING OF SURPRISES!!
NO WONDER SANJI'S EYES WERE HEARTS!!!
GA-BI
NGH!



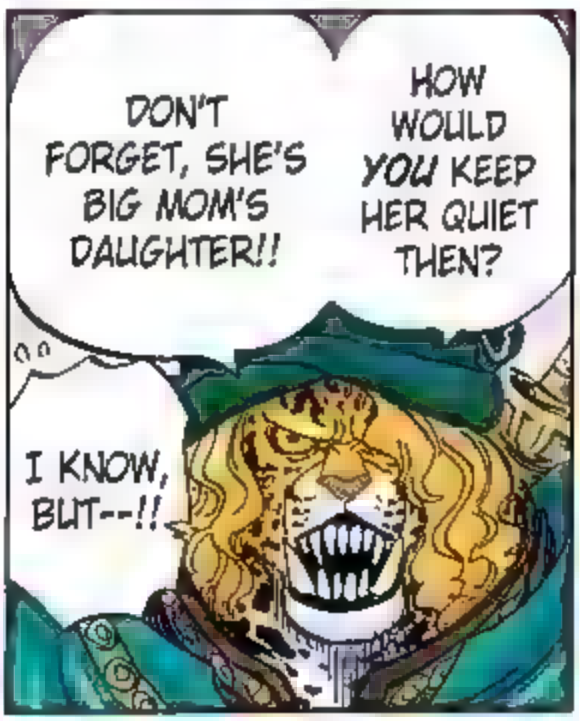
OH MY GOSH! L-L-LOVE?!
TWINSIES! ♡
YEAH, I LOVE SANJI TOO!
EEK—♡
GARCHU—♡



IF WORD GETS OUT HERE, AT THE VERY ENTRANCE OF THE TERRITORY...
SHE'S GOING TO TELL SOMEONE THAT WE'RE HERE!
?!!
WE OUGHT TO TIE HER UP, IF YOU ASK ME.
...WE'RE NEVER GOING TO GET TO WHERE SANJI IS!!
12

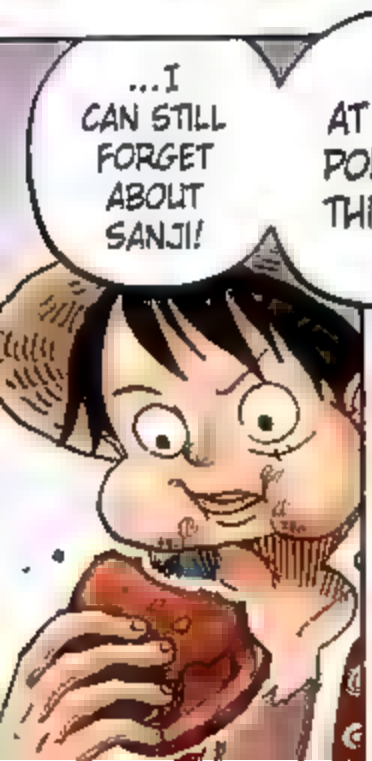


WHICH IS WHY SHE'LL REPORT US!
EVEN PUDDING SAID HER MOTHER WAS SCARY!
GLARE
HAIR
...

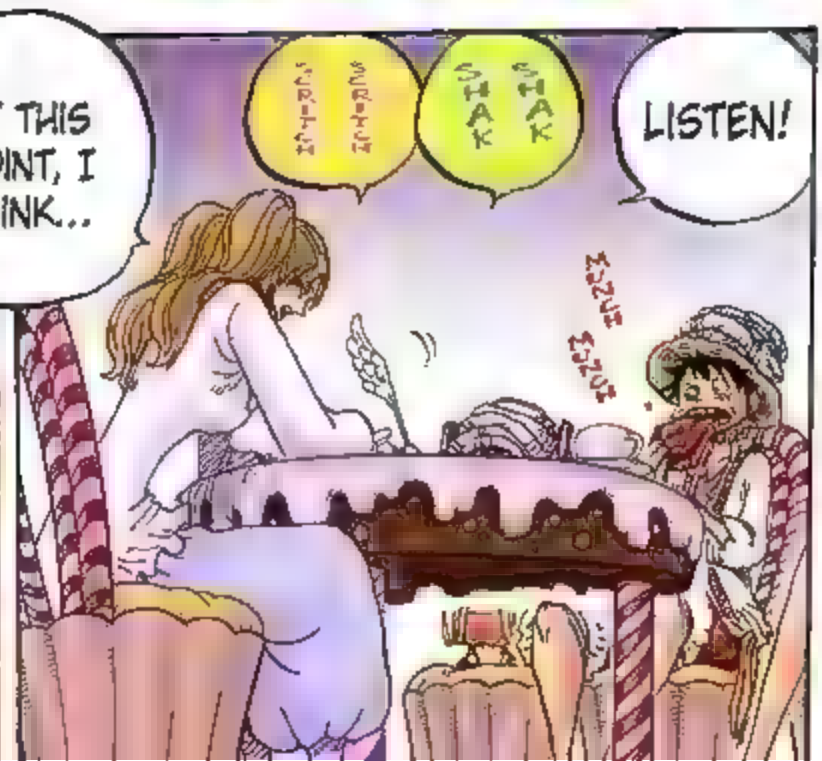


DON'T FORGET, SHE'S BIG MOM'S DAUGHTER!!
HOW WOULD YOU KEEP HER QUIET THEN?
I KNOW, BUT--!!

HOW CAN YOU BE SO CRUEL, PEDRO?!



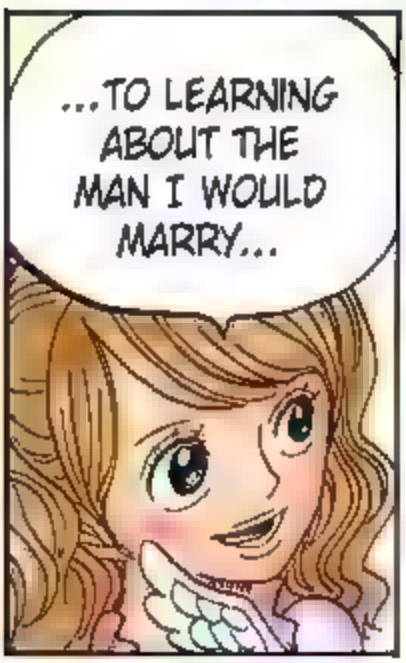
...I CAN STILL FORGET ABOUT SANJI!
AT THIS POINT, I THINK...



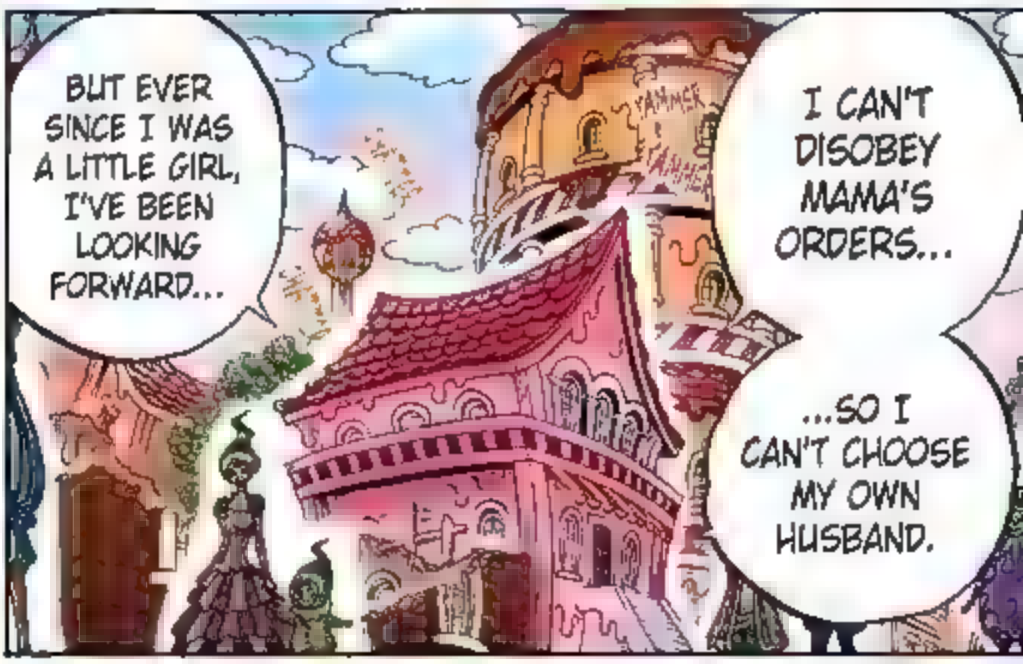
LISTEN!
SHAK
SHAK
SCRITCH
SCRITCH
MUCH
MUCH

GLARE
HAIR

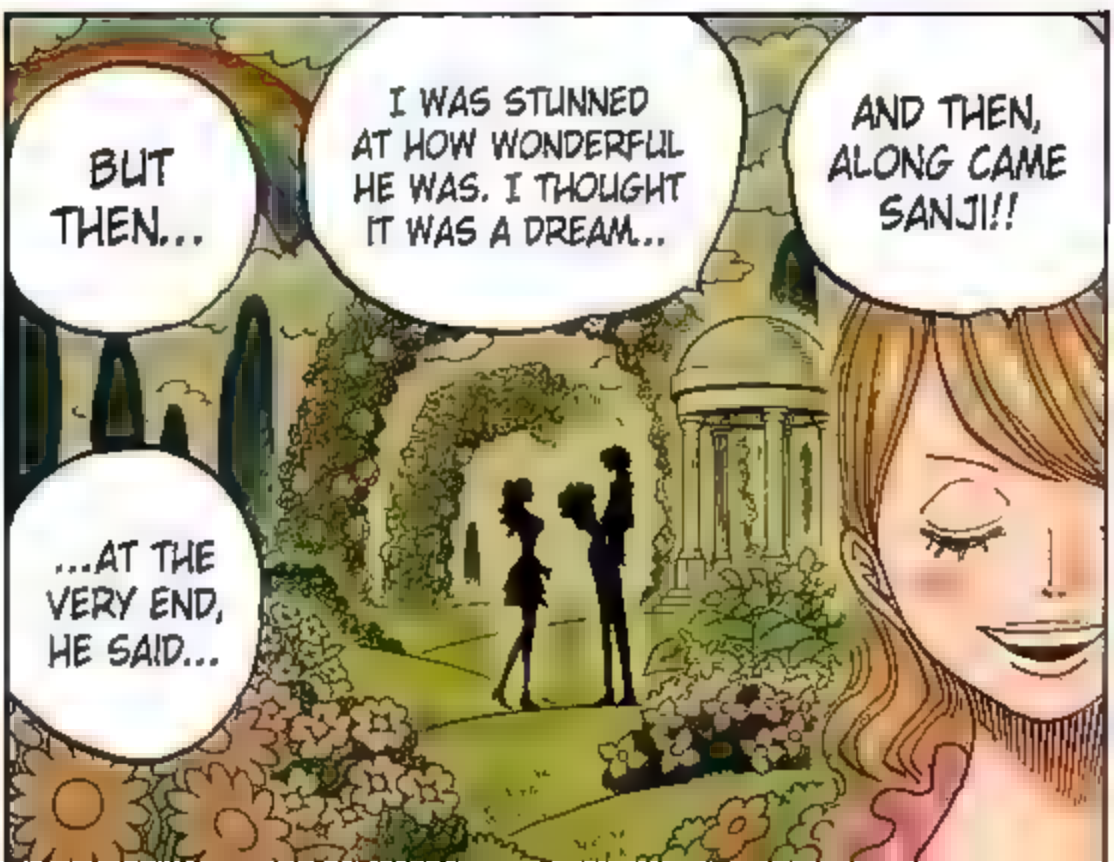
AND MAMA'S LOOKING FORWARD TO THE WEDDING CAKE!!
SO ARE THE VINSMOKES.
...IS CELEBRATING MY MARRIAGE.
EVERYONE IN TOTTO LAND...



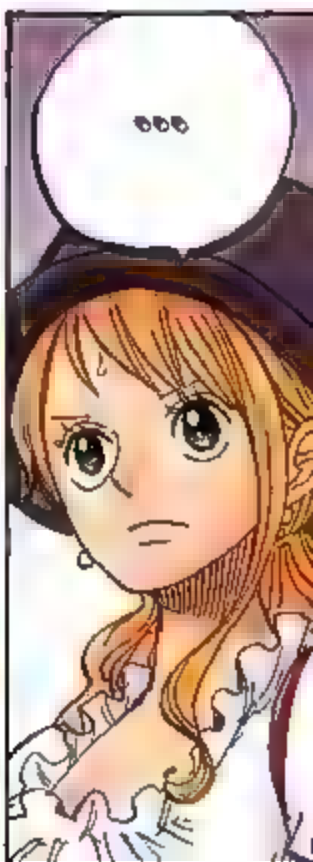
...TO LEARNING ABOUT THE MAN I WOULD MARRY...



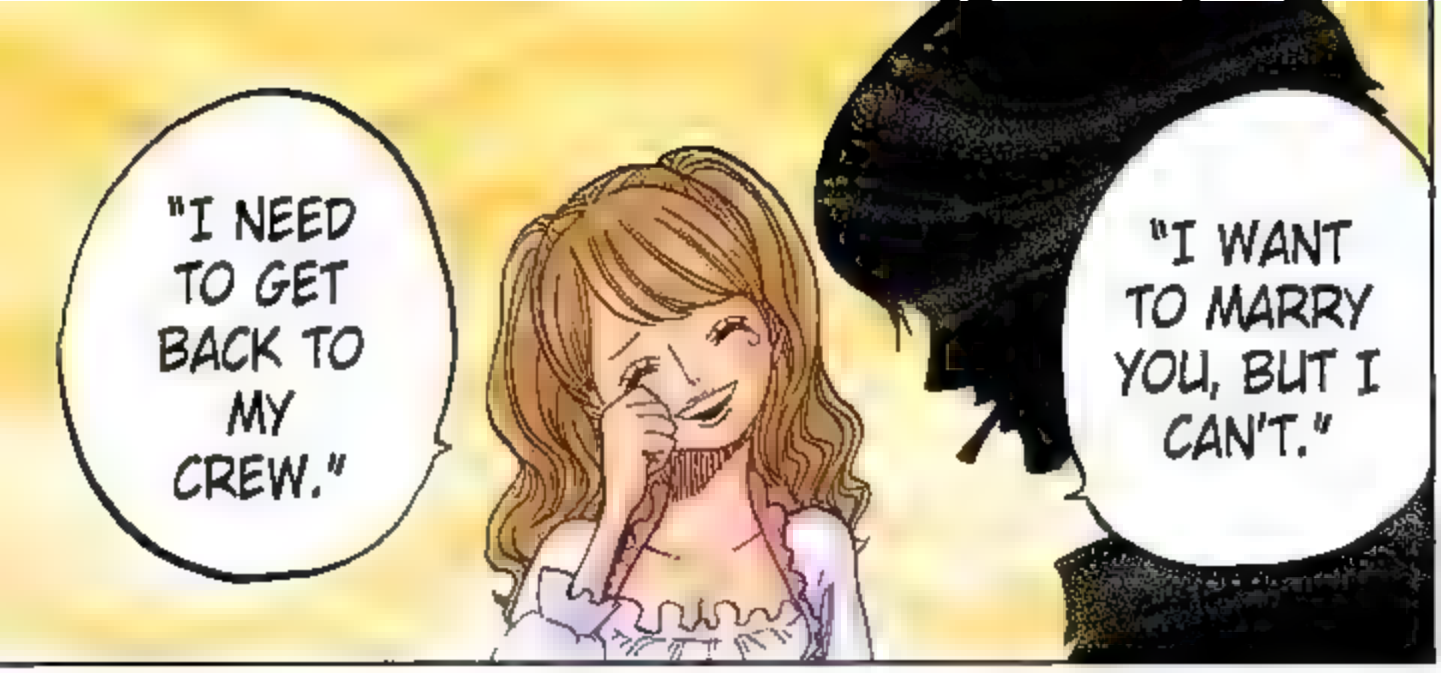
BUT EVER SINCE I WAS A LITTLE GIRL, I'VE BEEN LOOKING FORWARD...
I CAN'T DISOBEY MAMA'S ORDERS...
...SO I CAN'T CHOOSE MY OWN HUSBAND.



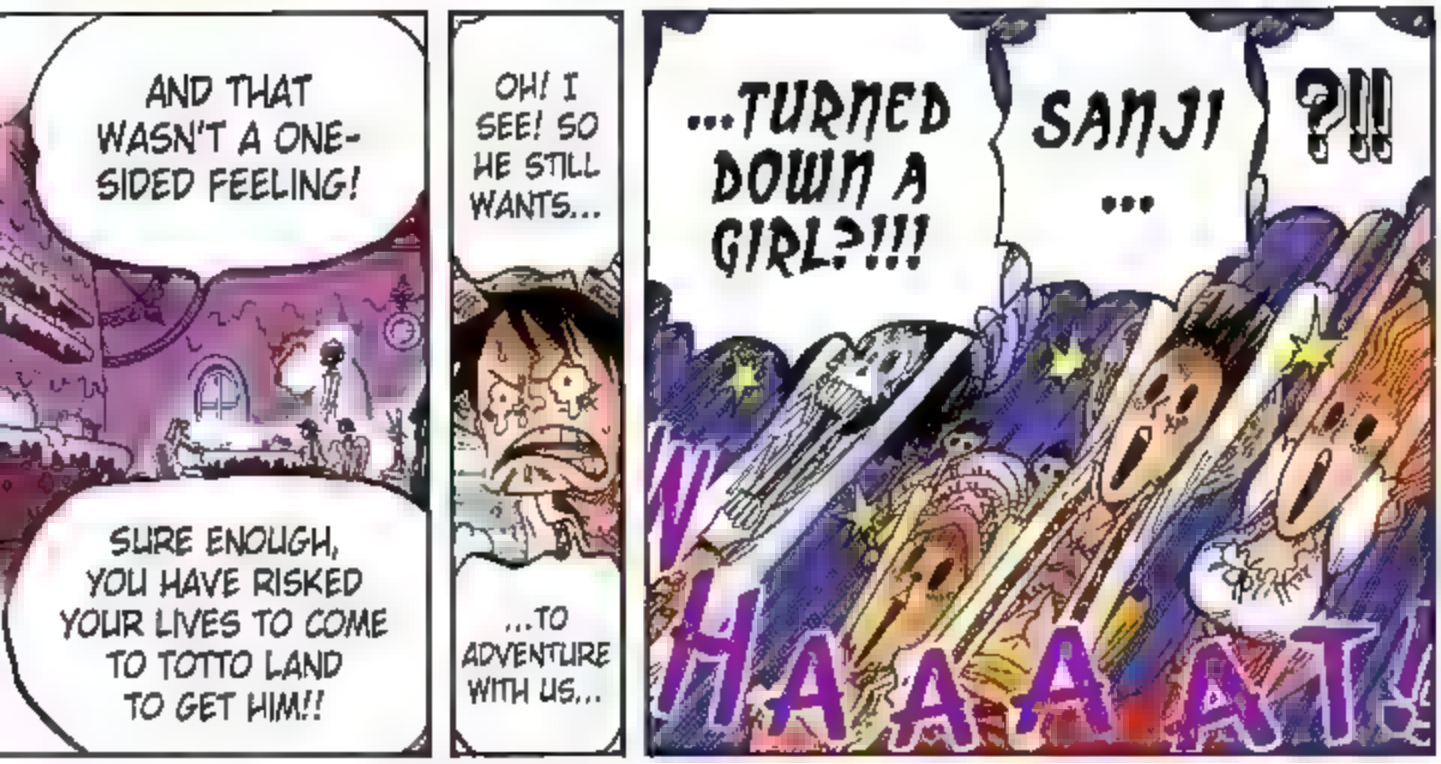
BUT THEN...
I WAS STUNNED AT HOW WONDERFUL HE WAS. I THOUGHT IT WAS A DREAM...
AND THEN, ALONG CAME SANJI!!
...AT THE VERY END, HE SAID...



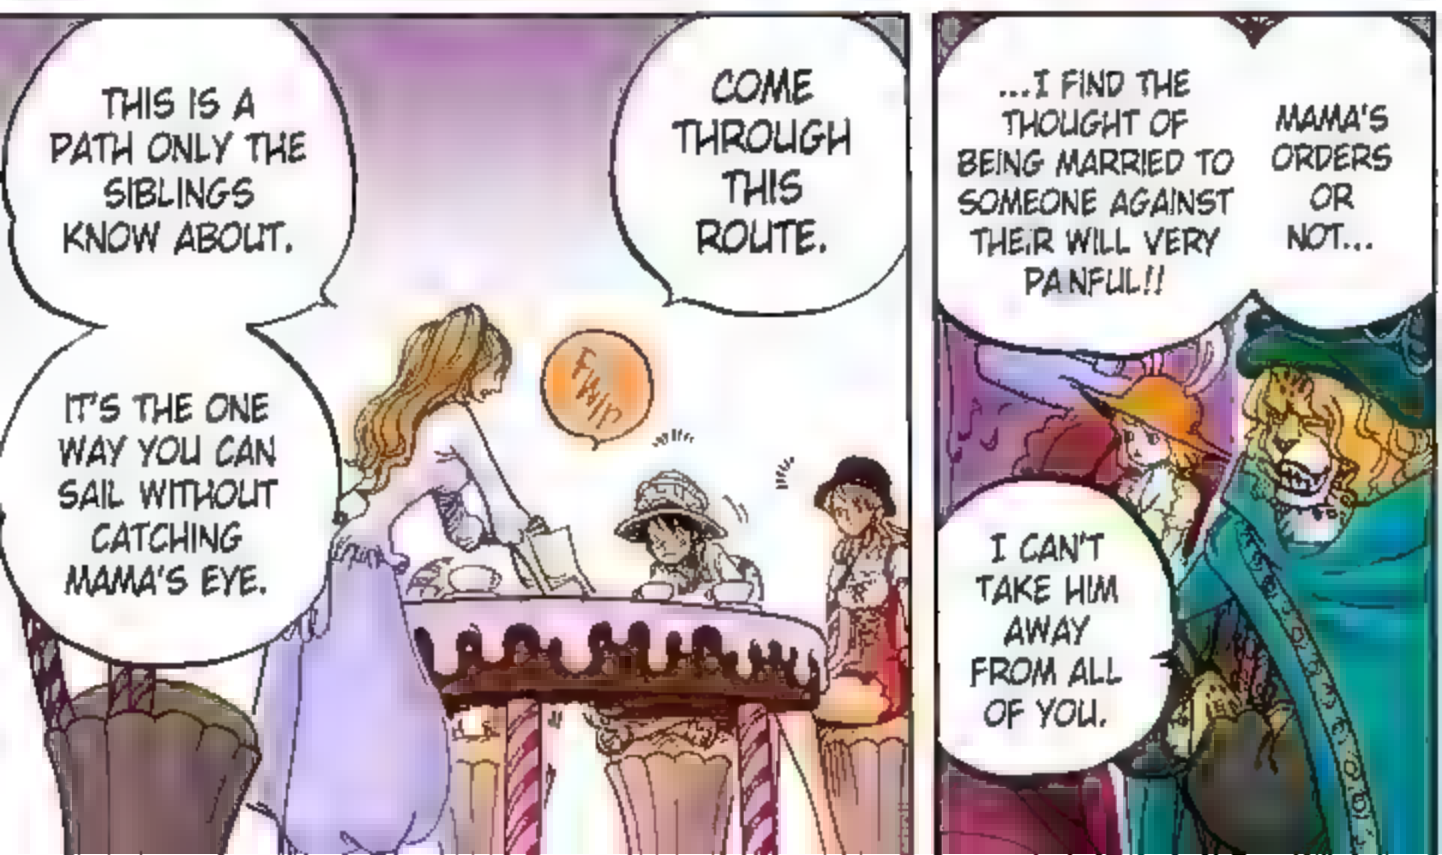
...



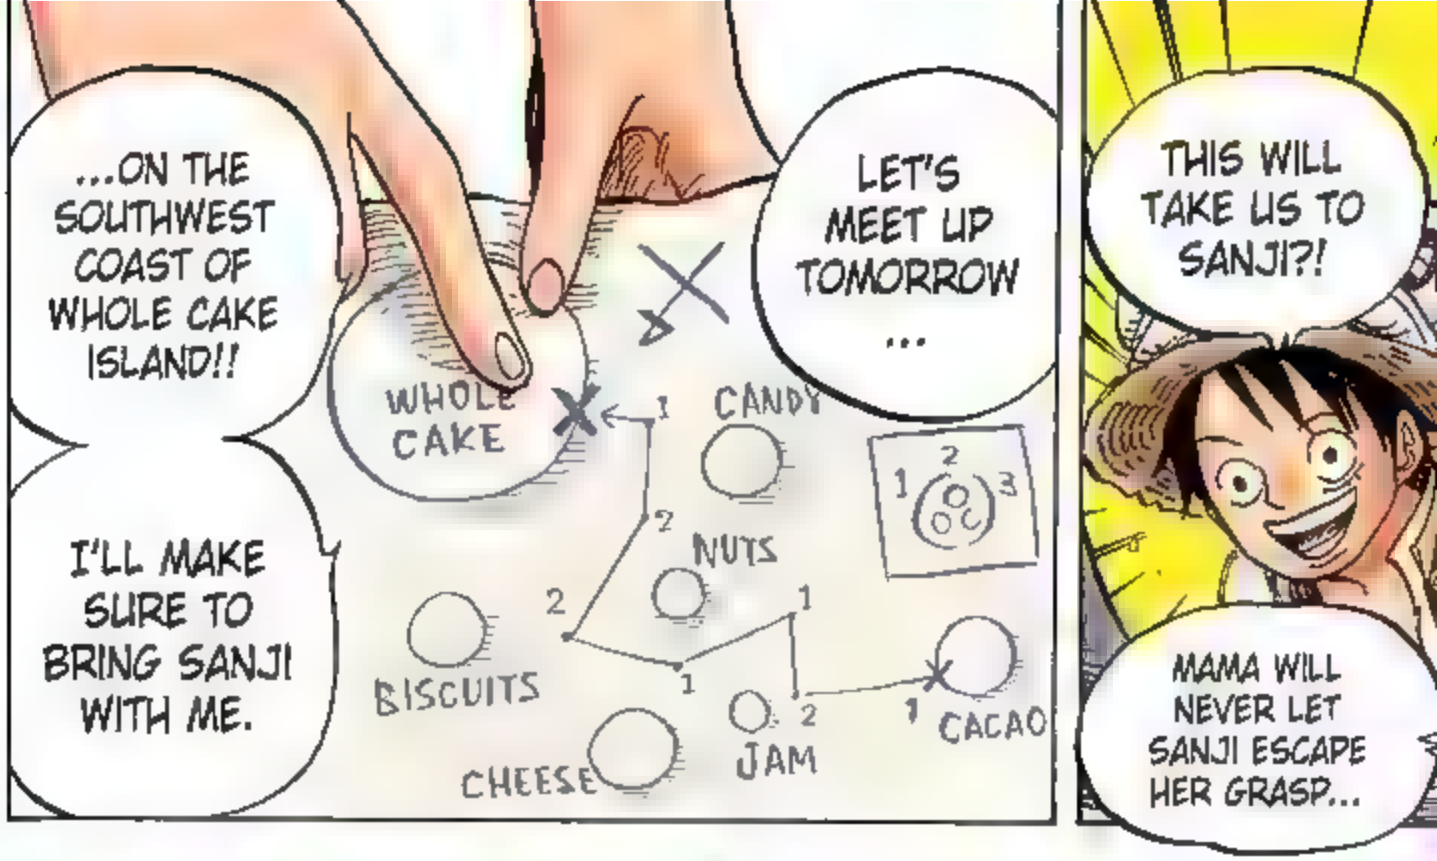
"I NEED TO GET BACK TO MY CREW."
"I WANT TO MARRY YOU, BUT I CAN'T."



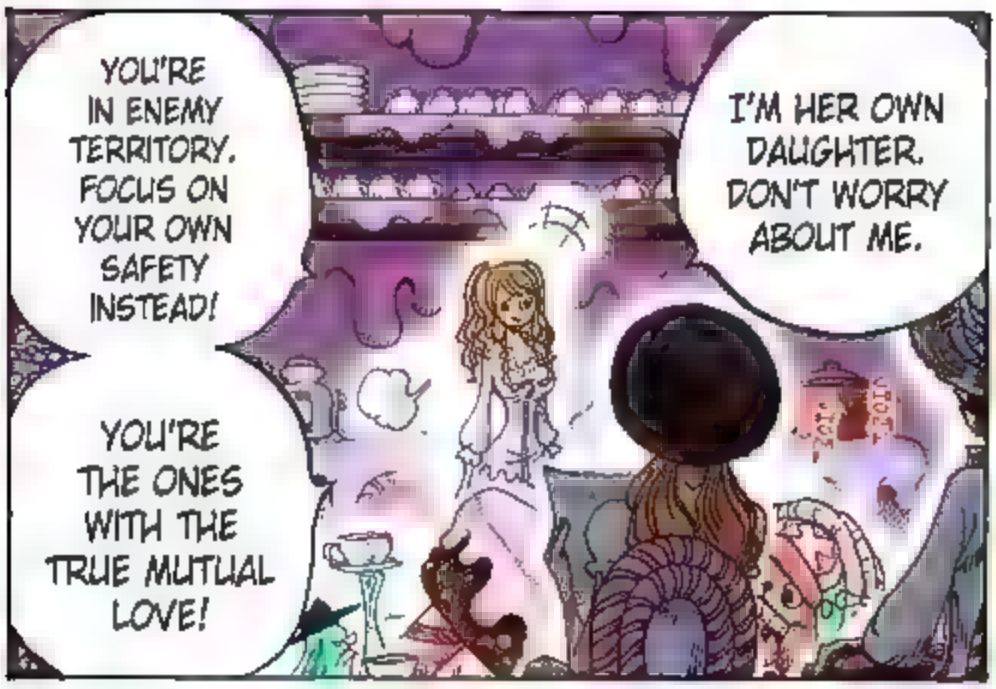
AND THAT WASN'T A ONE-SIDED FEELING!
SURE ENOUGH, YOU HAVE RISKED YOUR LIVES TO COME TO TOTTO LAND TO GET HIM!!
OH! I SEE! SO HE STILL WANTS...
...TO ADVENTURE WITH US...
...TURNED DOWN A GIRL?!!!
SANJI ...
?!!
WHAAAAT!



THIS IS A PATH ONLY THE SIBLINGS KNOW ABOUT.
IT'S THE ONE WAY YOU CAN SAIL WITHOUT CATCHING MAMA'S EYE.
COME THROUGH THIS ROUTE.
FWIP
...I FIND THE THOUGHT OF BEING MARRIED TO SOMEONE AGAINST THEIR WILL VERY PAINFUL!!
MAMA'S ORDERS OR NOT...
I CAN'T TAKE HIM AWAY FROM ALL OF YOU.

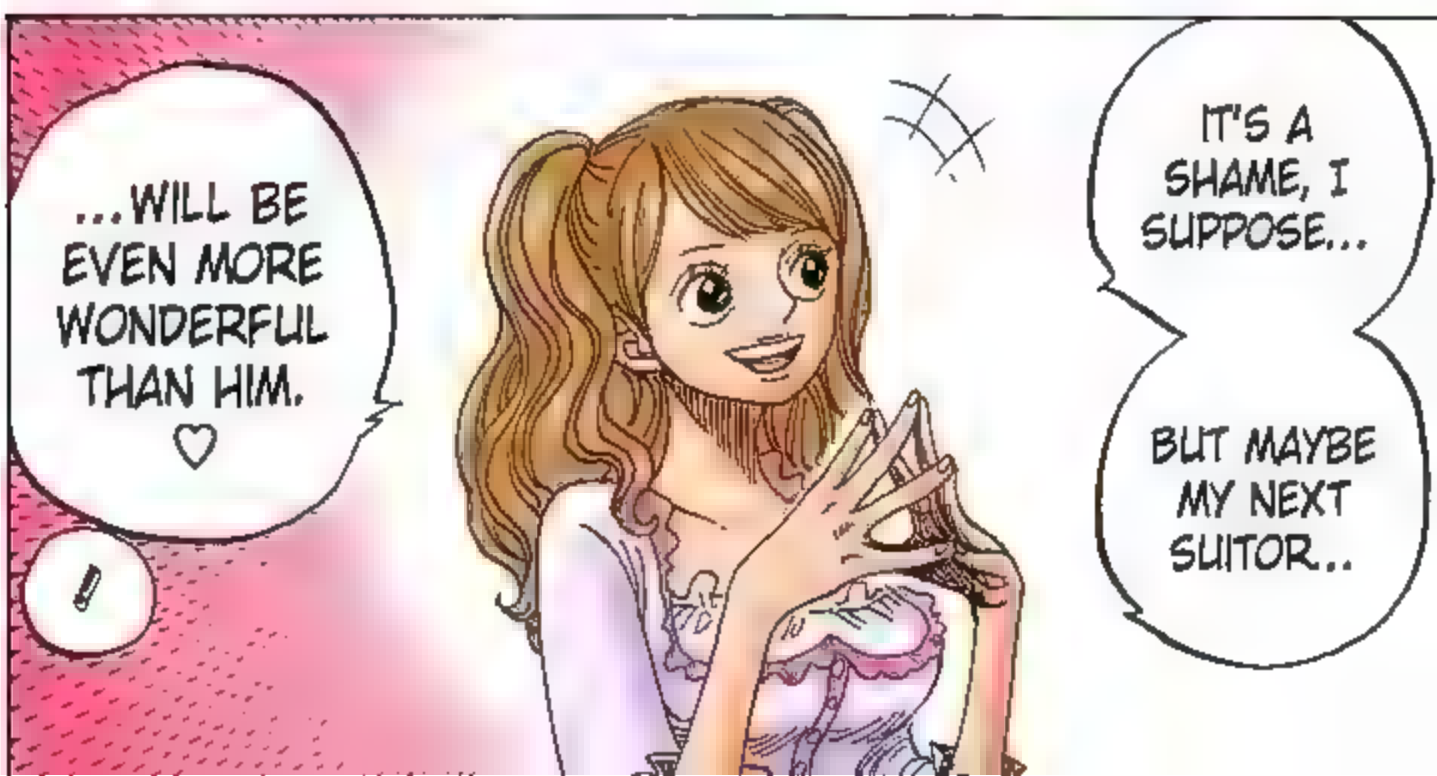


...ON THE SOUTHWEST COAST OF WHOLE CAKE ISLAND!!
I'LL MAKE SURE TO BRING SANJI WITH ME.
LET'S MEET UP TOMORROW ...
WHOLE CAKE
CANDY
NUTS
BISCUITS
CHEESE
JAM
CACAO
THIS WILL TAKE US TO SANJI?!
MAMA WILL NEVER LET SANJI ESCAPE HER GRASP...

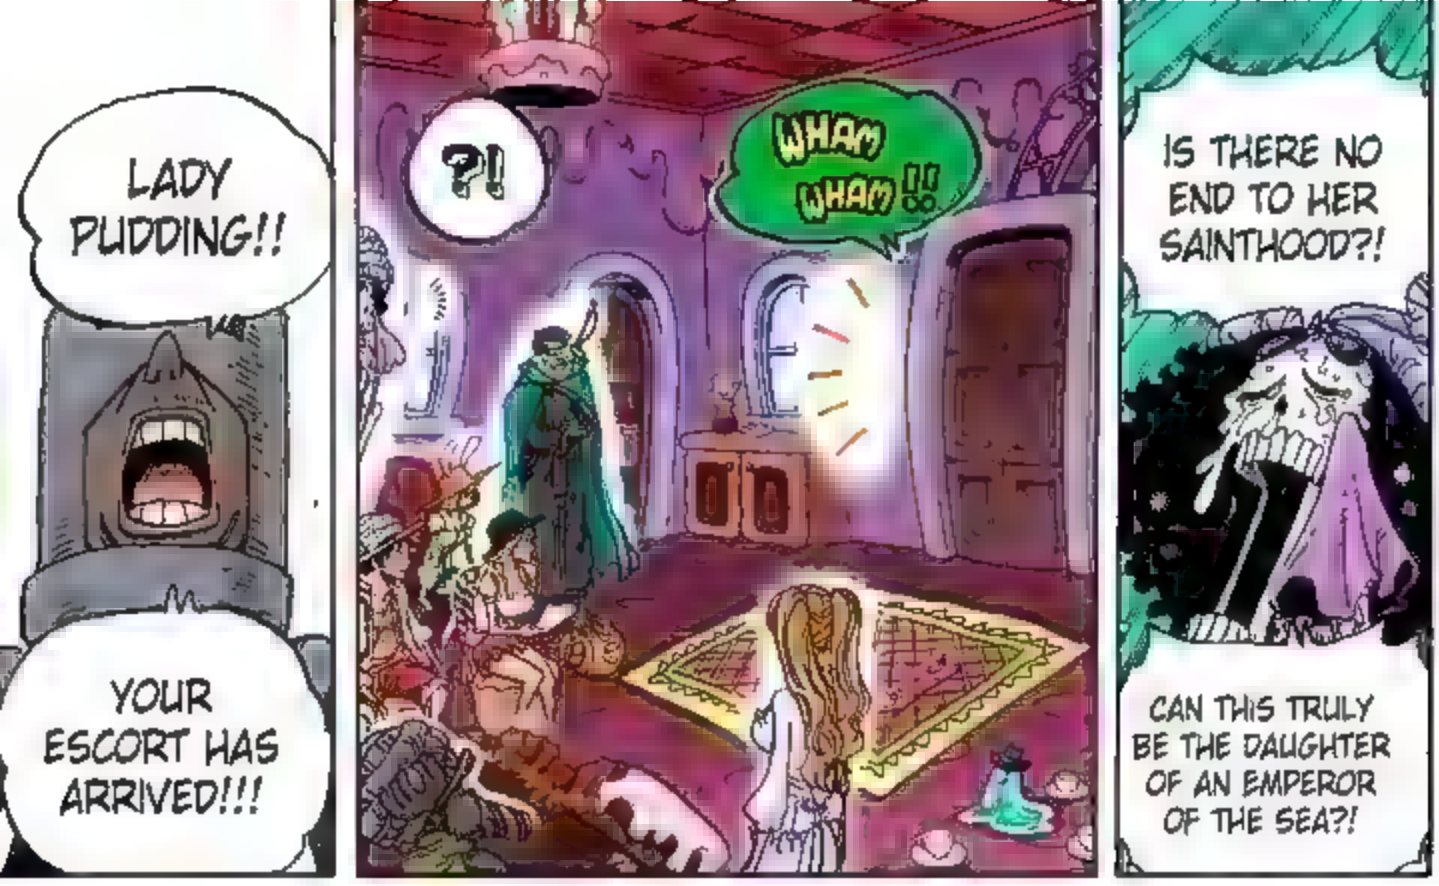


YOU'RE IN ENEMY TERRITORY. FOCUS ON YOUR OWN SAFETY INSTEAD!
YOU'RE THE ONES WITH THE TRUE MUTUAL LOVE!
I'M HER OWN DAUGHTER. DON'T WORRY ABOUT ME.

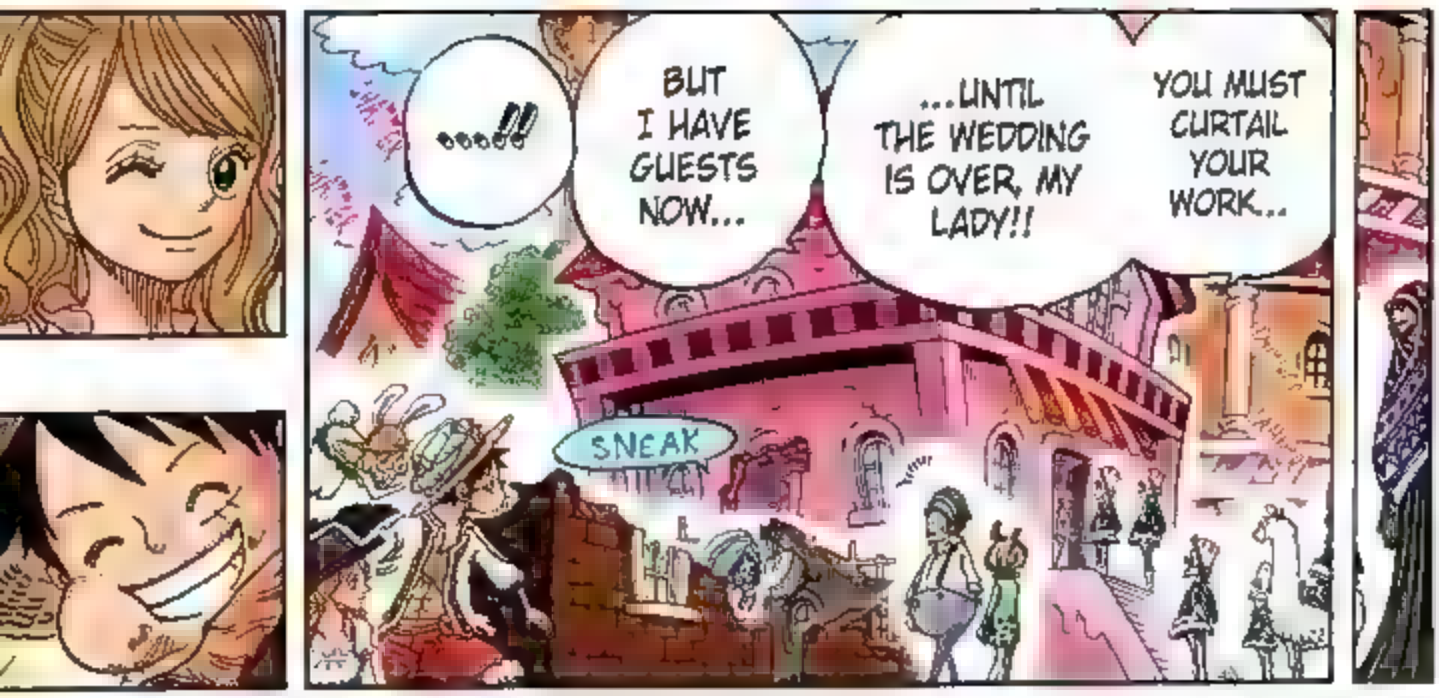
ARE YOU SURE?! WON'T BIG MOM PUNISH YOU?!



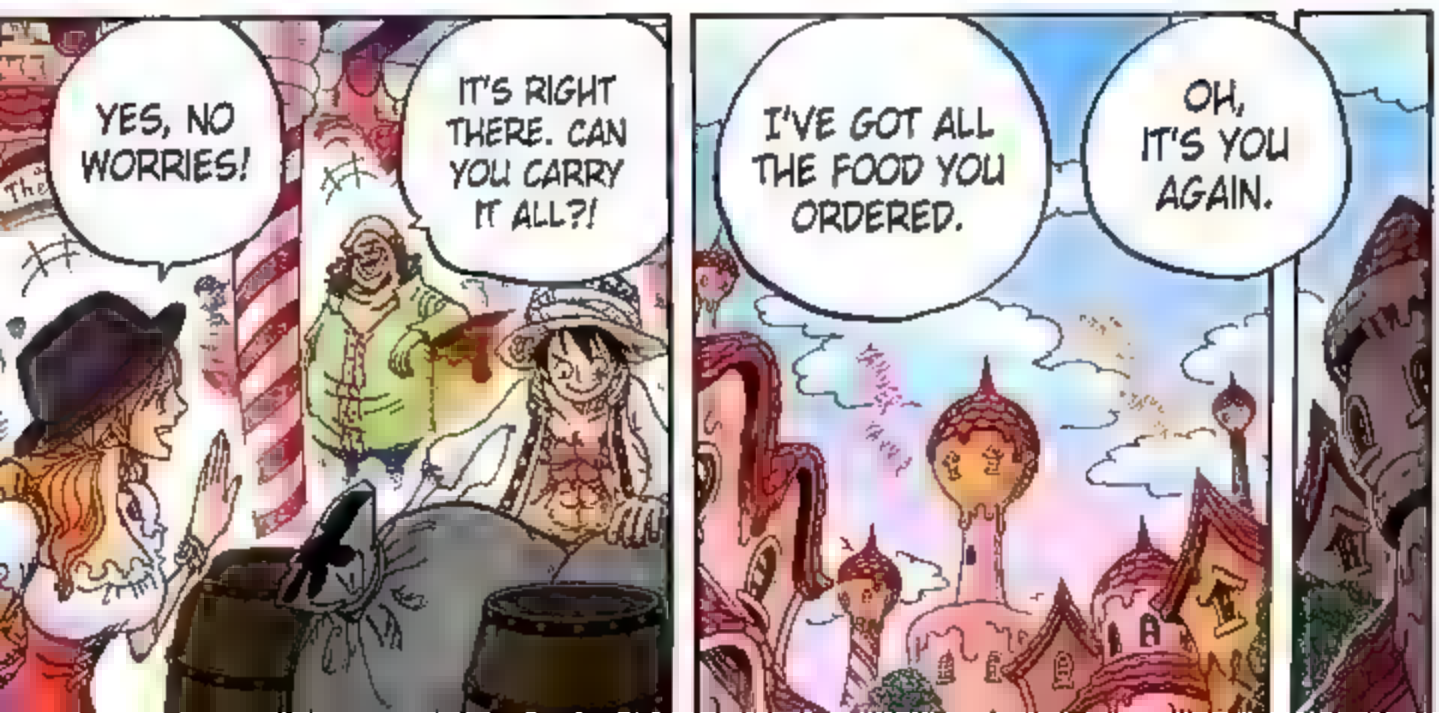
...WILL BE EVEN MORE WONDERFUL THAN HIM. ♡
!
IT'S A SHAME, I SUPPOSE...
BUT MAYBE MY NEXT SUITOR..



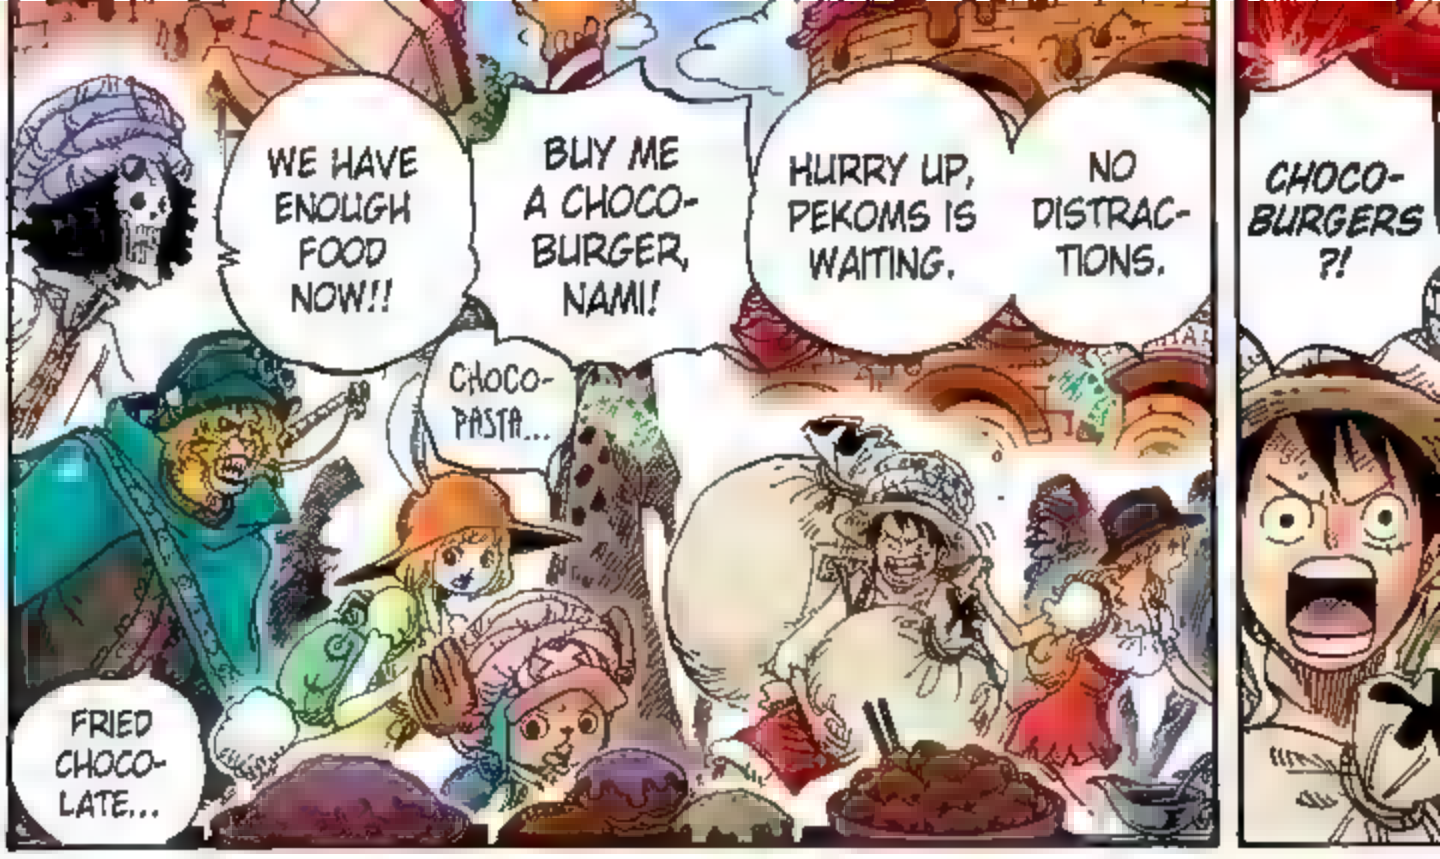
LADY PUDDING!!
YOUR ESCORT HAS ARRIVED!!!
?!
WHAM WHAM!!
IS THERE NO END TO HER SAINTHOOD?!
CAN THIS TRULY BE THE DAUGHTER OF AN EMPEROR OF THE SEA?!



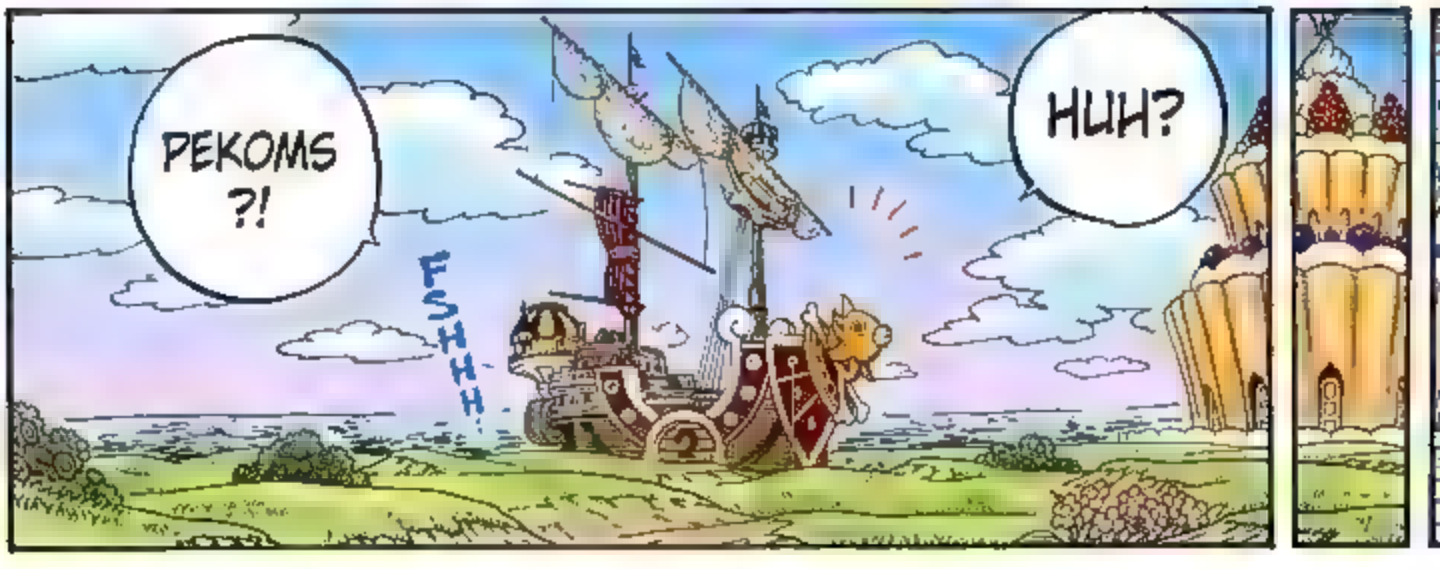
...!!
BUT I HAVE GUESTS NOW...
...UNTIL THE WEDDING IS OVER, MY LADY!!
YOU MUST CURTAIL YOUR WORK...
SNEAK



YES, NO WORRIES!
IT'S RIGHT THERE. CAN YOU CARRY IT ALL?!
I'VE GOT ALL THE FOOD YOU ORDERED.
OH, IT'S YOU AGAIN.



WE HAVE ENOUGH FOOD NOW!!
BUY ME A CHOCO-BURGER, NAMI!
HURRY UP, PEKOMS IS WAITING.
NO DISTRAC-TIONS.
CHOCO-PASTA...
FRIED CHOCO-LATE...
CHOCO-BURGERS ?!



PEKOMS ?!
HUH?

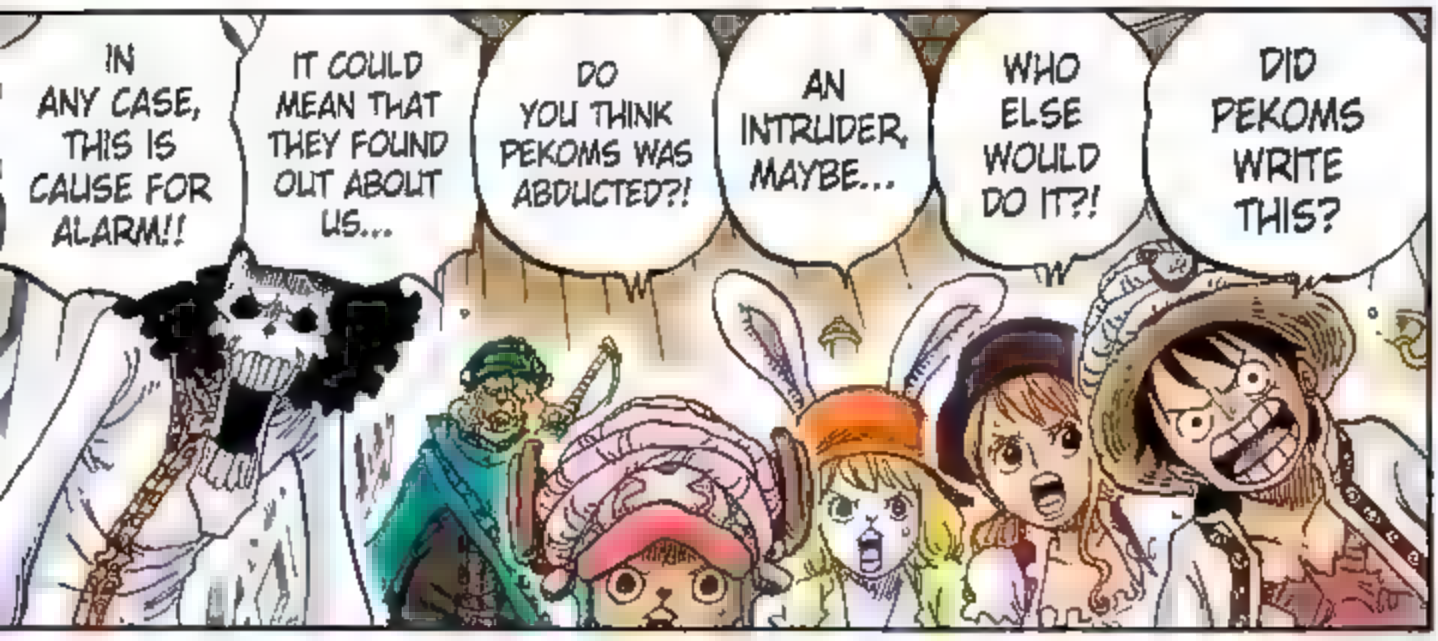
OH!!
"TURN BACK"?!



IN ANY CASE, THIS IS CAUSE FOR ALARM!!
IT COULD MEAN THAT THEY FOUND OUT ABOUT US...
DO YOU THINK PEKOMS WAS ABDUCTED?!
AN INTRUDER, MAYBE...
WHO ELSE WOULD DO IT?!
DID PEKOMS WRITE THIS?

WE'RE GOING FORWARD !!!
THINGS ARE LOOKING INTEREST-ING!!

WITHOUT THEIR GUIDE PEKOMS TO LEAD THEM...
WE SHOULD LOOK FOR HIM!
I'M WORRIED ABOUT PEKOMS.

SBS Question Corner

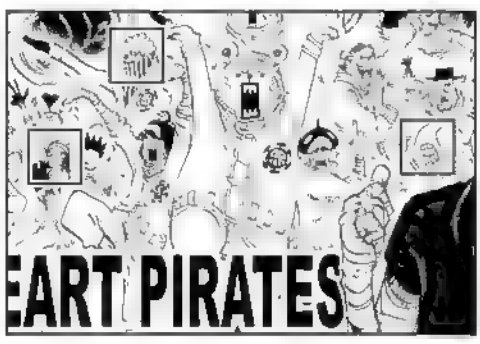
(Masamichi Kobayashi, Gunma)

A: ⬆ Whaaat?! ⬇ Whaaat...whaaat... The SBS has begun.

Q: Hello, Oda Sensei! ☆ Please give us an introduction to the other twenty members of the Heart Pirates, who were treated with such disrespect in Chapter 815!! I thought they'd be all men, but I spotted a woman too! Right? What a shocker.

--Black-and-White Panda

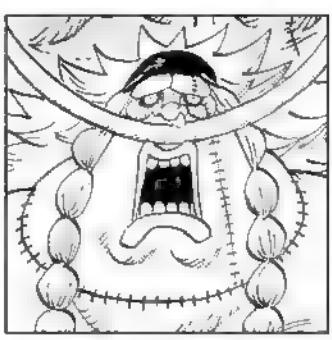
A: Whaaat?! ⬇ This is a shocker too! All of them? Why d'you wanna know?! Well, I can at least pick out three of them I meant to be voices of protest against the Straw Hat Alliance, but didn't get to draw for lack of space.



⬅ This was my idea for the scene. They might still be against the alliance idea.

Q: Oda Sensei, you can't just come up with Whitebeard's son and give us **Weevil!** The only resemblance is the white facial hair!

--Huge Whitebeard Fan



A: Right? So we've got this real weirdo as a new member of the Seven Warlords, and we can't even tell if he's Whitebeard's actual son. Let me just say that your reaction is exactly what I'm hoping for.
Heh heh heh heh heh. Heh heh heh heh heh.

Q: In chapter 792, you introduced the "nearby Applenine Island." Did you come up with that name because nearby (or adjacent) is *ringoku* in Japanese, plus *ringo* is apple and *ku* is the number nine?

--Haru

A: Heh heh heh gwahakk koff koff heh heh heh.

Chapter 830:
A MAN YOU CAN BET ON

HE IS STILL TOO YOUNG!! BUT IT IS NOT ANY OF THE FOUR EMPERORS WHO WILL RULE THIS SEA!!

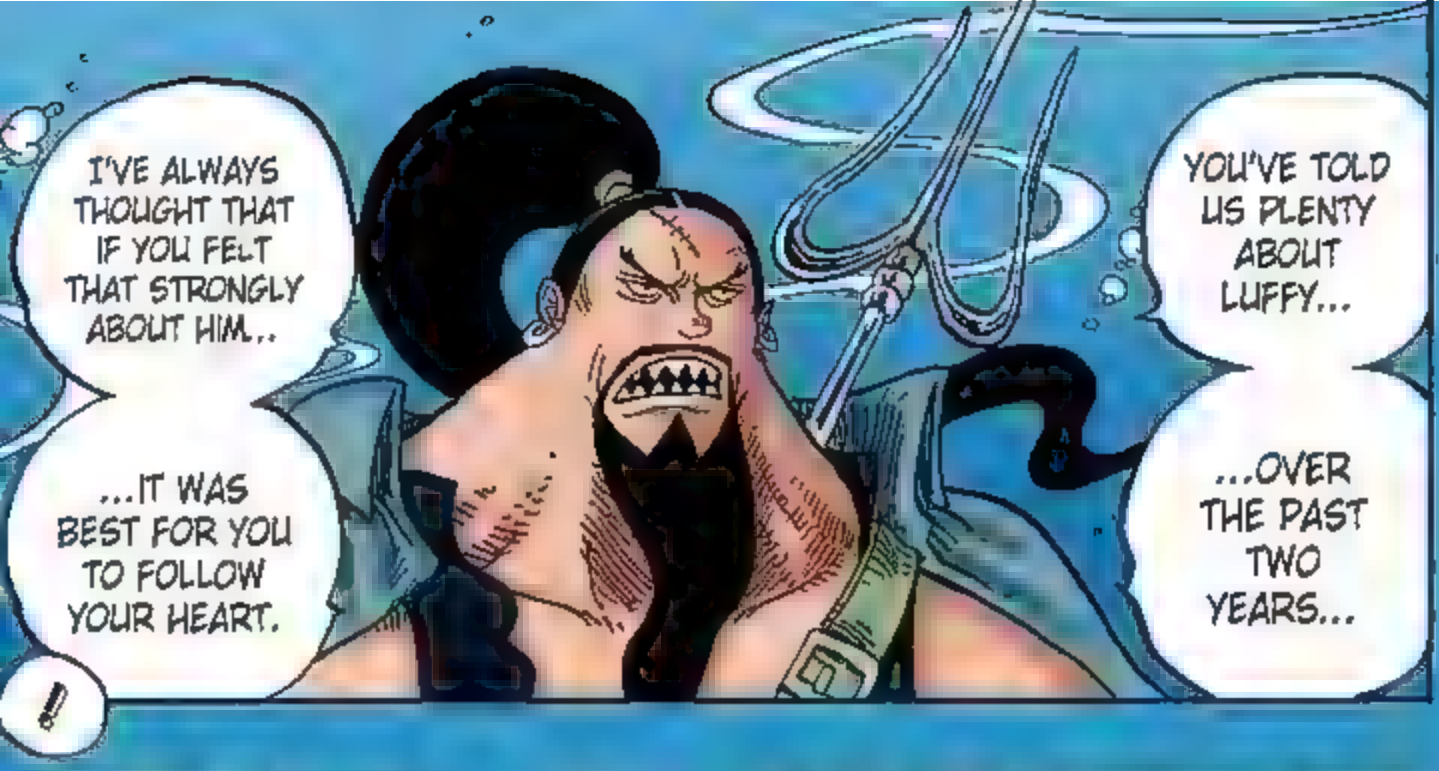
DOING SO WILL ENSURE THAT MY VOYAGE WINS *TRUE* FREEDOM FOR THE FISH-MAN RACE!!
I WANT TO BE OF HELP TO HIM!!!
DO
OM!!



I'VE ALWAYS THOUGHT THAT IF YOU FELT THAT STRONGLY ABOUT HIM...

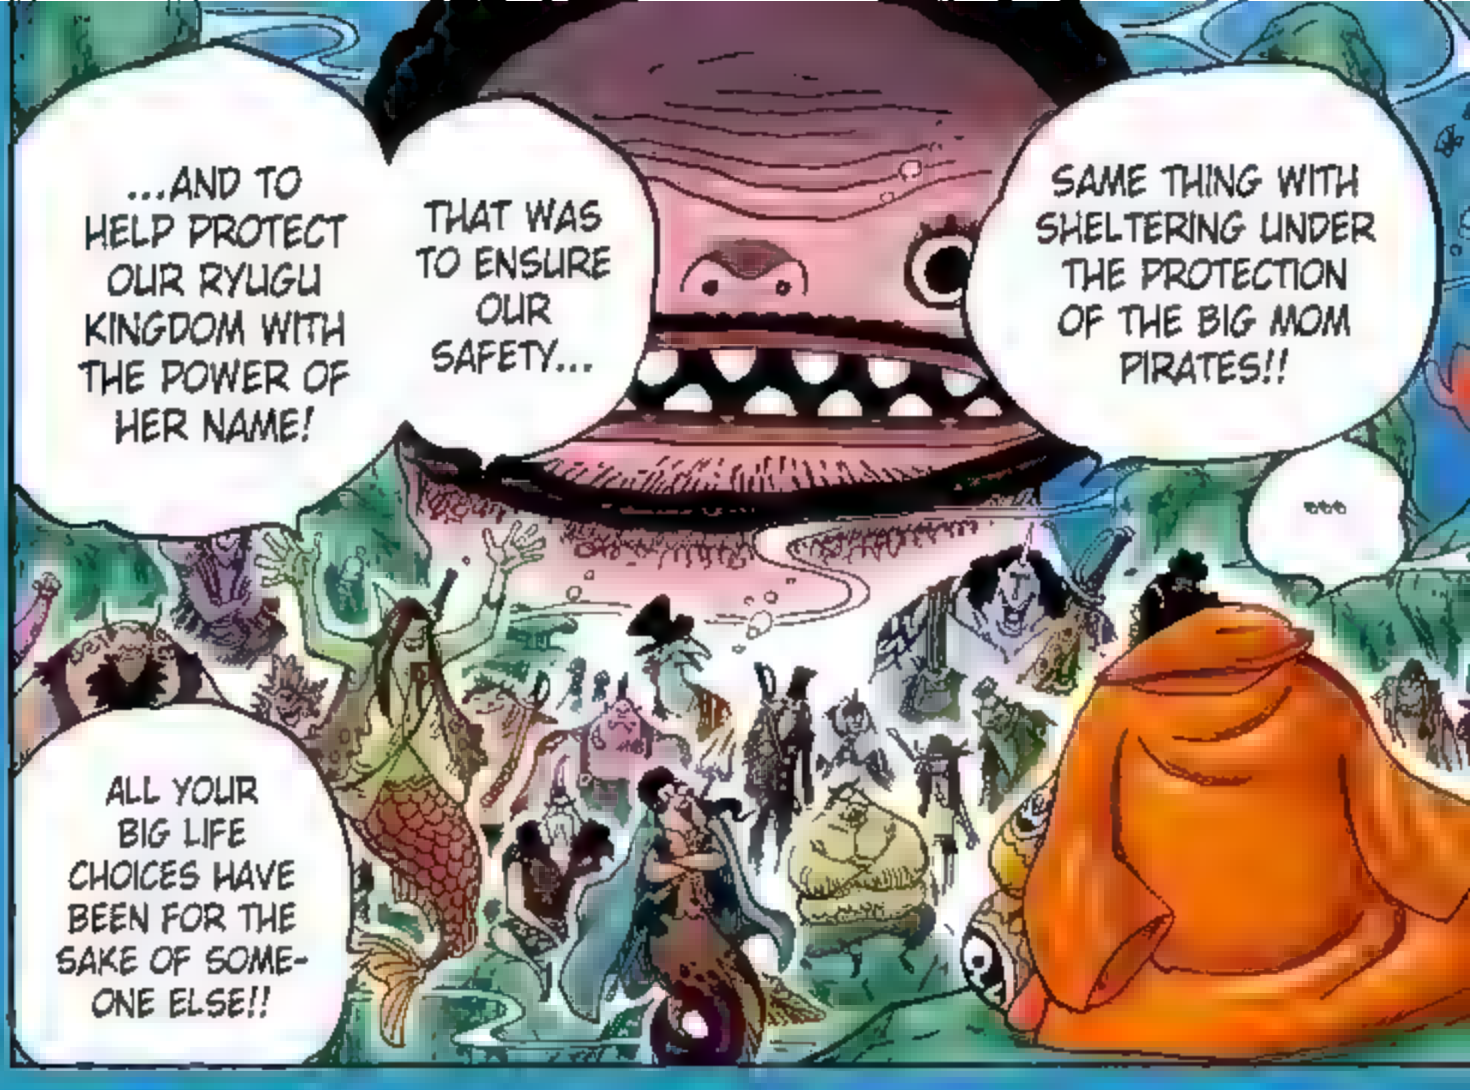
YOU'VE TOLD US PLENTY ABOUT LUFFY...
...OVER THE PAST TWO YEARS...

GO ON THEN, JINBE!!
HAH.
I TALKED ABOUT HIM THAT MUCH?
UH... REALLY ?

...WAS SO YOU COULD FIGHT ALONGSIDE US FORMER SLAVES FROM MARY GEOISE!!
THE ONLY REASON YOU LEFT NEPTUNE'S ARMY TO BE A PIRATE...
WHICH ONE OF US HAS THE RIGHT TO COMPLAIN, CAPTAIN?!
AND YOU TOOK ON THE WARLORD OF THE SEA POSITION TO HELP RAISE THE STANDING OF ALL FISHMEN!
...
YOU DON'T MIND?!!



...AND TO HELP PROTECT OUR RYUGU KINGDOM WITH THE POWER OF HER NAME!
THAT WAS TO ENSURE OUR SAFETY...
SAME THING WITH SHELTERING UNDER THE PROTECTION OF THE BIG MOM PIRATES!!

ALL YOUR BIG LIFE CHOICES HAVE BEEN FOR THE SAKE OF SOME-ONE ELSE!!

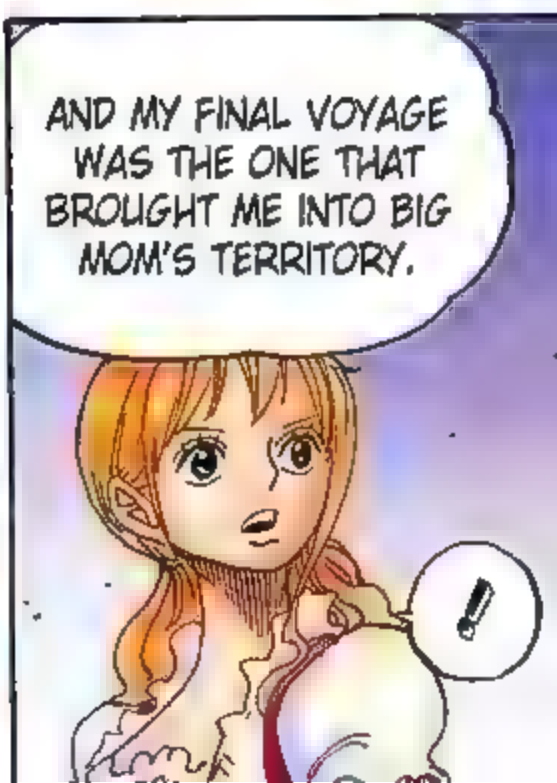
AND I ONLY PUT THAT ARMY OF ANTS TO SLEEP FOR NOW!

I THOUGHT WE WERE EXPLORERS, BUT WE WOUND UP WITH BOUNTIES.
WE DIDN'T KNOW WHAT WE WERE DOING.
I WAS ONLY WITH PEKOMS AND HIS GROUP PART OF THE WAY.

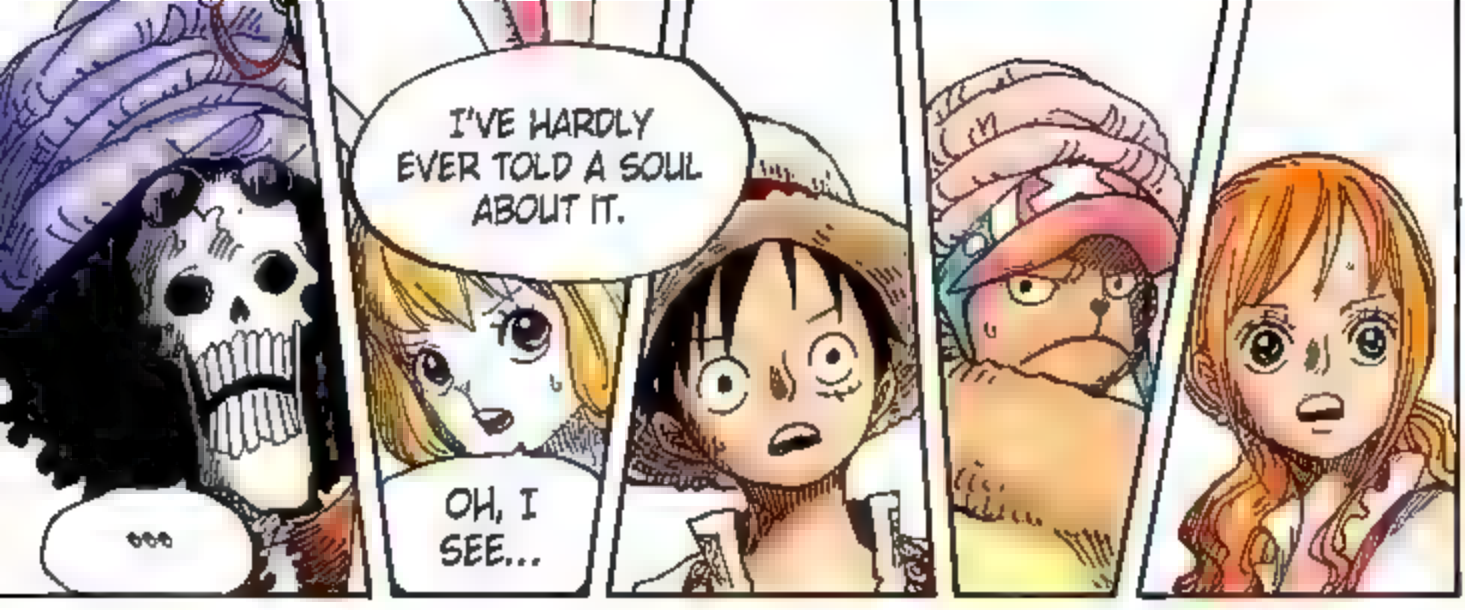
WHAT?! REALLY ?!
PEDRO AND PEKOMS USED TO BE PIRATES TOGETHER!

...BUT THE TRUTH IS...I WAS LOOKING FOR A PONEGLYPH!!
?!
I WANTED TO BE OF SERVICE TO THE CAT VIPER!!
THIS IS FOR YOURGARA EARS ONLY...

I SUFFERED A DEVASTATING DEFEAT HERE!!!
!!

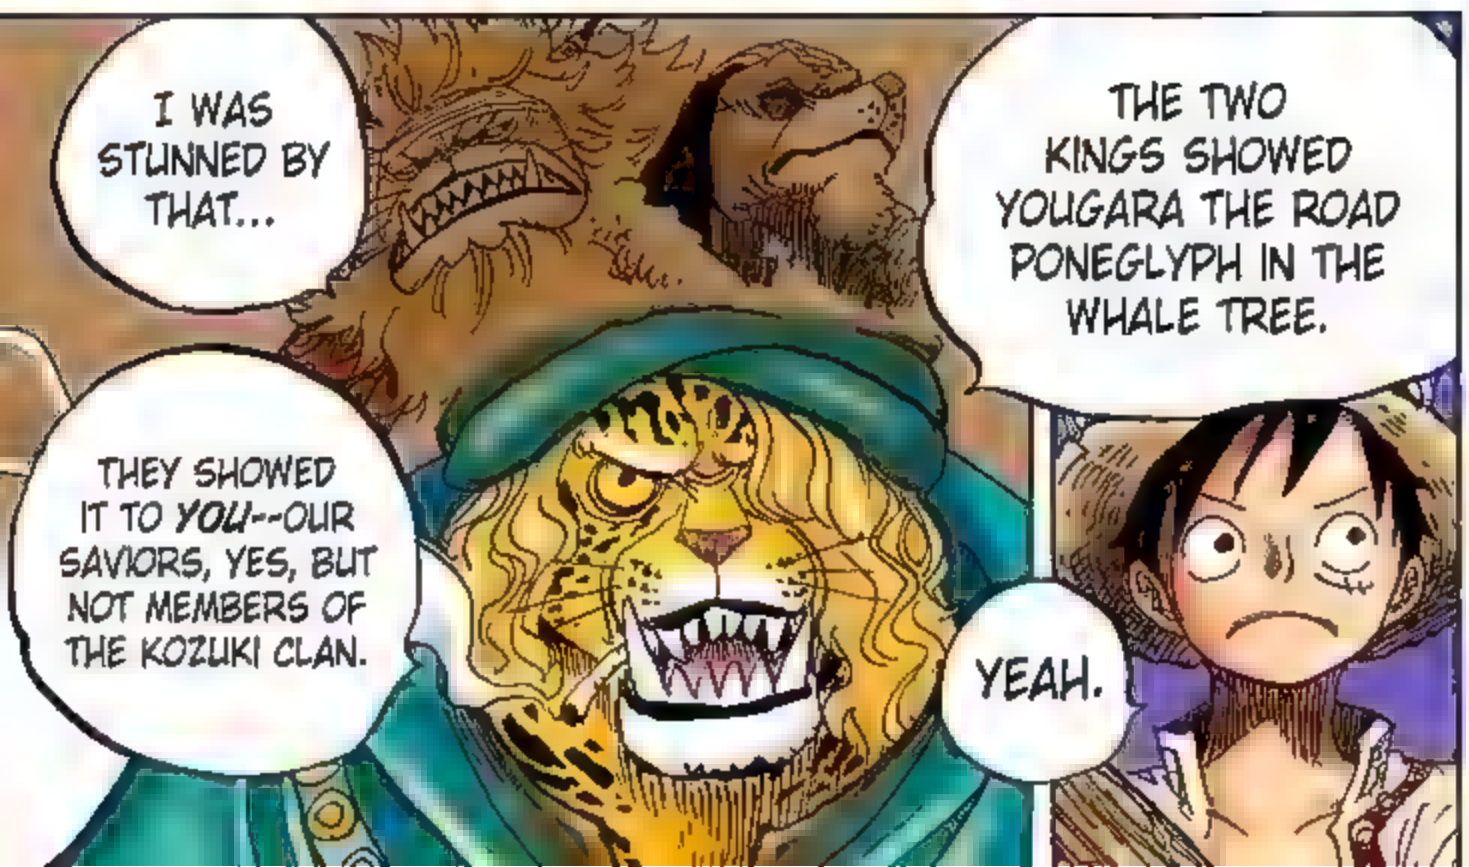


AND MY FINAL VOYAGE WAS THE ONE THAT BROUGHT ME INTO BIG MOM'S TERRITORY.
!

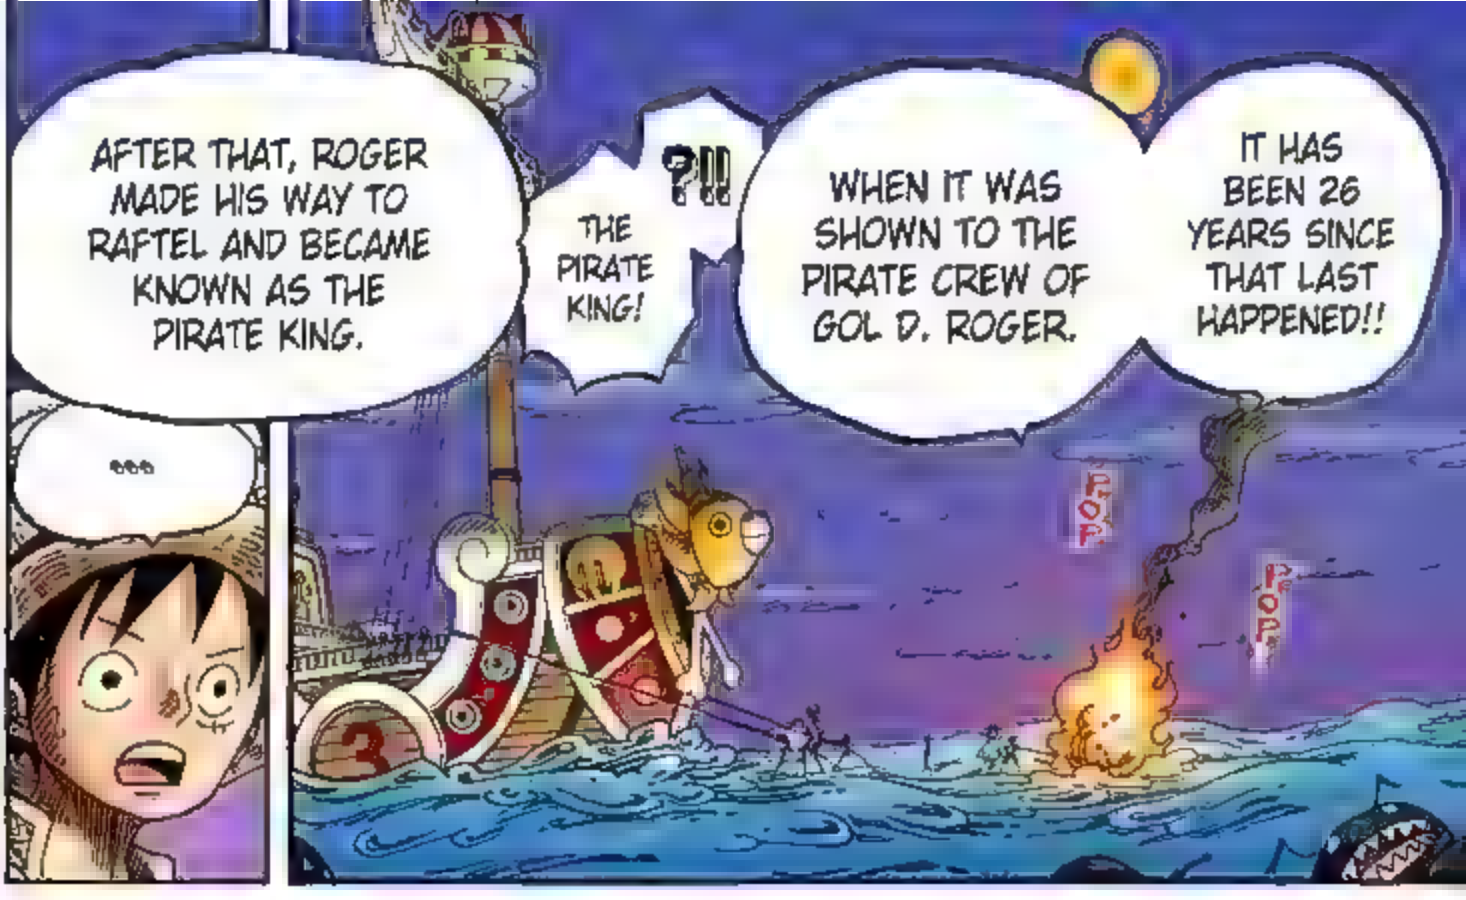


...
I'VE HARDLY EVER TOLD A SOUL ABOUT IT.
OH, I SEE...

...WON'T BE ENTIRELY MEANINGLESS AFTER ALL...
?
PLUS, PERHAPS MY COMING ALONG...
I'M HOPING THAT MY EXPERIENCES HERE WILL BE USEFUL FOR GETTING SANJI BACK.
WHY DID YOU COME HERE, IF YOU HAVE SUCH A BAD MEMORY ASSOCIATED WITH IT?!



I WAS STUNNED BY THAT...
THEY SHOWED IT TO *YOU*--OUR SAVIORS, YES, BUT NOT MEMBERS OF THE KOZUKI CLAN.
THE TWO KINGS SHOWED YOUGARA THE ROAD PONEGLYPH IN THE WHALE TREE.
YEAH.



AFTER THAT, ROGER MADE HIS WAY TO RAFTEL AND BECAME KNOWN AS THE PIRATE KING.

DUKE DOGSTORM AND THE CAT VIPER...

WHICH MEANS THIS IS OUR GOLDEN OPPORTUNITY!!
WE'VE ALREADY COME THIS FAR INTO HER REALM!!
NEXT YOU WILL NEED THE ROAD PONEGLYPH IN BIG MOM'S POSSESSION!!
!!
WHAT?! I HAVEN'T THOUGHT THAT FAR AHEAD...
WHEN YOU WIN THE BATTLE AGAINST KAIDO, WHAT WILL HAPPEN NEXT?!

WHEN WE GET TO THE ISLAND, BUY ME A LITTLE BREATHING ROOM.
I SWEAR TO STEAL IT THIS TIME!!
YEAH, ROBIN ASKED ME TO DO THAT...
!!
...WE OUGHT TO STEAL THE ROAD PONEGLYPH AS WELL!!
WHEN WE RESCUE SANJI...
GOOD! THAT SETTLES IT!!
WELL, THANKS THEN!! HEE HEE HEE!
IT'S NOT THAT SIMPLE...
HA HA!
...
OH... OKAY!!
NO...YOU NEED TO KEEP SANJI SAFE.
...THEN I'M GOING WITH YOU!!
WHAT?! IF IT'S FOR OUR SAKE...
IT WON'T BE EASY, EVEN AFTER YOU GET HIM BACK.

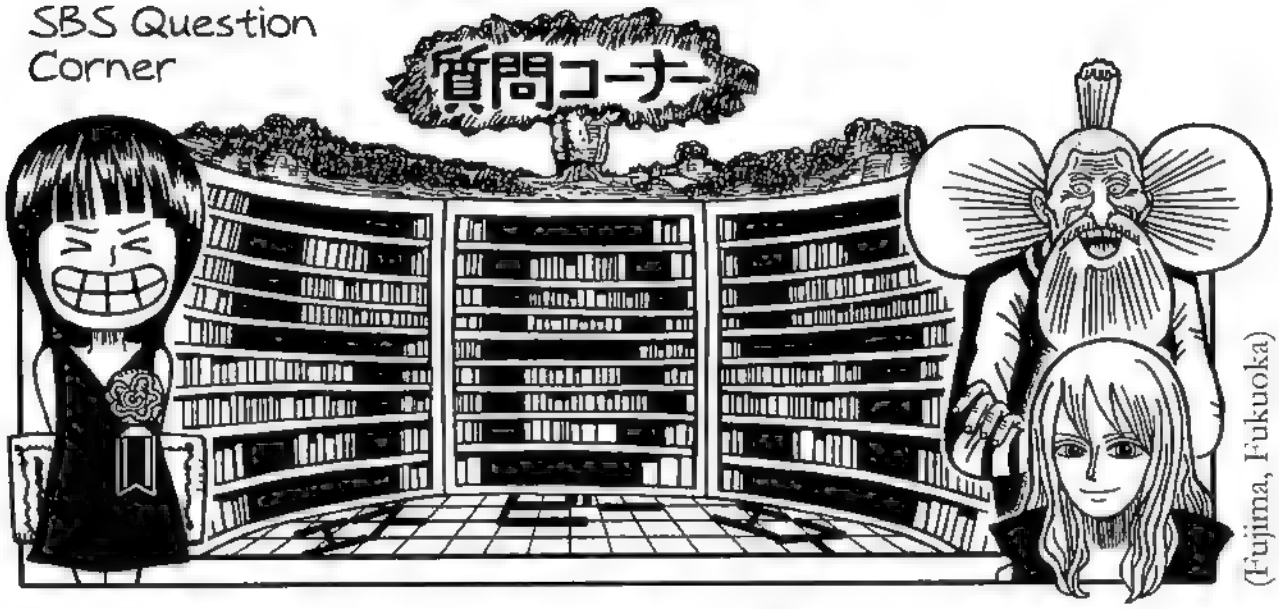
SBS Question Corner

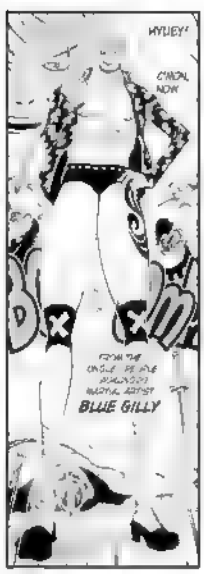


(Fujima, Fukuoka)

Q: Can you explain how the Longleg people ride a bicycle? I can't figure it out.

--K Jun

A: Well, it would be awkward for them if they tried to ride a normal human bicycle, but back home they have their own bicycle makers that sell special Longleg bikes, so have no fear. They're doing just fine.



Q: What's with all the "yougara" and "theygara" and "youteia" and all that stuff the minks say? It seems to be part of their non-first-person pronouns, but are there rules to the pattern? Tell me…and let me garchu you! *(laughs)*

--Jimbei's student, Magu

A: Garchuuuuuu!♡♡ There. I'm pretty sure it was confusing at first, but it's really quite simple. Males say -gara, and females say -teia. So...

You → yougara, youteia
We → wegara, weteia
They → theygara, theyteia

And so on, and so on. There may be a few other instances here and there, but don't think too hard about it. It's just for fun. They're a species that developed its own culture on an isolated island, so it's practically a miracle we can understand each other at all.

IT IS RULED BY THE VINSMOKE FAMILY, WHICH CONQUERED THE NORTH BLUE WITH MILITARY MIGHT IN THE DISTANT PAST.

...AND THEN LOCK TOGETHER TO FORM THE SHAPE OF THE NATION.

GERMA IS MADE UP OF DOZENS OF SHIPS THAT MOVE INDEPEN-DENTLY...

IT IS THE ONLY SEAFARING COUNTRY WITHOUT ITS OWN LAND.

GERMA IS UNIQUE AMONG ALL NATIONS IN THE WORLD.

THE KINGDOM OF GERMA.

NO OW!!!

NEARLY ALL OF ITS CITIZENS ARE MALE SOLDIERS.

... KNOWN AS GERMA 66.

PEOPLE AROUND THE WORLD FEAR ITS MILITARY UNIT...

I CUT MY FAMILY TIES WITH YOU PEOPLE!!!
WHO SAYS THAT TO HIS SISTER AFTER 13 YEARS...?
OH, YOU'RE SO COLD.
HOW MANY TIMES DO I HAVE TO SAY THIS?!
AND FATHER'S DREAM IS FOR THE NAME OF GERMA TO REIGN OVER THE NORTH ONCE AGAIN.
WHAT'S WRONG WITH THAT? MEN ARE INEVITABLY DRAWN TO STRENGTH AND GLORY...
I HAVE NOTHING IN COMMON WITH THE KIND OF INSANE PEOPLE WHO WOULD PUT UP A TASTE-LESS PORTRAIT LIKE THIS!!!
IT'S THE CONQUEST OF FOUR NATIONS, THE INCIDENT IN WHICH WE VANQUISHED FOUR KINGS OF THE NORTH BLUE ALL AT ONCE.

YOUR WISH IS MY COMMAND... MY PRINCE.
YOU'RE ROYALTY, BROTHER.
LOOK! YOU'VE GOT TEN HANDMAIDENS HANGING ON YOUR EVERY WORD.
TAKE ADVANTAGE OF YOUR ROYAL BLOOD AND ENJOY YOUR LIFE!♡
WHY BOTHER SPUTTERING UNDER THE RADAR WITH THAT LITTLE PIRATE BAND?
THE VINSMOKES HAVE EARNED THAT RIGHT THROUGH SHEER POWER OVER THE GENERATIONS...
...AND YOU HAVE THAT BLOOD IN YOUR VEINS.
LET THE SOLDIERS DO THE FIGHTING.
NO MONEY ISSUES TO WORRY ABOUT. WHAT'S THE PROBLEM?

PRECISELY. I'M GLAD TO SEE YOU'RE SO UNDER-STANDING.
CONQUERING THE NORTH BLUE?! SOUNDS PERFECT FOR AN EVIL ARMY.
THEN USE THEM AND MAKE YOUR STUPID DREAM COME TRUE.

I WANT BIG MOM'S HELP, BUT SHE DEMANDS A FAMILY CONNECTION...

WE'RE GOING TO SEE YOU MARRIED OFF!!!

BIG MOM WAS THOUGHTFUL ENOUGH TO LEND THEM TO ME.
AND SHE HAS THE KEY.

SBS Question Corner

(Takayuki Fujimoto, Nara)

Q: Odacchi!! In the SBS of Volume 82, you demonstrated the way to escape harm from Akainu, bears and ghosts. But when I tried that on my mom when she was angry, she hit me! Is my mom stronger than Akainu?

--Star Fairy

A: Whoa, hey! What did you expect?! Why would you do such a crazy thing?! That's the world's strongest creature!! She's stronger than Kaido!! Never try that again!
But your mom also loves you more than anyone else.

Q: I love the Dressrosa arc so much, I've read it multiple times, but I'm sending this question to the SBS because there's something I just can't put together. In Chapter 788, why did Viola and Doflamingo call each other "Dofy" and "Violet"? What was going on between them?

--Fuki

A: Hmm. A very insightful question. Well, there's some very deep backstory here, but I cannot tell you about it. I've told my editor, but it's a very grown-up story, and therefore I'm not showing it in *One Piece*, my manga for boys. You grown-ups reading this can use your imagination. Dressrosa is the land of passion!!

Q: Hello, Odacchi! Heraclesun ends all of his statements with an "n" sound. Does that mean his real name is actually…Heracles?

--Uchi

A: I couldn't say... It's an eternal enigman.

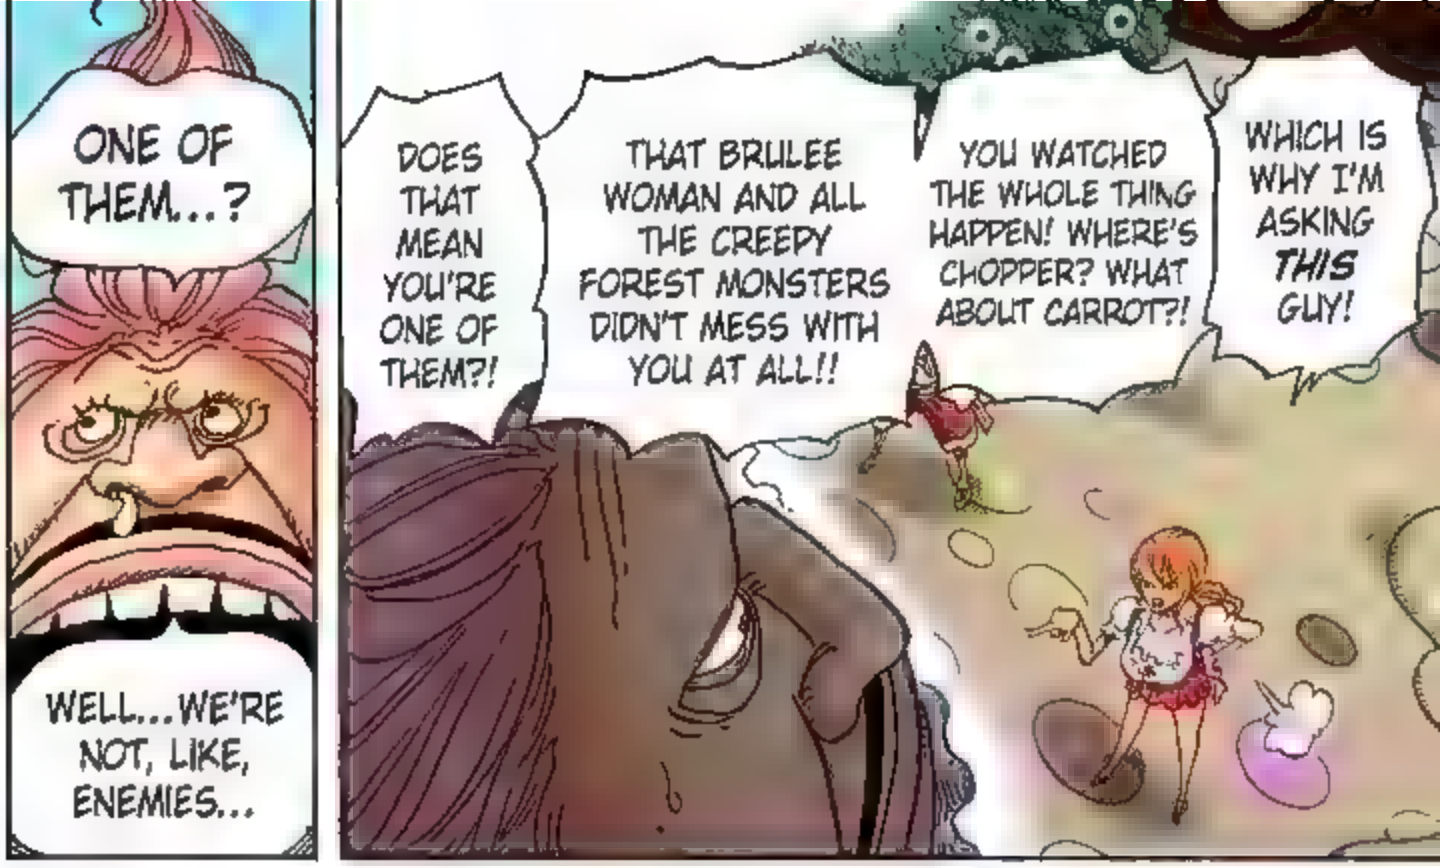
...I JUST KEPT RUNNING AROUND... UNTIL IT GOT DARK...
...



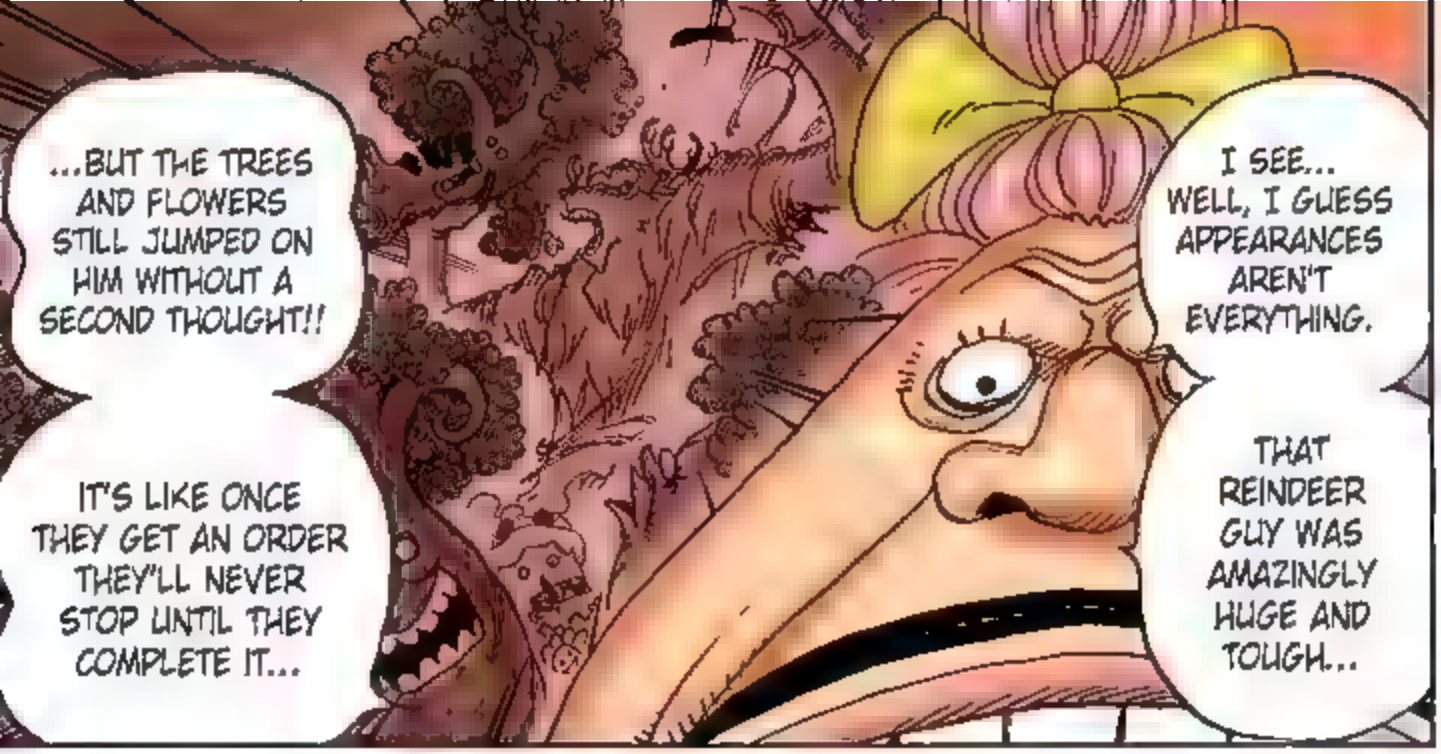
ONE OF THEM...?
WELL...WE'RE NOT, LIKE, ENEMIES...
DOES THAT MEAN YOU'RE ONE OF THEM?!
THAT BRULEE WOMAN AND ALL THE CREEPY FOREST MONSTERS DIDN'T MESS WITH YOU AT ALL!!
YOU WATCHED THE WHOLE THING HAPPEN! WHERE'S CHOPPER? WHAT ABOUT CARROT?!
WHICH IS WHY I'M ASKING THIS GUY!

...THEN WE'LL GET YOU YOUR STUPID JUICE!!
IF YOU TELL US SOME-THING WE REALLY NEED TO KNOW...
THIS IS IMPORTANT, MAN!!
...AND GET ME SOME TASTY APPLE JUICE...
IF YOU WANT MORE ANSWERS, GO INTO THE FOREST TO THE LEFT...
REALLY ?!
YEAH!! I MEAN, IF IT'S THAT TASTY, I WANNA TRY IT TOO.

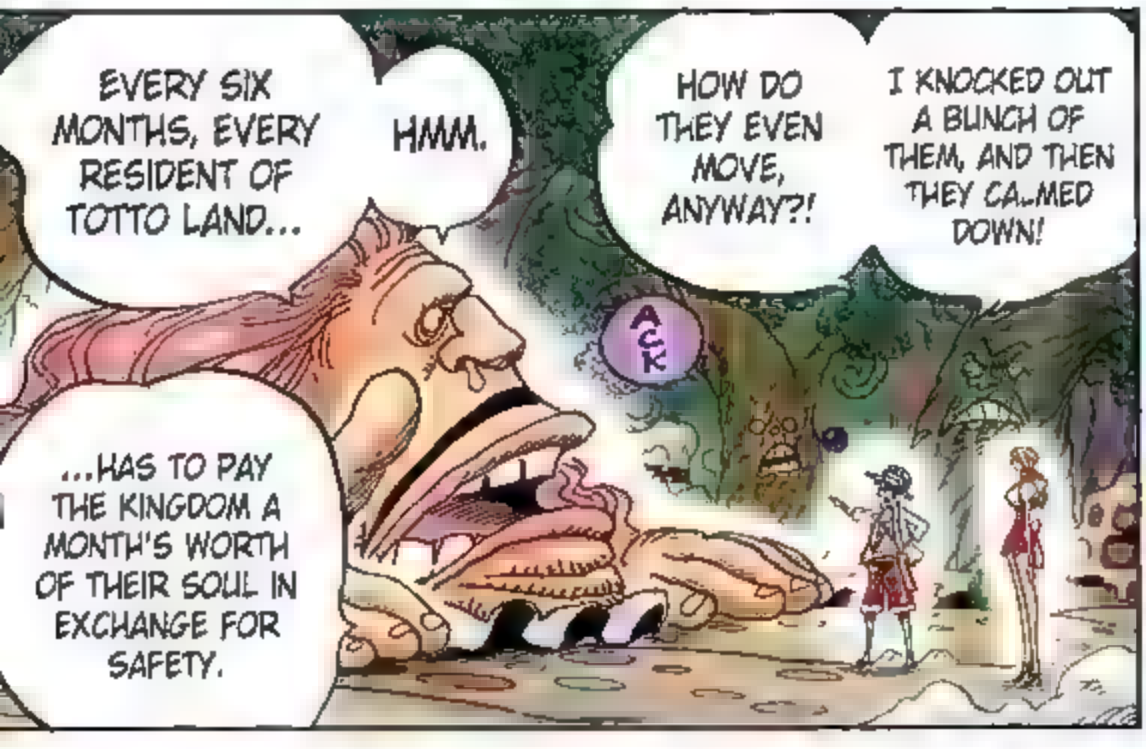
I AM TOUGH!! WHAT ABOUT IT?
I--!!

...BUT ARE YOU?
!

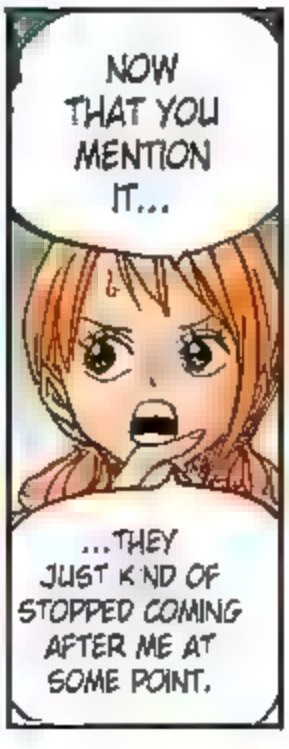
BY THE WAY, YOU LOOK PRETTY TOUGH...



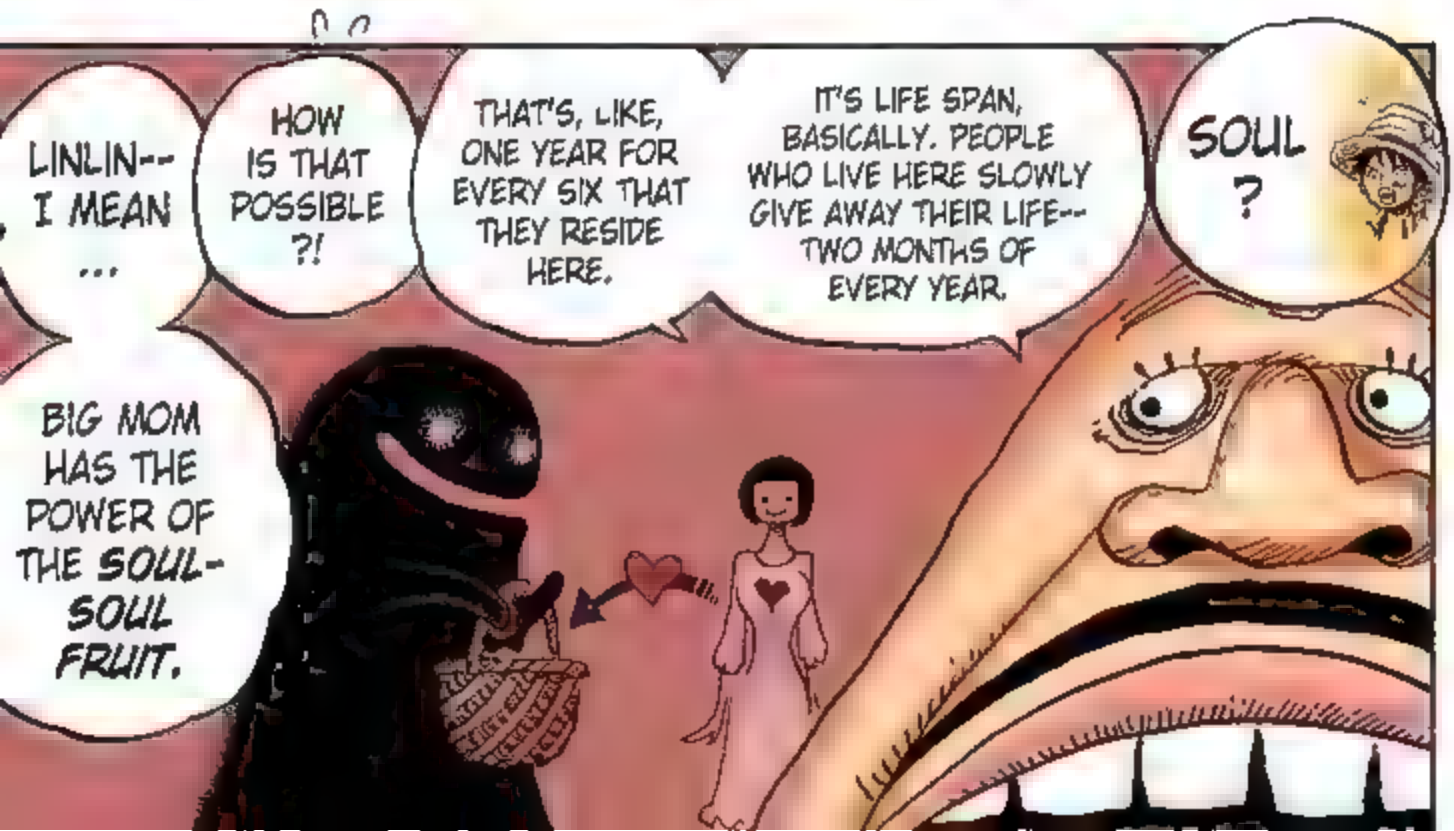
...BUT THE TREES AND FLOWERS STILL JUMPED ON HIM WITHOUT A SECOND THOUGHT!!
IT'S LIKE ONCE THEY GET AN ORDER THEY'LL NEVER STOP UNTIL THEY COMPLETE IT...
I SEE... WELL, I GUESS APPEARANCES AREN'T EVERYTHING.
THAT REINDEER GUY WAS AMAZINGLY HUGE AND TOUGH...



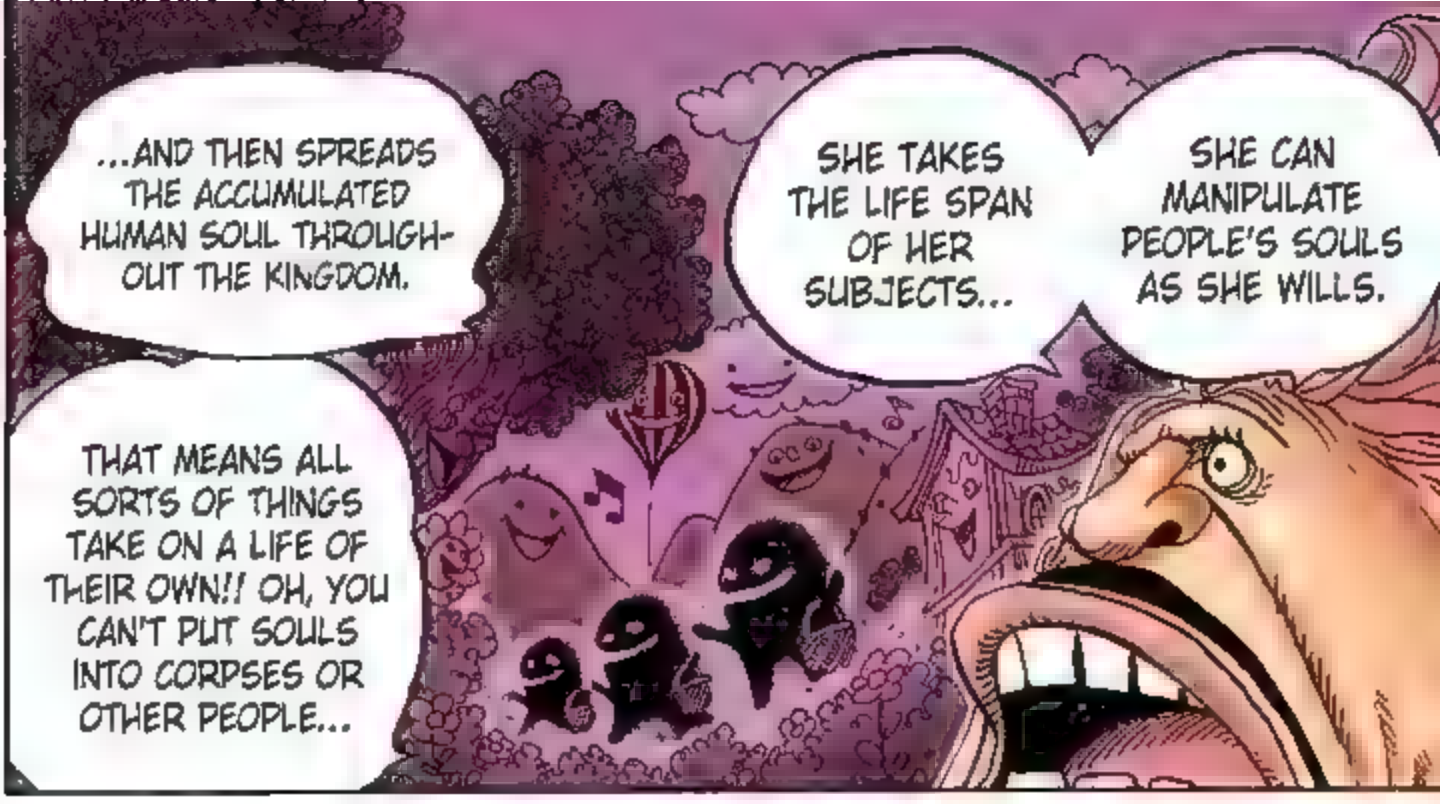
EVERY SIX MONTHS, EVERY RESIDENT OF TOTTO LAND...
HMM.
...HAS TO PAY THE KINGDOM A MONTH'S WORTH OF THEIR SOUL IN EXCHANGE FOR SAFETY.
HOW DO THEY EVEN MOVE, ANYWAY?!
I KNOCKED OUT A BUNCH OF THEM, AND THEN THEY CALMED DOWN!
ACK



NOW THAT YOU MENTION IT...
...THEY JUST KIND OF STOPPED COMING AFTER ME AT SOME POINT.

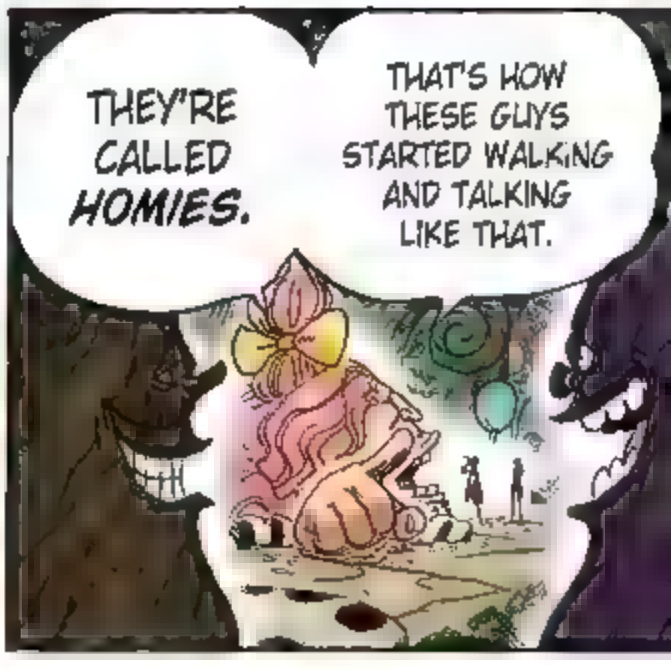


LINLIN-- I MEAN ...
HOW IS THAT POSSIBLE ?!
THAT'S, LIKE, ONE YEAR FOR EVERY SIX THAT THEY RESIDE HERE.
IT'S LIFE SPAN, BASICALLY. PEOPLE WHO LIVE HERE SLOWLY GIVE AWAY THEIR LIFE-- TWO MONTHS OF EVERY YEAR.
SOUL ?
BIG MOM HAS THE POWER OF THE SOUL-SOUL FRUIT.

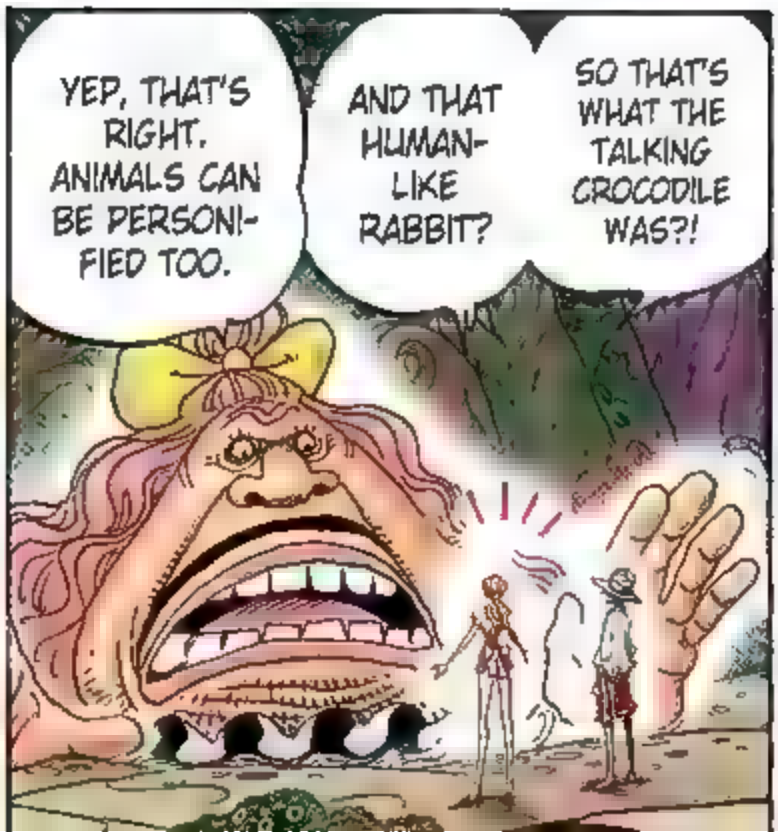


...AND THEN SPREADS THE ACCUMULATED HUMAN SOUL THROUGH-OUT THE KINGDOM.
SHE TAKES THE LIFE SPAN OF HER SUBJECTS...
SHE CAN MANIPULATE PEOPLE'S SOULS AS SHE WILLS.
THAT MEANS ALL SORTS OF THINGS TAKE ON A LIFE OF THEIR OWN!! OH, YOU CAN'T PUT SOULS INTO CORPSES OR OTHER PEOPLE...

...IS HANDLED BY LINLIN--ER, BIG MOM'S LITTLE INCARNATIONS MADE OF PURE SOUL!!
THE COLLECTION AND DISTRIBU-TION OF SOULS...
THIS IS, LIKE, THE TRUE NATURE OF TOTTO LAND...



THEY'RE CALLED HOMIES.
THAT'S HOW THESE GUYS STARTED WALKING AND TALKING LIKE THAT.



YEP, THAT'S RIGHT. ANIMALS CAN BE PERSONI-FIED TOO.
AND THAT HUMAN-LIKE RABBIT?
SO THAT'S WHAT THE TALKING CROCODILE WAS?!

SO THAT EXPLAINS IT!!
WE NOTICED THAT LOTS OF ODD THINGS SEEMED TO BE ALIVE IN THE TOWN OF CHOCOLATE WHERE WE FIRST LANDED.
...
WHAT AN INCREDIBLE POWER!!!

BECAUSE, LIKE, I DIDN'T WANT TO GET INVOLVED!!
WHY DIDN'T YOU TELL ME THAT?! YOU'VE BEEN WATCHING ME ALL ALONG...
BRULEE USED HER POWERS TO TURN THEM INTO PEOPLE.
OH, THOSE ARE SOMETHING ELSE.
THEN WHAT ABOUT THEM?!
THEY'RE JUST ANIMALS.
YIPE!
...
SPEAK!! AND THEN YOU'LL GET YOUR JUICE!!
WHY?! WHO ARE YOU?!!
...!!
IF YOU DIDN'T WANT TO BE INVOLVED, THEN WHY ARE YOU STUCK IN THE GROUND HERE?!
WE HAD TWO DAUGHTERS, AND THEN SHE, LIKE, ABANDONED ME.
MMM!
...
IT'S NOT THAT NOBODY'S AFTER ME...IT'S THAT, LIKE, THEY DON'T EVEN PAY ATTENTION TO ME!!
...I WAS THE HUSBAND OF THE PIRATE CHARLOTTE LINLIN, BETTER KNOWN AS BIG MOM.

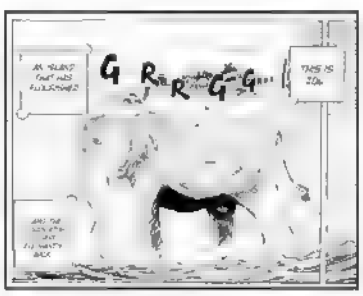
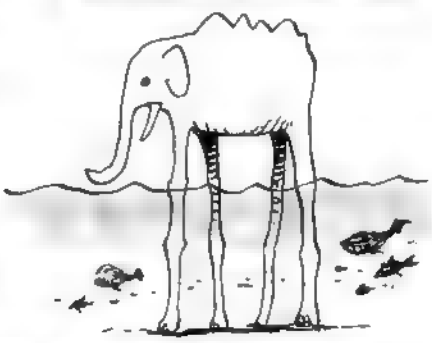
Q: Odacchi, here's a question! What's up with Zou's legs? Are those ultra-long legs that would make the inhabitants of Long Ring Long Land jealous?!?!

--Shokotan

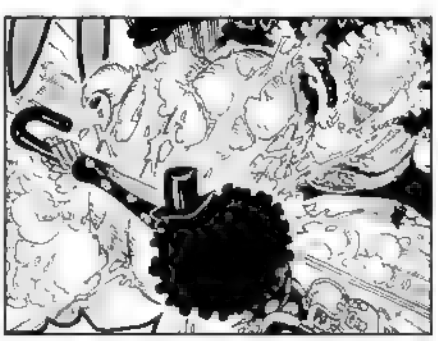


A: Ah. This is a very interesting question. Indeed, if you think of it being proportioned like a normal elephant, that would mean the sea is very shallow! As a matter of fact, this elephant belongs to the species *elephus dalí*, which is known for having one extra leg joint, and extremely long legs. Maybe you'll see it in the manga someday, or maybe not, but that's the explanation.



Q: Am I the only one who thinks the special attack move "Sheep's Head" in Chapter 195 looks like a **poop?** I'm so obsessed with this that I can't even eat tapioca pudding with my chopsticks anymore.

--My friend can drink coffee black



A: It looks like poop to me too.

Q: Hi, Oda Sensei. Did you know that the world's finest coffee is extracted from elephant dung? I'm sure a thousand-year-old elephant produces some truly well-aged dung, so get right in there and pull out those beans!

--Sanadacchi

A: I never heard this before!! I looked it up!! It's true!!
I understand the reasoning, but I think I'll pass on this one!! No thanks.

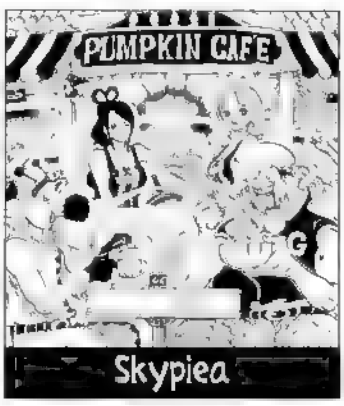
Q: Heso, Mr. Oda!! Pumpkins are a special crop in Skypiea. And it was Noland the botanist who introduced the pumpkin to Jaya, the original island, correct? And I've noticed there are plenty of pumpkins in Dressrosa too! Is it possible that when Noland met the Tontattas on his travels, he learned how to grow pumpkins from them? Tell me!

--Kamiki



A: That's correct--perfect answer. Pumpkins are very nutri-tious, so it looks like the crop took root wherever Noland brought it. Perhaps it's a sign of the trust he earned from those he met too.

Q: I have a question about Vito the Phantom Gun from the Firetank Pirates. He's got extraordinarily large hands, but his suit seems to be normal-sized. So how does he get his hands through the sleeves?

Q: Odacchi!! In Volume 79, you said we should use whatever logic we could to connect characters to dates, so I did my best!! For Viola, the V is a "B" sound in Japanese (B→13) and o is a zero. 1/30!! January 30th is blank!! I'm a genius!! Hope you like it!!

--Summer Mandarin

A: Whaaaat?! Okay.

Q: Greetings, Oda Sensei! I'm here to fill in some calendar blanks!
Sai ⇒8/13 (Happosui's "eight treasures," 13th chieftain)
Baby 5 ⇒5/15 (May + d (maid), d is "10" plus Baby "5")
Chin Jao ⇒12/12 (12th chieftain of Happosui)
Boo ⇒8/20 ("eight treasures" and bu-u stands for "2-0")
How old is Sai, anyway? What's the age gap with his wife? Depending on the answer, I might need to call the cops…out of jealousy.
--Uhyalicia

A: Whaaaat?! Okay. Sai's age is... Actually, why don't I tell you the ages of all the people who drank from the son's cups?

Sai's actually quite young. Did he look old to you?

Q: Odacchi! What happens if you rip off a woman's bra like Smoker does? (See Volume 67 SBS.)
Won't know until you try it! Here we go!
P.S. Dear Eiichiro Oda, they arrested me. Why?

Story ・あらすじ・

After two years of hard training, the Straw Hat pirates are back together, first at the Sabaody Archipelago and then through Fish-Man Island to their next stage: the New World!!

The crew happens across Law on the island of Punk Hazard, and they travel to Dressrosa to defeat Doflamingo Next, the crew forms an alliance with the samurai and minks to topple Kaido, an Emperor of the Sea, and rescue Wano Kingdom from his grasp. Meanwhile, Sanji is in terrible danger! His true father has arranged a political marriage for him with Big Mom's daughter. Sanji agrees to meet Big Mom in order to refuse the marriage. When the crew hears about that, they send a retrieval team to Whole Cake Island to get their cook back, and wind up in a fight with some of Big Mom's officers. Meanwhile, Sanji's birth family arrives at Big Mom's lair, ready to celebrate the wedding they helped orchestrate.

Chapter 839:
I OWE YOU MY LIFE

THAT WOULD MAKE US NO DIFFERENT FROM PIRATES.

...

WE COULD HAVE PLAYED THEM AGAINST EACH OTHER AND CRUSHED 'EM BOTH..

...AND MADE TWICE AS MUCH INSTEAD!!

WHOEVER PAYS US MORE...

...GETS TO WIN! THAT'S ALL THERE IS TO IT.

CHRK

WHO CARES ABOUT THE REASON WHY?

HALFHEARTED KINDNESS ONLY LEADS TO MORE SUFFERING.

THIS IS THE PERFECT EXAMPLE.

RATHER THAN STICKING TO THE POLICY OF SUPPRESSION.

...SOUGHT OUR STRENGTH IN ITS PLACE.

THE SIDE THAT COULD NO LONGER ACQUIRE WEAPONS...

NICE WORK OUT THERE...

...ICHIJI AND NIJI.

...THEY WILL BE REVOKING OUR RIGHT TO ATTEND.

AND YET I SUSPECT THAT THIS TIME, AT LONG LAST...

THAT REMINDS ME, FATHER... THE REVERIE IS CLOSE.

FOR WE ARE *STILL* A MEMBER STATE OF THE WORLD GOVERNMENT.

BUT KEEP THIS IN MIND! THE POWER WE WILL GAIN FROM THIS MOVE...

...IS ABSOLUTE!!! IT WILL BRING CHANGE TO GERMA!!!

66

66

66

DOOM!!!

...WAS JUST ANOTHER VICTIM OF THE FALL OF DOFLAMINGO'S RULE.

YOU MIGHT SAY THAT WAR-TORN BROCK COLLIE...

...
SANJI!!
TO THINK THE DAY WOULD ARRIVE THAT YOU WOULD BECOME USEFUL...
IT'S RARE FOR ANYTHING TO BRING SO MUCH PLEASURE TO FATHER.
PFFFF !!
WE'D TRY TO FIGURE OUT WHAT DITCH YOU'D FOUND TO DIE IN...
...AND WHICH END WOULD BE THE MOST ENTERTAINING FOR US!
I WAS STUNNED THE DAY THAT YOU DISAPPEARED-- NO, REALLY!
THE REST OF US USED TO TALK FROM TIME TO TIME ABOUT WHERE YOU WERE...
OH, THIS?
!
I'M DONE. NOT HUNGRY.
WHAT DID YOU SAY?
EAT ALL YOUR FOOD.
YOU HAVEN'T FINISHED, NIJI.
AHA HA HA HA...

IDIOT PRINCE. YOU HAVE NO IDEA OF THE VALUE OF FOOD AND THE EFFORT THAT GOES INTO COOKING IT.
EAT IT!!
?!
IT'S ALL STICKY AND GROSS.
I CHOWED DOWN ON PLENTY OF CHOCOLATE EARLIER..
THIS IS GOING STRAIGHT TO THE TRASH.
...AND THIS POTATO-Y SAUCE LOOKS NASTY.
I'VE SERVED YOU SOMETHING THAT DID NOT SUIT YOUR TASTE...
YES, SIR NIJI! I'M SO SORRY!!
BA
M
HEAD CHEF COSETTE
IS COSETTE HERE?!
CALL THE HEAD CHEF!!
THE DISGUSTING-LOOKING FOOD SHE SERVED CAUSED MY BROTHER TO UPSET ME!!

AND THIS MEAT IS FINE CONFIT. I ASSUME IT WAS PICKED BECAUSE YOU'RE EXALTED GUESTS.

...AND STABILIZE BLOOD PRESSURE.
POTATOES STRENGTHEN THE BODY'S IMMUNE SYSTEM..

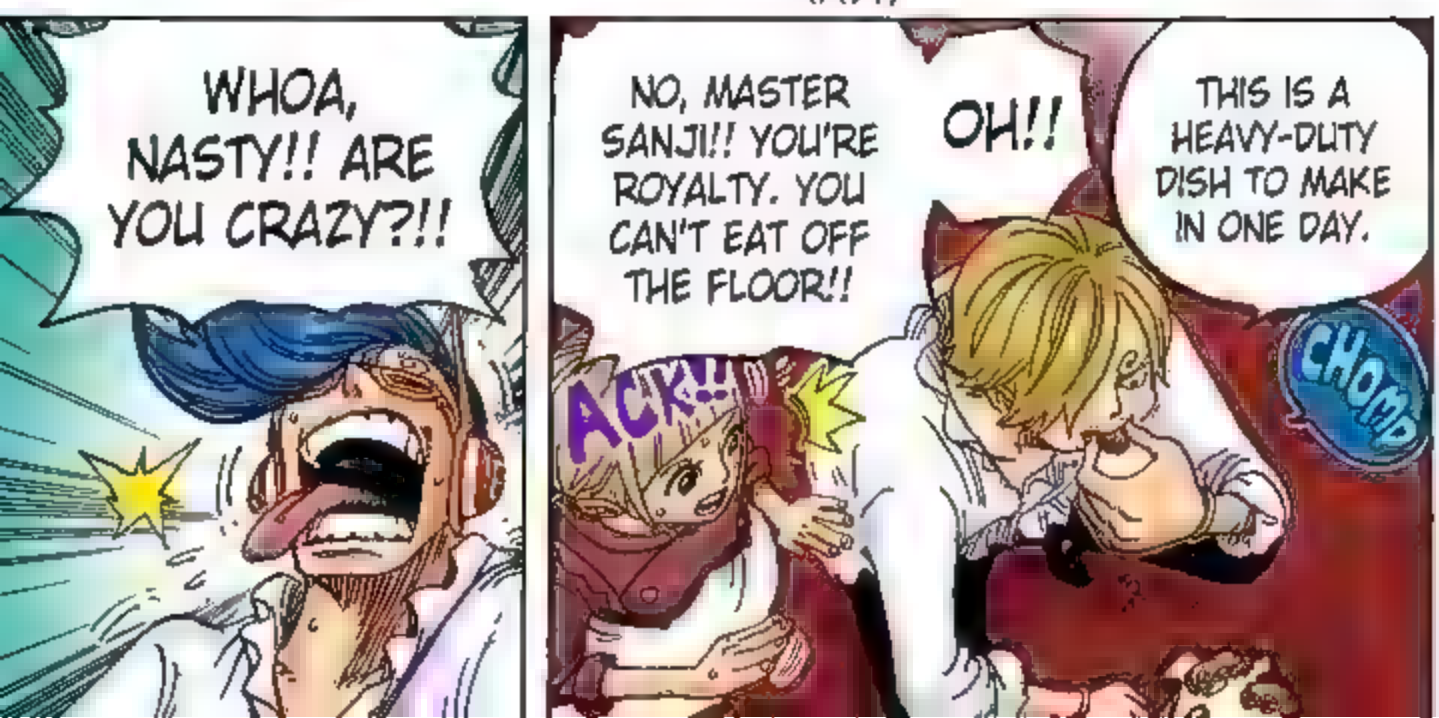
PLEASE, NO! I'LL CLEAN IT UP!



WHOA, NASTY!! ARE YOU CRAZY?!!
NO, MASTER SANJI!! YOU'RE ROYALTY. YOU CAN'T EAT OFF THE FLOOR!!

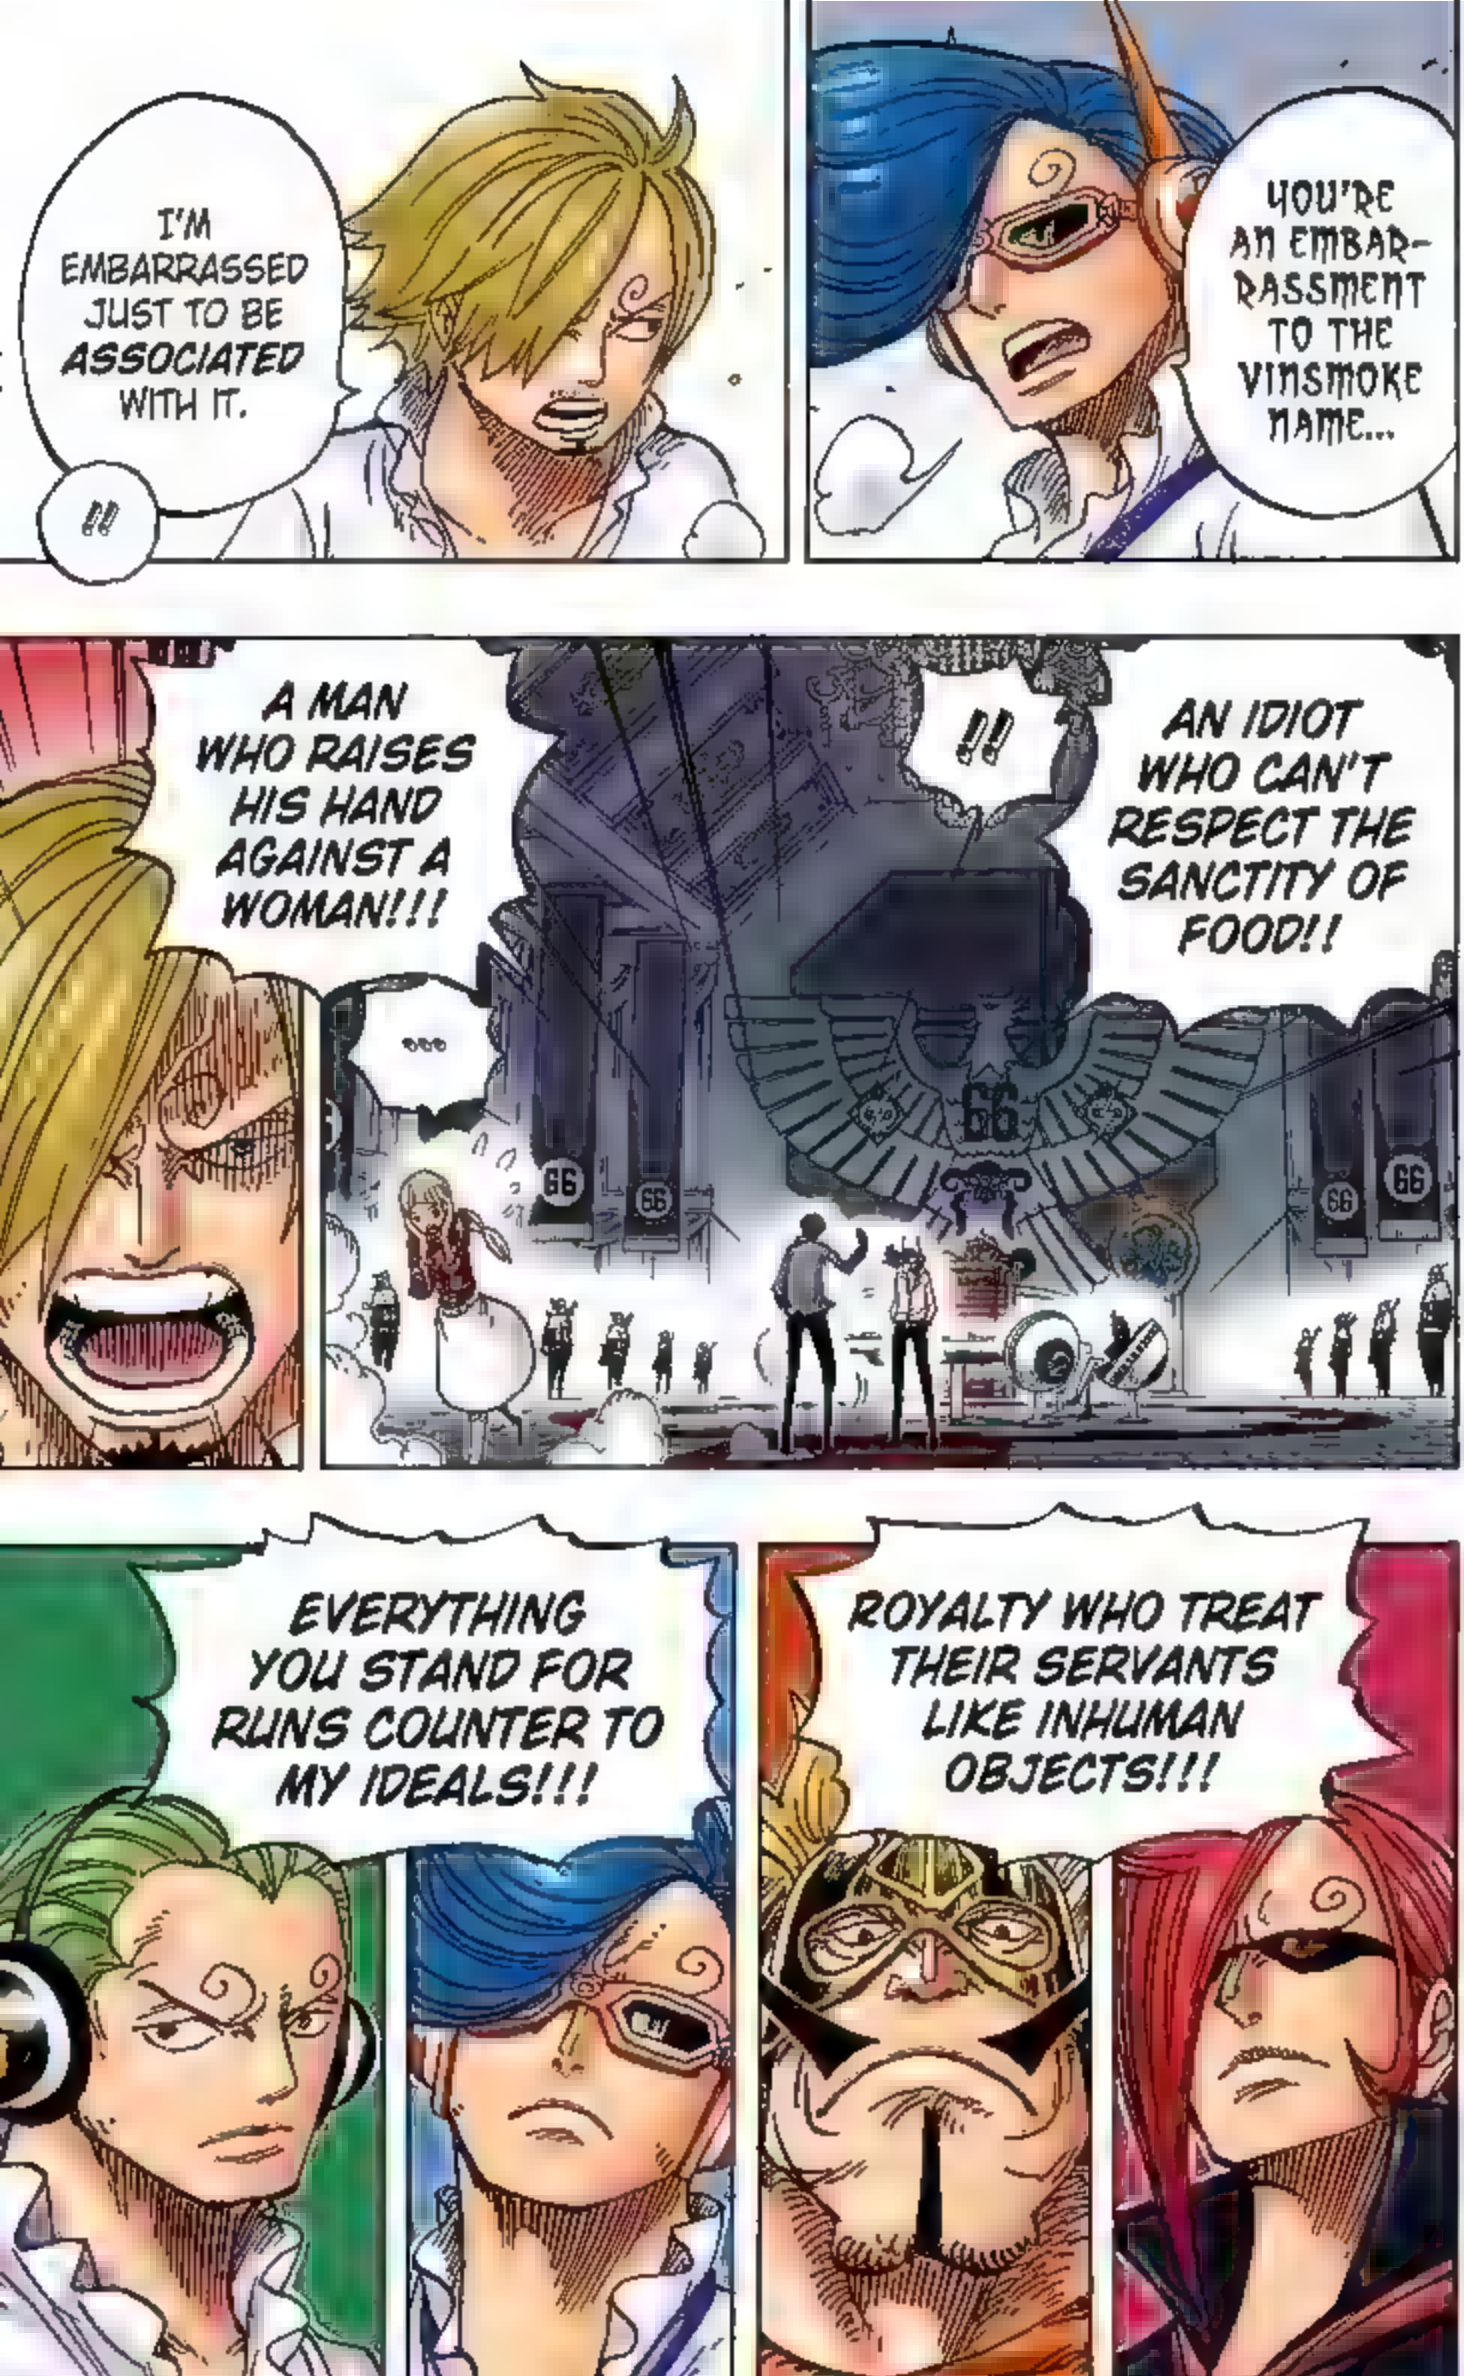
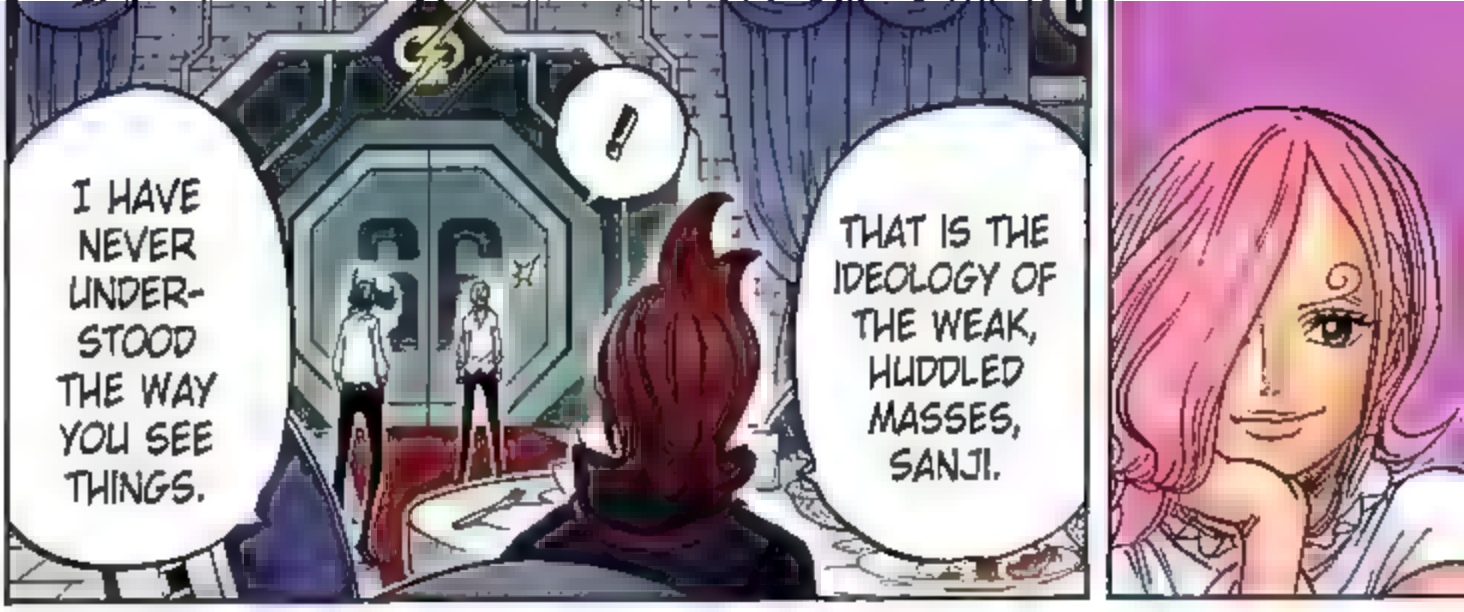
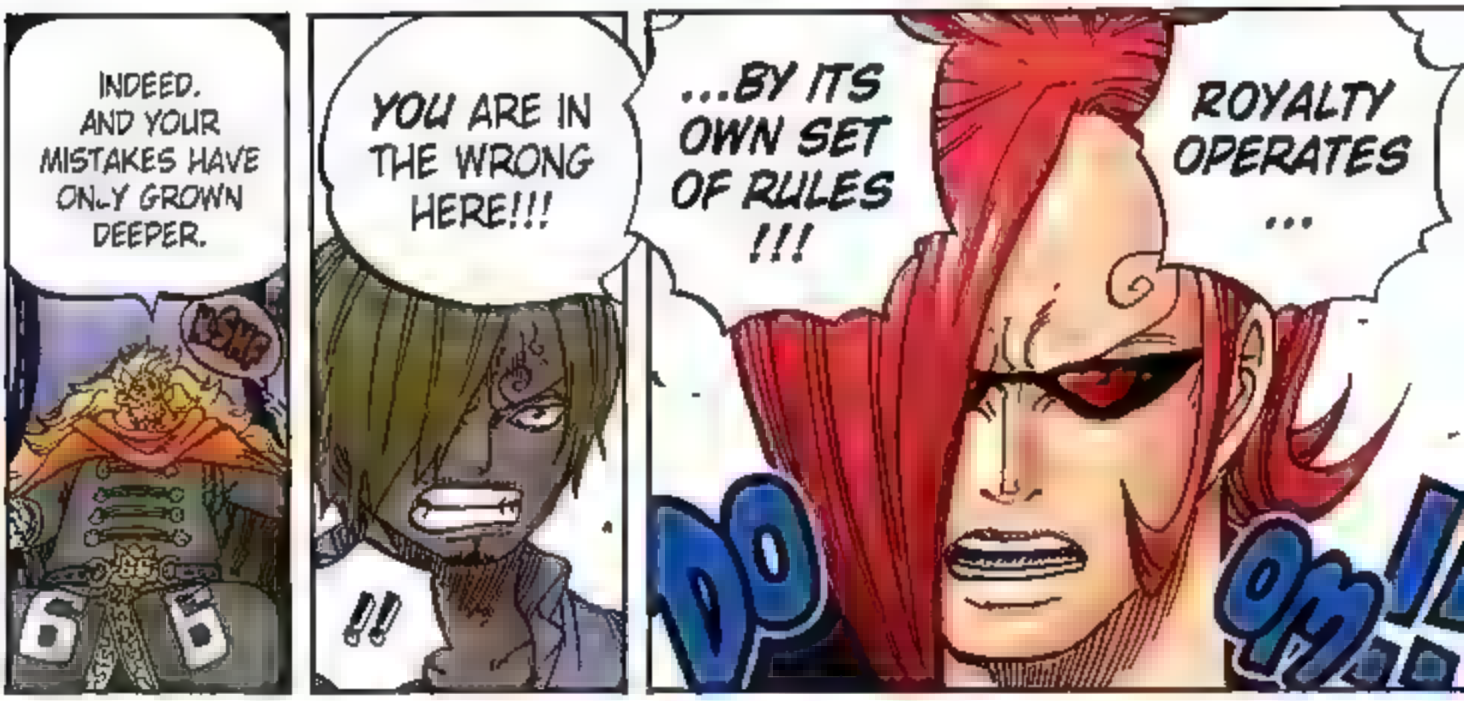
HOW FAR HAVE YOU SUNK INTO THE POVERTY MIND-SET?!!
KA !!! B AAM!!!
ZAP ZAP
EEK !!
FWOO



I'M EMBARRASSED JUST TO BE ASSOCIATED WITH IT.
!!
YOU'RE AN EMBAR-RASSMENT TO THE VINSMOKE NAME...
A MAN WHO RAISES HIS HAND AGAINST A WOMAN!!!
!!
AN IDIOT WHO CAN'T RESPECT THE SANCTITY OF FOOD!!
EVERYTHING YOU STAND FOR RUNS COUNTER TO MY IDEALS!!!
ROYALTY WHO TREAT THEIR SERVANTS LIKE INHUMAN OBJECTS!!!



I HAVE NEVER UNDER-STOOD THE WAY YOU SEE THINGS.
!
THAT IS THE IDEOLOGY OF THE WEAK, HUDDLED MASSES, SANJI.



INDEED. AND YOUR MISTAKES HAVE ONLY GROWN DEEPER.
YOU ARE IN THE WRONG HERE!!!
!!
...BY ITS OWN SET OF RULES !!!
ROYALTY OPERATES ...
DO
OM!!

MAY I ATTRIBUTE THAT...

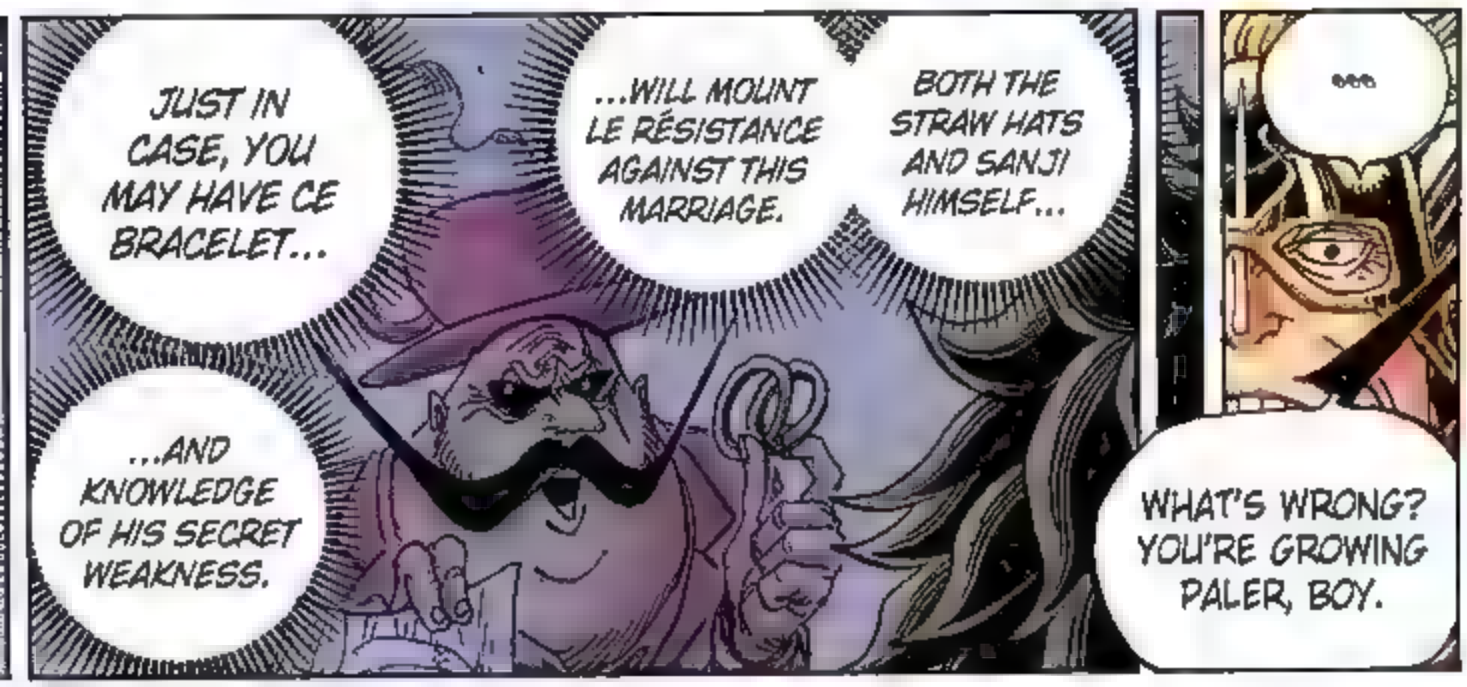
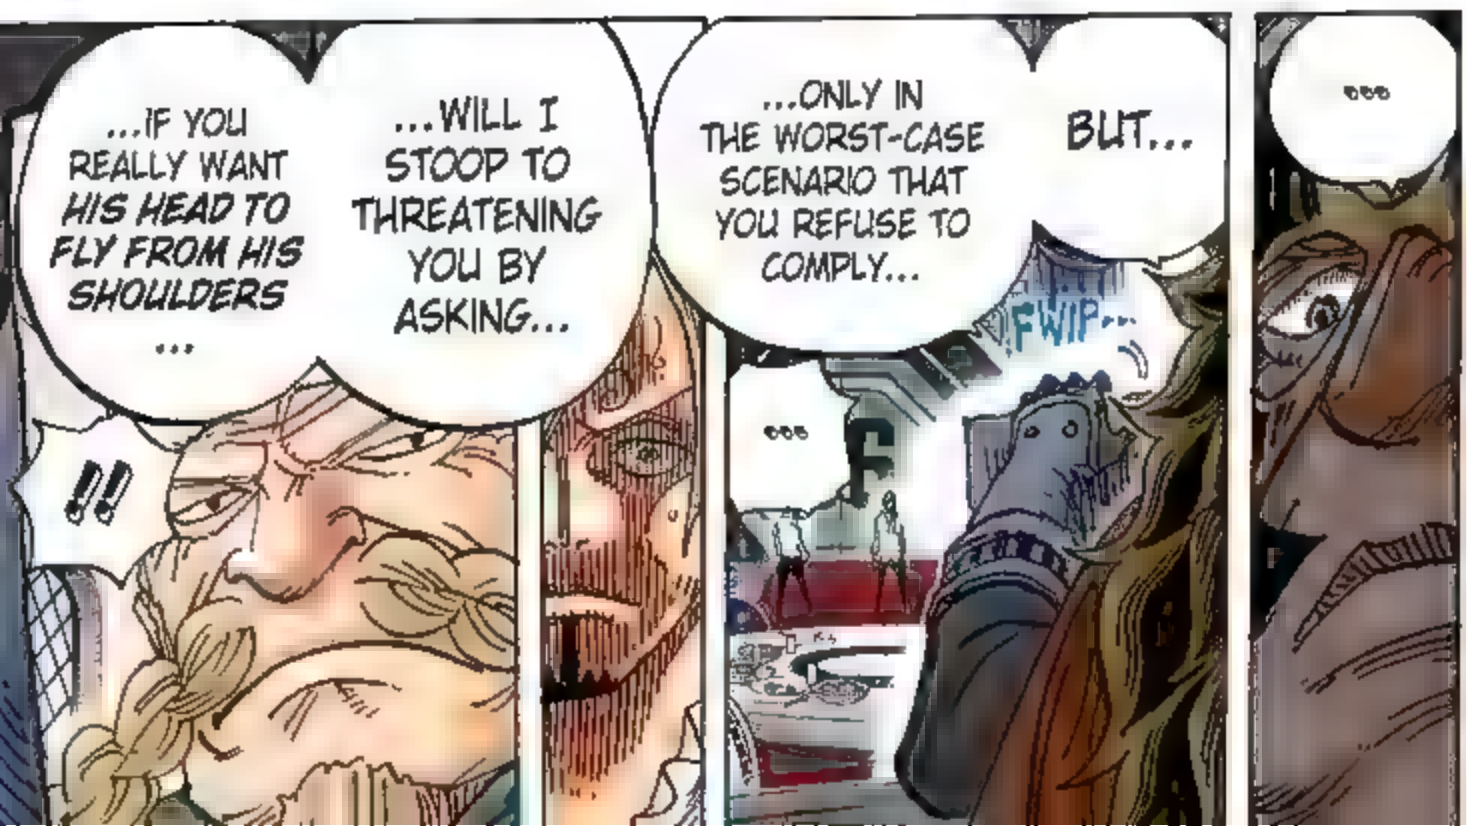
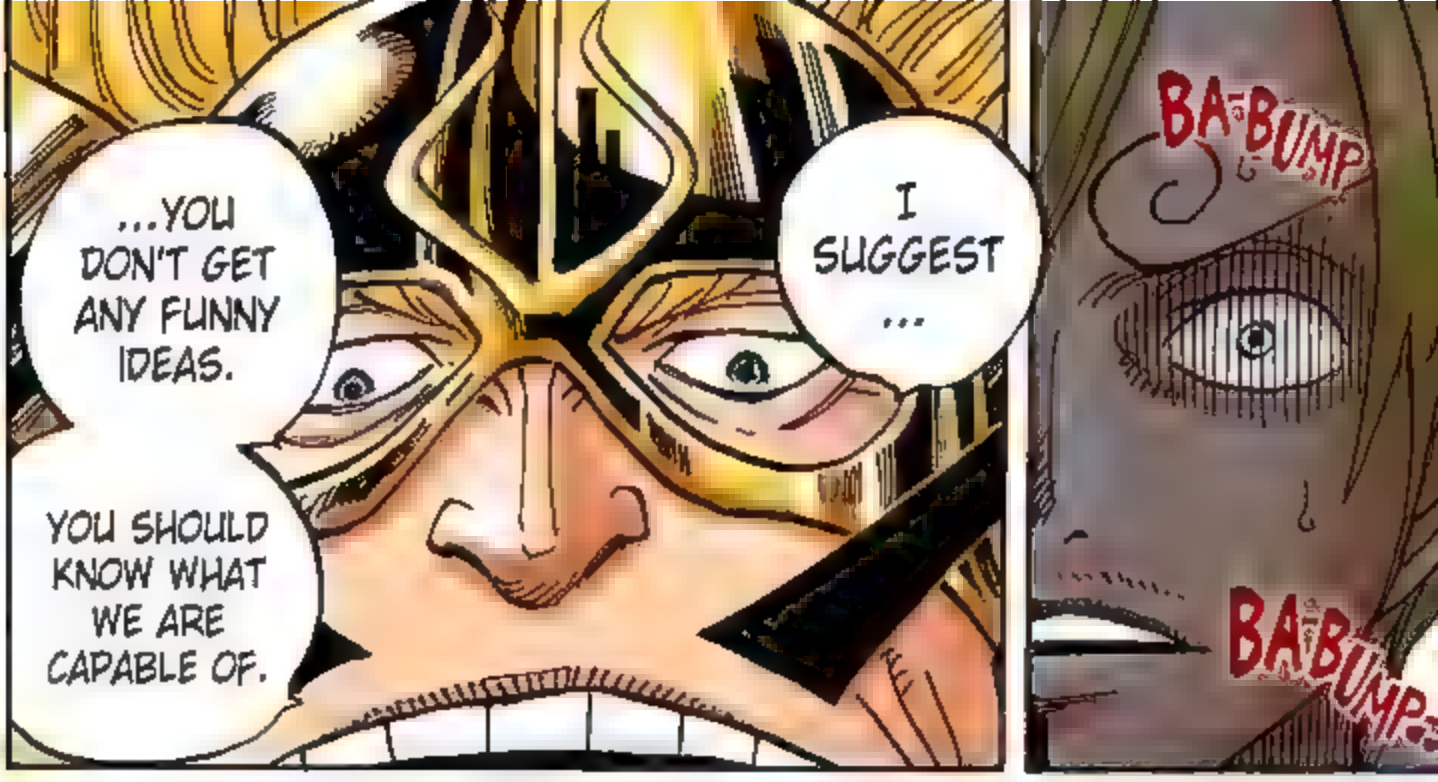
I UNDERSTAND THAT, TWO YEARS AGO, YOU WERE WORKING AT THIS MAN'S RESTAURANT.
BIG MOM'S INTELLIGENCE NETWORK IS GREATER THAN I HAD HEARD.
...



JUST IN CASE, YOU MAY HAVE CE BRACELET...
...AND KNOWLEDGE OF HIS SECRET WEAKNESS.
...WILL MOUNT LE RÉSISTANCE AGAINST THIS MARRIAGE.
BOTH THE STRAW HATS AND SANJI HIMSELF...
...
WHAT'S WRONG? YOU'RE GROWING PALER, BOY.



...IF YOU REALLY WANT HIS HEAD TO FLY FROM HIS SHOULDERS ...
...WILL I STOOP TO THREATENING YOU BY ASKING...
!!
...ONLY IN THE WORST-CASE SCENARIO THAT YOU REFUSE TO COMPLY...
BUT...
FWIP...
...



...YOU DON'T GET ANY FUNNY IDEAS.
YOU SHOULD KNOW WHAT WE ARE CAPABLE OF.
I SUGGEST ...

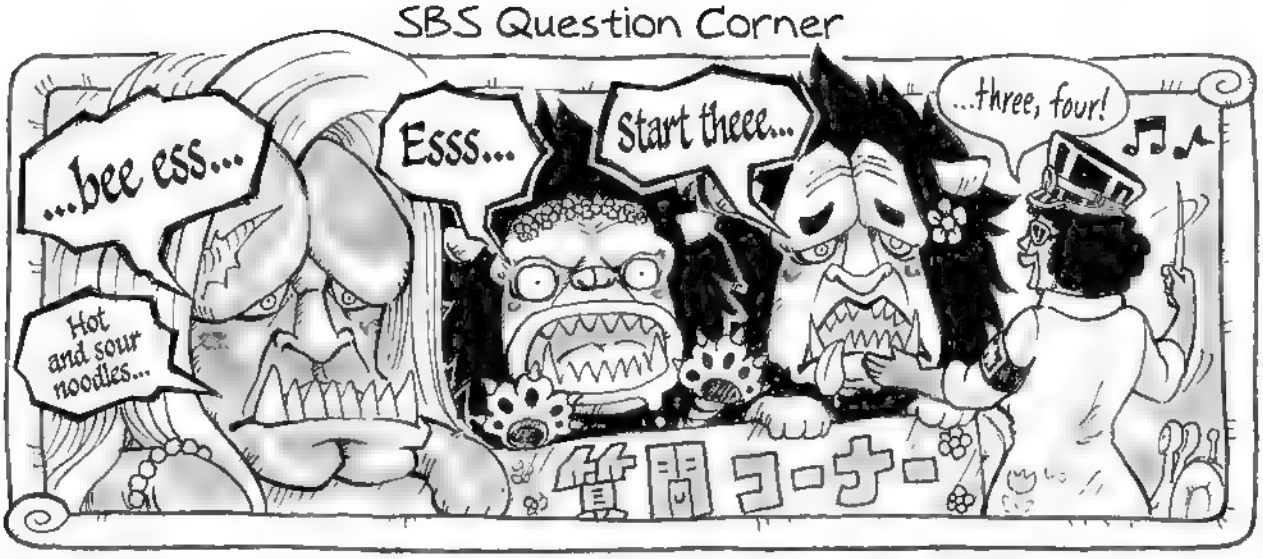
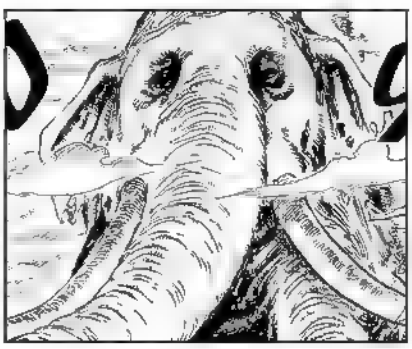
SBS Question Corner



(Hippo Iron, Saitama)

Q: One day, I heard a voice. "Give me the order!!" It was the voice of Zunesha. So I asked, "What order?" And Zunesha said, "Order me…to start the SBS!!!"
So…start the SBS!!!

--Middle-Aged Man Who Wants to Eat the Clear-Clear Fruit



A: Aaaah!! It's Zunesha!! Zunesha is starting the SBS!! Run away!! Aaah...eeek...

Q: When I try to pet my cat during the dry season, I get a little electric prickle. Could my cat be a mink?

--Year of the China Rabbit Y

A: That is absolutely a mink. Watch out--it might be waiting for the dawn of the world, or hiding a ninja.

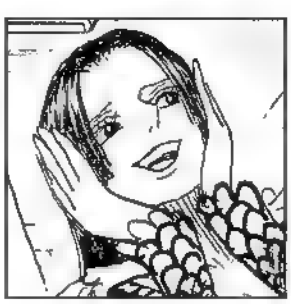
Q: I want to be Momonosuke!!

--Captain Nobuo

A: I understand. Let me be clear: "On the inside, every man was once Momonosuke." And your heart will be Momonosuke for eternity!! I'm not there yet, but I hope to be Momonosuke when I am an old geezer!!

Q: Does Hancock's cooking taste good?

-Eryngii



A: It used to be bad, but she's gotten much better at cooking meat over the last two years. It looks good, but only Luffy's eaten it, so who really knows.

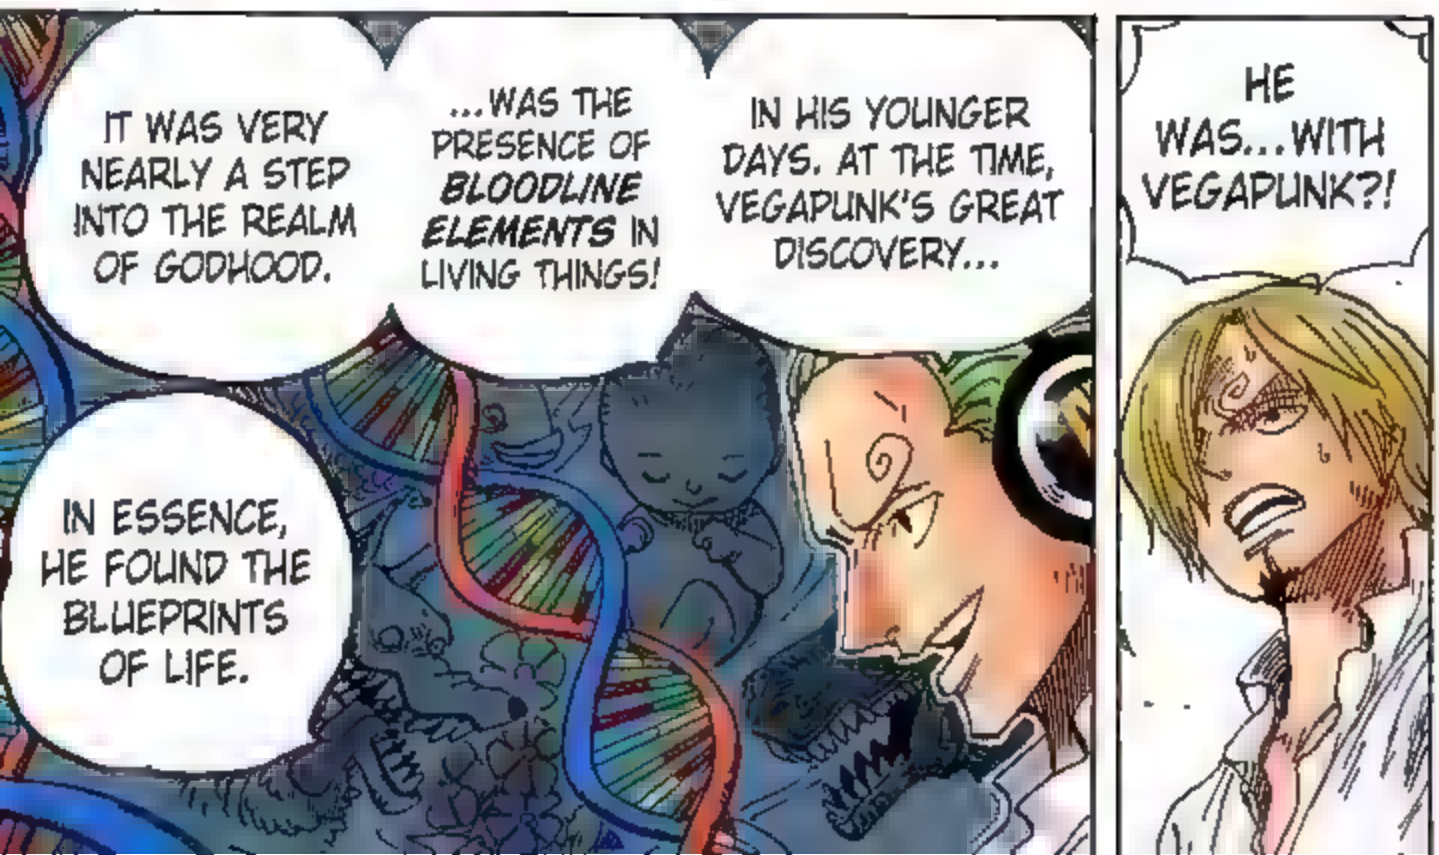
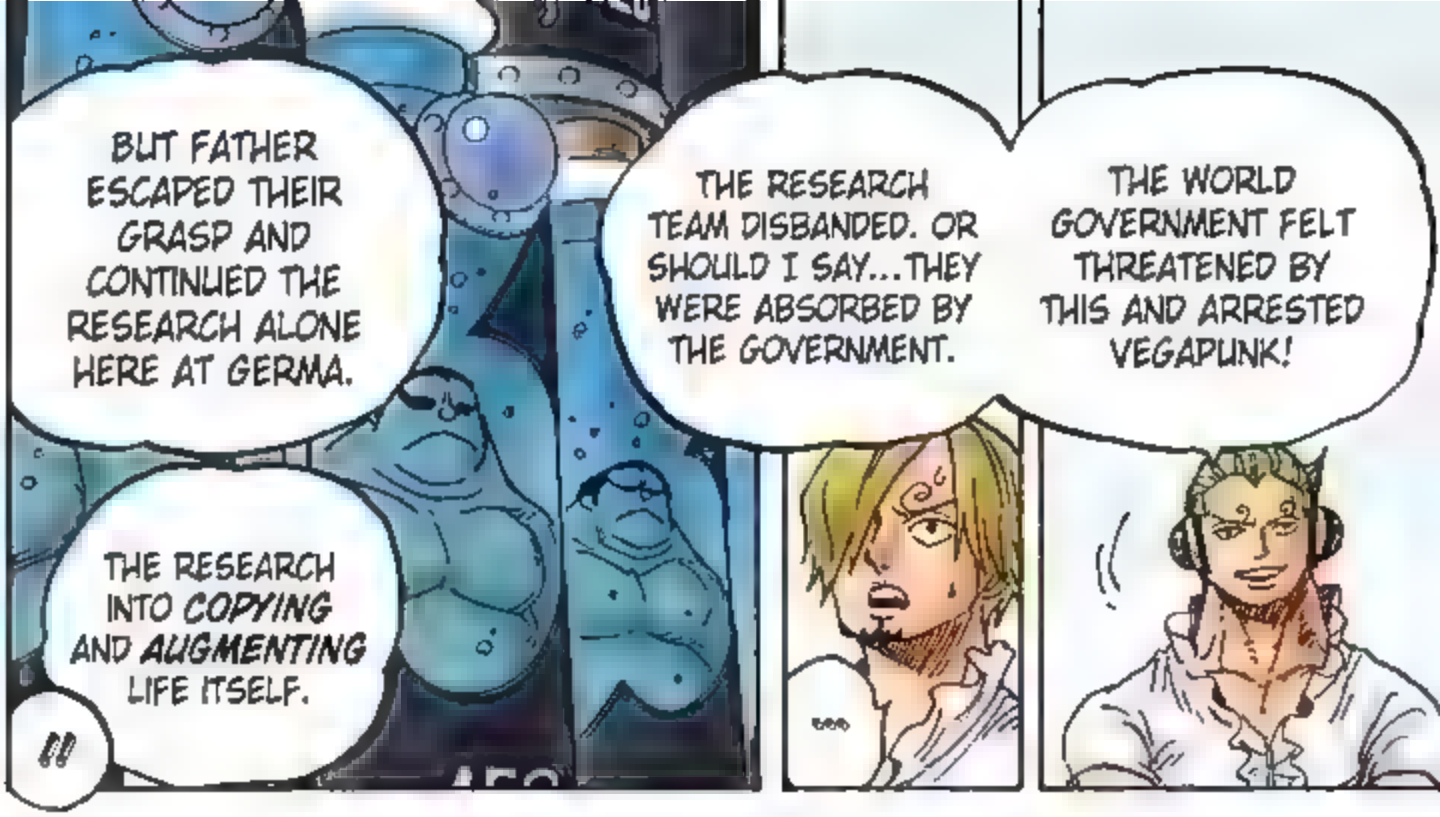
!!
FOR GENERATIONS, GERMA HAS BEEN A *NATION OF SCIENCE.* BELIEVE IT OR NOT...
...FATHER IS A BRILLIANT SCIENTIST. BEFORE WE WERE BORN...



IT WAS VERY NEARLY A STEP INTO THE REALM OF GODHOOD.
...WAS THE PRESENCE OF *BLOODLINE ELEMENTS* IN LIVING THINGS!
IN HIS YOUNGER DAYS. AT THE TIME, VEGAPUNK'S GREAT DISCOVERY...
IN ESSENCE, HE FOUND THE BLUEPRINTS OF LIFE.
HE WAS...WITH VEGAPUNK?!



BUT FATHER ESCAPED THEIR GRASP AND CONTINUED THE RESEARCH ALONE HERE AT GERMA.
THE RESEARCH INTO *COPYING* AND *AUGMENTING* LIFE ITSELF.
!!
THE RESEARCH TEAM DISBANDED. OR SHOULD I SAY...THEY WERE ABSORBED BY THE GOVERNMENT.
THE WORLD GOVERNMENT FELT THREATENED BY THIS AND ARRESTED VEGAPUNK!

...PROGRAMMED TO BE FEARLESS IN THE FACE OF DEATH AND UTTERLY FAITHFUL.
ALL COUNTRIES LOOK UPON OUR MILITARY FORCES WITH FEAR...

AND THIS IS OUR MILITARY STORAGE DEPOT!

IT TAKES JUST FIVE YEARS TO CREATE A TWENTY-YEAR-OLD SOLDIER.
IF THEY DIE, THEY ARE EASILY REPLACED.

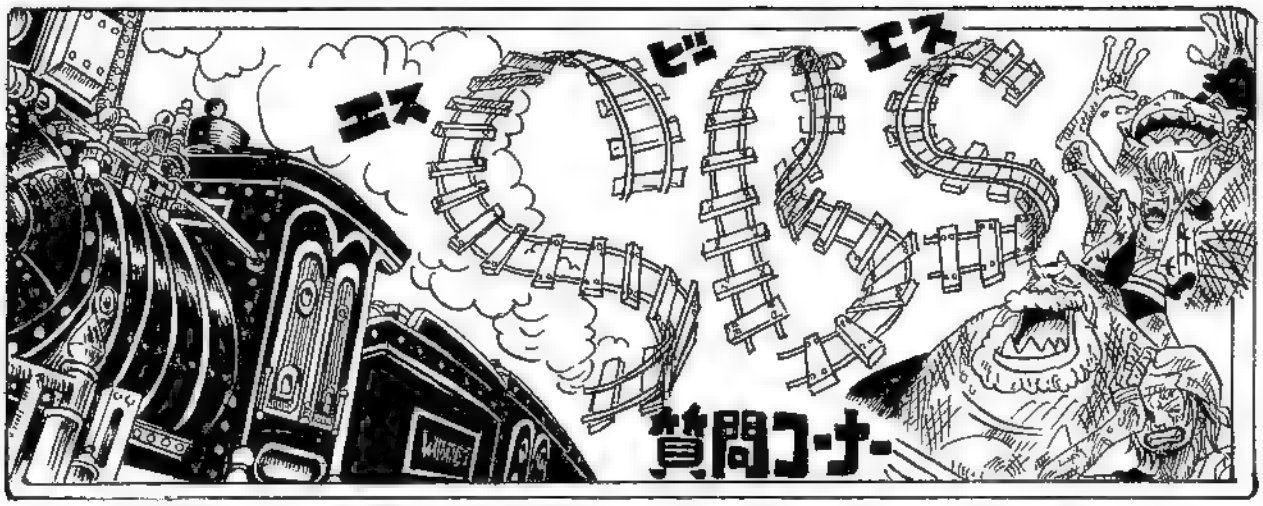
SBS Question Corner



(Michi Nakahara, Tottori)

Q: In what order did Bepo, Penguin and Shachi join the Heart Pirates?

--Amefurashi

A: It's a long answer, but so many people asked that I decided to run through it here. You've read the backstory of Law in volumes 76 and 77. After the incident 13 years ago, Law wandered into the next town over on Swallow Island, crying his eyes out.

- Shachi and Penguin were snotty little kids growing up on Swallow Island in the North Blue.
- Fourteen years ago, Bepo left Zou in search of his older brother, got on a ship to the North Blue, and wound up on Swallow Island a year later.
- On the edge of the town, Law spotted two young ruffians picking on a polar bear. When they turned on him next, he ended up beating them and saving the polar bear. Ultimately, all three of them wound up respecting and following him.

- Law, age 13 (now 26)
  Penguin, age 15 (now 28)
  Shachi, age 14 (now 27)
  Bepo, age 9 (now 22)
- Bepo studied seafaring and navigation in the hopes of returning to Zou. Eventually, the four of them founded the Heart Pirates together. So the answer to your question is "at the same time"! You won't see this in the manga!

SBS Question Corner

(Hayato Asami, Kanagawa)

Q: I was born on June 13, but I don't share a birthday with any character. I was trying to think of one so I didn't feel so lonely, and then I realized that 6 can stand for *mugiwara* ("straw hat") and 13 can be read *ichimi* ("gang")! So how about if June 13 is "Straw Hat Crew Day"?! It's a party!!!

--cherry

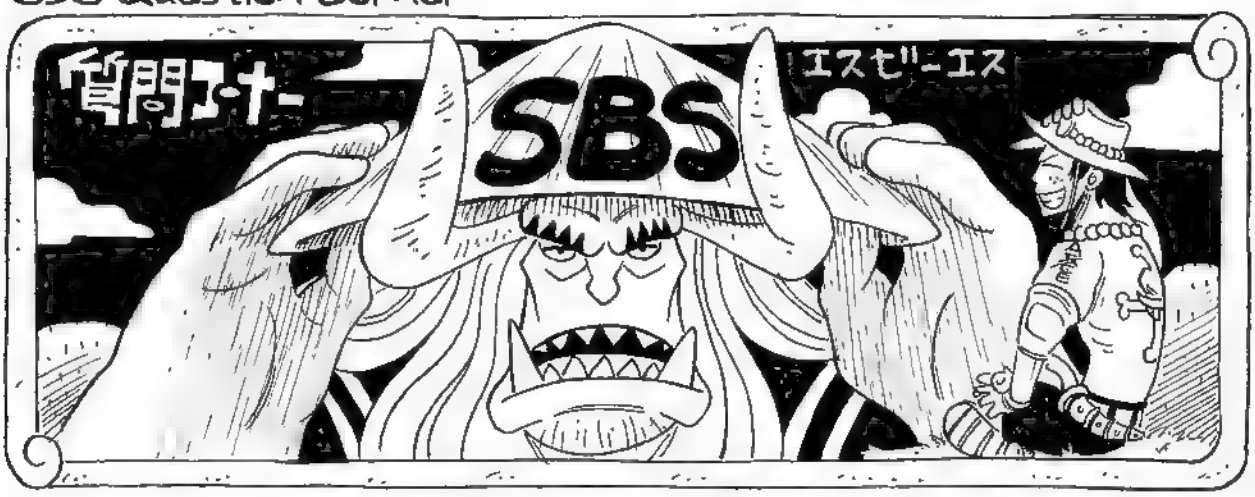
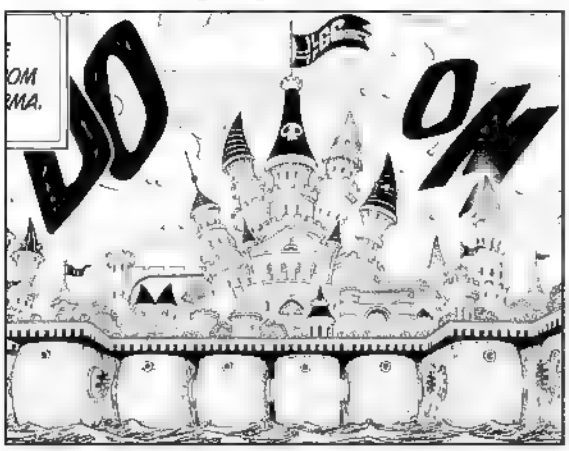
SBS Question Corner



(BiagioPanzani, Italy)

Q: The Germa castle is kinda *werrrp*. Does that mean the people inside live their lives kind of *werpy?*

--Luck



A: Actually, it's not that they built a castle that turned all *werrrp*, it's that they built it to exact specifications to achieve that level of *werrrp*. If anything, the people who live there are extremely exacting and uptight!!

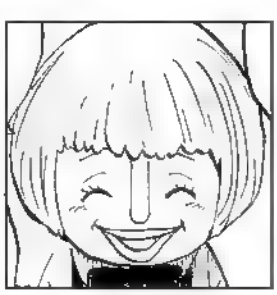
Q: Hello, Oda Sensei! Basil Hawkins takes his horoscopes and fortunes seriously when he acts. If his lucky item for the day was a miniskirt, would he wear it?

--Moss Mink

A: Well, he's very confident in his fortune-telling, so I daresay he would wear it. His leg hair is quite thick.

Q: In chapter 823, you introduced Sally Isntoinette, queen of Goa. Is she based on Marie Antoinette? I'm so jealous of Stelly--he's ugly and horrible, yet he snagged a beautiful wife. I'm ugly and not rich, but I snagged **my** angry wife with my heart!!

--Chores Are Easy



A: Does everyone remember Stelly? He was Sabo's foster brother in Luffy's flashback from Volume 60. Somehow, in the present day, he's worked himself into the royal family and become king! What a punk! And I figured his queen was probably a horrible person too, so I gave her a lazy name! Isntoinette! What kind of name is that?! Don't worry! I'm sure your angry wife is way better than her!

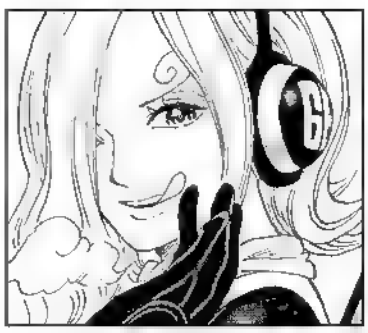
Q: Are those Reiju's bare legs? Are the 6 symbols drawn right on the skin? Isn't that kinda sexy?

--Takataka



A: Ah, I see. You suspect she might be wearing tights. No worries!! Those are straight-up tattoos!!!

Q: According to Den's explanation on page 36 of volume 63, anyone in Fish-man Island can have any kind of child. What's the situation with the minks, then?

--OP Girl

A: Same property. There are all biological patterns on Zou: deer with a fox child, or pandas with a panda child, etc.

Q: Oda Sensei! I've come to ask a question! ＼(^∀^)／
So, I was reading volume 80 recently. And then Koala said, "What?! We're going to bring all those intense people here again?!!"

Q: Oda Sensei!! Please tell me which people in the Straw Hats like to chew their ice, and which don't.

--Goal and Gorilla Pupil No.19 Iona

A: Oh yeah, here we go. The really pointless questions! And I'm gonna answer it! Because the motto of the SBS is "You're not missing out if you don't read it"!!

More people crunch their ice than I expected...

Q: Since in chapter 833, you said all four kids were born on the same day, does that mean that Ichiji, Niji, and Yonji are all 21 years old, born on March 2? How old is Reiju? Also, tell me the blood types and heights of the other Vinsmoke siblings.

--Katana★Roman

A: Okay. They're identical quadruplets. Reiju was born three years earlier, so she's 24 now. They're each slightly different in build, although it's not striking in number form. I wonder why Sanji turned out so different? It must have something to do with Germa's science.

Q: Hi, Odacchi! I've been counting. Ever since that fateful day in volume 10 when Timmy Ueda first stole the SBS title call (which started in volume 4), readers have begun the SBS corner 60 times! (Doom!) I simply cannot believe that they would be shameless enough to steal your glory!! Go on, Oda Sensei. Scream those words as loud as you can today. Say the words, "The SBS has begun!!!"
And once again, the reader proudly proclaims, "Start the SBS!!!"

--Shokotan

A: The SBS has begun!!! I said it!! Thank you!!
Wait, noooo!!! This is not what I want!! (wailing)

Q: Would Heraclesun be really bad at *shiritori,* the word game where you have to start each word with the last letter of the previous word?

--Seikun

A: Well, since you lose by ending a word in "n," I'd say so.

Q: In chapter 840, "The Iron Mask," young Sanji was reading the storybook about Noland. But I'm more curious about that book of Devil Fruits sitting next to him! This must be the book he used to find out about the Clear-Clear Fruit in chapter 464!!

--Dorry

A: Well spotted. Sanji did indeed mention both books before in his travels.

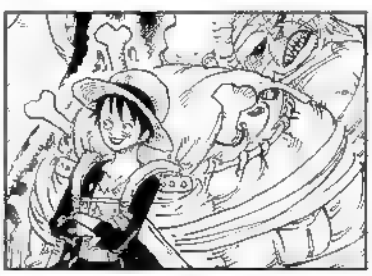
SBS Question Corner

(420 Land, Hong Kong)

Q: Heso, Oda Sensei!! The minks are animals, and yet in the food they gave Luffy in volume 82, there was meat. Are they cannibals? I'm so obsessed with this idea, I get five hours of sleep a night.

--Guru-Mayuki



A: That's right. In volume 81 there was a scene where he was chowing down, and the answer was revealed. In chapter 807, Carrot said the meat was "hippo, lizard, alligator and frog." The minks are essentially people who were born with the characteristics of furred animals, so they don't eat other furred animals, but they do eat the meat of birds, reptiles and amphibians.

Q: I bought this figure of Nami. Where should I put it?

--Captain Nobuo

©Eiichiro Oda/Shueisha - Fuji TV - Toei Animation

A: I don't know, man!! ミ

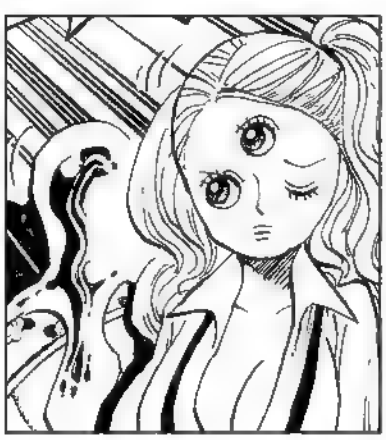
Q: Odacchi… Let's start the SBS.
…Oh, actually, it started a while ago.

--Kakkun Shogo

A: What the heck, man?! ミ

Q: Odachiii!!!!! In chapter 850, Pudding has a third eye on her forehead!! Does that mean the three-eyed girl in chapter 651 was Pudding? Clear this up for us!

--Resident of New Kama Land



A: That's right! You can see Nitro there too.

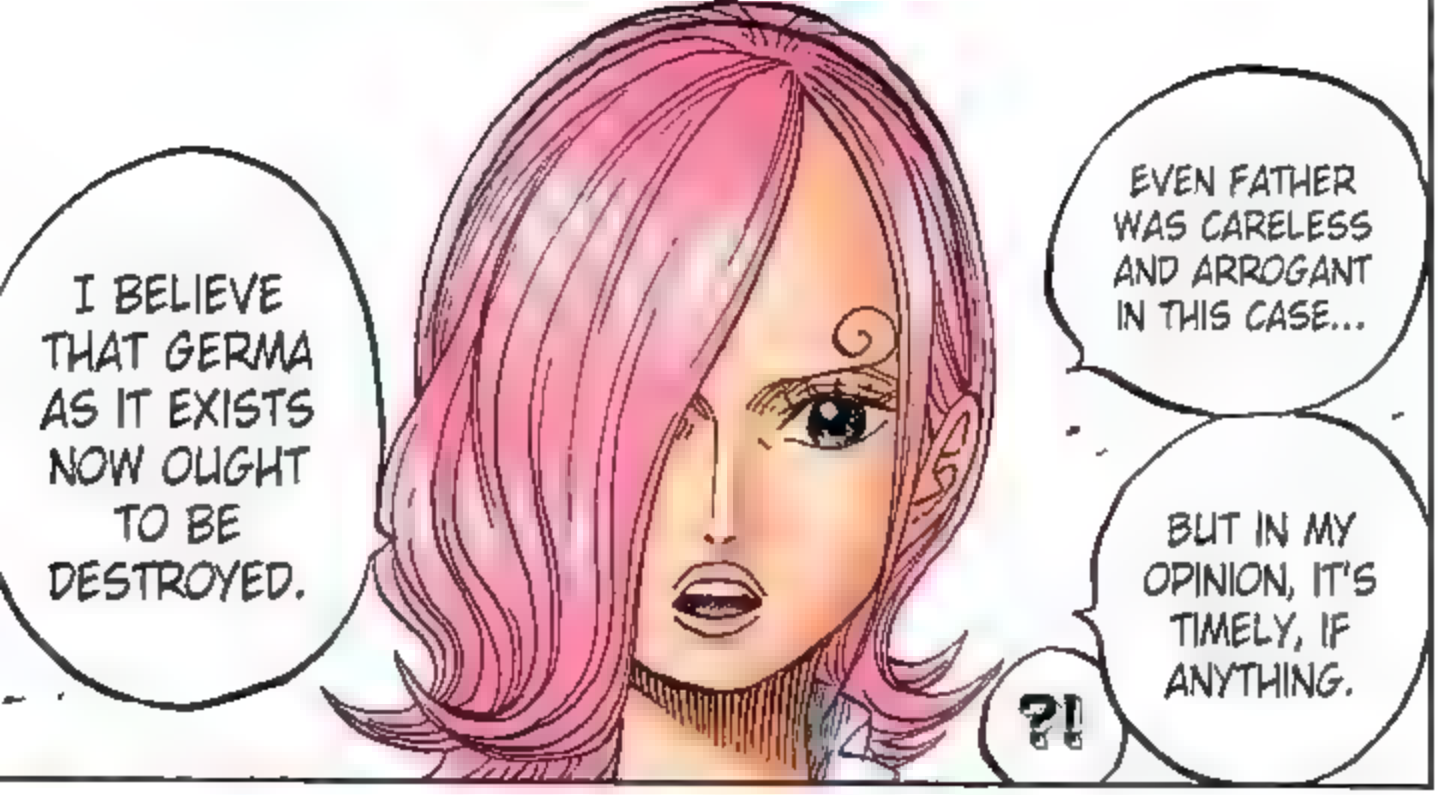
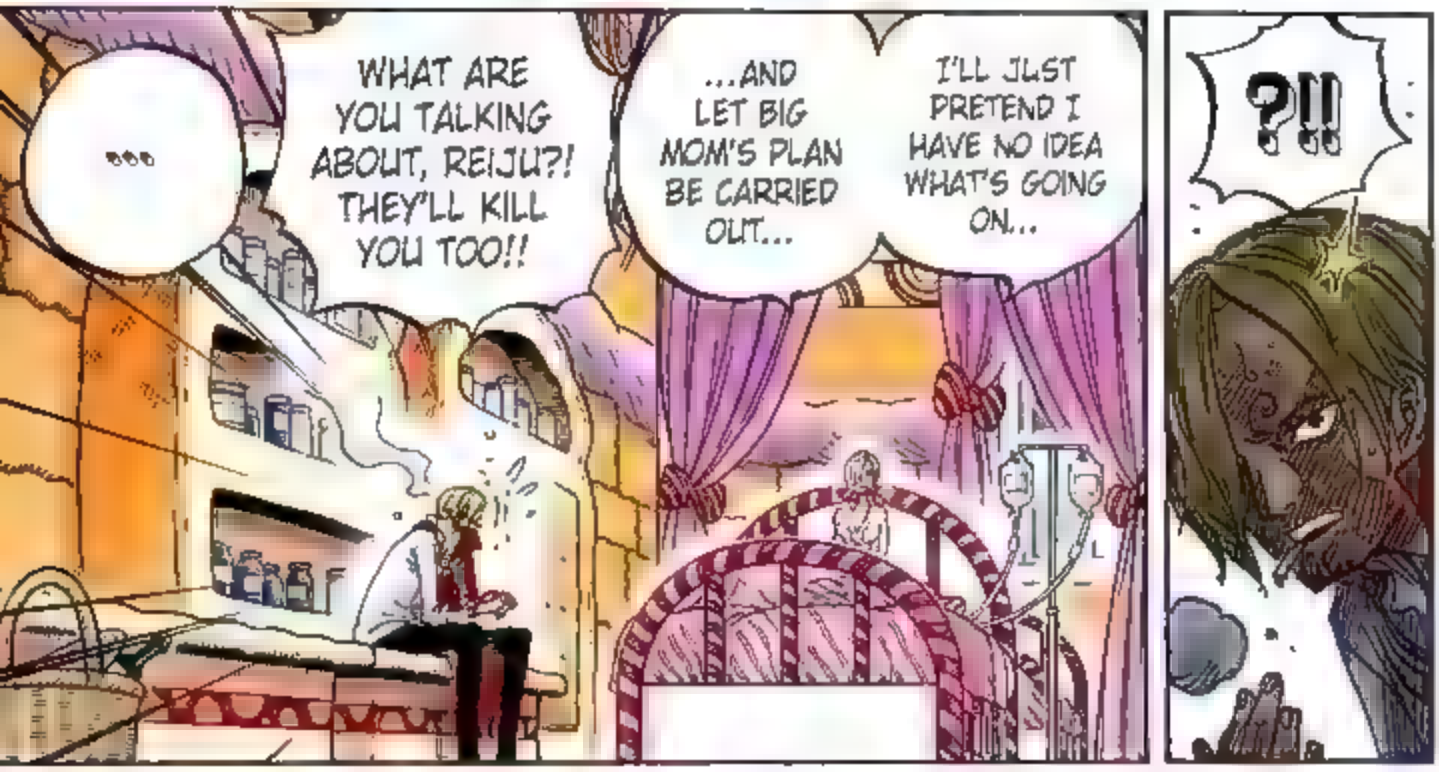
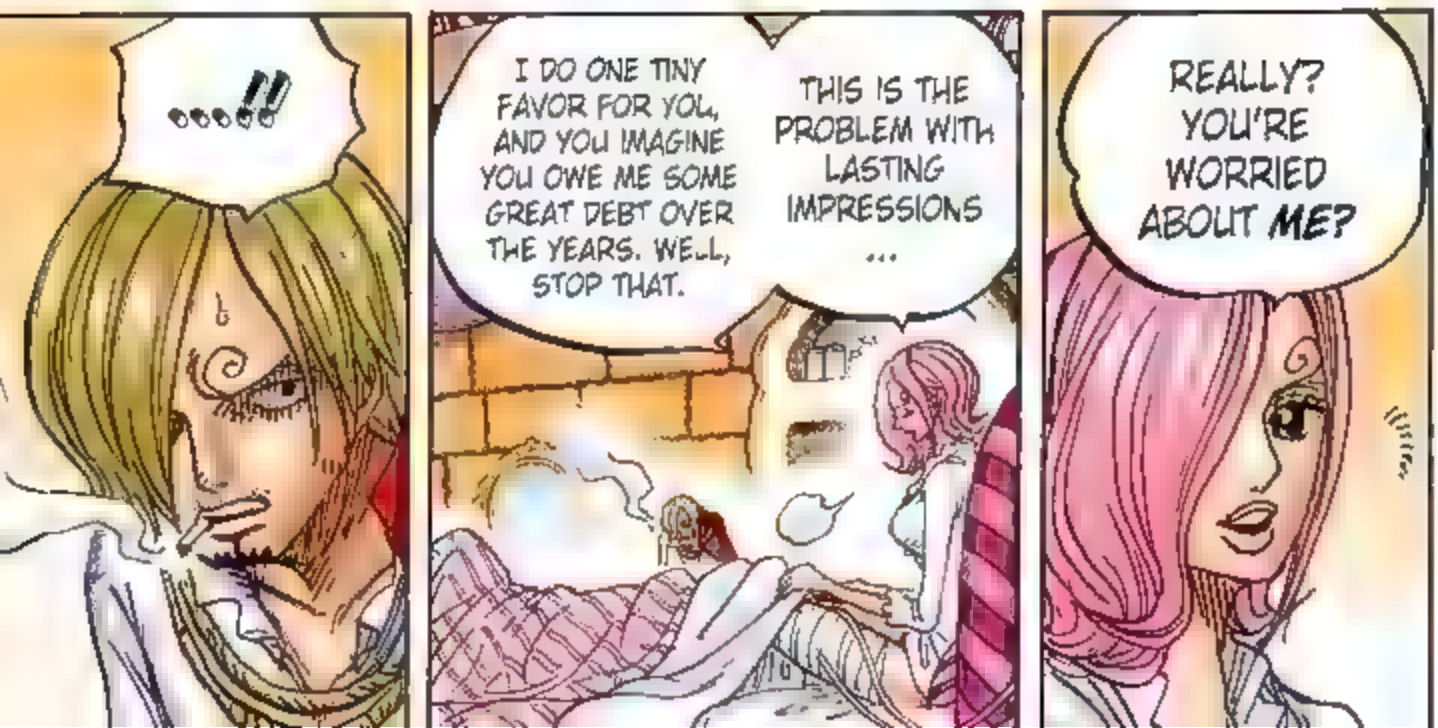
...AND IT TURNS OUT... THAT WAS NEVER IN THE CARDS TO BEGIN WITH!!



I BELIEVE THAT GERMA AS IT EXISTS NOW OUGHT TO BE DESTROYED.
EVEN FATHER WAS CARELESS AND ARROGANT IN THIS CASE...
BUT IN MY OPINION, IT'S TIMELY, IF ANYTHING.
?!



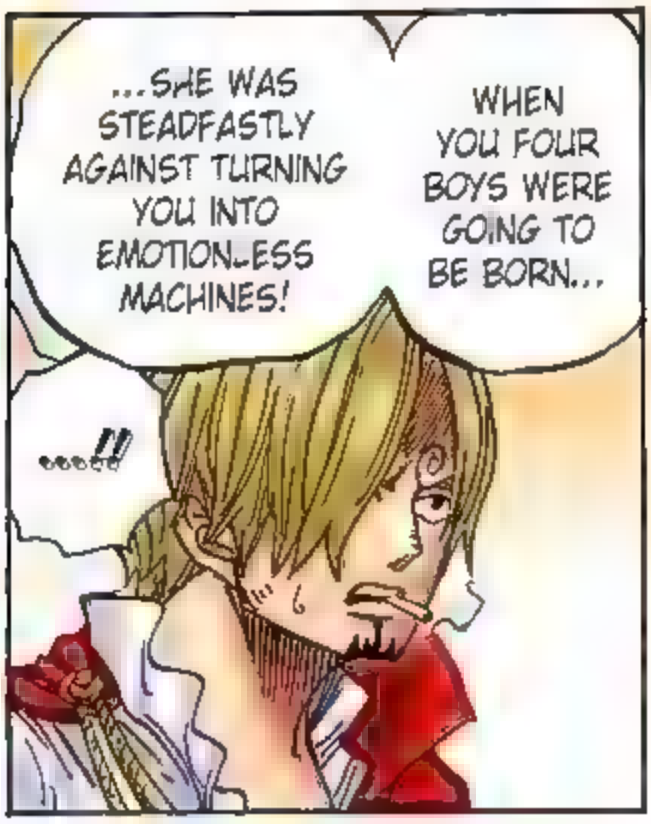
...
WHAT ARE YOU TALKING ABOUT, REIJU?! THEY'LL KILL YOU TOO!!
...AND LET BIG MOM'S PLAN BE CARRIED OUT...
I'LL JUST PRETEND I HAVE NO IDEA WHAT'S GOING ON...
?!!



...!!
I DO ONE TINY FAVOR FOR YOU, AND YOU IMAGINE YOU OWE ME SOME GREAT DEBT OVER THE YEARS. WELL, STOP THAT.
THIS IS THE PROBLEM WITH LASTING IMPRESSIONS ...
REALLY? YOU'RE WORRIED ABOUT ME?

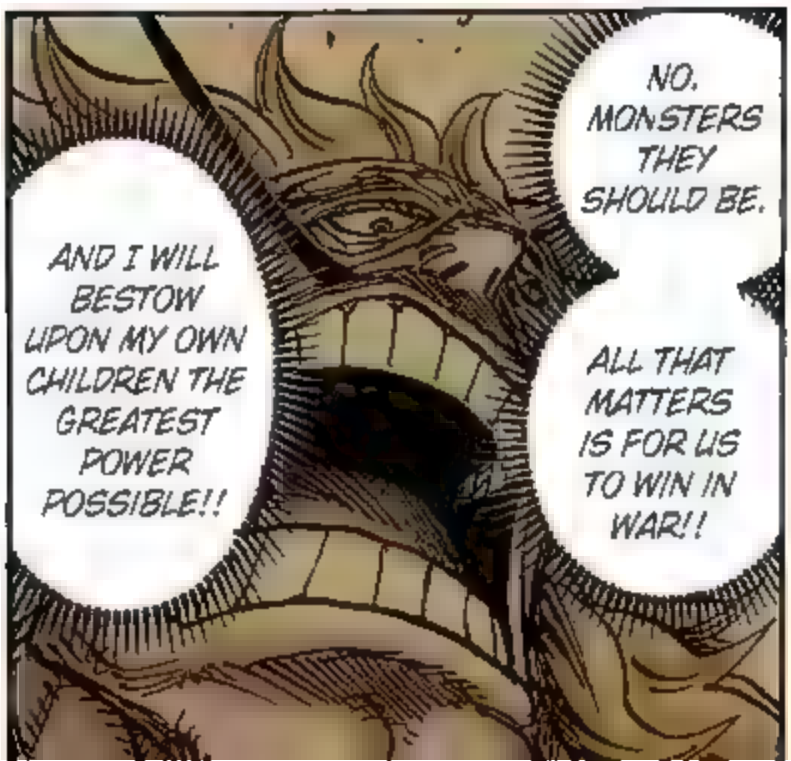
YOU CAN WORRY ABOUT THAT ONCE YOU'RE SAFELY AWAY FROM HERE.
BUT...THEN WHAT WILL BECOME OF THE BARATIE?!
STAY, AND ALL OF YOU WILL DIE.

...AND GET AWAY FROM THIS PLACE, SANJI.
JOIN THE STRAW HATS...
WHAT ?!

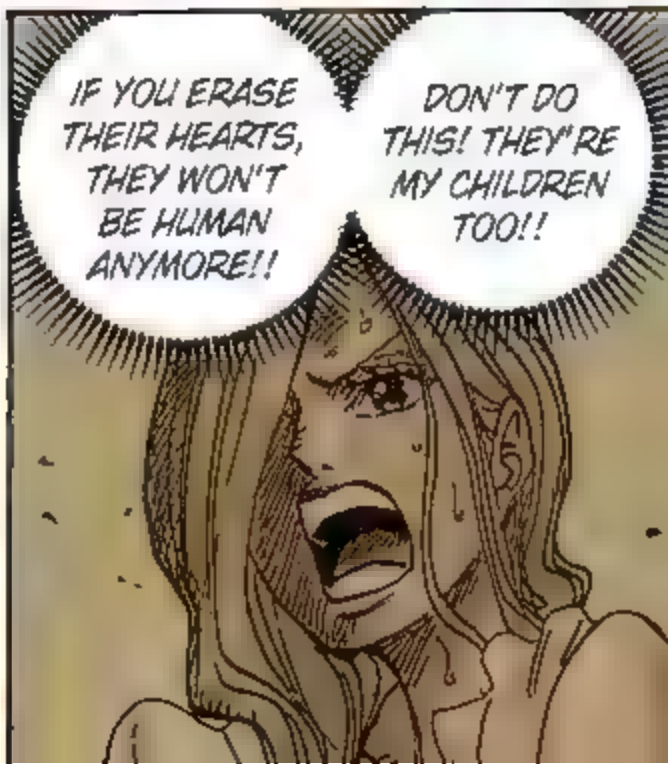


...SHE WAS STEADFASTLY AGAINST TURNING YOU INTO EMOTIONLESS MACHINES!
WHEN YOU FOUR BOYS WERE GOING TO BE BORN...
...!!

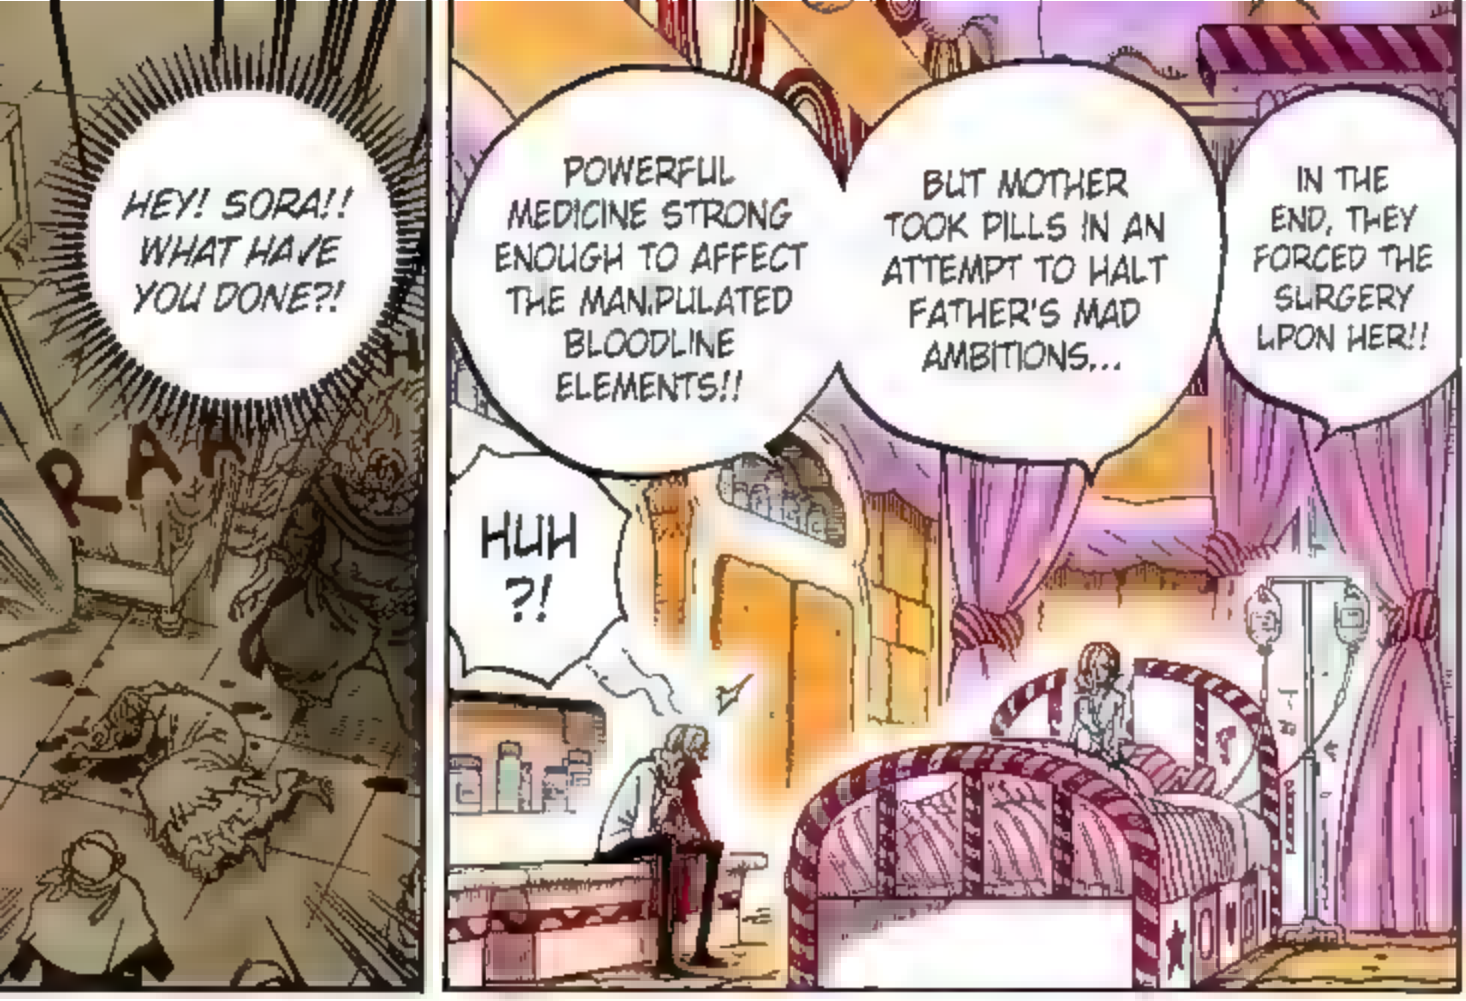
I ONLY UNDERSTOOD WHAT IT MEANT MUCH LATER.
A HUGE FIGHT BETWEEN FATHER AND MOTHER.
THERE'S A MEMORY IN MY HEAD THAT I WILL NEVER FORGET...
?!



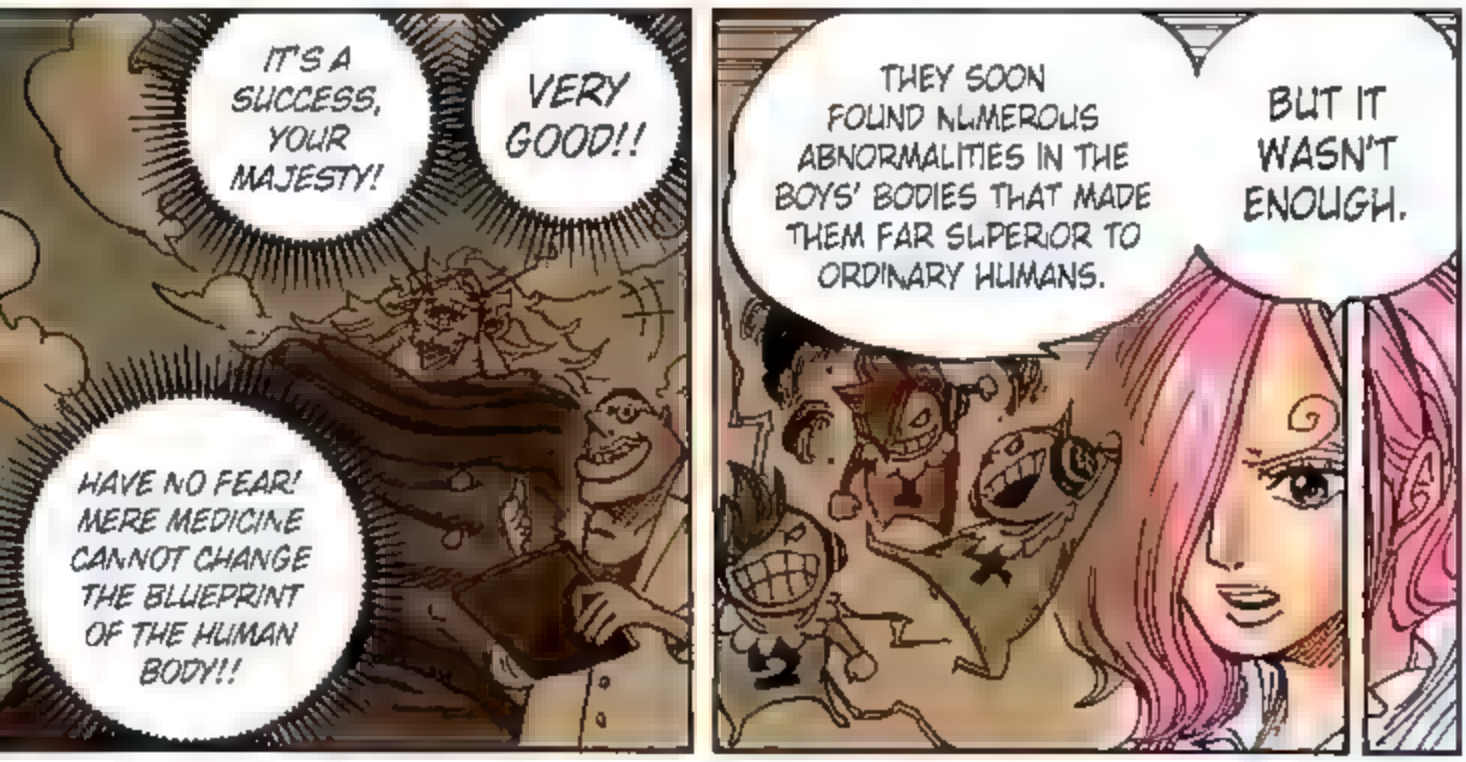
NO. MONSTERS THEY SHOULD BE.
AND I WILL BESTOW UPON MY OWN CHILDREN THE GREATEST POWER POSSIBLE!!
ALL THAT MATTERS IS FOR US TO WIN IN WAR!!



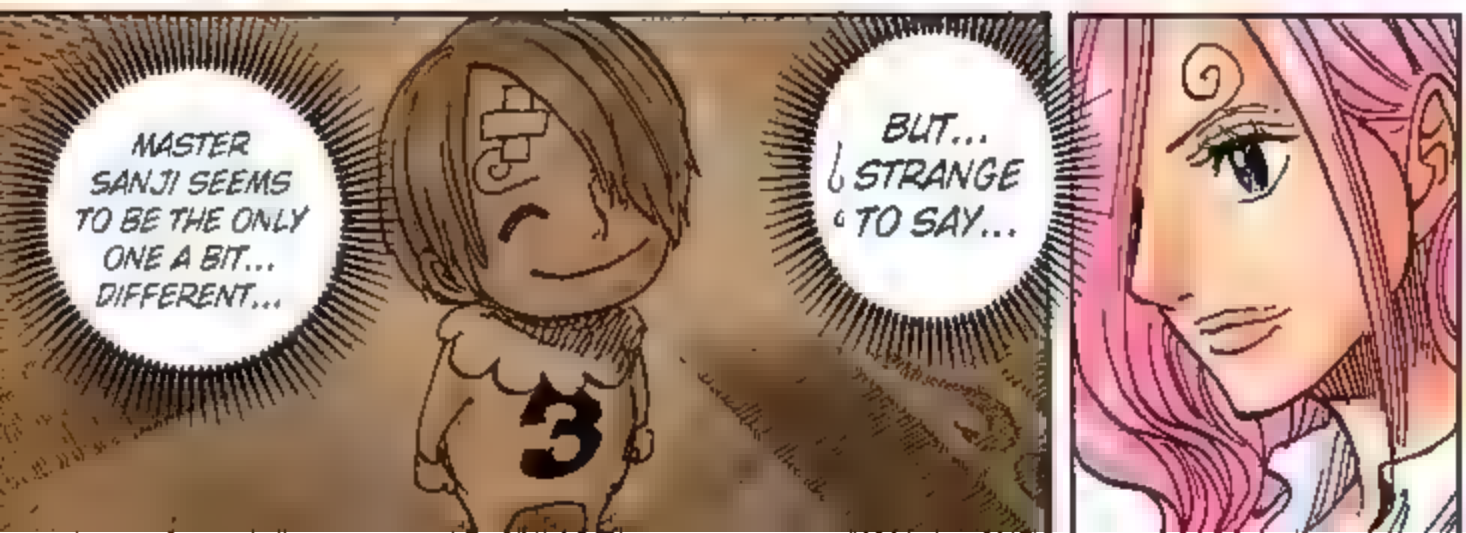
IF YOU ERASE THEIR HEARTS, THEY WON'T BE HUMAN ANYMORE!!
DON'T DO THIS! THEY'RE MY CHILDREN TOO!!



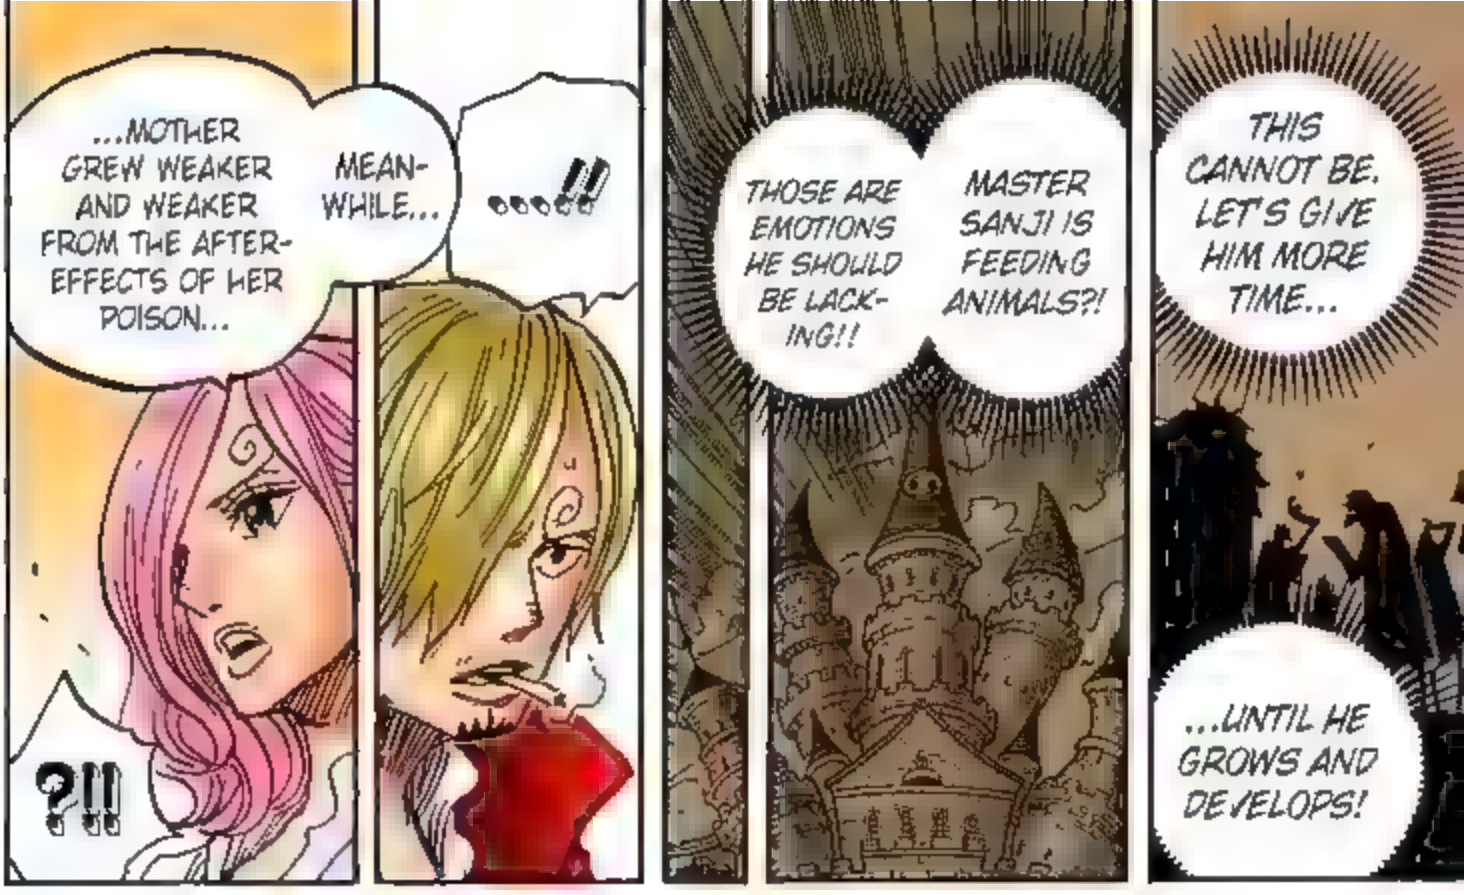
HEY! SORA!! WHAT HAVE YOU DONE?!
RAH
POWERFUL MEDICINE STRONG ENOUGH TO AFFECT THE MANIPULATED BLOODLINE ELEMENTS!!
BUT MOTHER TOOK PILLS IN AN ATTEMPT TO HALT FATHER'S MAD AMBITIONS...
IN THE END, THEY FORCED THE SURGERY UPON HER!!
HUH ?!



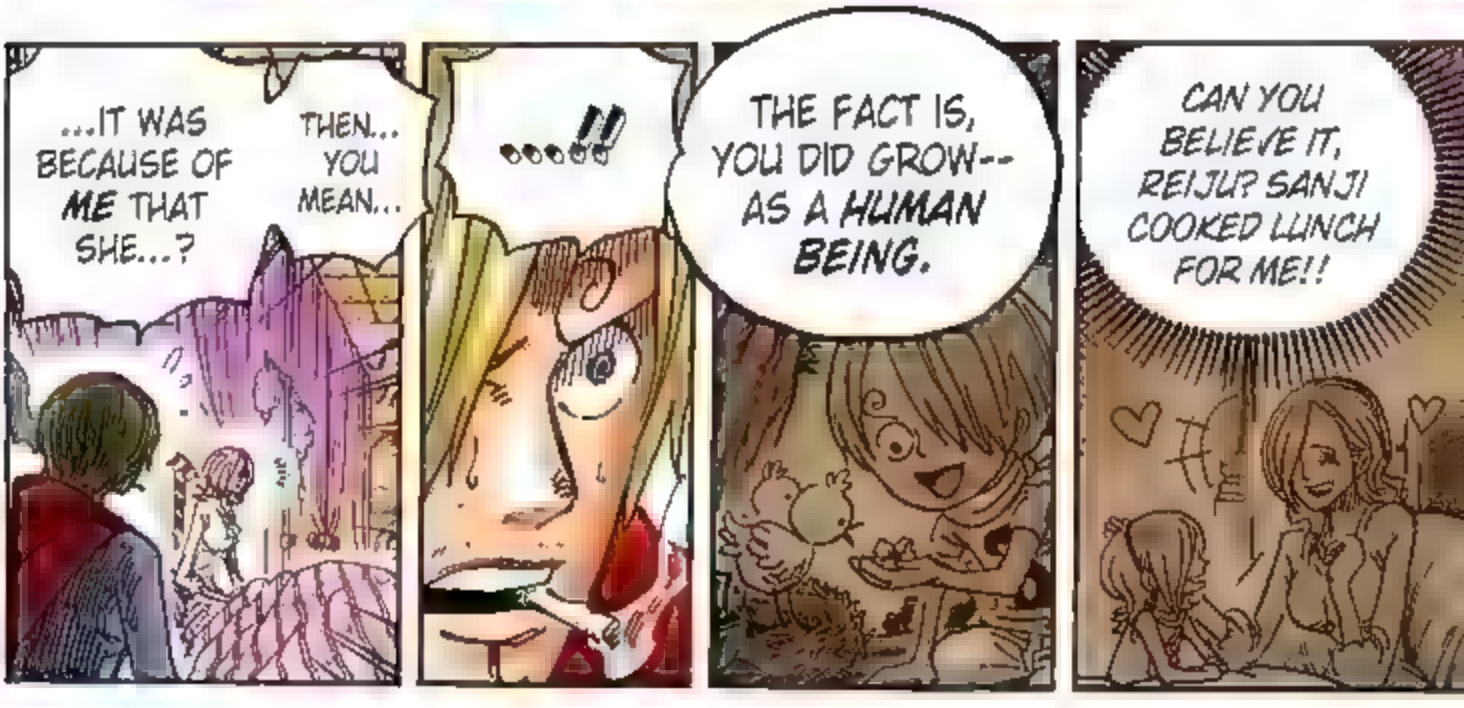
IT'S A SUCCESS, YOUR MAJESTY!
VERY GOOD!!
HAVE NO FEAR! MERE MEDICINE CANNOT CHANGE THE BLUEPRINT OF THE HUMAN BODY!!
THEY SOON FOUND NUMEROUS ABNORMALITIES IN THE BOYS' BODIES THAT MADE THEM FAR SUPERIOR TO ORDINARY HUMANS.
BUT IT WASN'T ENOUGH.



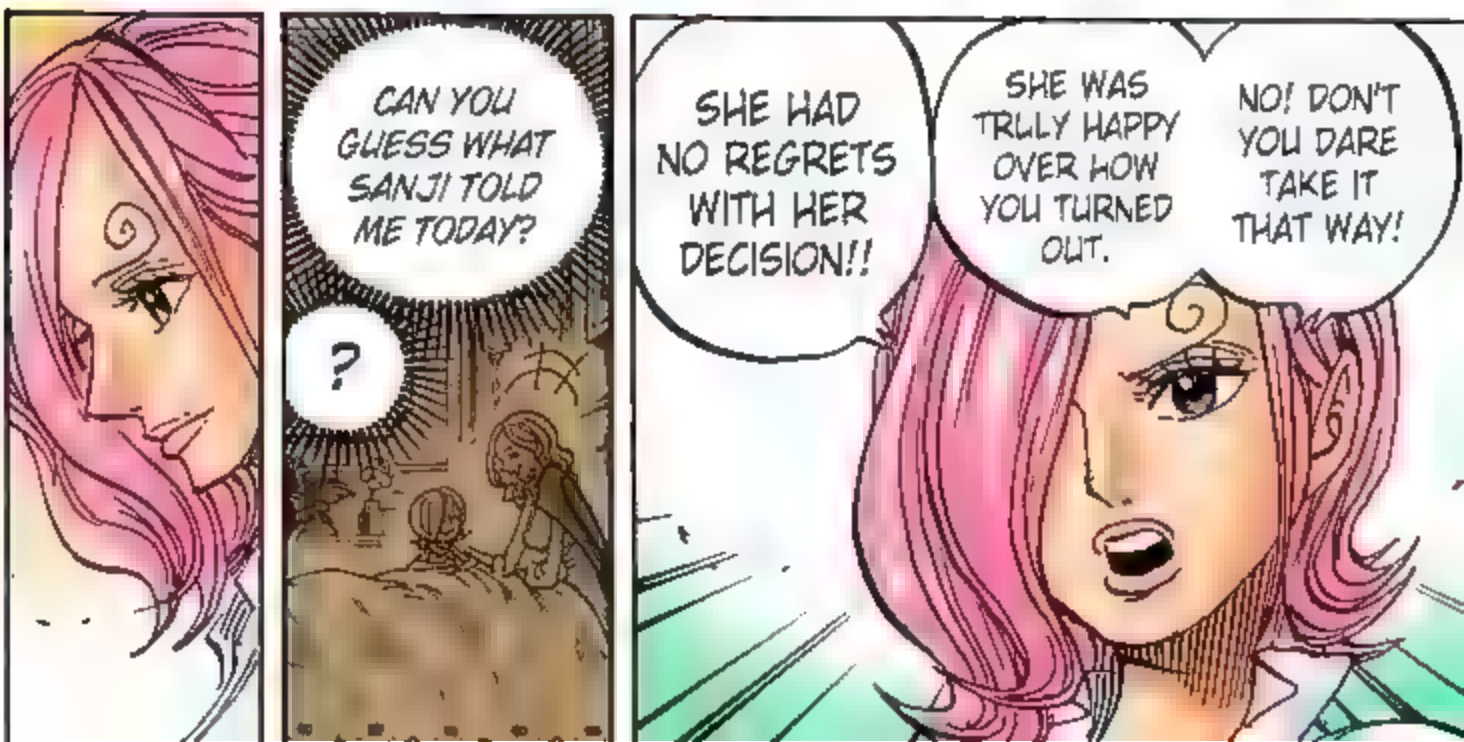
MASTER SANJI SEEMS TO BE THE ONLY ONE A BIT... DIFFERENT...
BUT... STRANGE TO SAY...



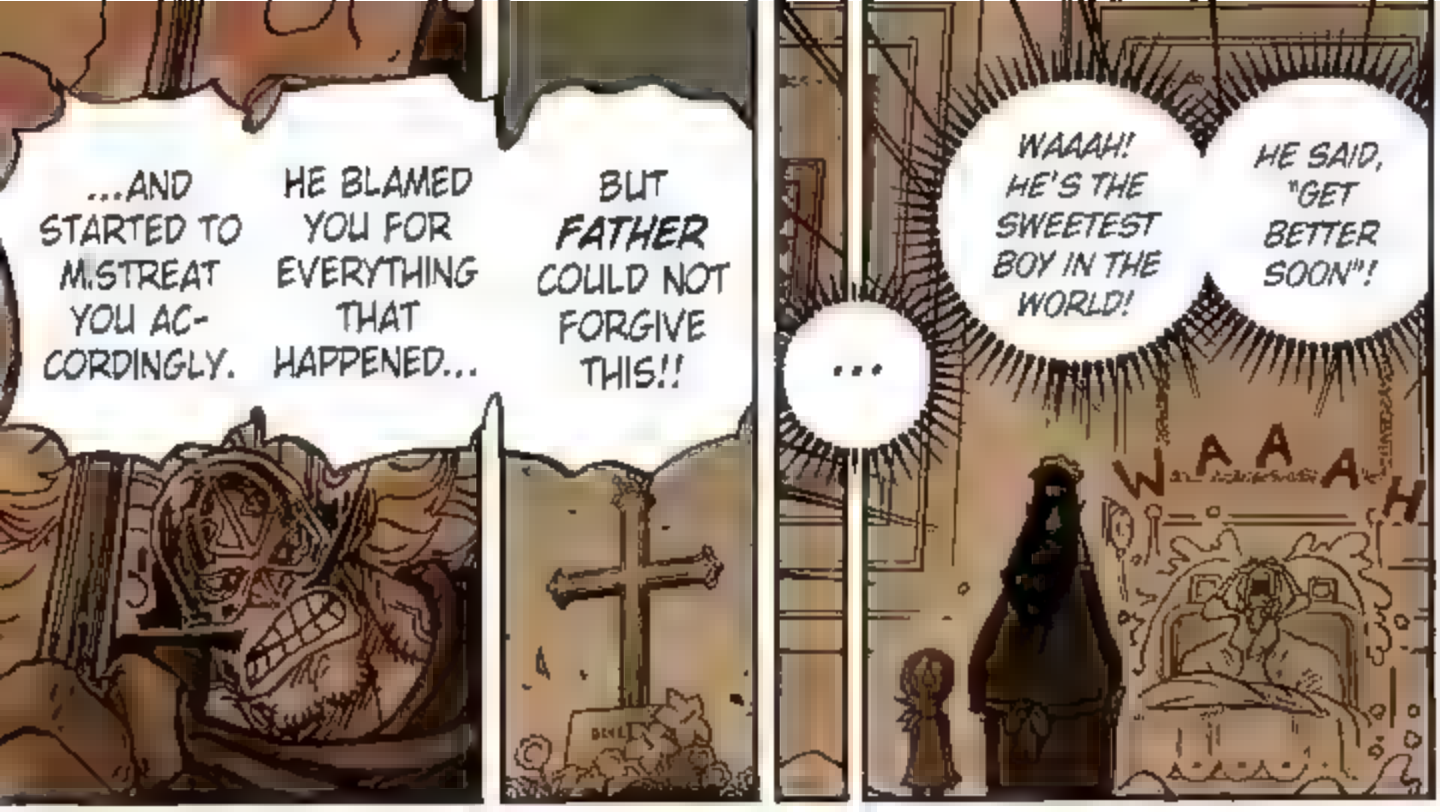
...MOTHER GREW WEAKER AND WEAKER FROM THE AFTER-EFFECTS OF HER POISON...
MEAN-WHILE...
...!!
?!!
THOSE ARE EMOTIONS HE SHOULD BE LACK-ING!!
MASTER SANJI IS FEEDING ANIMALS?!
THIS CANNOT BE. LET'S GIVE HIM MORE TIME...
...UNTIL HE GROWS AND DEVELOPS!



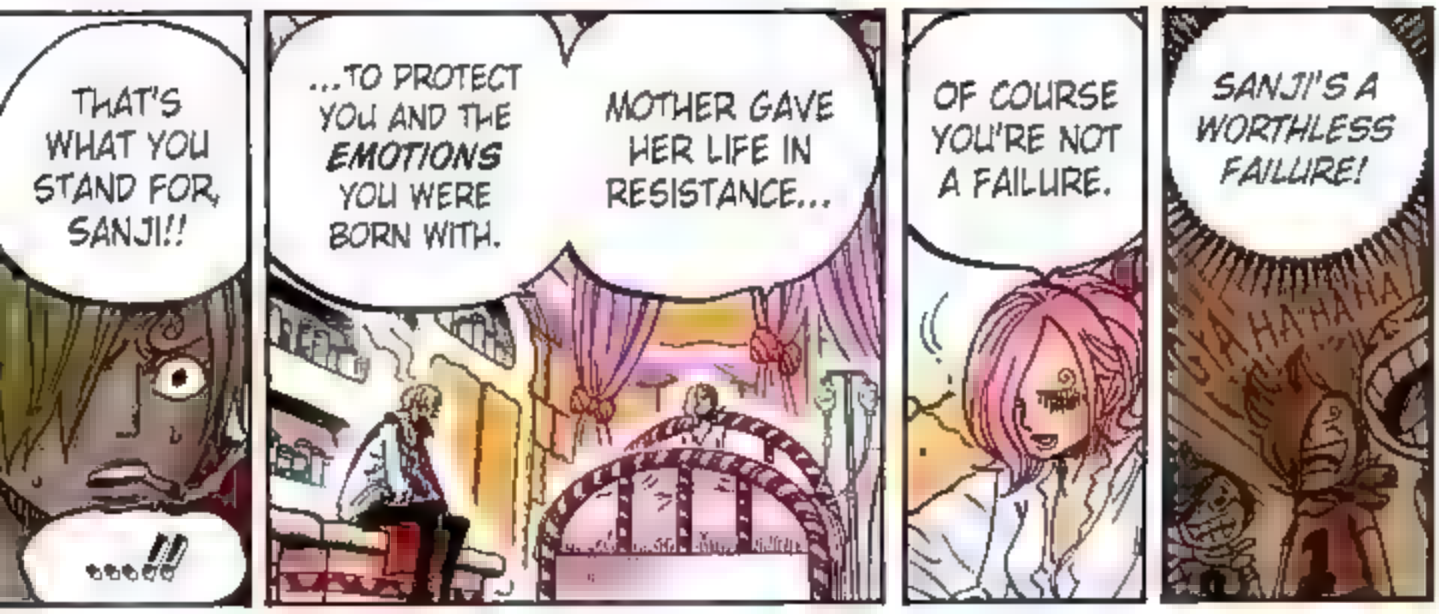
...IT WAS BECAUSE OF ME THAT SHE...?
THEN... YOU MEAN...
...!!
THE FACT IS, YOU DID GROW-- AS A HUMAN BEING.
CAN YOU BELIEVE IT, REIJU? SANJI COOKED LUNCH FOR ME!!



CAN YOU GUESS WHAT SANJI TOLD ME TODAY?
?
SHE HAD NO REGRETS WITH HER DECISION!!
SHE WAS TRULY HAPPY OVER HOW YOU TURNED OUT.
NO! DON'T YOU DARE TAKE IT THAT WAY!

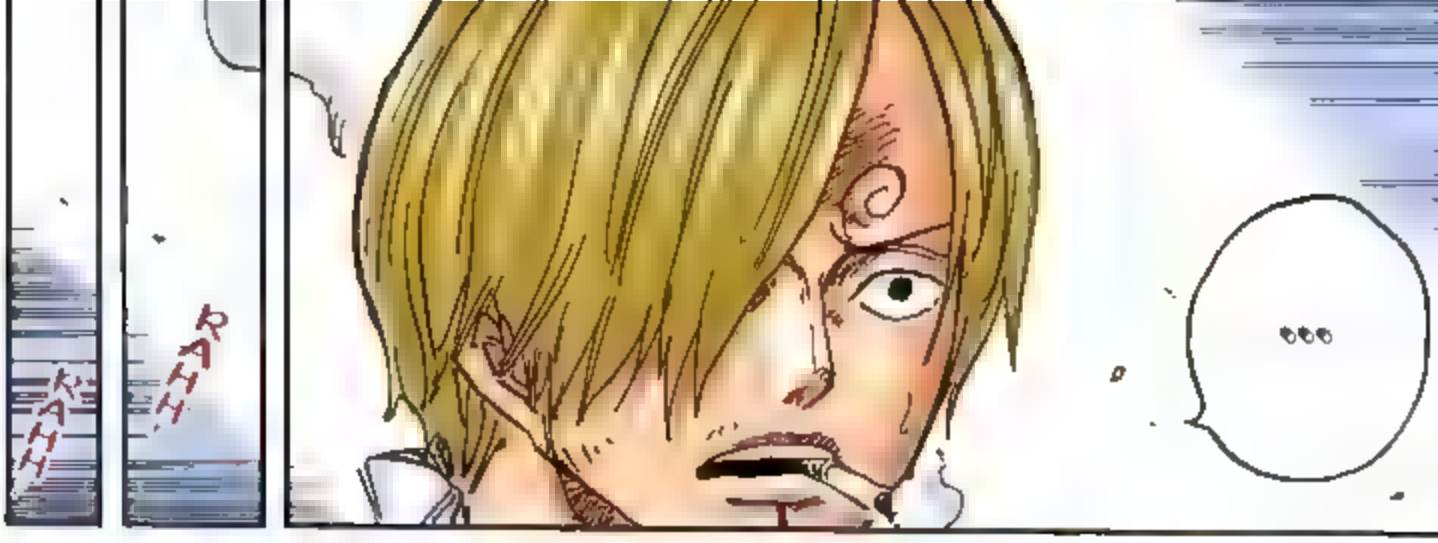


...AND STARTED TO M.STREAT YOU ACCORDINGLY.
HE BLAMED YOU FOR EVERYTHING THAT HAPPENED...
BUT FATHER COULD NOT FORGIVE THIS!!
...
WAAAH! HE'S THE SWEETEST BOY IN THE WORLD!
HE SAID, "GET BETTER SOON"!
WAAAH

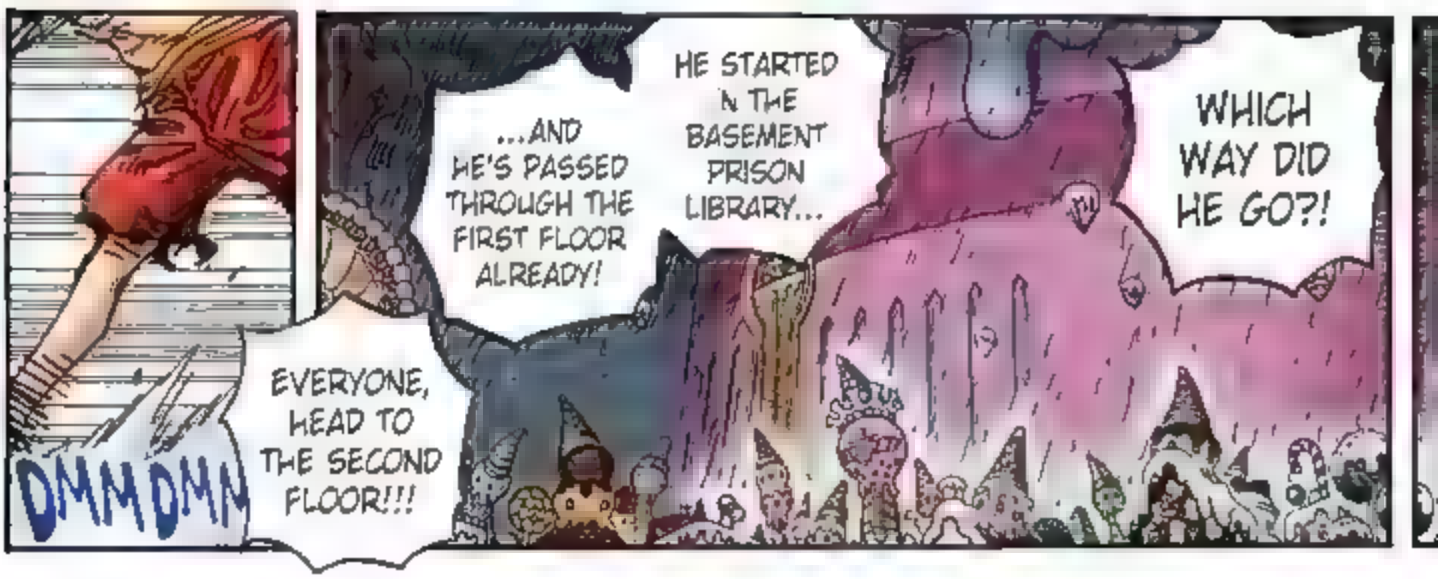


THAT'S WHAT YOU STAND FOR, SANJI!!
...!!
...TO PROTECT YOU AND THE EMOTIONS YOU WERE BORN WITH.
MOTHER GAVE HER LIFE IN RESISTANCE...
OF COURSE YOU'RE NOT A FAILURE.
SANJI'S A WORTHLESS FAILURE!
HAHAHA

...KINDER AND GENTLER THAN ANYONE!!!
IT'S WHY YOU WERE BORN...



RAH
RAH
...



DMM DMM
EVERYONE, HEAD TO THE SECOND FLOOR!!!
...AND HE'S PASSED THROUGH THE FIRST FLOOR ALREADY!
HE STARTED IN THE BASEMENT PRISON LIBRARY...
WHICH WAY DID HE GO?!

WHERE IS SANJI?!!

GRAG!!
TELL ME, DAMMIT !!!
HURRGH !!

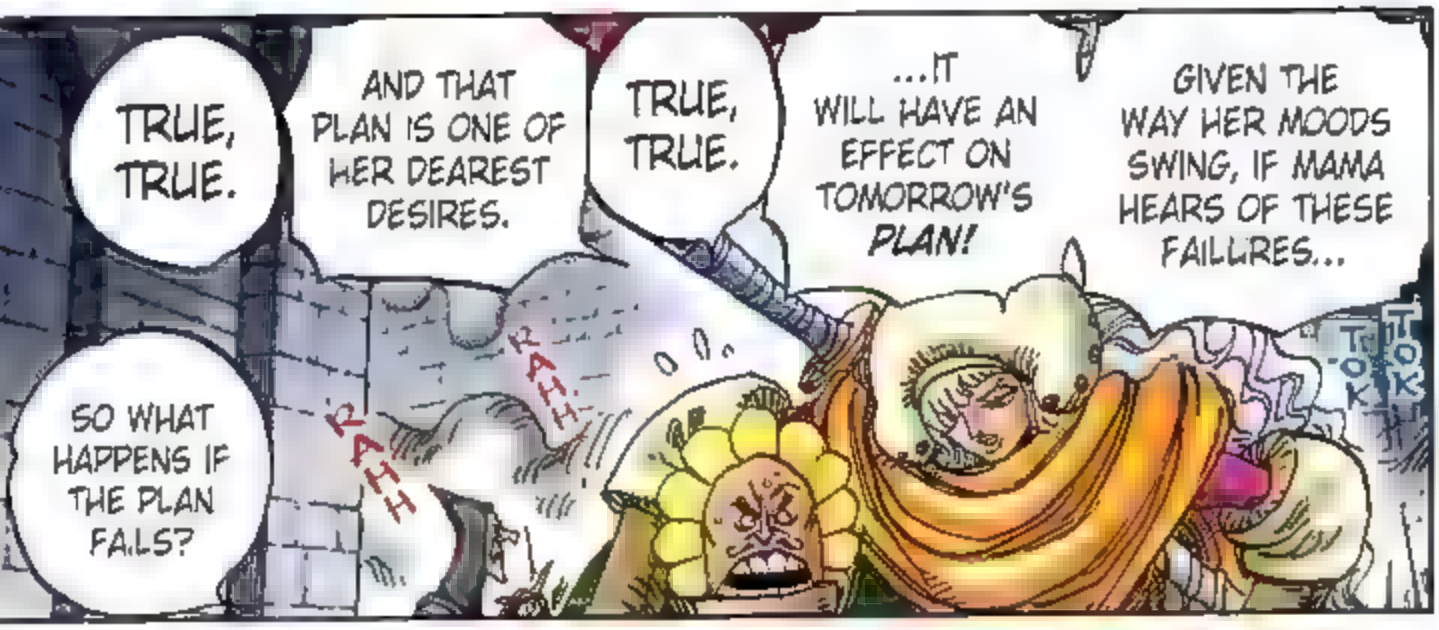
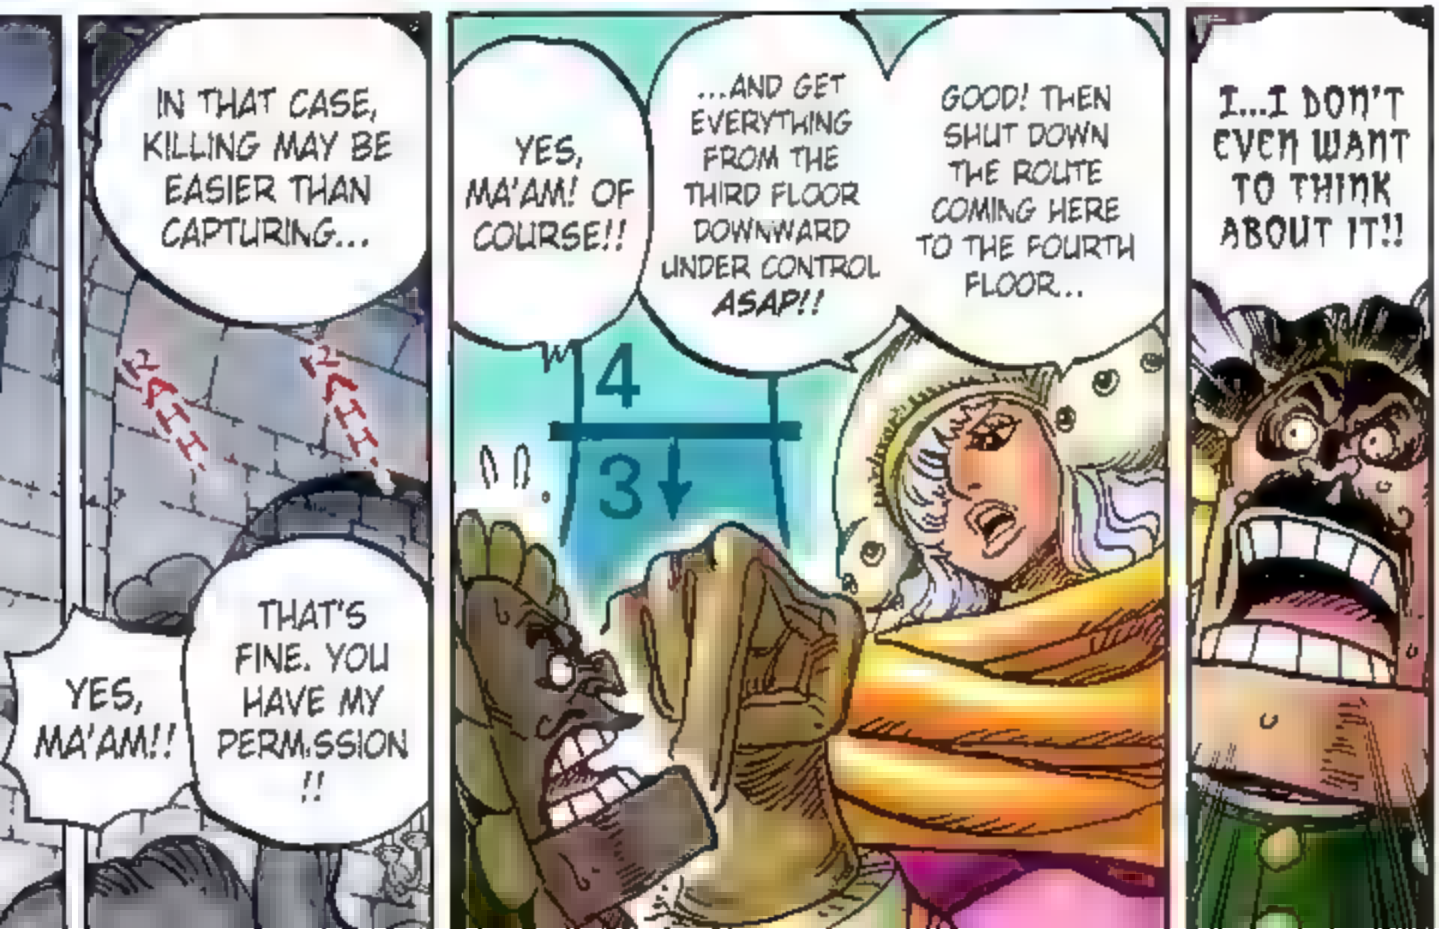
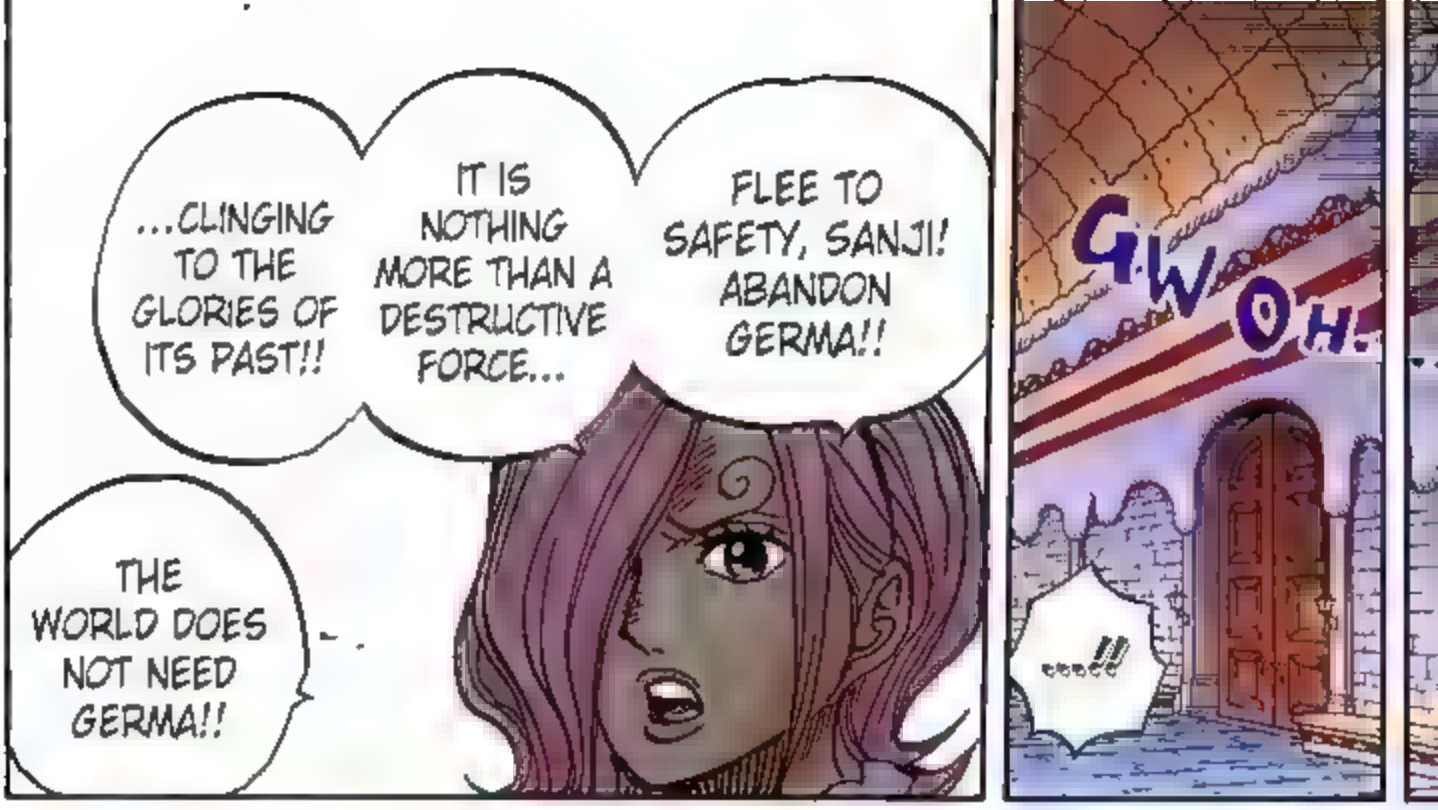
HE'S NOT REBELLING, IS HE?!
WELL...IT SEEMS JINBE IS INSIDE THE CASTLE...
WHAT? MORE PROBLEMS ?!
OUTSIDE THE TREASURE REPOSITORY DOOR
Z-ZUM..
KABOOM



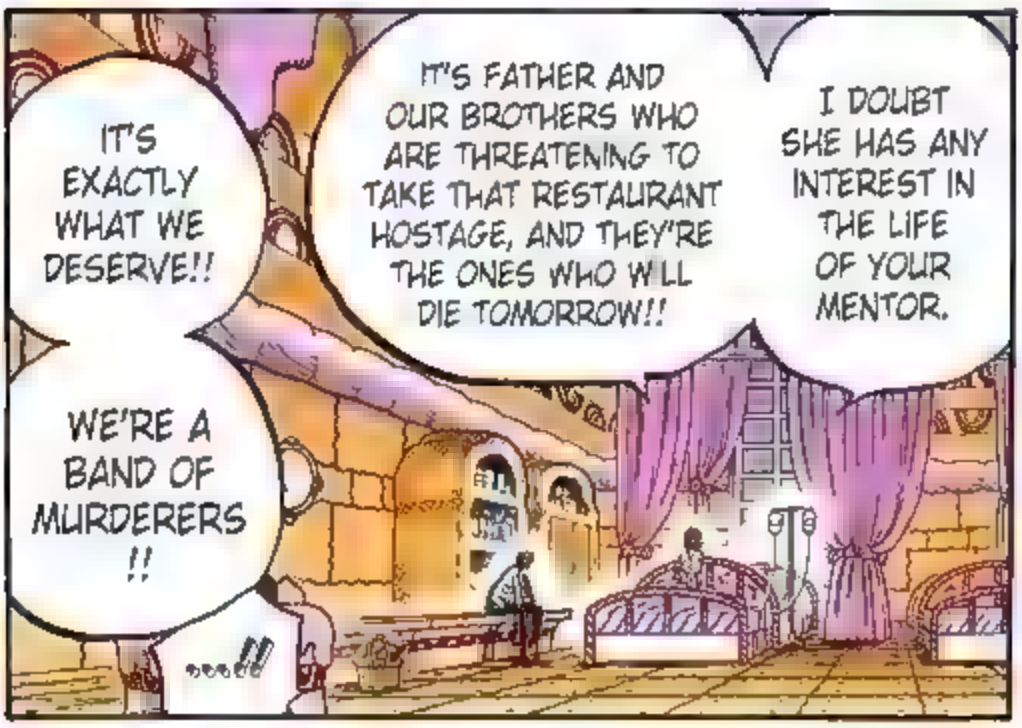
TRUE, TRUE.
AND THAT PLAN IS ONE OF HER DEAREST DESIRES.
TRUE, TRUE.
...IT WILL HAVE AN EFFECT ON TOMORROW'S PLAN!
GIVEN THE WAY HER MOODS SWING, IF MAMA HEARS OF THESE FAILURES...
SO WHAT HAPPENS IF THE PLAN FAILS?
RATH
TOK



IN THAT CASE, KILLING MAY BE EASIER THAN CAPTURING...
RATH
YES, MA'AM!!
THAT'S FINE. YOU HAVE MY PERMISSION !!
YES, MA'AM! OF COURSE!!
...AND GET EVERYTHING FROM THE THIRD FLOOR DOWNWARD UNDER CONTROL ASAP!!
GOOD! THEN SHUT DOWN THE ROUTE COMING HERE TO THE FOURTH FLOOR..
4
3
I...I DON'T EVEN WANT TO THINK ABOUT IT!!



...CLINGING TO THE GLORIES OF ITS PAST!!
IT IS NOTHING MORE THAN A DESTRUCTIVE FORCE...
FLEE TO SAFETY, SANJI! ABANDON GERMA!!
THE WORLD DOES NOT NEED GERMA!!
GWOH.
...!!

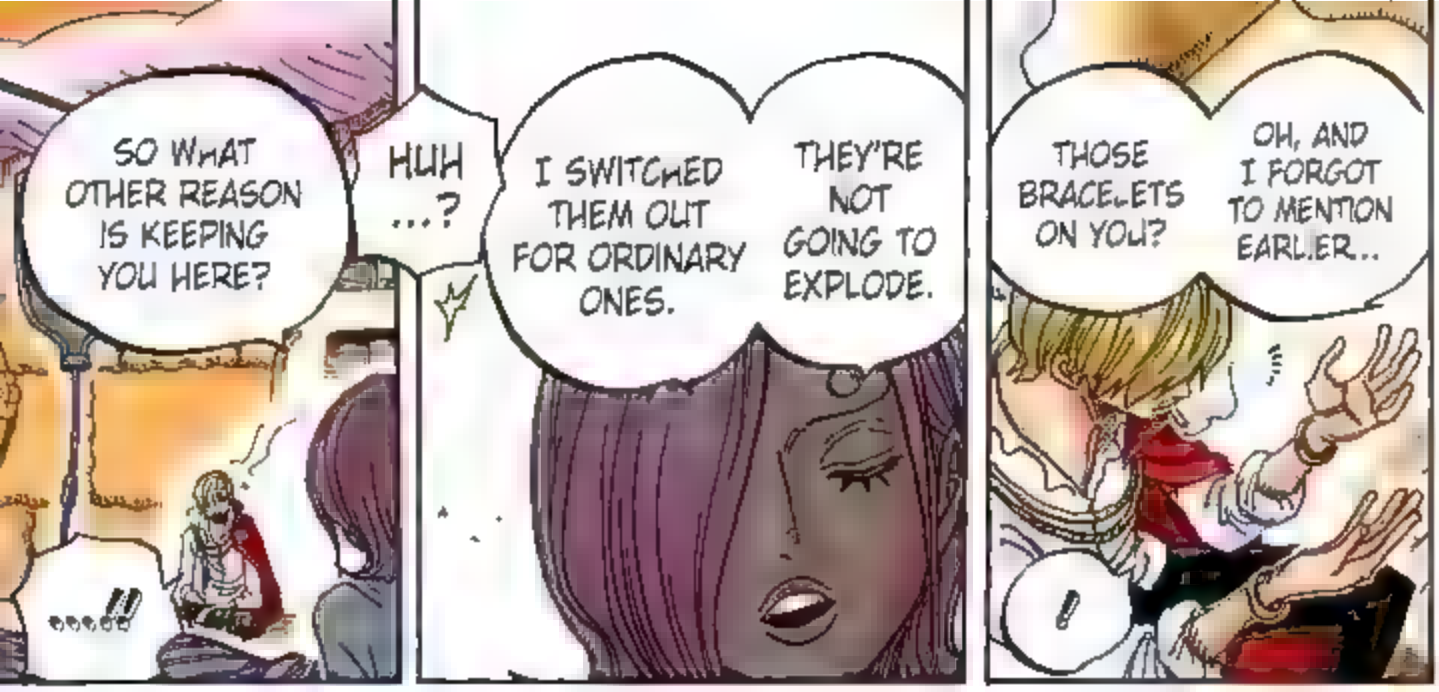


IT'S EXACTLY WHAT WE DESERVE!!
IT'S FATHER AND OUR BROTHERS WHO ARE THREATENING TO TAKE THAT RESTAURANT HOSTAGE, AND THEY'RE THE ONES WHO WILL DIE TOMORROW!!
I DOUBT SHE HAS ANY INTEREST IN THE LIFE OF YOUR MENTOR.
WE'RE A BAND OF MURDERERS !!
...!!

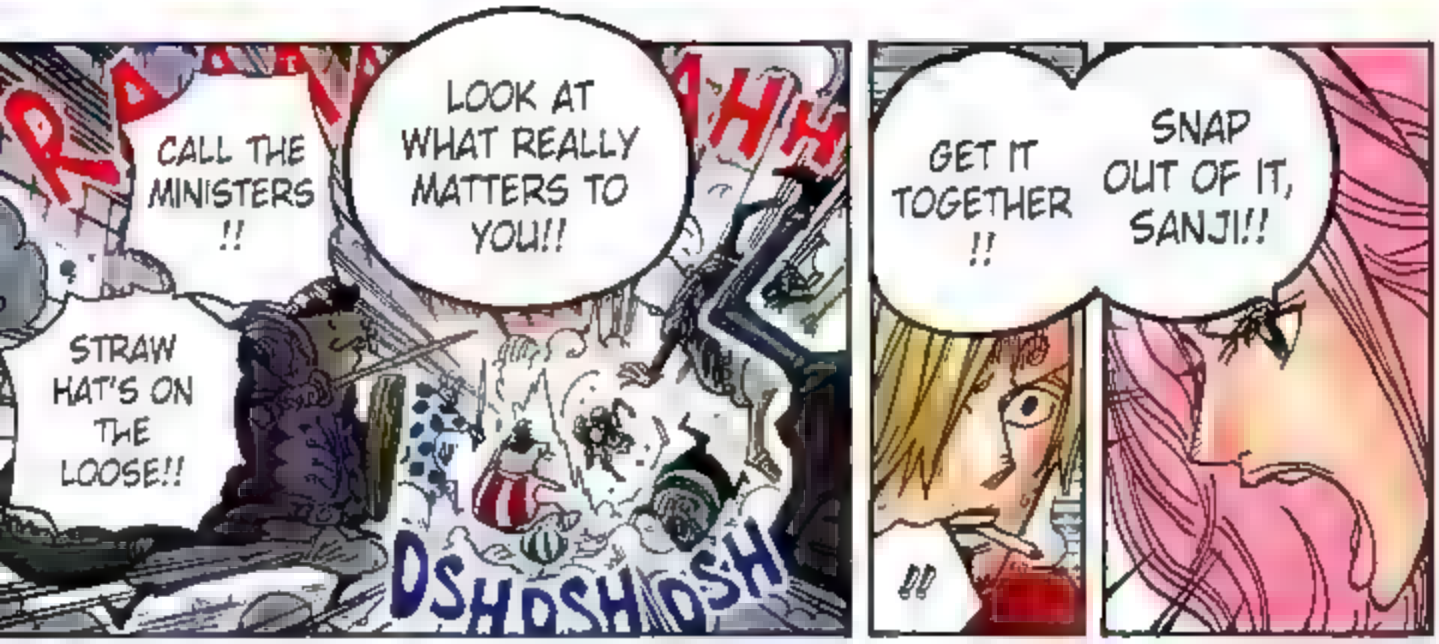
ALL BIG MOM WANTS IS OUR SCIENTIFIC POWER.
...

...BUT FATHER HAD ME AUGMENTED INTO AN ACCOMPLICE WHO CANNOT D SOBEY HIS ORDERS.
I STILL HAVE MY EMOTIONS...
MY HANDS ARE STA NED WITH BLOOD... I DESERVE DEATH.

I HAVE NOTHING BUT HATRED FOR THEM...
DON'T GET ME WRONG...
BUT WHY YOU? WHY DO YOU HAVE TO DIE?!



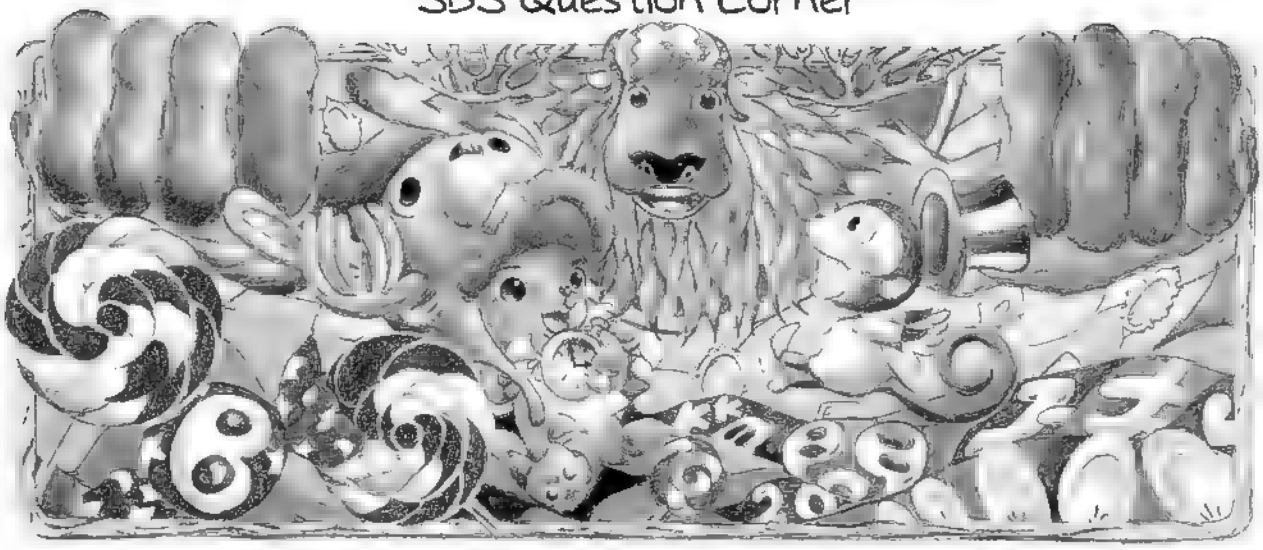
SO WHAT OTHER REASON IS KEEPING YOU HERE?
HUH ...?
I SWITCHED THEM OUT FOR ORDINARY ONES.
THEY'RE NOT GOING TO EXPLODE.
THOSE BRACELETS ON YOU?
OH, AND I FORGOT TO MENTION EARLIER..



CALL THE MINISTERS !!
LOOK AT WHAT REALLY MATTERS TO YOU!!
STRAW HAT'S ON THE LOOSE!!
DSHDSHDSH
GET IT TOGETHER !!
SNAP OUT OF IT, SANJI!!

OUTTA THE WAY!!!
DOKI
...AND YOU'RE NEVER GOING TO MEET PEOPLE LIKE THEM AGAIN!!!
YOU HAVE THOSE WONDERFUL FRIENDS...

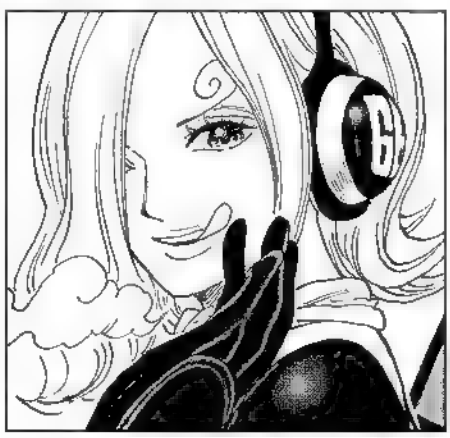
SBS Question Corner



(Takahisa Fujimoto, Nara)

Q: Why doesn't Sanji get heart-eyes with Reiju? Could he maintain his reason even if he saw her naked?

--Match & Takeshi



A: Isn't that how siblings go? (laughs) I have an older sister, and all we ever did was scream and fight, so maybe my experience has me biased. I know this is Sanji we're talking about, but wouldn't it be creepy if he was perving out about his own sister?

Q: Mr. Oda! Here's a question I've been wondering about for ages. If the Straw Hat Crew ran a 50-meter dash, who would come in first?

--Nagatanigawa

A: Ooh, tough question! After all, the weak-willed members are pretty quick to escape. And Franky's Coup de Boo doesn't count.

Brook is so light! And Chopper can go faster thanks to Walk Point. Zolo has the power burst necessary to speed over short distances, but at 50 meters, I'd be concerned with him straying off the course. Franky would probably be last because he's so heavy.

Q: Big Mom is a woman, but in Japanese, she uses a masculine pronoun. Why is this?

--Youth Age 12

A: Even today, there are regions of the country where women still use the pronoun "ore" when referring to themselves. In the past, it was once used equally by both men and women, so I didn't really think it was that unusual of an idea. But if that's weird to you, I'm surprised that I didn't get more questions about the pronoun that I completely invented for Ivankov.

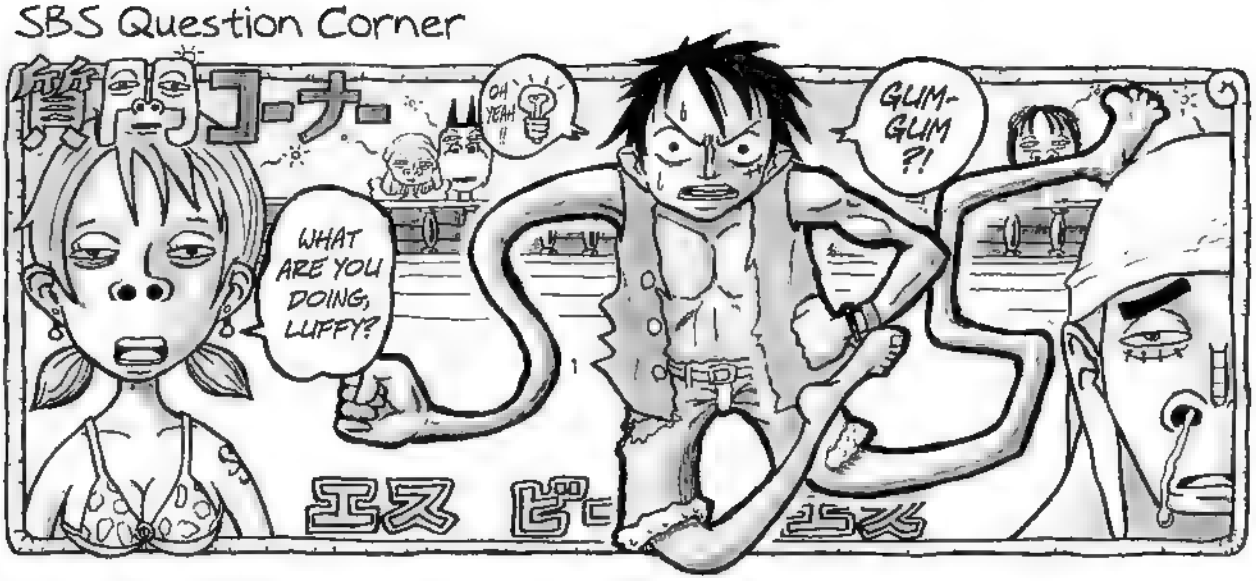
SBS Question Corner



(Igarashi, Oita)

Q: I have a question. How does someone get to be an editor at *Shonen Jump?* Do the editors all graduate from elite colleges?

--Koichiro

A: I can feel your sincerity about this, Koichiro. You really want to be an editor, don't you? As a matter of fact, many editors do have higher education degrees. But they're all freaks and weirdos. The only requirement for hiring at Shueisha, the publisher of Jump, is a degree from a four-year college. You don't need to have graduated from a very famous university to take the company test. And everyone turns into a weirdo as a result of all the studying. Keep your head straight, work hard, and you can be my editor someday, Koichiro.

Q: Can I lick the syrup off of Nami's body?

--Chamoro Shimizu

A: It's you again, you pervert!! ⚡ You keep ruining the morals of this manga!! But hang on!! I feel like the handwriting on this postcard is different!! Did you always have such nice handwriting?! You better not be an imposter!! If this isn't the real Chamoro...you can go.
No, you can't!!! ⚡ Don't send me these postcards, whoever you are!!

Q: I was the leader of the Whitebeard Pirates 2nd Division before Ace was.

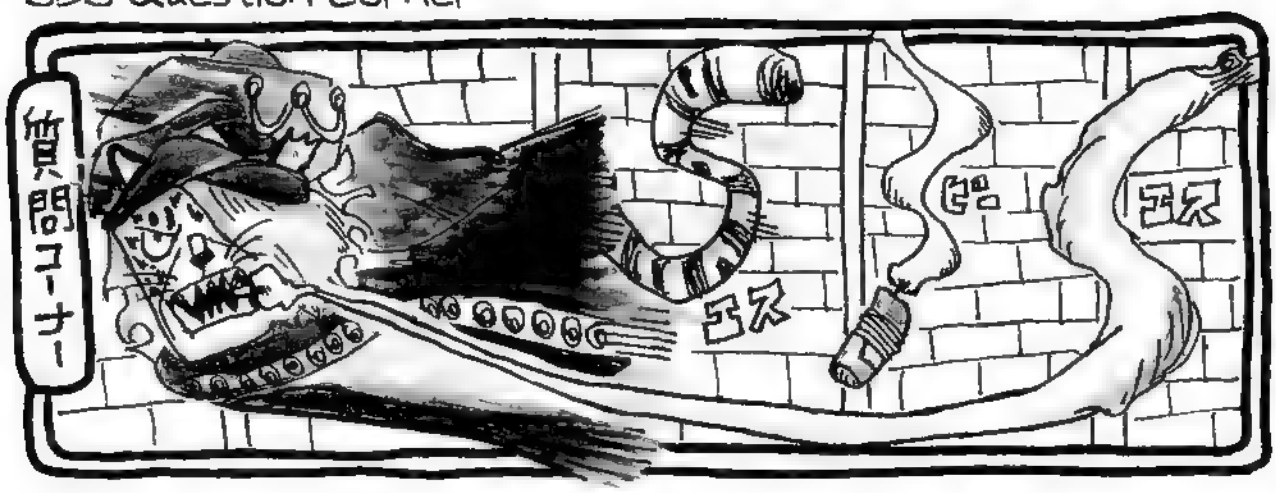
SBS Question Corner



(Hayato Asami, Kanagawa)

Q: In the "sons' cups" scene in chapter 800 (volume 80), there's a panel where everyone holds out their cups. On the sound effect bubble, there are eight } marks! But there are seven of them! So who was the last one?! Tell us!

--Mutsu 2

A: Whoa...! You noticed that?! Who does that?! It does seem weird that there are seven cups, and yet the sound effect is coming from eight directions. This is kind of like a live-TV incident. As a matter of fact, the last one belongs to some old lady who just wandered by. I'm very sorry. She's very sorry too, so I hope you can let this one slide.

Q: What is a heart full of belief?!

--Rukia, Age 12

A: It could be, for example, the strength of mind not to be led astray by the deceptive lies of adults who cannot admit their own mistakes. You have to be strong enough to say, "No old lady's just gonna be 'passing by' on a boat! That makes no sense!!"

Q: What does Doflamingo look like when he takes off his sunglasses?

--Saki & Shun

Argh, hurry up!! He's gonna carry this over to pg. 132!! Take those shades off!!

(Sasaaki, Okinawa)

A:

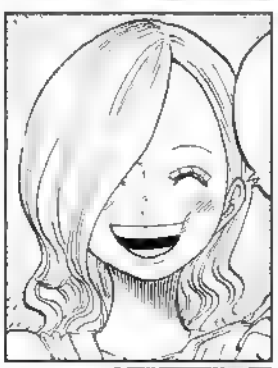
Aaaaah!! Underneath his sunglasses was another pair of sunglasses!! So what's under that pair, then?! (Return to 1 on pg. 114)

Q: Hello, Oda Sensei! My birthday is October 11. There were no characters on my birthday so far, so I came up with an idea! 10/11 could be *ichi (1) ban oo (0) kii wan-wan (1 1)*, meaning "the biggest doggy"! That could be the birthday for Duke Dogstorm, King of the Day of the Mokomo Dukedom!!

--Masaju

A: What?! You want to decide it just like that?! Okay.

Q: My birthday is July 9, but there aren't any characters that share it! So how about if Sanji's mother, Vinsmoke Sora, was born on 7/9? July for its beautiful clear "sky" (sora), and 9th for the ku sound in "Vinsmoke"!



--Space Planet Peace

A: Oof, what a stretch! ⅔ You know what? I'm not going...to turn that down!!

Q: Oda Sensei! I thought of a birthday. The most famous of all the hidden characters of *One Piece*, Pandaman, is born on February 29. (Because it's a special day that's usually hiding.)

--Kajusa

A: Oh man, that's perfect! But I can't just rubber-stamp that..unless I do! Do you share a birthday with any characters? You can check the birthday calendar on the One-piece.com website.

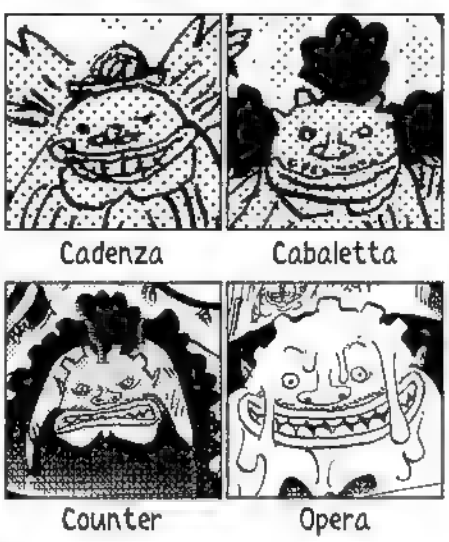
Q: Odacchi! In the SBS of volume 84, you wrote that Zolo is one of the Straw Hats who doesn't chew his ice, but in chapter 701, volume 71, isn't he chewing his ice there?

--Dobbin

A: !!! ..... Right... Yeah... It looks that way, right?! Yeah. Well... It only looks like he's eating his ice. Just an impression. But the thing is...Zolo doesn't have a mustache, soooo...I dunno, that might not be Zolo...y'know? So that's probably not him. I mean...is that Zolo? I'm not sure.

Q: In chapter 845, volume 84, I spotted three other characters who look just like Opera. Are they identical quadruplets, just like Sanji and his brothers?



--?

A: Technically, they're quintuplets, but you don't see the last one. There's Opera, fifth son of Charlotte; Counter, the sixth son; Cadenza, the seventh son; Cabaletta, the eighth son; and Gala, the ninth son. Big Mom is currently 68 years old, and for about 42 years, she had children annually. Yet she has 85 children, so there are tons of twins and triplets. The biggest batch is a decuplet bunch who are all 18 years old now--five boys and five girls!! Big Mom, indeed!!

Q: In the corner of page 58 of volume 83, is Nami wearing armor? Is that just a sign of how much she fears an Emperor of the Sea? And the way she takes it off in an instant is super impressive!!

--Kawamacho

A: Uh, that was her gear from fighting the sea ants the night before. She changed because they reached the island. And now, we're out of time! See you in the SBS next volume!!

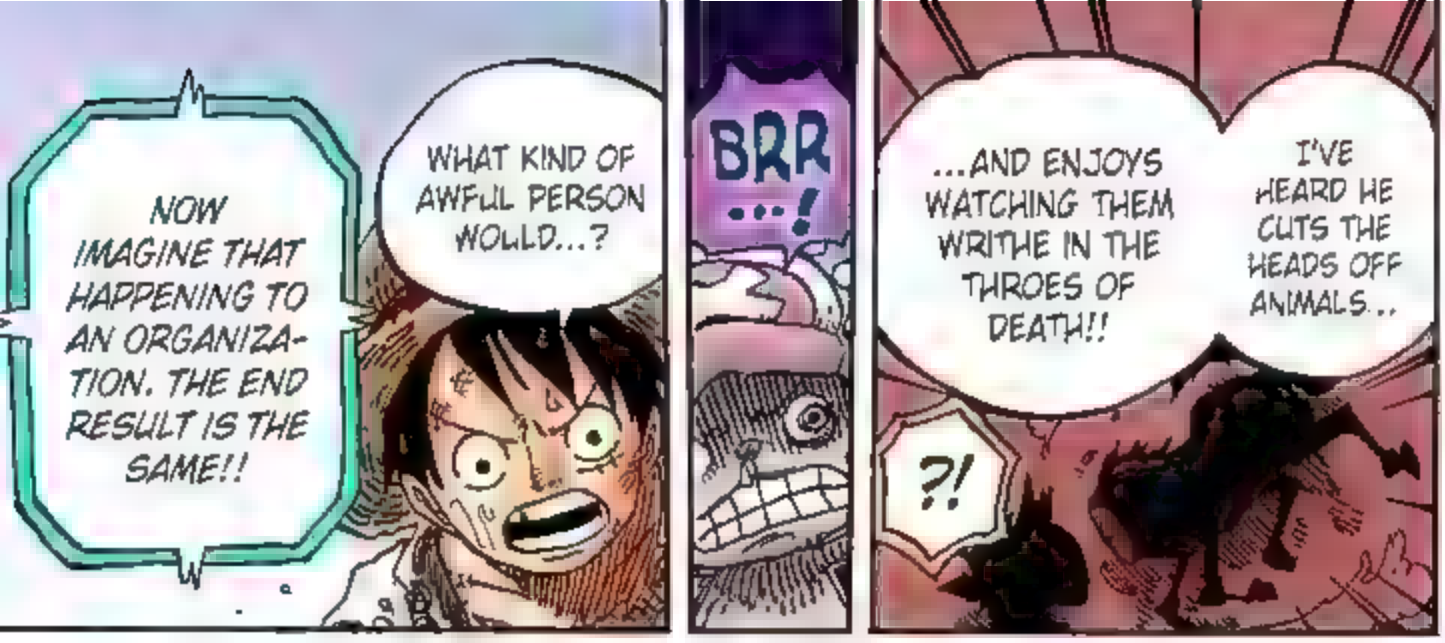
OOH, I HOPE THEY SLAUGHTER YOU!!

ARE YOU FAMILIAR WITH CAPONE "GANG" BEGE?
I'VE TOLD THE GROUP HERE, BUT YOU NEED TO HEAR IT AS WELL.
?
...
THERE'S SOMETHING ELSE WE NEED TO DISCUSS, LUFFY.
HE HAILS FROM THE WEST BLUE, WHERE FIVE POWERFUL MAFIOSI HAVE A STRANGLEHOLD ON THE CRIMINAL MARKET.
?
INDEED. HE'S CONSIDERED ONE OF THE **WORST GENERATION** ALONGSIDE YOU.
YEAH, HE'S THE GUY WHO TOOK SANJI AWAY!
...AND EARNED A REPUTATION AS A SAVAGE AND BRUTAL MUSCLEMAN.
HE RECEIVED THE "GANG" EPITHET WHEN HE WAS YOUNG...
THEY ARE KNOWN AS THE ***FIVE FAMILIES OF THE WEST***... AND ONE OF THOSE FIVE BOSSES IS BEGE!!

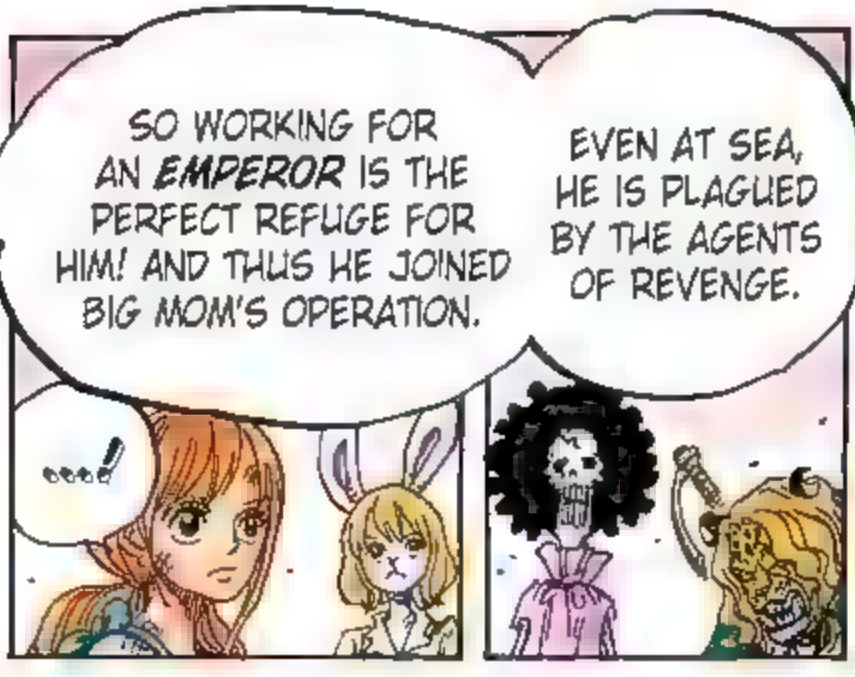


NOW IMAGINE THAT HAPPENING TO AN ORGANIZATION. THE END RESULT IS THE SAME!!
WHAT KIND OF AWFUL PERSON WOULD...?
BRR ...!
...AND ENJOYS WATCHING THEM WRITHE IN THE THROES OF DEATH!!
I'VE HEARD HE CUTS THE HEADS OFF ANIMALS...
?!

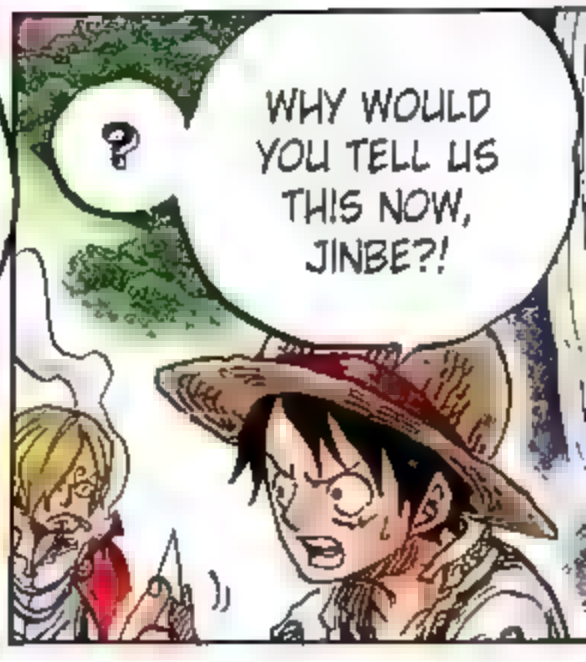
...EXCEPT THAT HE NEVER SHOWED INTEREST IN THEIR POSITION OR TERRITORY...
HE MERELY TOOK THEIR VALUABLES AND LEFT.
IN HIS DAYS AS A YOUNG GANGSTER, HE SOUGHT OUT THE LEADERS OF CRIMINAL ORGANIZATIONS...
...AND TOOK THEM ON ALONE. EVEN AS THE LEADER OF A MOB FAMILY, HE ONLY EVER TOOK DOWN HIS RIVAL LEADERS...

HE IS THE CONSTANT TARGET OF THOSE HUNGRY FOR VENGEANCE!!
BUT EVERYTHING THAT GOES AROUND COMES AROUND!
HE LOVED TO SIT BACK AND WATCH IT ALL UNFOLD, INCLUDING THE CONFUSION AND CONSTERNATION OF THEIR ALLIED SYNDICATES.
ONCE THE HEAD WAS CUT OFF, THE REMNANTS OF THE GROUPS WOULD DESCEND INTO BLOODY SQUABBLING.
A TRULY TASTELESS MAN...

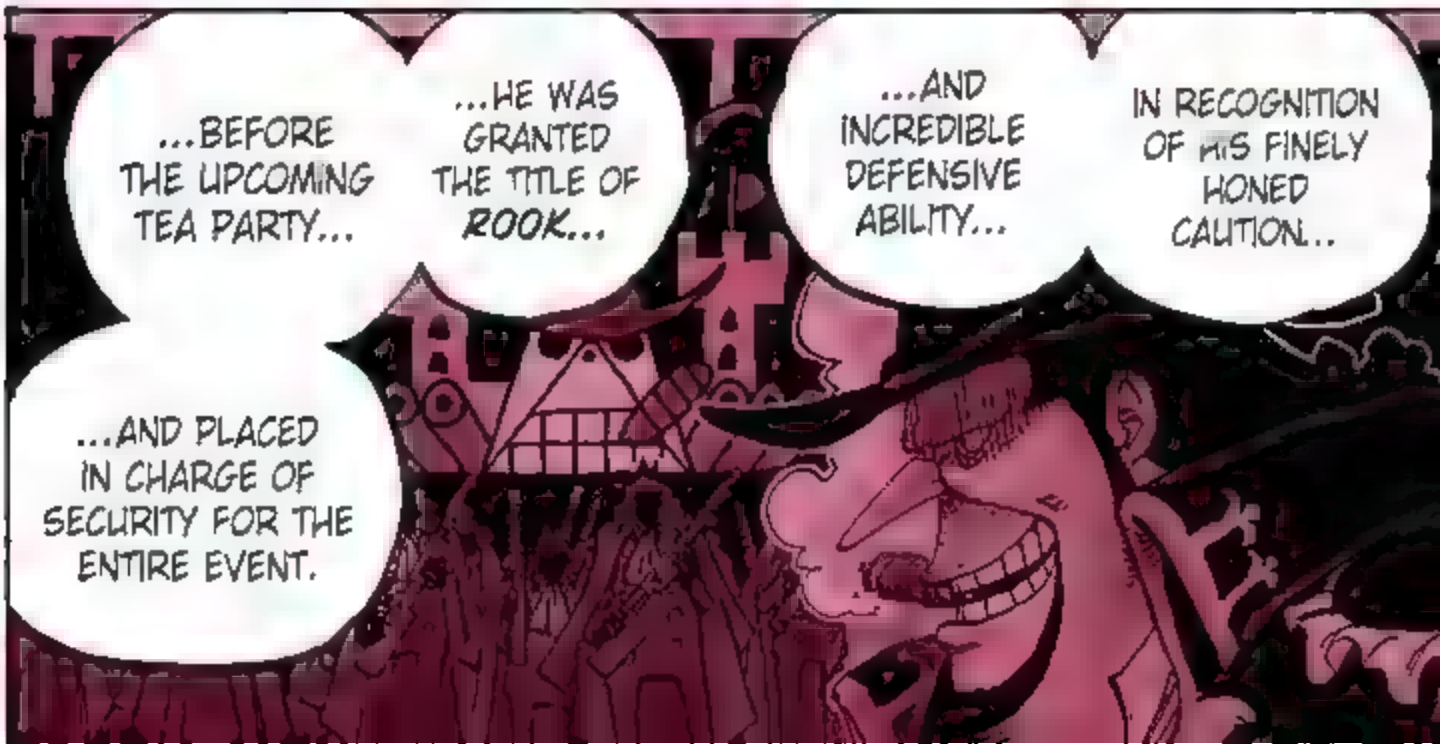
HE'S MADE HIS NAME BY TAKING OUT PIRATE CAPTAINS--AND CAPTAINS *ALONE!!*
ONCE HE WAS TIRED OF LAND, HE WENT OUT TO SEA TO REPEAT THE SAME PATTERN.
HE SETS UP BEHIND HIS IRON FORTRESS, FIGHTS THEM OFF...AND MOCKS HIS ENEMY'S FUTILITY.
BUT EVEN *THAT* IS A GAME TO BEGE.
...!!
...!!



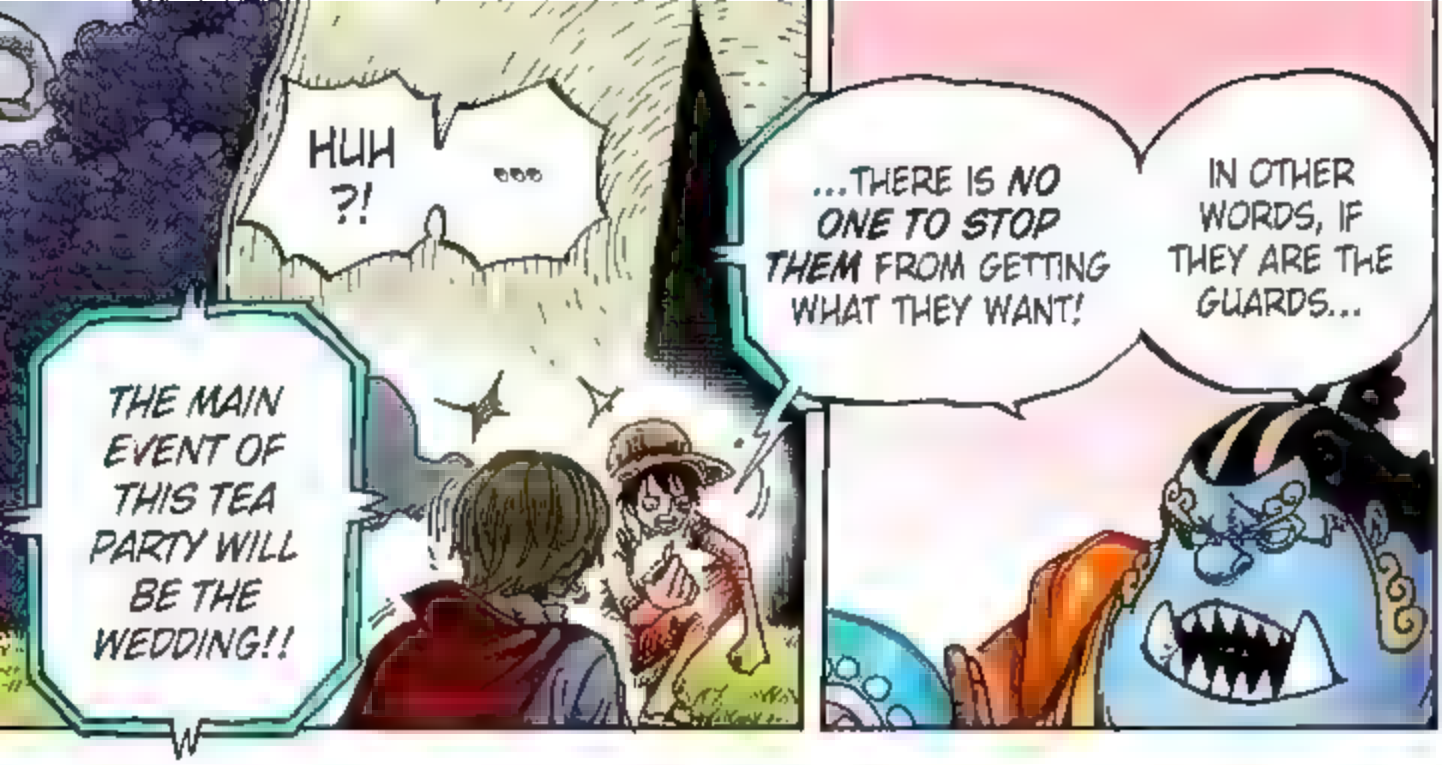
SO WORKING FOR AN *EMPEROR* IS THE PERFECT REFUGE FOR HIM! AND THUS HE JOINED BIG MOM'S OPERATION.
EVEN AT SEA, HE IS PLAGUED BY THE AGENTS OF REVENGE.
...!



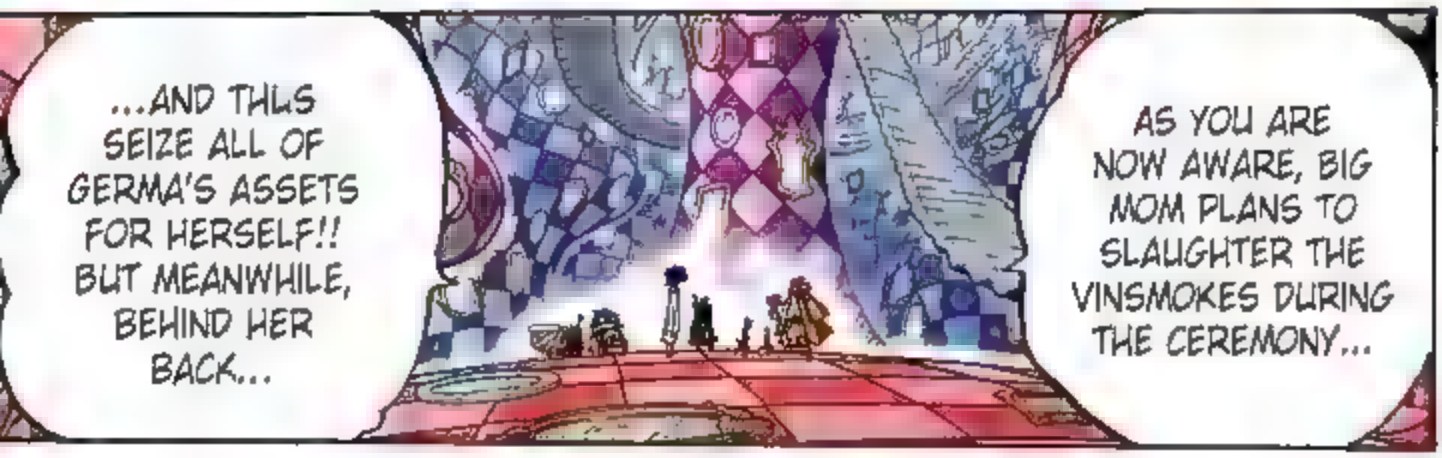
?
WHY WOULD YOU TELL US THIS NOW, JINBE?!



...BEFORE THE UPCOMING TEA PARTY...
...HE WAS GRANTED THE TITLE OF *ROOK*...
...AND INCREDIBLE DEFENSIVE ABILITY...
IN RECOGNITION OF HIS FINELY HONED CAUTION...
...AND PLACED IN CHARGE OF SECURITY FOR THE ENTIRE EVENT.



HUH ?!
...
THE MAIN EVENT OF THIS TEA PARTY WILL BE THE WEDDING!!
...THERE IS NO ONE TO STOP THEM FROM GETTING WHAT THEY WANT!
IN OTHER WORDS, IF THEY ARE THE GUARDS...



...AND THUS SEIZE ALL OF GERMA'S ASSETS FOR HERSELF!! BUT MEANWHILE, BEHIND HER BACK...
AS YOU ARE NOW AWARE, BIG MOM PLANS TO SLAUGHTER THE VINSMOKES DURING THE CEREMONY...

...WHO PLANS TO TAKE BIG MOM'S HEAD!!!
IT IS BEGE...
WHAAAT ?!!

AS A MATTER OF FACT, BEGE'S PEOPLE TOOK HIM AWAY...AND OFFERED HIM A DEAL TO ASSIST WITH THEIR PLAN.

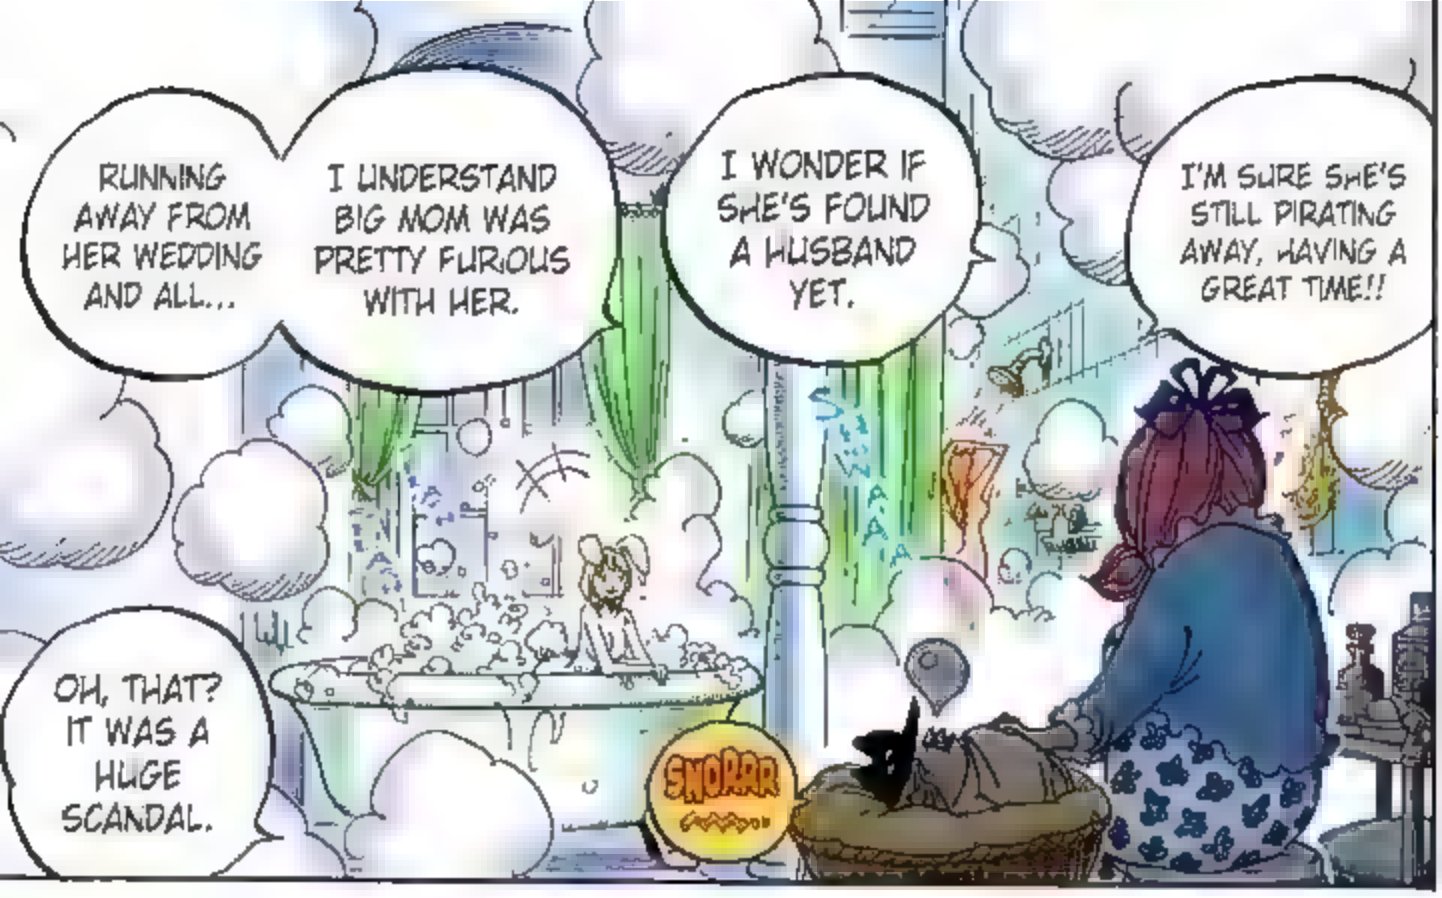
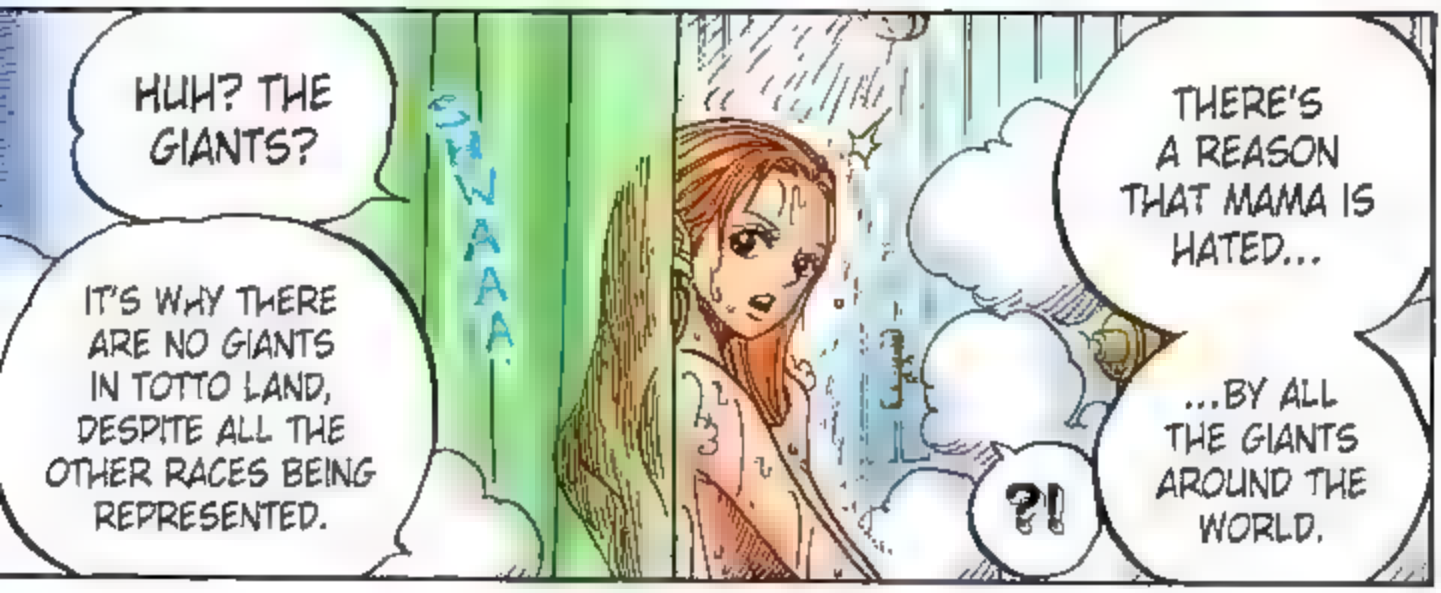
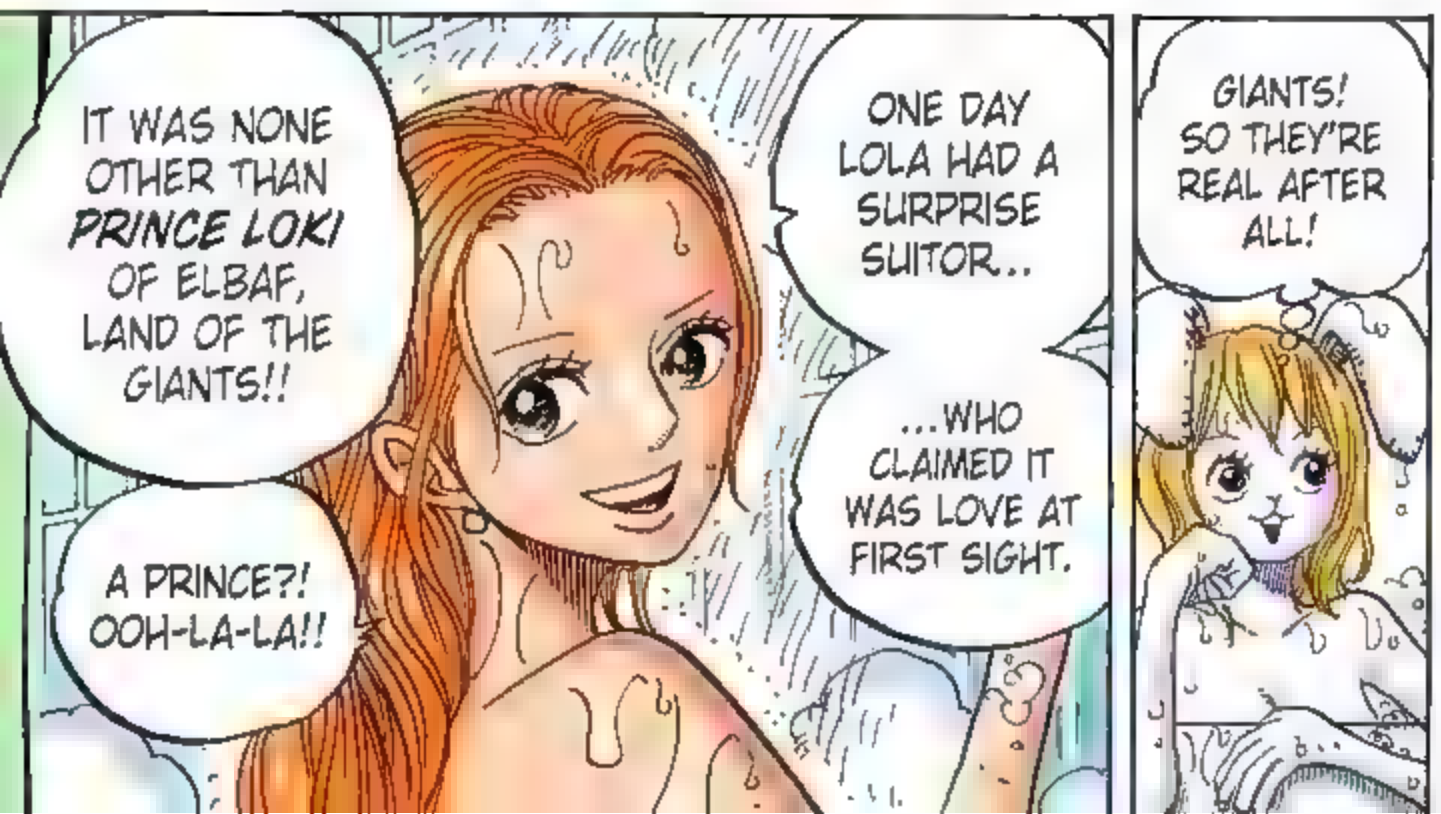
...SHE'D CHASE HIM DOWN AND TERRIFY HIM..
YES, AND EVERY TIME SHE SAW A MAN SHE LIKED...
SURUB
SURUB
BUT REALLY, I DON'T KNOW WHAT I'D HAVE DONE WITHOUT HER.
EITHER BACK THEN...OR JUST NOW, WITH THAT TREE MONSTER.
HA HA HA! THAT SOUNDS LIKE LOLA.
AND THEN LOLA TURNED BACK INTO A HUMAN?
SHE DID.
THE OCEAN REALLY IS A WONDER-LAND!!♡
THE DEAD, WALKING AND TALKING?



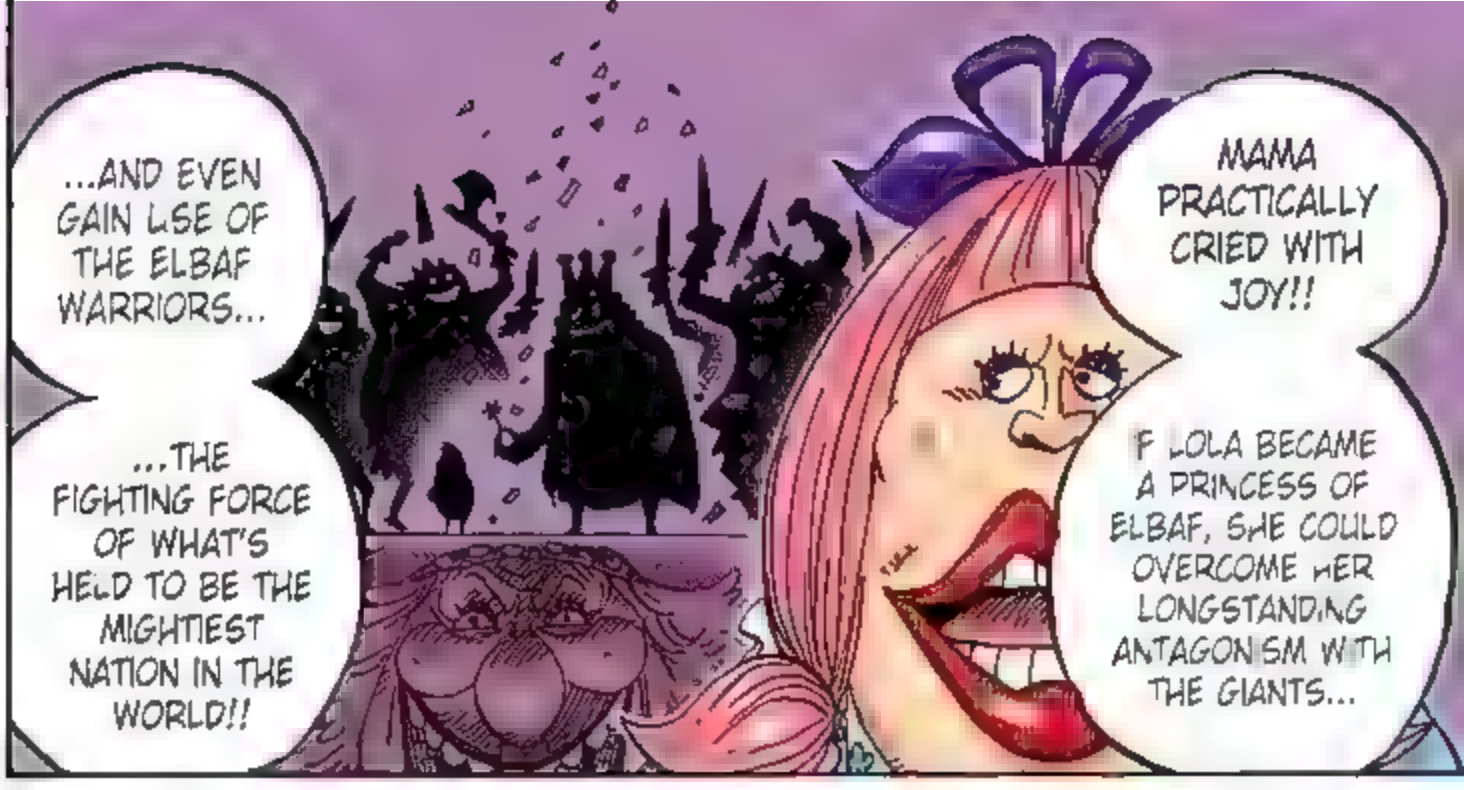
RUNNING AWAY FROM HER WEDDING AND ALL...
I UNDERSTAND BIG MOM WAS PRETTY FURIOUS WITH HER.
I WONDER IF SHE'S FOUND A HUSBAND YET.
I'M SURE SHE'S STILL PIRATING AWAY, HAVING A GREAT TIME!!
SNORRR
OH, THAT? IT WAS A HUGE SCANDAL.



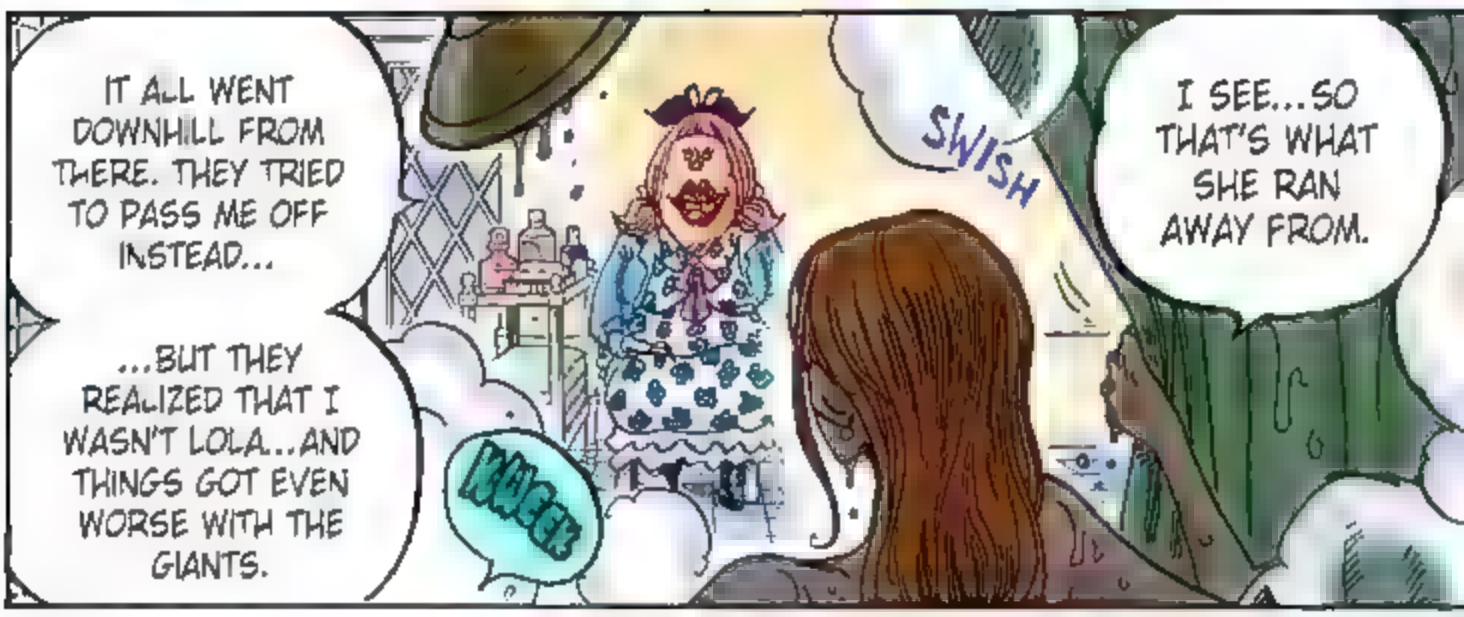
HUH? THE GIANTS?
IT'S WHY THERE ARE NO GIANTS IN TOTTO LAND, DESPITE ALL THE OTHER RACES BEING REPRESENTED.
SWAAA
THERE'S A REASON THAT MAMA IS HATED...
?!
...BY ALL THE GIANTS AROUND THE WORLD.



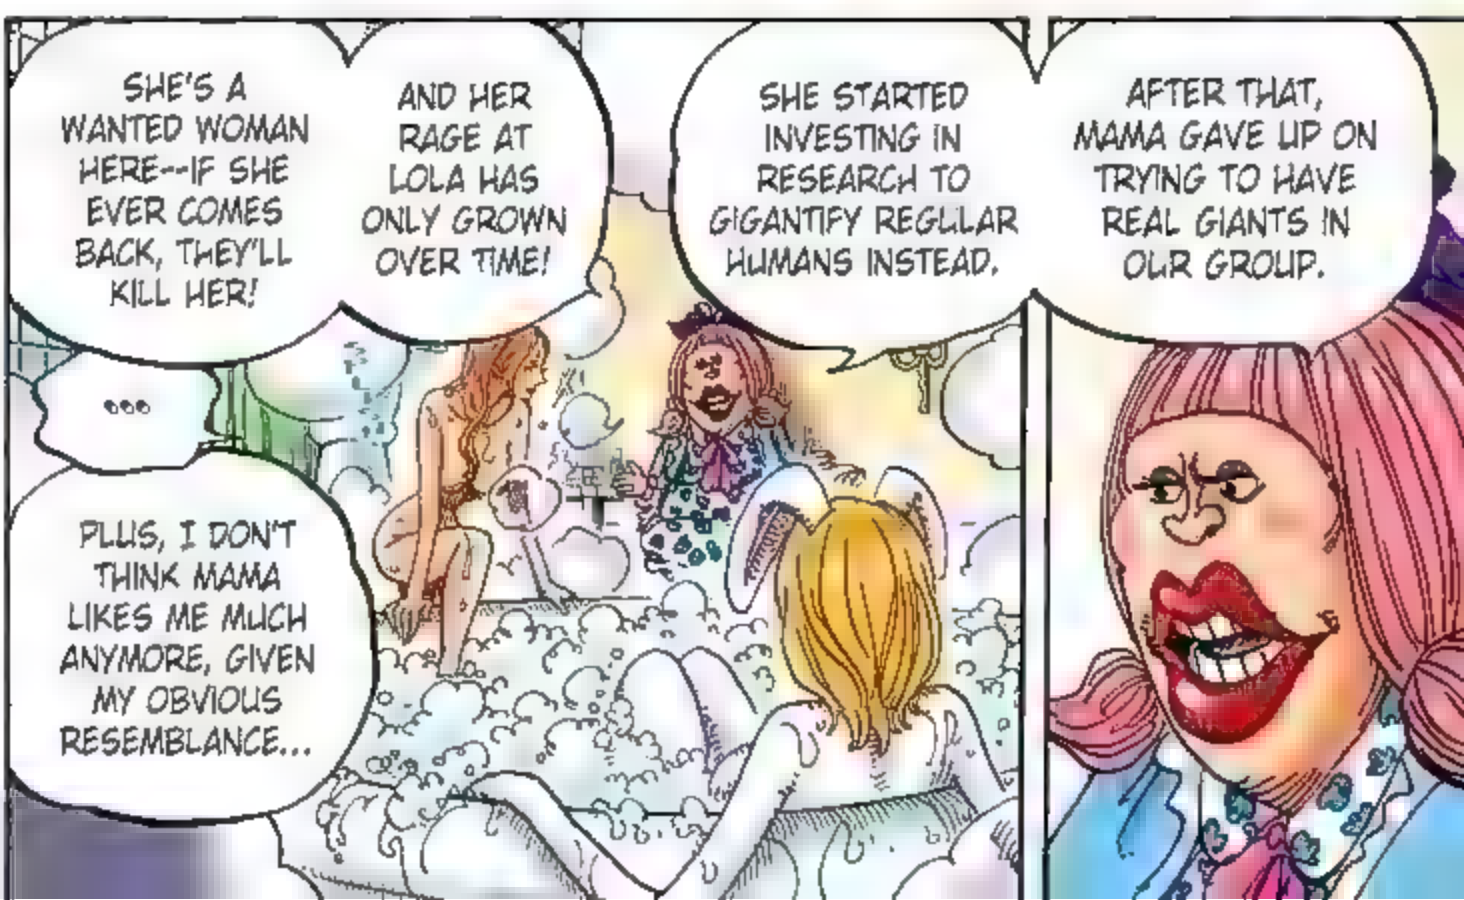
IT WAS NONE OTHER THAN PRINCE LOKI OF ELBAF, LAND OF THE GIANTS!!
A PRINCE?! OOH-LA-LA!!
ONE DAY LOLA HAD A SURPRISE SUITOR...
...WHO CLAIMED IT WAS LOVE AT FIRST SIGHT.
GIANTS! SO THEY'RE REAL AFTER ALL!



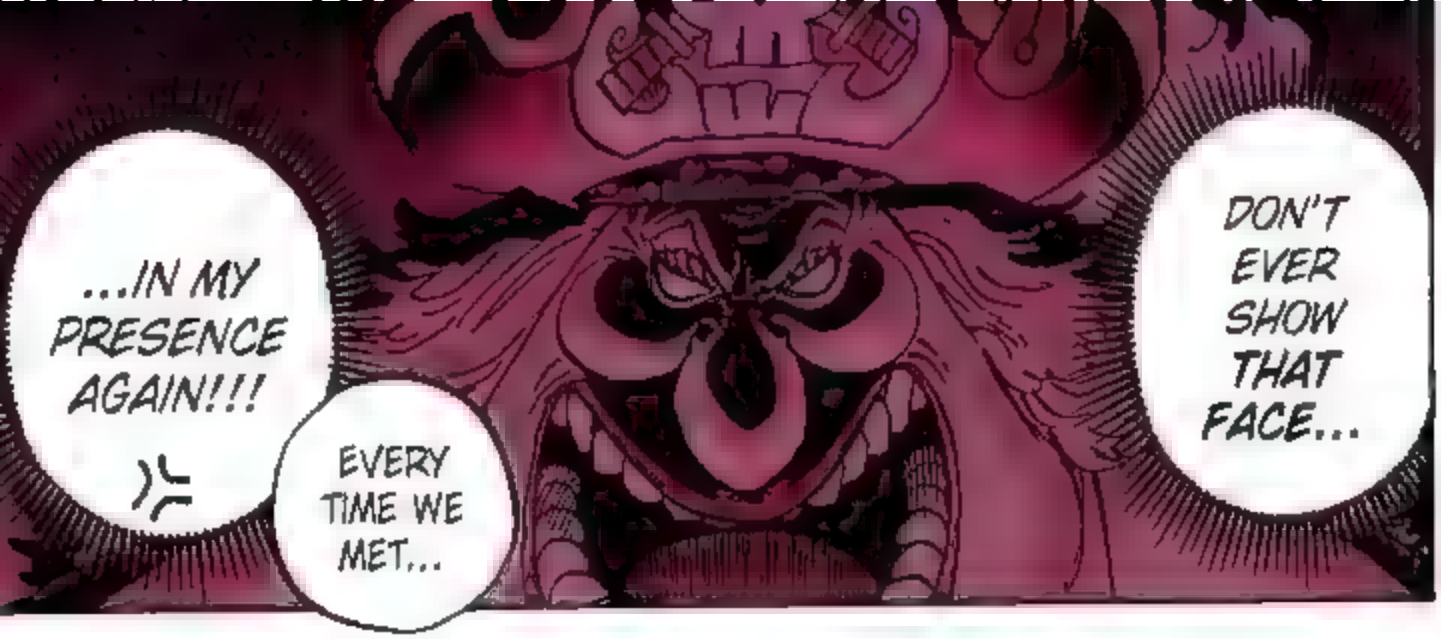
...AND EVEN GAIN USE OF THE ELBAF WARRIORS...
...THE FIGHTING FORCE OF WHAT'S HELD TO BE THE MIGHTIEST NATION IN THE WORLD!!
MAMA PRACTICALLY CRIED WITH JOY!!
IF LOLA BECAME A PRINCESS OF ELBAF, SHE COULD OVERCOME HER LONGSTANDING ANTAGONISM WITH THE GIANTS...



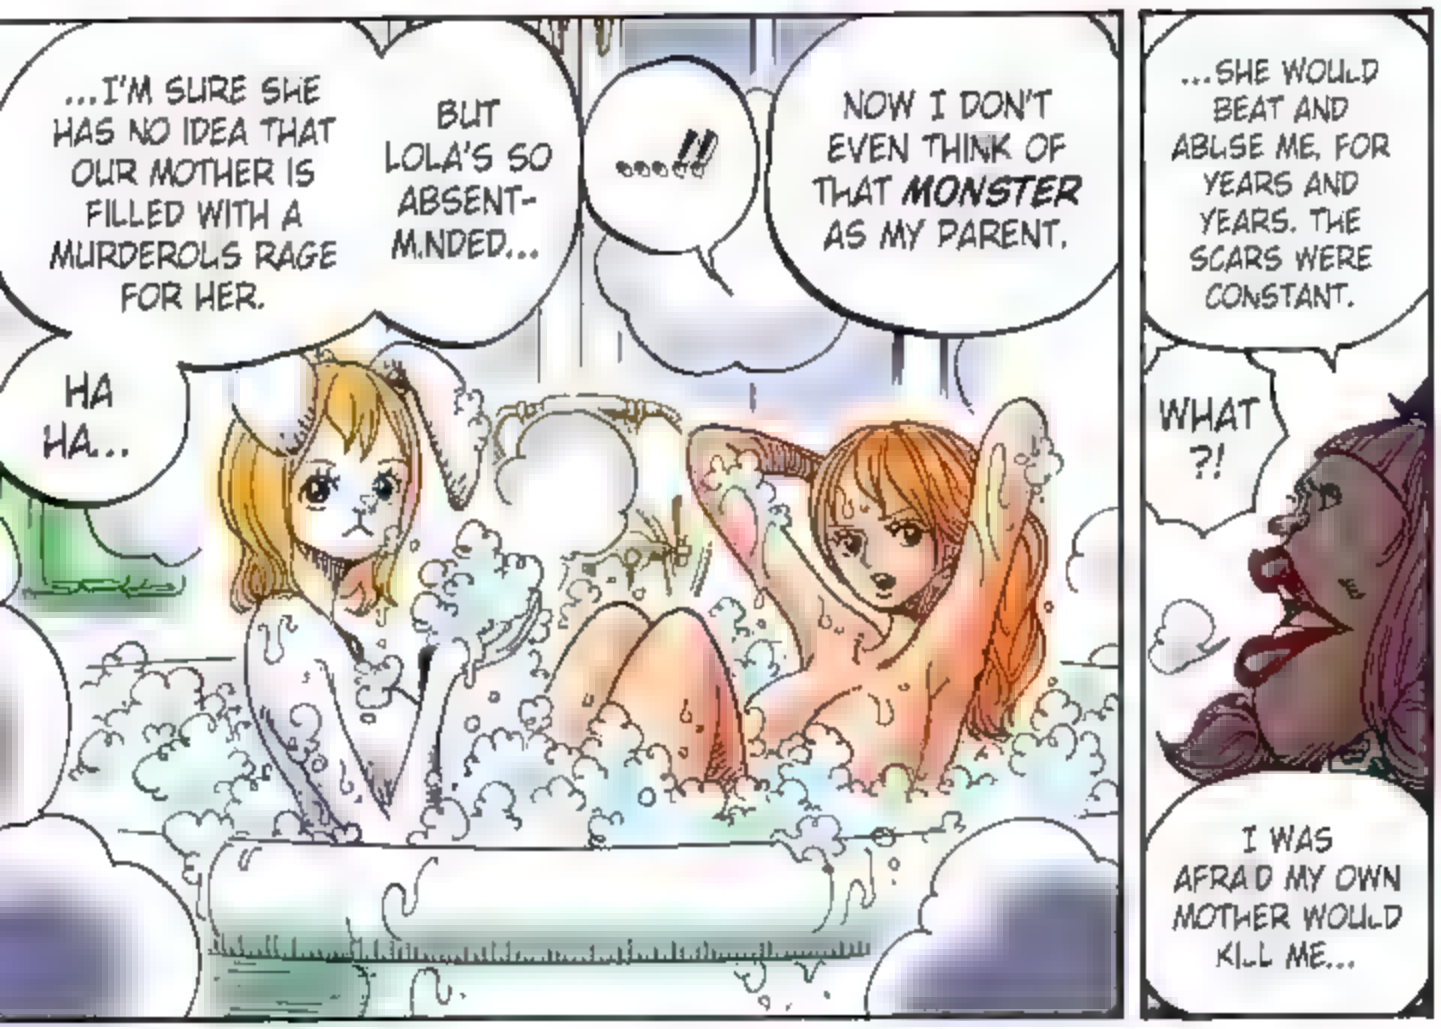
IT ALL WENT DOWNHILL FROM THERE. THEY TRIED TO PASS ME OFF INSTEAD...
...BUT THEY REALIZED THAT I WASN'T LOLA...AND THINGS GOT EVEN WORSE WITH THE GIANTS.
SWISH
WOOSH
I SEE...SO THAT'S WHAT SHE RAN AWAY FROM.



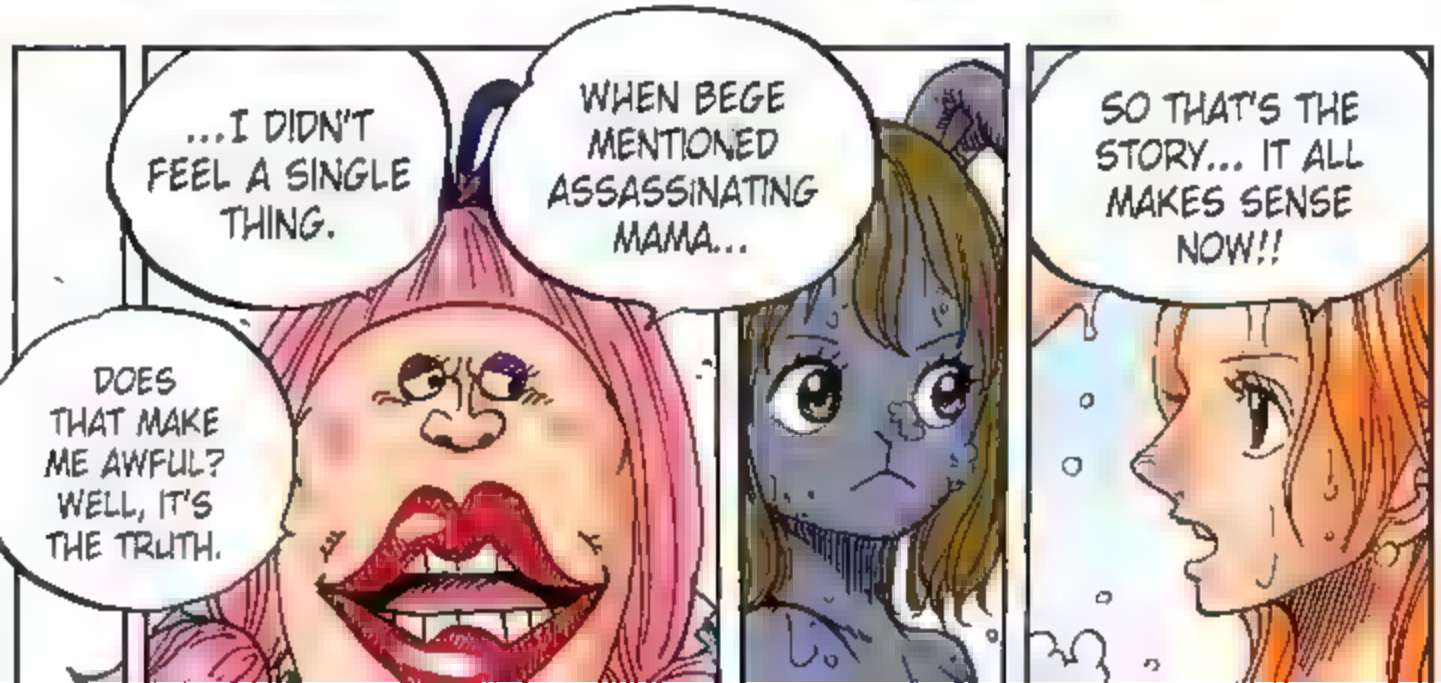
SHE'S A WANTED WOMAN HERE--IF SHE EVER COMES BACK, THEY'LL KILL HER!
AND HER RAGE AT LOLA HAS ONLY GROWN OVER TIME!
SHE STARTED INVESTING IN RESEARCH TO GIGANTIFY REGULAR HUMANS INSTEAD.
AFTER THAT, MAMA GAVE UP ON TRYING TO HAVE REAL GIANTS IN OUR GROUP.
...
PLUS, I DON'T THINK MAMA LIKES ME MUCH ANYMORE, GIVEN MY OBVIOUS RESEMBLANCE...



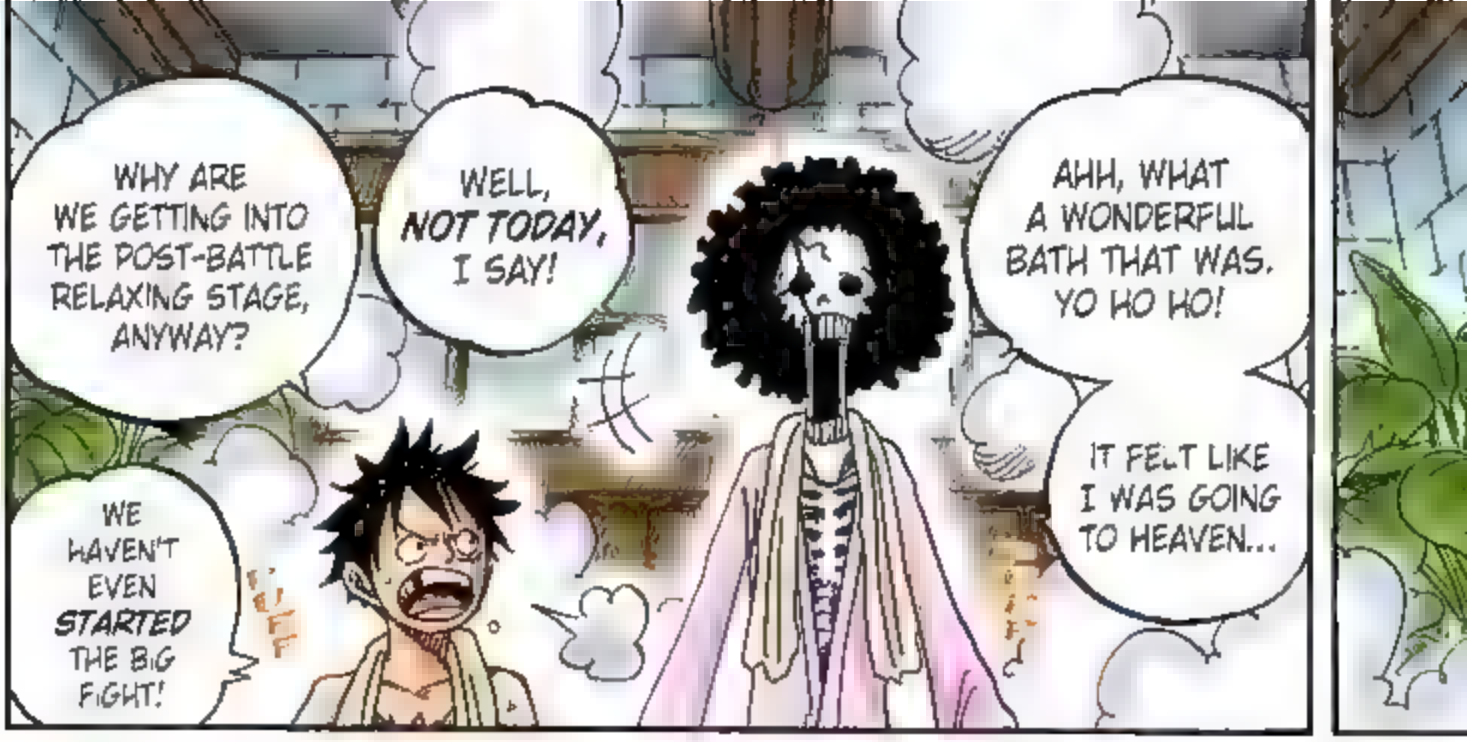
...IN MY PRESENCE AGAIN!!!
EVERY TIME WE MET...
DON'T EVER SHOW THAT FACE...



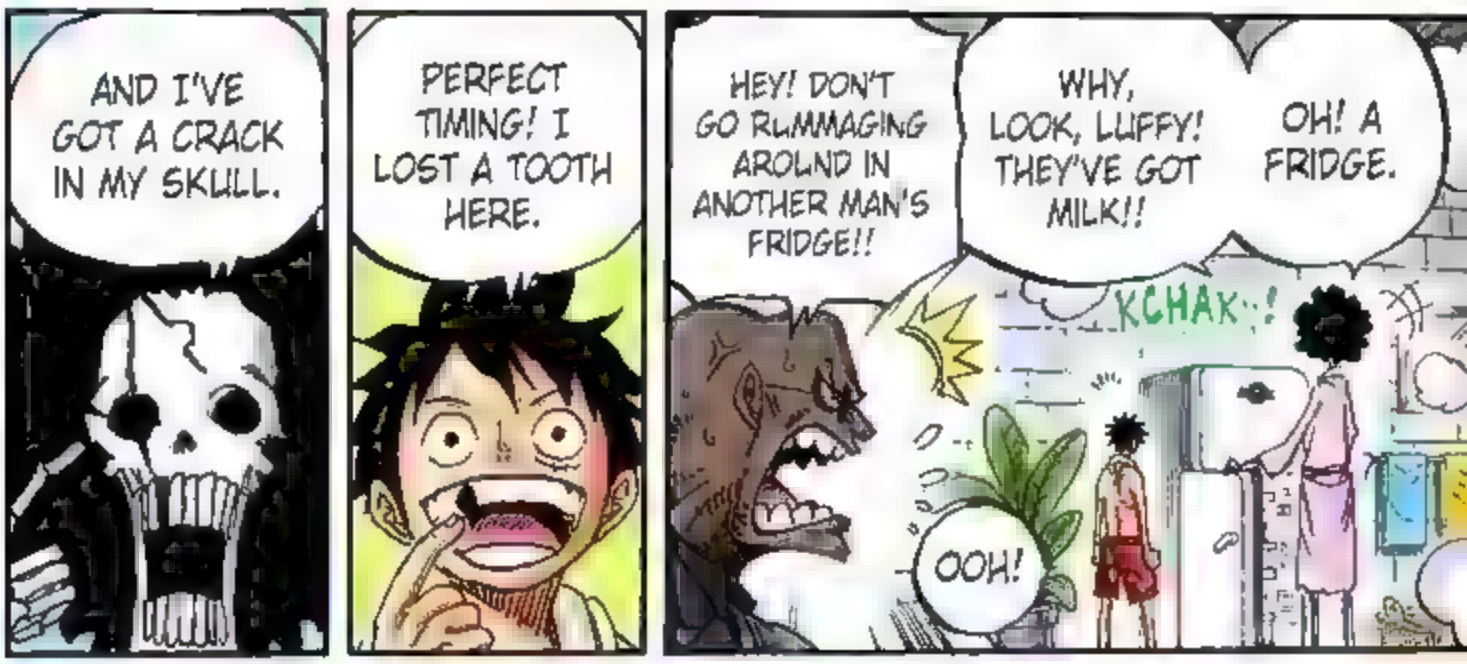
...I'M SURE SHE HAS NO IDEA THAT OUR MOTHER IS FILLED WITH A MURDEROUS RAGE FOR HER.
BUT LOLA'S SO ABSENT-MINDED...
...!!
NOW I DON'T EVEN THINK OF THAT MONSTER AS MY PARENT.
HA HA...
...SHE WOULD BEAT AND ABUSE ME, FOR YEARS AND YEARS. THE SCARS WERE CONSTANT.
WHAT ?!
I WAS AFRAID MY OWN MOTHER WOULD KILL ME...



...I DIDN'T FEEL A SINGLE THING.
WHEN BEGE MENTIONED ASSASSINATING MAMA...
SO THAT'S THE STORY... IT ALL MAKES SENSE NOW!!
DOES THAT MAKE ME AWFUL? WELL, IT'S THE TRUTH.



WHY ARE WE GETTING INTO THE POST-BATTLE RELAXING STAGE, ANYWAY?
WELL, NOT TODAY, I SAY!
AHH, WHAT A WONDERFUL BATH THAT WAS. YO HO HO!
WE HAVEN'T EVEN STARTED THE BIG FIGHT!
IT FELT LIKE I WAS GOING TO HEAVEN...



AND I'VE GOT A CRACK IN MY SKULL.
PERFECT TIMING! I LOST A TOOTH HERE.
HEY! DON'T GO RUMMAGING AROUND IN ANOTHER MAN'S FRIDGE!!
WHY, LOOK, LUFFY! THEY'VE GOT MILK!!
OH! A FRIDGE.
KCHAK..!
OOH!

HOW THE HECK DO YOUR BODIES WORK?!!
AHHH, ALL BETTER!!
AAAHH
What?!
SLURRRP

THREE HOURS AND 30 MINUTES UNTIL THE TEA PARTY

PATOOZY
I'M WORRIED ABOUT LOLA--AND BEGE AND PEZ ARE MY ONLY FAMILY NOW! THAT'S ALL I NEED ANYMORE!!
HOW CAN YOU BE AN ACCOMPLICE TO MAMA'S ATTEMPTED ASSASSINATION?!
BE REASONABLE, LADY CHIFFON!! YOU SHOULD KNOW...
...THIS PLAN WILL NEVER WORK!!!
PUFF
AS THE SAYING GOES, "THE SUIT MAKES THE MAN."
AND I AIN'T IN ANY MOOD TO SPEAK WITH SOMEONE WHO CAN'T TAKE CARE OF THEIR APPEARANCE.
TOK
THAT SHOULD BE EVERYBODY...
HAVE YOU CLEANED YOURSELVES UP A BIT?
TOK

YOU WON'T HAVE A CEREMONY ANYMORE.

IF I DIE, YOUR CHANCES OF KILLING BIG MOM WILL BE GONE.

THEY'LL BE SUSPICIOUS IF I'M NOT BACK TWO HOURS BEFORE THE WEDDING.

YOU'RE THE ONE MAN I CAN'T KILL.

I HATE TO ADMIT IT... BUT YOU'RE RIGHT.

WHAT DOES YOUR INTUITION SAY, LUFFY? CAN YOU WORK WITH THIS MAN?

WE DON'T HAVE TIME TO WASTE ON THREATS.

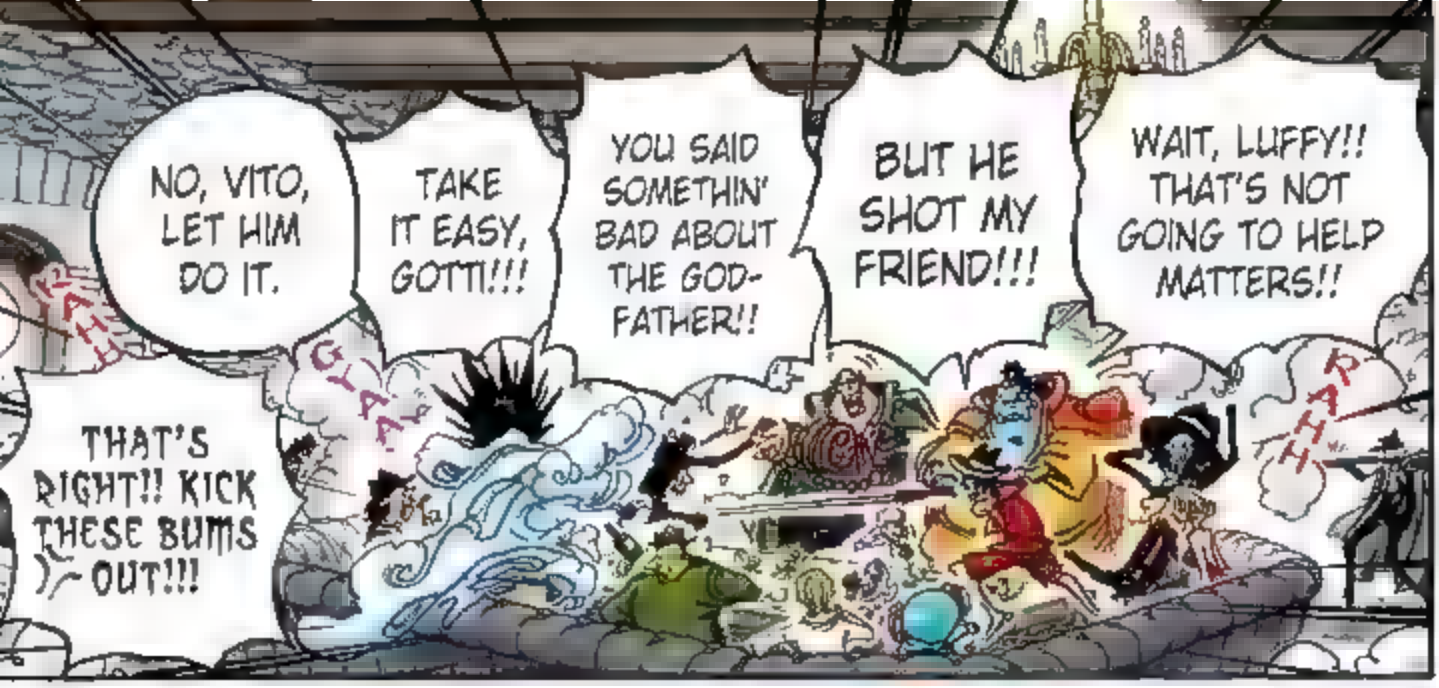
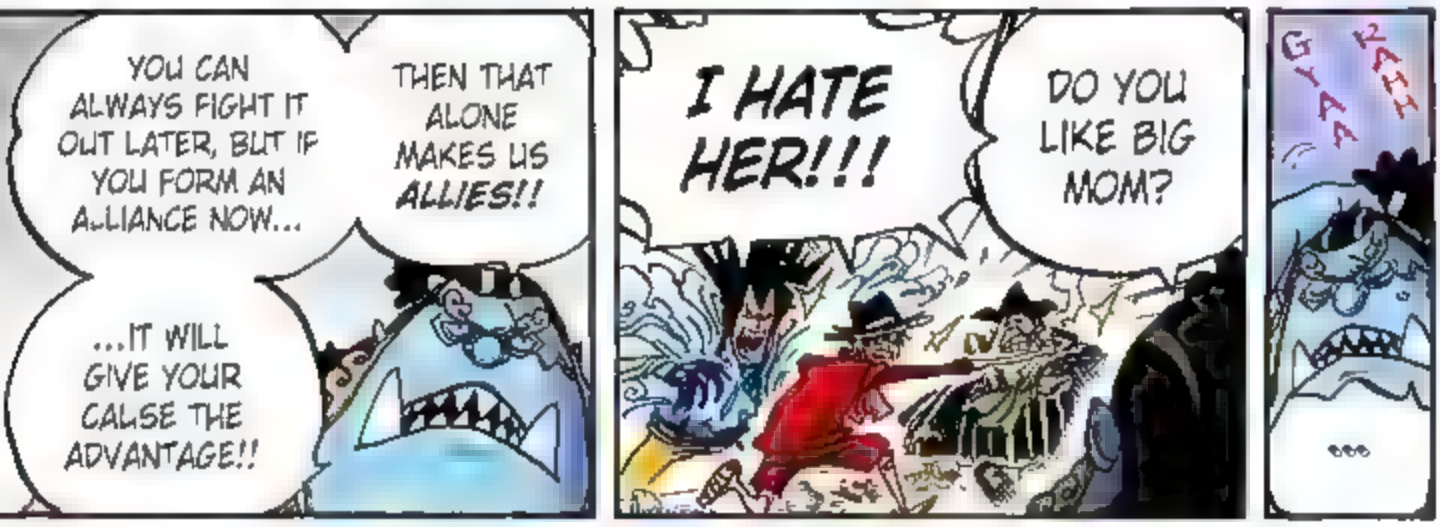
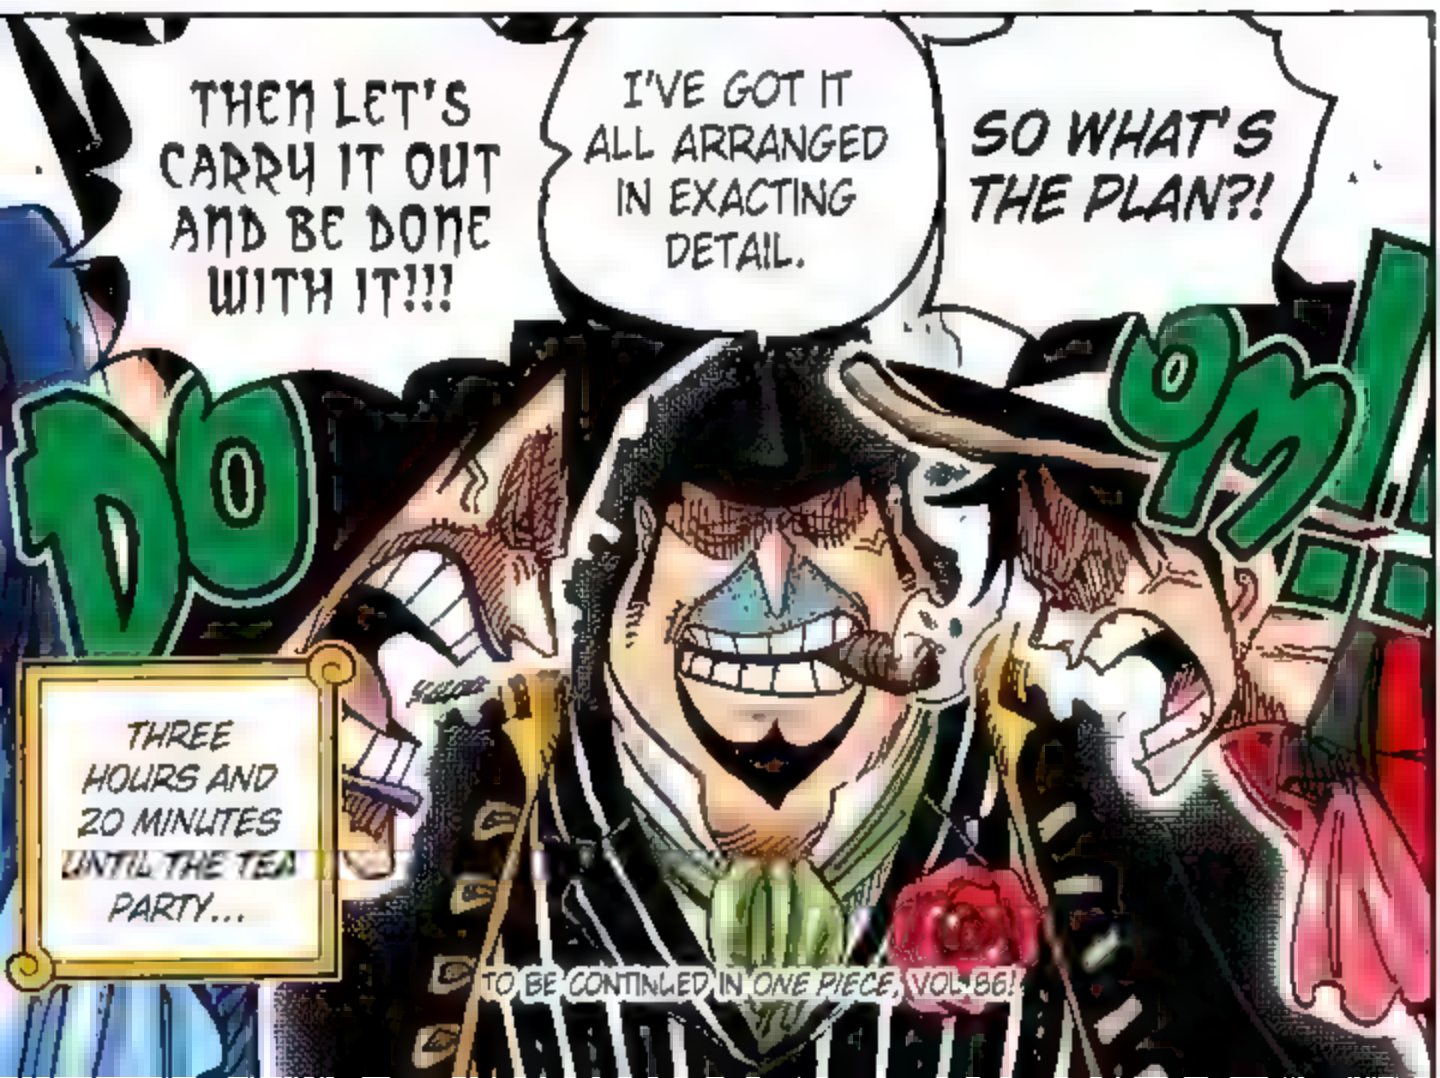
...AND MY ONLY ESCAPE FROM CERTAIN DEATH...
THANKS TO YOU PEOPLE, I GOT HANDED OVER TO BIG MOM...
DUB DUB
IF YOU SEE TRAFALGAR LAW, TELL HIM I'LL KILL HIM THE NEXT TIME WE MEET!! YOU TOO, IF I GET THE CHANCE!!
...LET ME PUNCH YOU FOR SHOOTING PEKOMS!!!
?!!
FIRST OF ALL...
DOM!!



NO, VITO, LET HIM DO IT.
TAKE IT EASY, GOTTI!!!
YOU SAID SOMETHIN' BAD ABOUT THE GOD-FATHER!!
BUT HE SHOT MY FRIEND!!!
WAIT, LUFFY!! THAT'S NOT GOING TO HELP MATTERS!!
THAT'S RIGHT!! KICK THESE BUMS OUT!!!
GYAA
RAH
RAH



YOU CAN ALWAYS FIGHT IT OUT LATER, BUT IF YOU FORM AN ALLIANCE NOW...
...IT WILL GIVE YOUR CAUSE THE ADVANTAGE!!
THEN THAT ALONE MAKES US ALLIES!!
I HATE HER!!!
DO YOU LIKE BIG MOM?
GYAA
KEH
...



THEN LET'S CARRY IT OUT AND BE DONE WITH IT!!!
I'VE GOT IT ALL ARRANGED IN EXACTING DETAIL.
SO WHAT'S THE PLAN?!

Story ・あらすじ・

After two years of hard training, the Straw Hat pirates are back together, first at the Sabaody Archipelago and then through Fish-Man Island to their next stage, the New World!!

After defeating Doflamingo, Luffy and crew's next goal is to topple Kaido, an Emperor of the Sea. But a wrench is thrown into the works when Sanji leaves the crew because he's part of a political marriage to Big Mom's daughter. As a mere cog of secret plots from both Mama and his own family, Sanji is trapped in a bad situation with no apparent way out. When Luffy comes to get him back, Sanji clashes with his former captain, unable to speak his true feelings. Eventually, he breaks down and admits that he wants to return to the *Sunny*. But in order to do that, he needs to prevent Big Mom's true goal—the slaughter of his family! Jinbe's suggestion to tackle this tremendous challenge is to join forces with Bege, who has goals of his own.

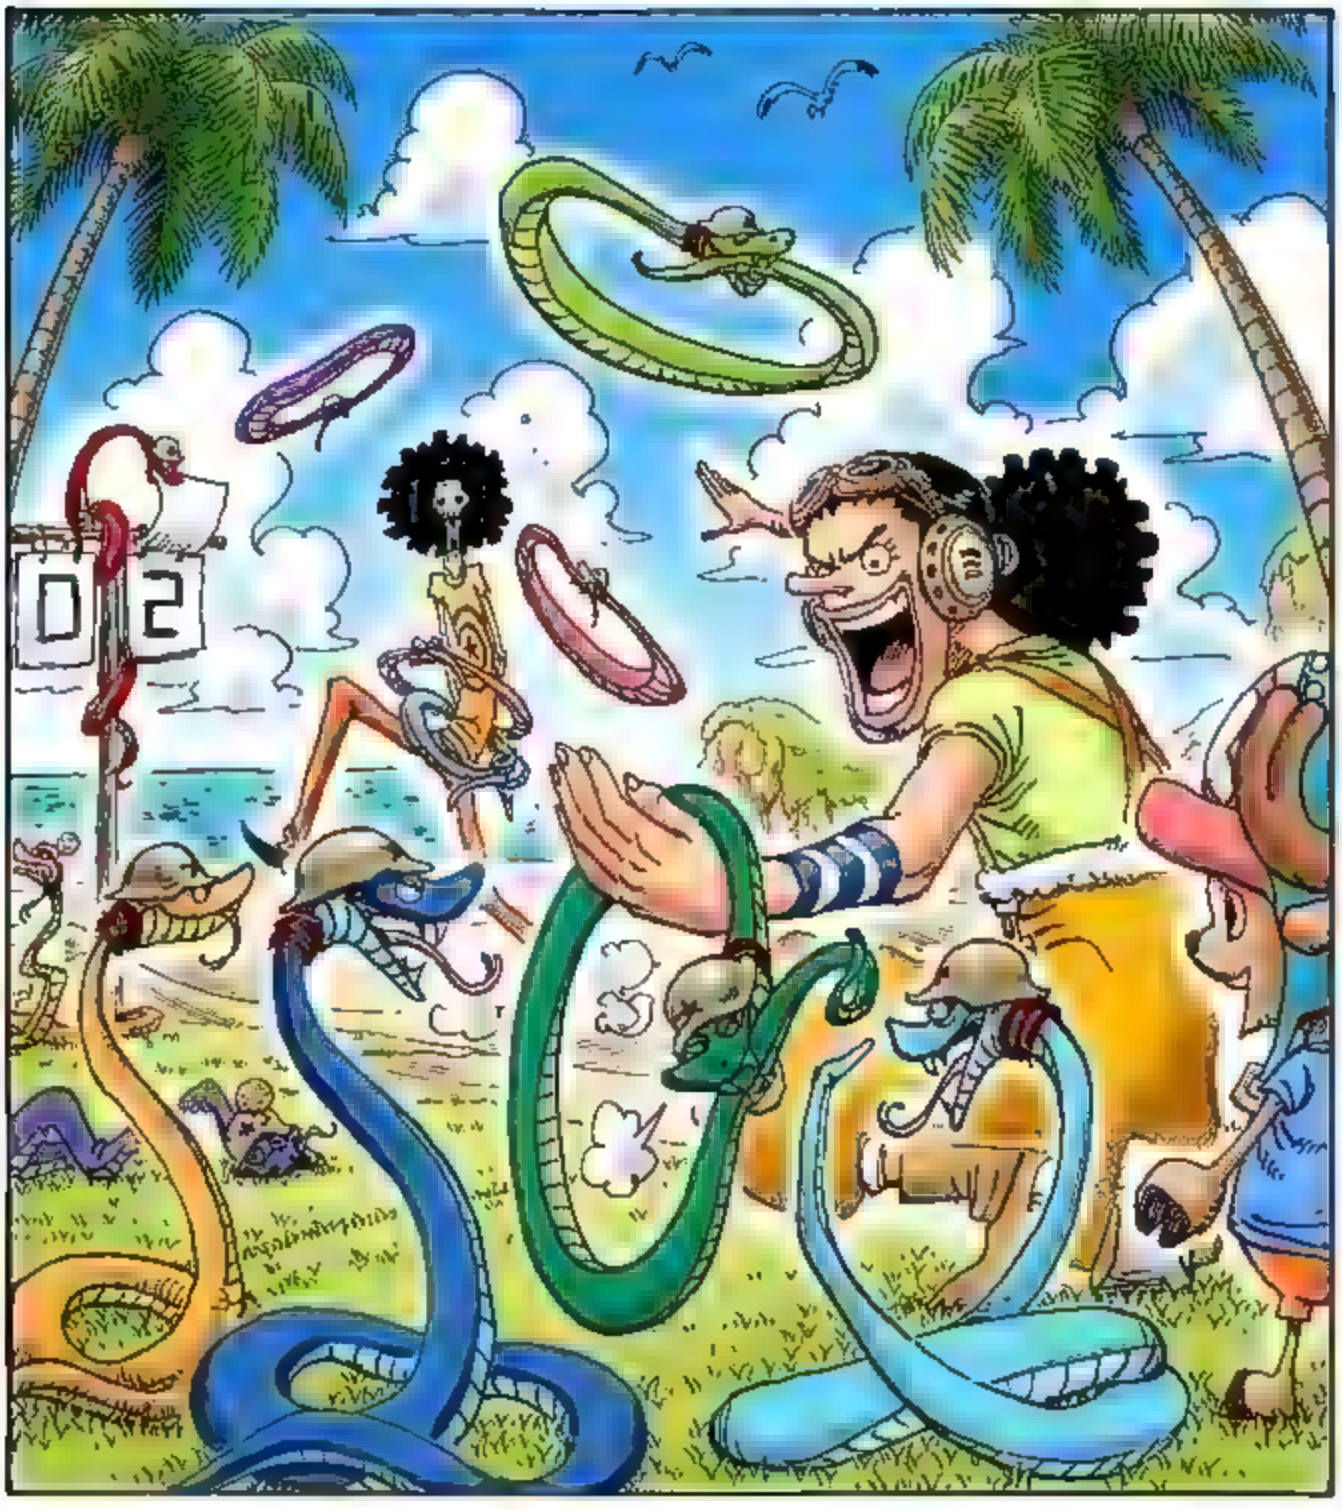
Chapter 859: EMPEROR ASSASSINATION PLAN



REQUEST: "USOPP PLAYING SNAKE RING-TOSS WITH BROOK" BY ORANGE PENGUIN FROM TOKYO

UNDER CERTAIN CIRCUMSTANCES, I CAN HAVE BIG MOM DEAD IN FIVE SECONDS!!!

FIRST, I'LL MAKE IT SIMPLE.

!!

ONE OF HER PEOPLE WILL STOP US IN AN INSTANT.

BUT CREATING A FIVE-SECOND OPPORTUNITY AT THE PARTY WILL PROVE DIFFICULE.OLT.

PERHAPS A GENERALELO!

JUST FIVE SECONDS ?!

...AND OUR CHANCES OF VICTORY ARE ZILCH!!!

HEH HEH HEH!!

?!

THEN IT TURNS INTO A BATTLE...

IF YOU ASK ME, SHE'S LIKE A ***BLIMP MADE OF STEEL!!*** HOW DO YOU KILL SOMEONE LIKE THAT?

...BUT IS SHE EVEN THE TYPE OF PERSON WHO CAN BE KILLED WITH GUNS AND CANNONS?

I'M NOT PARTICULARLY INTERESTED IN ANY PLAN TO ASSASSINATE BIG MOM..

YES, INDEED!!

SO WHY DID YOU CHOOSE THE TEA PARTY FOR YOUR ASSASSINATION ATTEMPT, WHEN ALL OF HER OFFICERS WILL BE THERE?!

WHAT IS THE POINT, MR. BEGE?

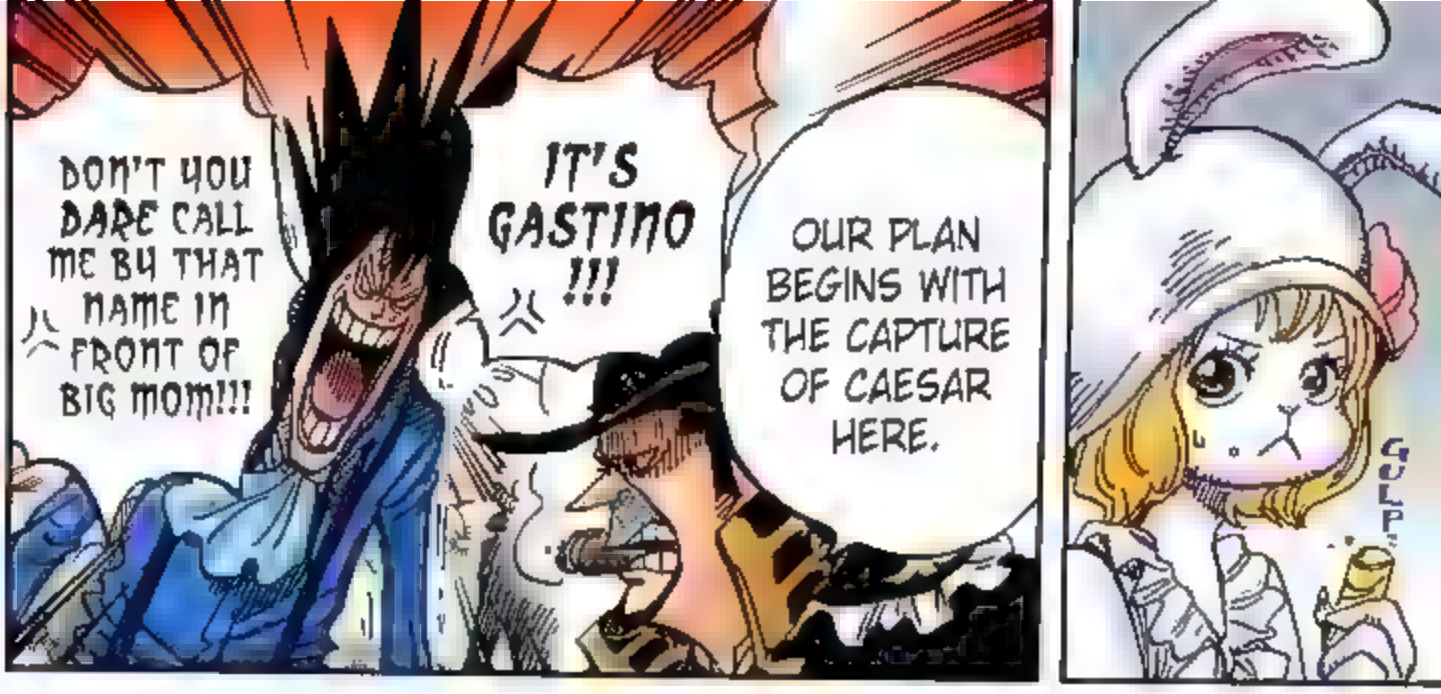
WELL, THAT'S AN HONEST QUESTION.

OF COURSE! SHE'S A MONSTER!! WE HAD TO RISK OUR LIVES JUST TO GET BROOK BACK WHILE SHE WAS SLEEPING!!

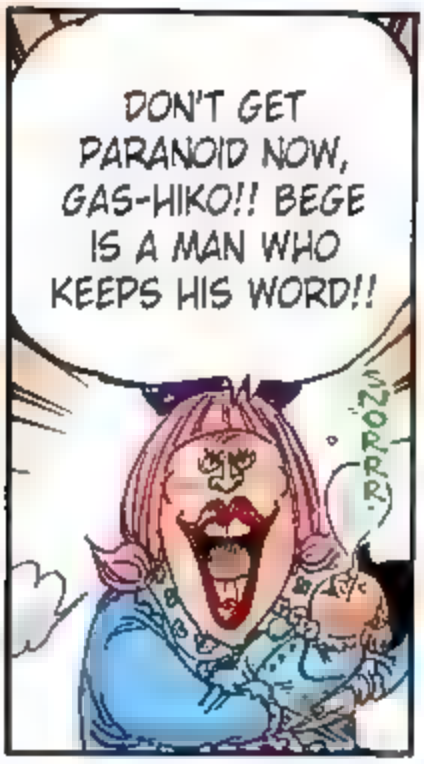
SO EMPERORS OF THE SEA ARE REALLY TOUGH, EH?

OTHERWISE WE'LL BE SURROUNDED AND DEALT WITH PROMPTLY.

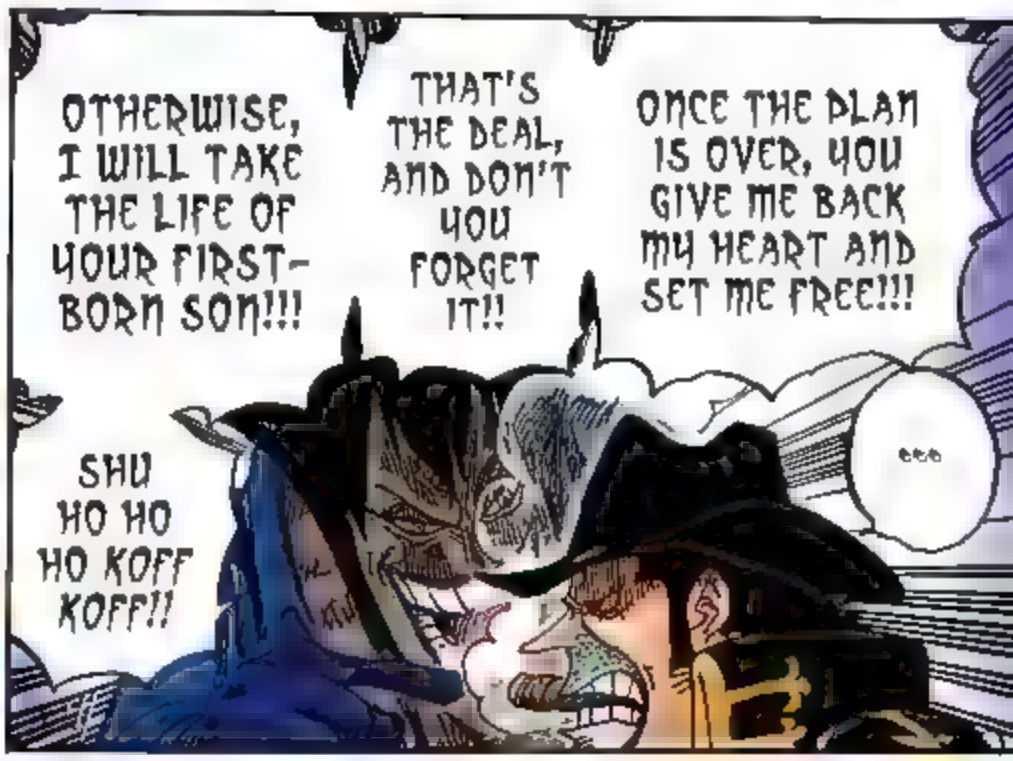
INDEED. ASSASSINATION REQUIRES THE JOB TO BE SUCCESSFUL IN A SNAP.



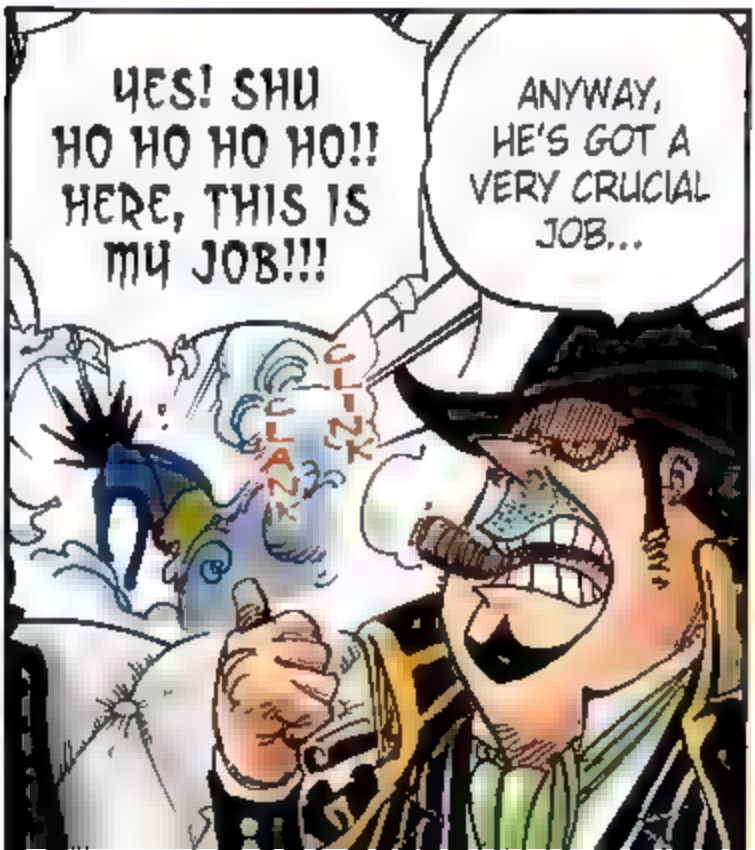
DON'T YOU DARE CALL ME BY THAT NAME IN FRONT OF BIG MOM!!!
IT'S GASTINO !!!
OUR PLAN BEGINS WITH THE CAPTURE OF CAESAR HERE.
GULP



DON'T GET PARANOID NOW, GAS-HIKO!! BEGE IS A MAN WHO KEEPS HIS WORD!!
BRROZN

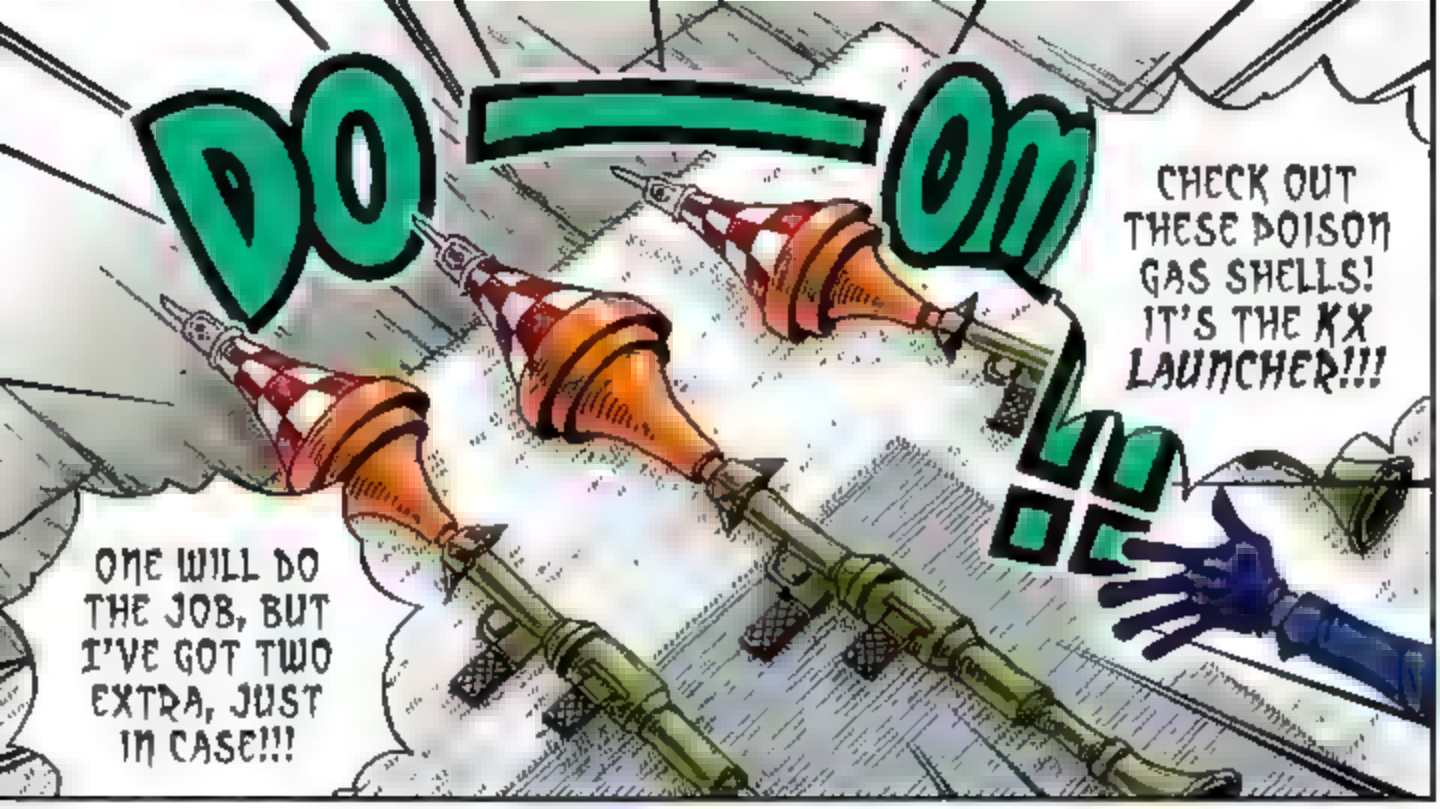


OTHERWISE, I WILL TAKE THE LIFE OF YOUR FIRST-BORN SON!!!
THAT'S THE DEAL, AND DON'T YOU FORGET IT!!
ONCE THE PLAN IS OVER, YOU GIVE ME BACK MY HEART AND SET ME FREE!!!
SHU HO HO HO KOFF KOFF!!
...

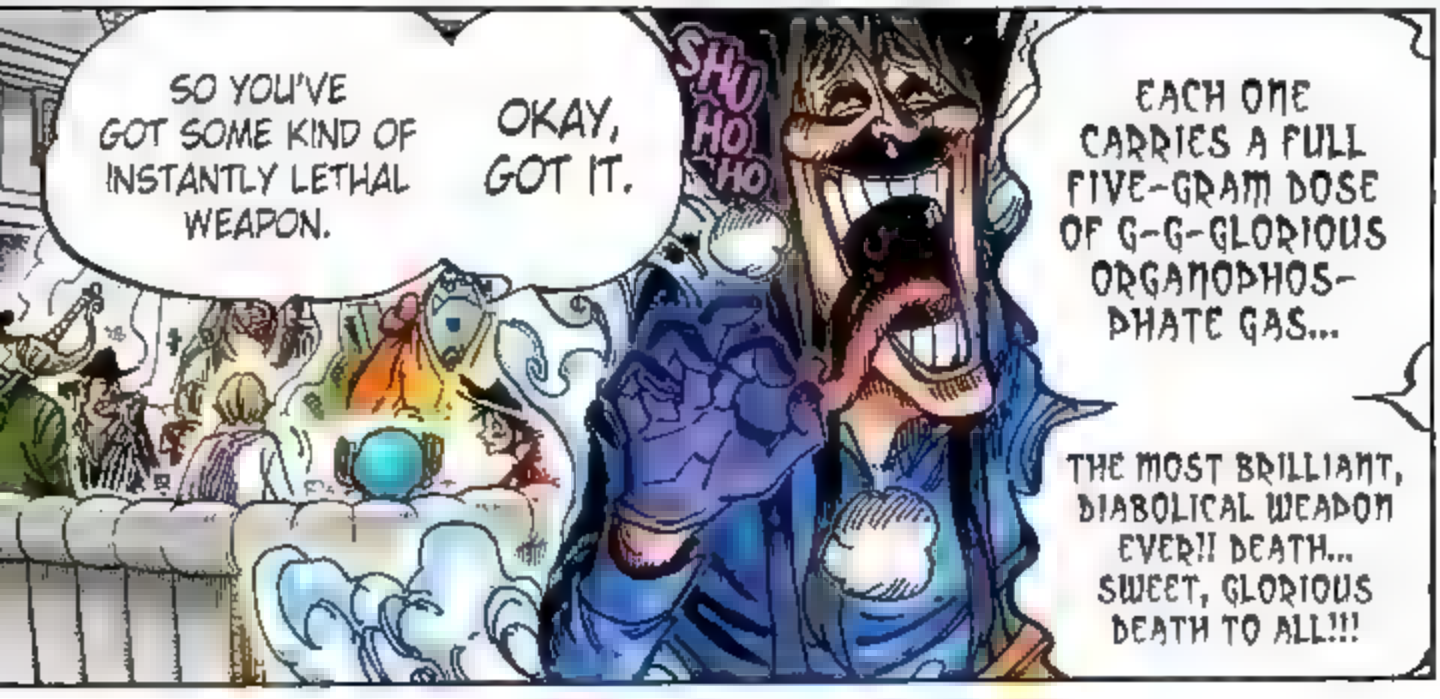


YES! SHU HO HO HO HO!! HERE, THIS IS MY JOB!!!
ANYWAY, HE'S GOT A VERY CRUCIAL JOB...
CLANK
CLINK

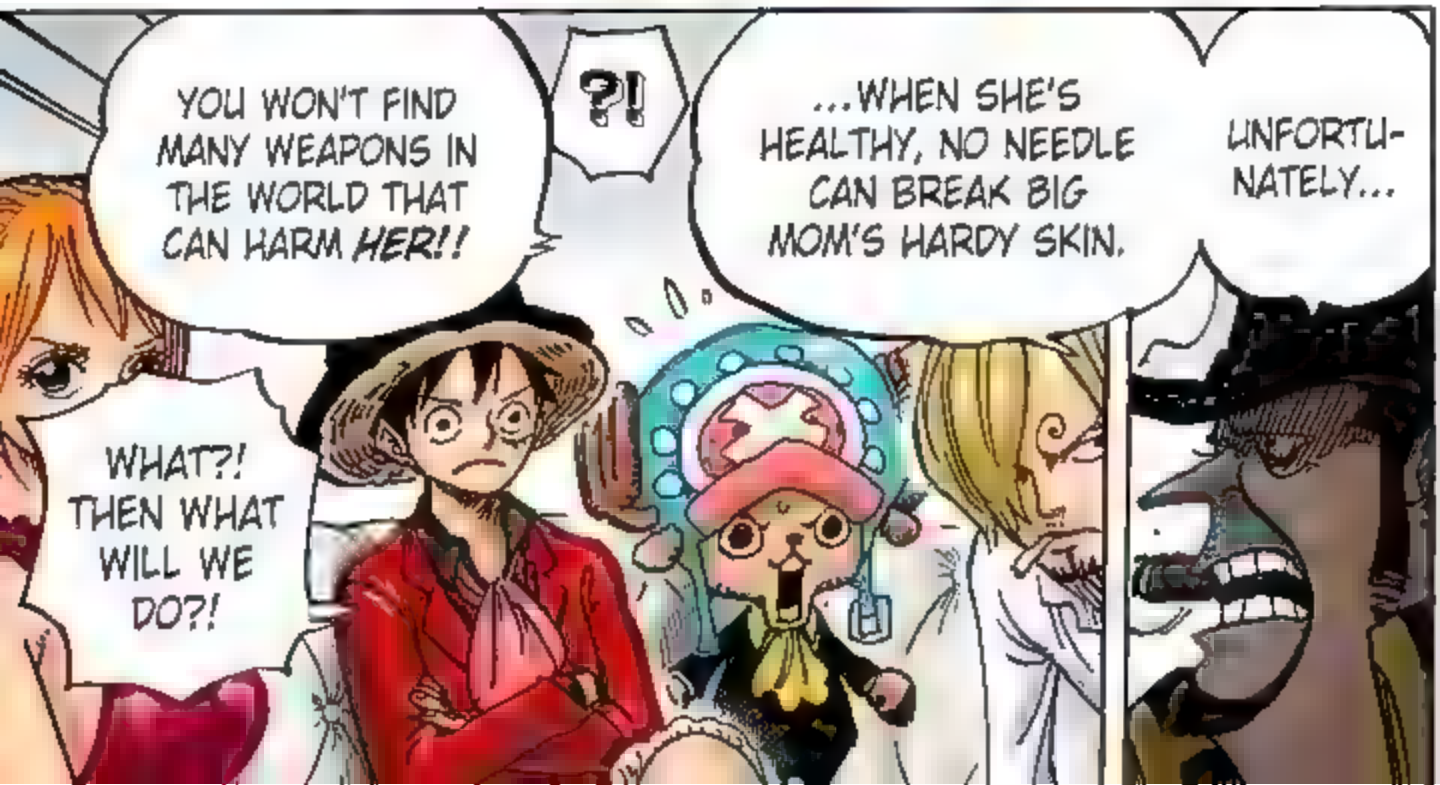
HA HA HA HAAAA!! GAS-HIKO!!
GAS-HIKO?! IT'S GASTINO !!!
WHO CARES WHAT WE CALL HIM? HE'S STILL A SCUMBAG!
?!!



DO
OM
CHECK OUT THESE POISON GAS SHELLS! IT'S THE XX LAUNCHER!!!
ONE WILL DO THE JOB, BUT I'VE GOT TWO EXTRA, JUST IN CASE!!!

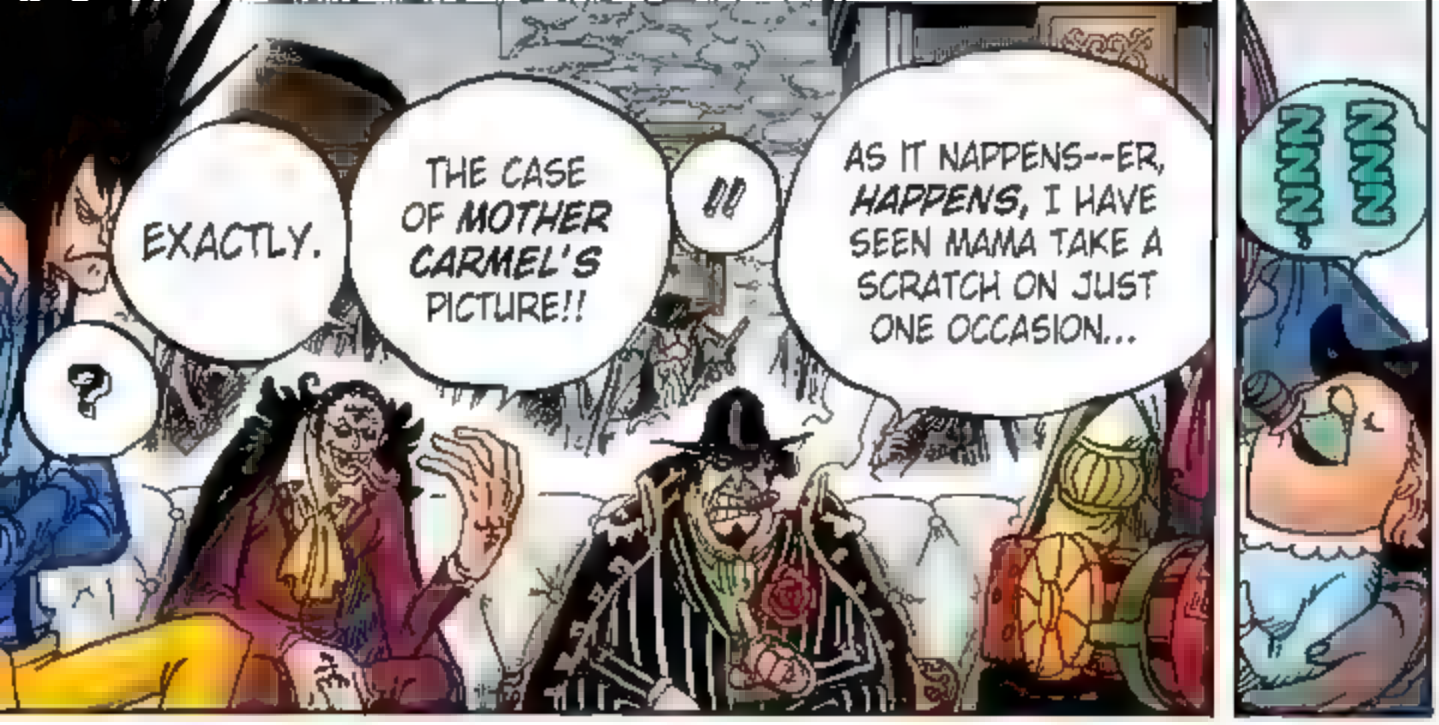


SO YOU'VE GOT SOME KIND OF INSTANTLY LETHAL WEAPON.
OKAY, GOT IT.
SHU HO HO
EACH ONE CARRIES A FULL FIVE-GRAM DOSE OF G-G-GLORIOUS ORGANOPHOS-PHATE GAS...
THE MOST BRILLIANT, DIABOLICAL WEAPON EVER!! DEATH... SWEET, GLORIOUS DEATH TO ALL!!!



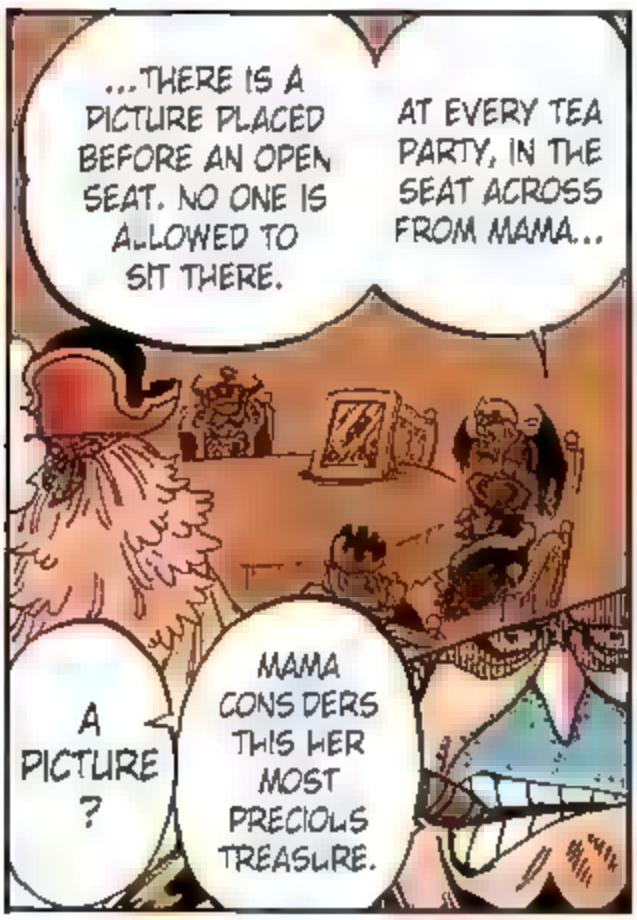
YOU WON'T FIND MANY WEAPONS IN THE WORLD THAT CAN HARM HER!!
?!
...WHEN SHE'S HEALTHY, NO NEEDLE CAN BREAK BIG MOM'S HARDY SKIN.
UNFORTU-NATELY...
WHAT?! THEN WHAT WILL WE DO?!

...AND MAMA'S BODY HAS TO BE WEAKENED SOMEHOW!!
WE NEED TO MAKE SURE NO ONE CAN STOP US FOR FIVE SECONDS...
THERE ARE TWO CONDITIONS NECESSARY FOR THE KX LAUNCHER TO DO THE JOB PROPERLY!!
WHAT ABSURDLY CONVENIENT CONDITIONS!! HOW OPTIMISTIC ARE YOU?!
OH, SOWWY, JUNIOR!♡
DID DADDY SUPWISE YOU? SHUSH, SHUSH!♡
FWAAAH !!
...AT THE TEA PARTY!!!
!!
DO
OM!!
AS IT HAPPENS, THOSE CONVENIENT CONDITIONS WILL COME ABOUT...
I'VE NEVER SEEN THAT STURDY BODY OF HERS TAKE A SINGLE SCRATCH.
...
STEEL BLIMP IS A BETTER COMPARISON THAN YOU REALIZE!!
WE'VE BEEN UNDER MAMA'S UMBWELLA--ER, UMBRELLA FOR OVER A YEAR...AND SHE NEVER GETS WOUNDED!!
DESTROYING TOWNS, SINKING SHIPS, TAKING BULLETS AND BLASTS...

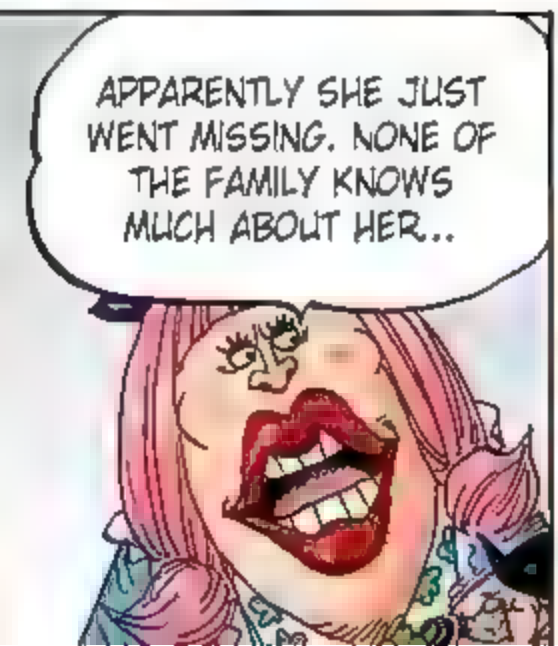


EXACTLY.
THE CASE OF MOTHER CARMEL'S PICTURE!!
!!
AS IT NAPPENS--ER, HAPPENS, I HAVE SEEN MAMA TAKE A SCRATCH ON JUST ONE OCCASION...
?
NNN
NNN

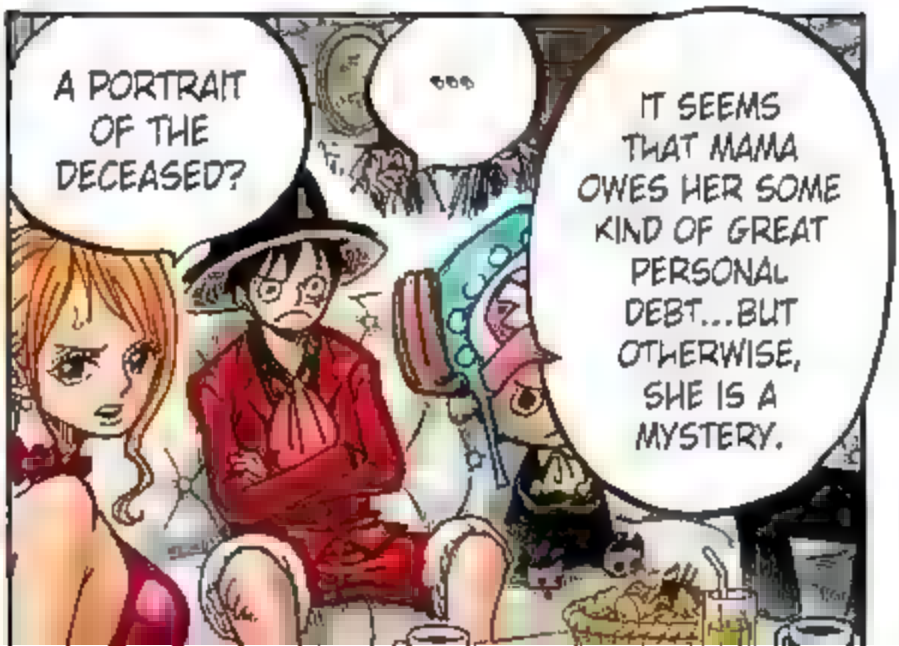
THAT IS MAMA'S ONE WEAKNESS!!
YES... IT'S THE PICTURE OF MOTHER CARMEL!!
?!



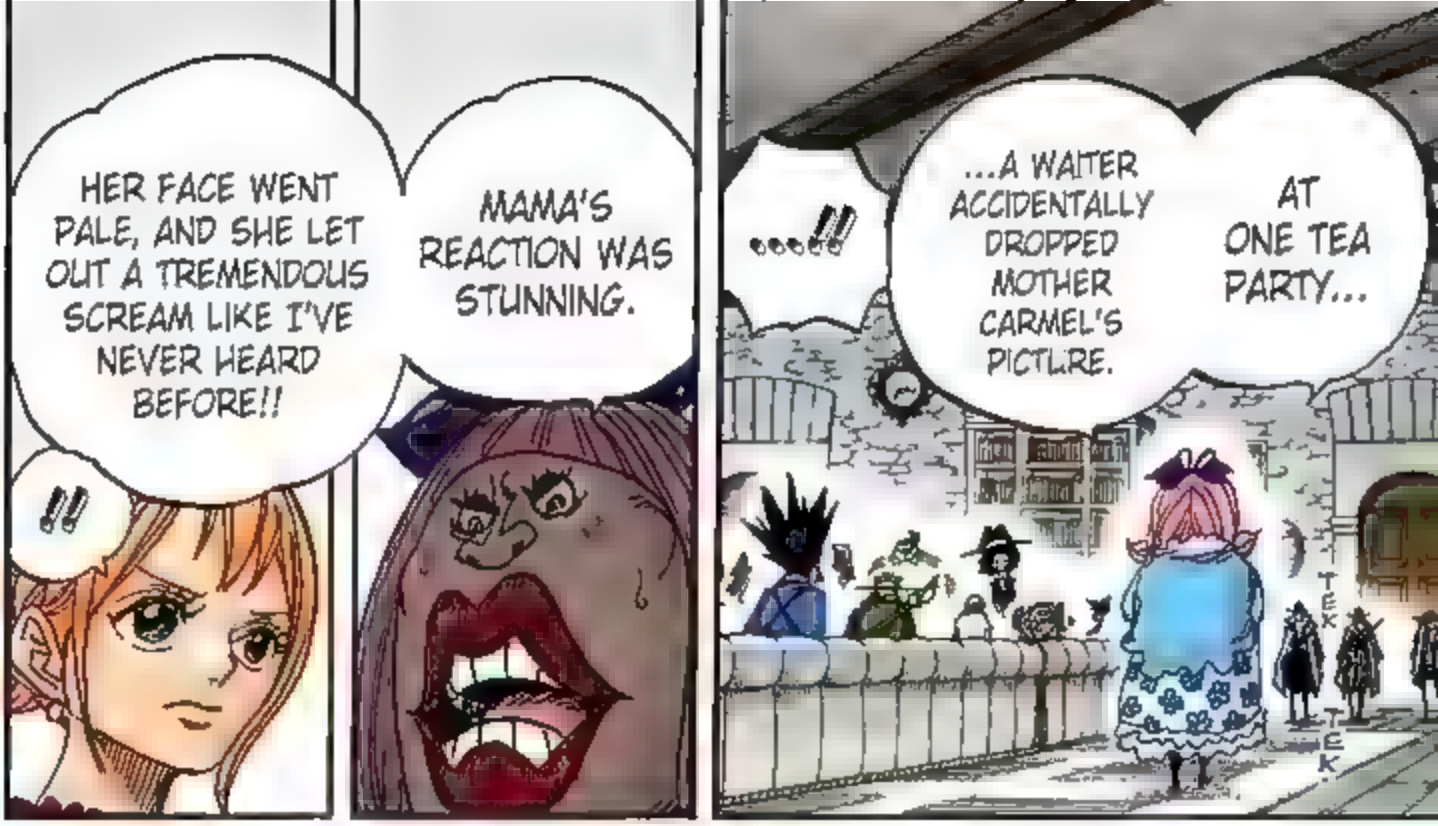
...THERE IS A PICTURE PLACED BEFORE AN OPEN SEAT. NO ONE IS ALLOWED TO SIT THERE.
AT EVERY TEA PARTY, IN THE SEAT ACROSS FROM MAMA...
A PICTURE ?
MAMA CONSDERS THIS HER MOST PRECIOUS TREASURE.



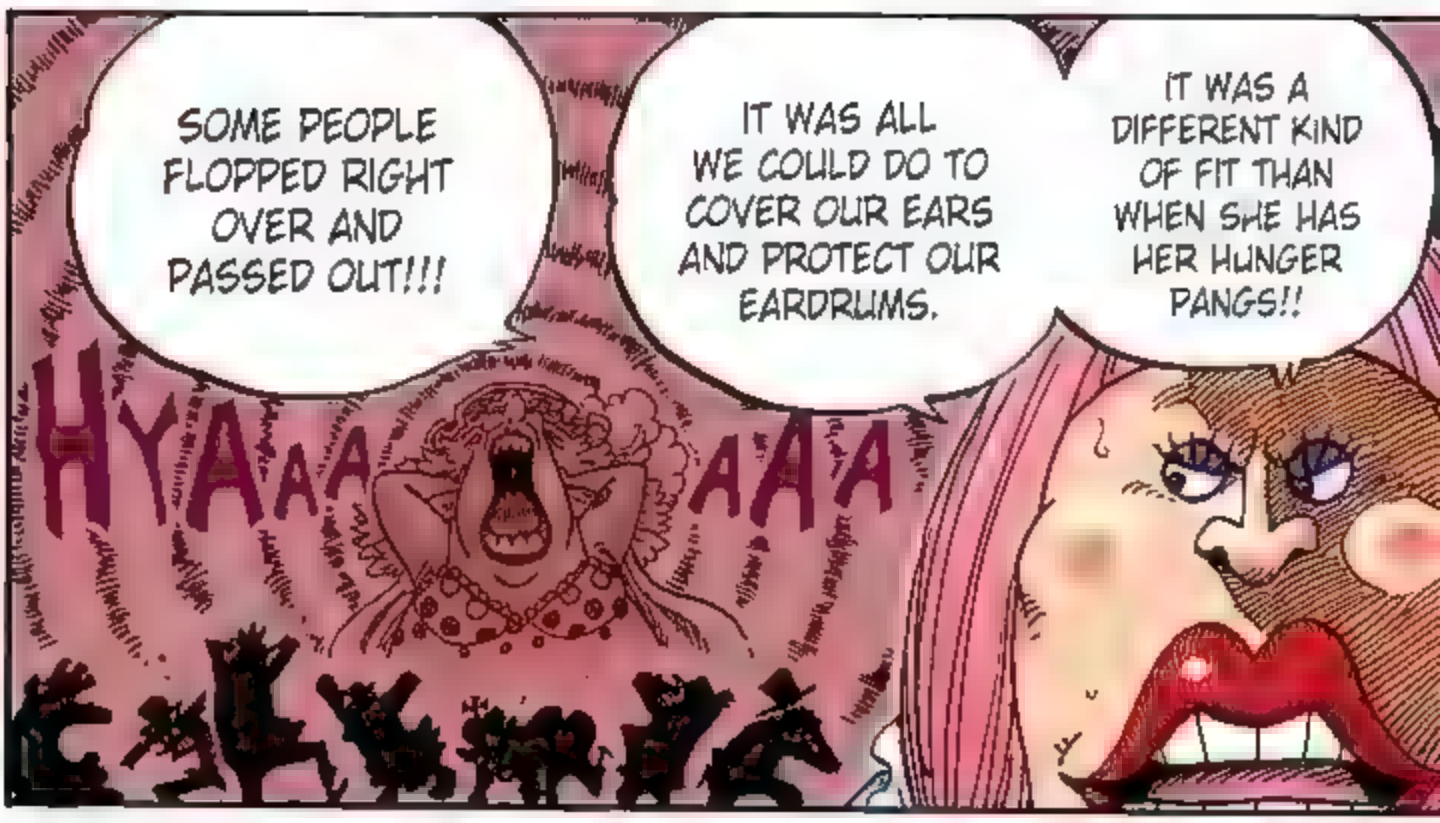
APPARENTLY SHE JUST WENT MISSING. NONE OF THE FAMILY KNOWS MUCH ABOUT HER...



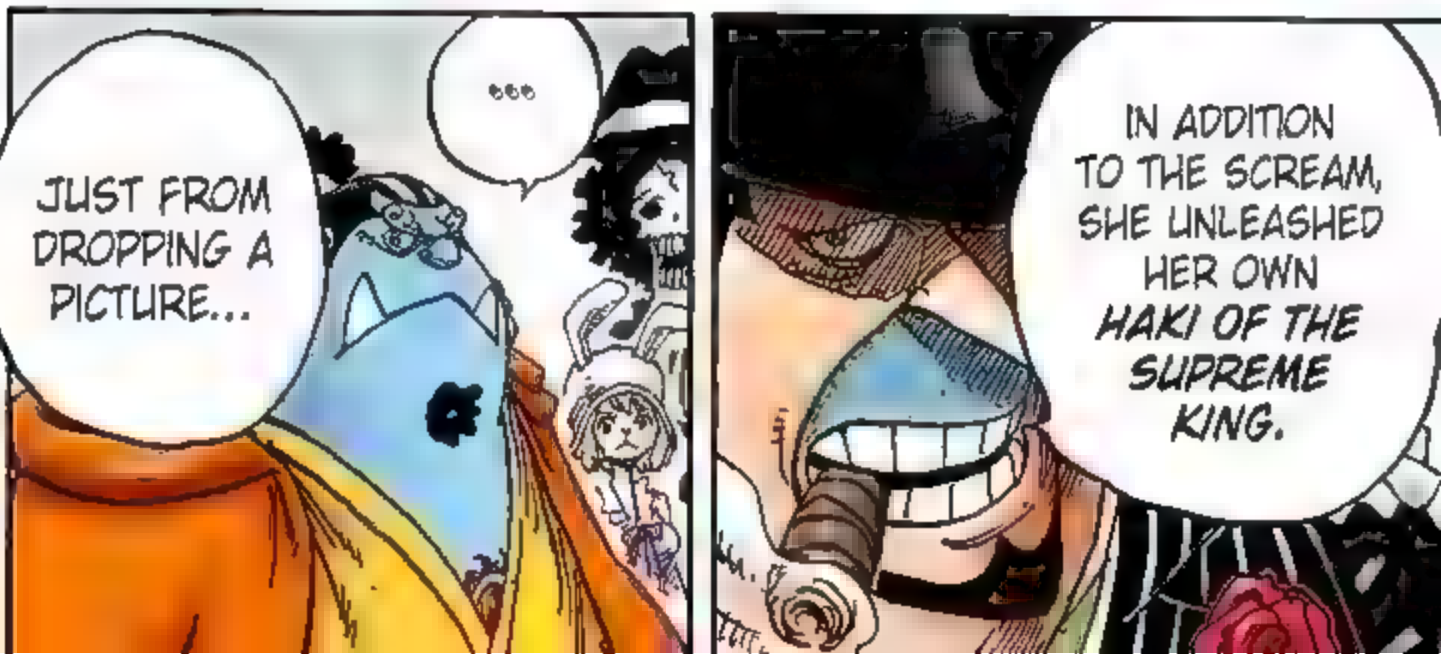
A PORTRAIT OF THE DECEASED?
...
IT SEEMS THAT MAMA OWES HER SOME KIND OF GREAT PERSONAL DEBT...BUT OTHERWISE, SHE IS A MYSTERY.



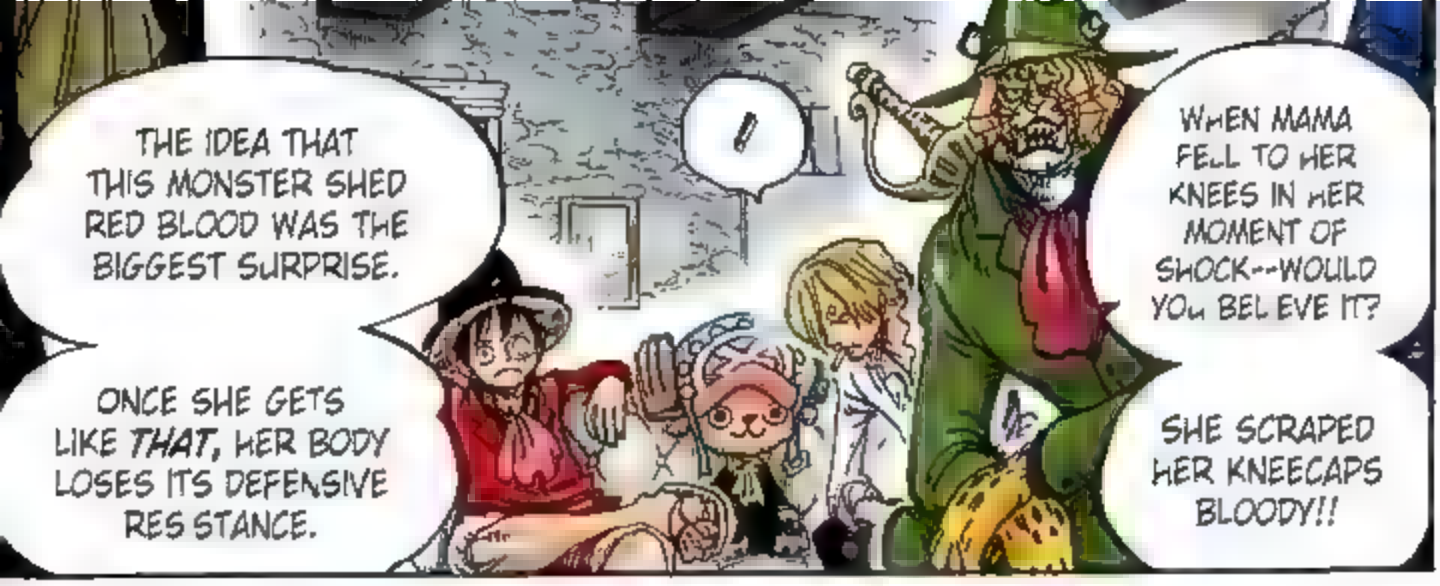
HER FACE WENT PALE, AND SHE LET OUT A TREMENDOUS SCREAM LIKE I'VE NEVER HEARD BEFORE!!
!!
MAMA'S REACTION WAS STUNNING.
...!!
...A WAITER ACCIDENTALLY DROPPED MOTHER CARMEL'S PICTURE.
AT ONE TEA PARTY...
TEK
TEK



SOME PEOPLE FLOPPED RIGHT OVER AND PASSED OUT!!!
IT WAS ALL WE COULD DO TO COVER OUR EARS AND PROTECT OUR EARDRUMS.
IT WAS A DIFFERENT KIND OF FIT THAN WHEN SHE HAS HER HUNGER PANGS!!
HYAAAAAAA

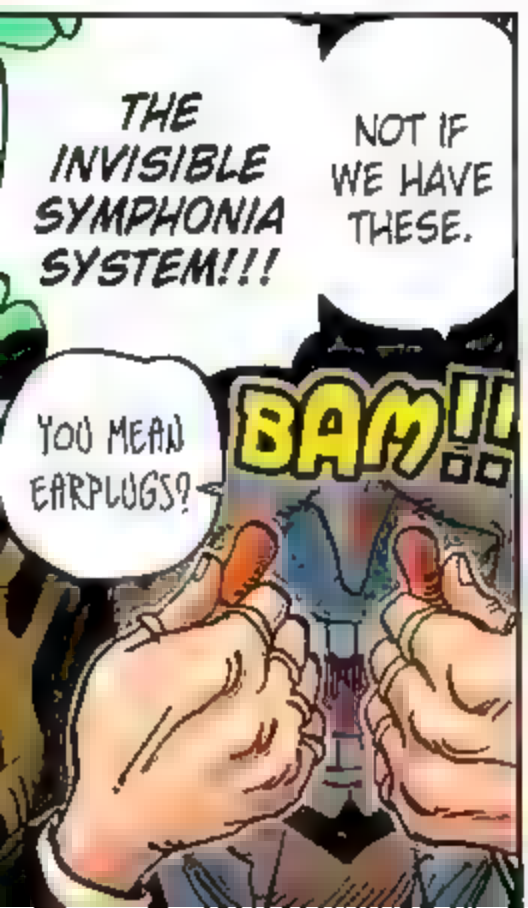


...
JUST FROM DROPPING A PICTURE...
IN ADDITION TO THE SCREAM, SHE UNLEASHED HER OWN HAKI OF THE SUPREME KING.



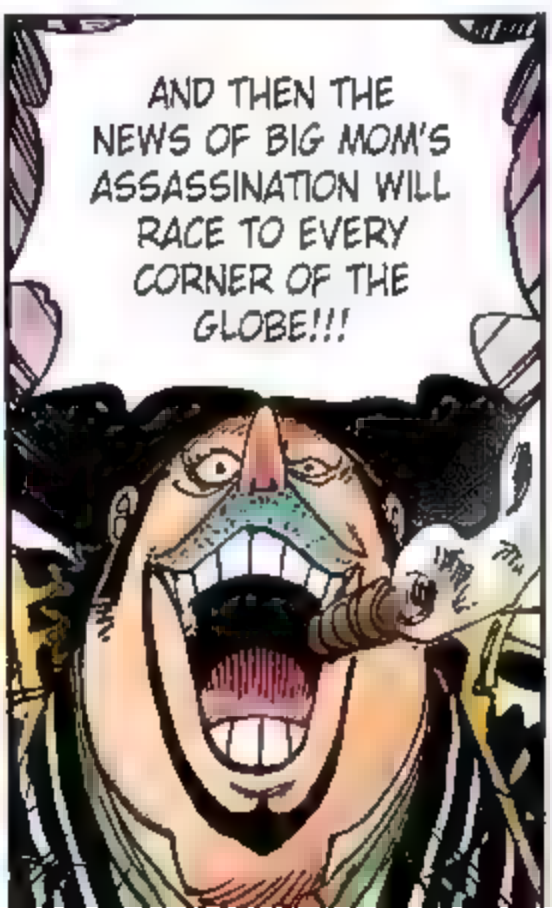
THE IDEA THAT THIS MONSTER SHED RED BLOOD WAS THE BIGGEST SURPRISE.
ONCE SHE GETS LIKE *THAT*, HER BODY LOSES ITS DEFENSIVE RES STANCE.
!
WHEN MAMA FELL TO HER KNEES IN HER MOMENT OF SHOCK--WOULD YOU BELEVE IT?
SHE SCRAPED HER KNEECAPS BLOODY!!

WE'LL HAVE AT LEAST FIVE SECONDS WHERE ALL WILL BE PARALYZED!!
MAMA WILL GROW WEAK!!!
!!
SO WHAT DO YOU SUPPOSE'LL HAPPEN IF WE SPLIT THAT PICTURE IN TWO AT TODAY'S TEA PARTY?!!
AHHHH!!
THAT'S WHEN THE KX LAUNCHER WILL DEPLOY ITS FULL POTENTIAL, AND BIG MOM WILL DIE!!!

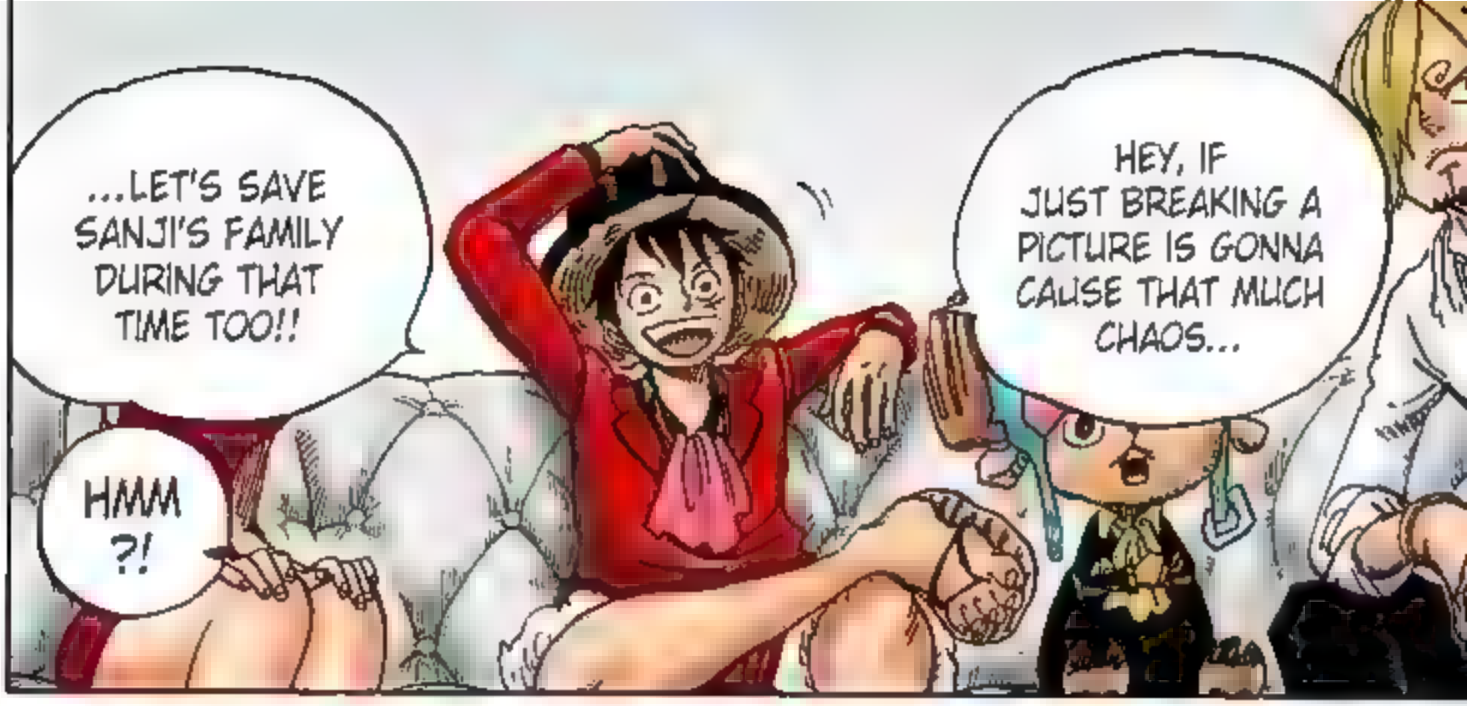


THE INVISIBLE SYMPHONIA SYSTEM!!!
NOT IF WE HAVE THESE.
YOU MEAN EARPLUGS?
BAM!!

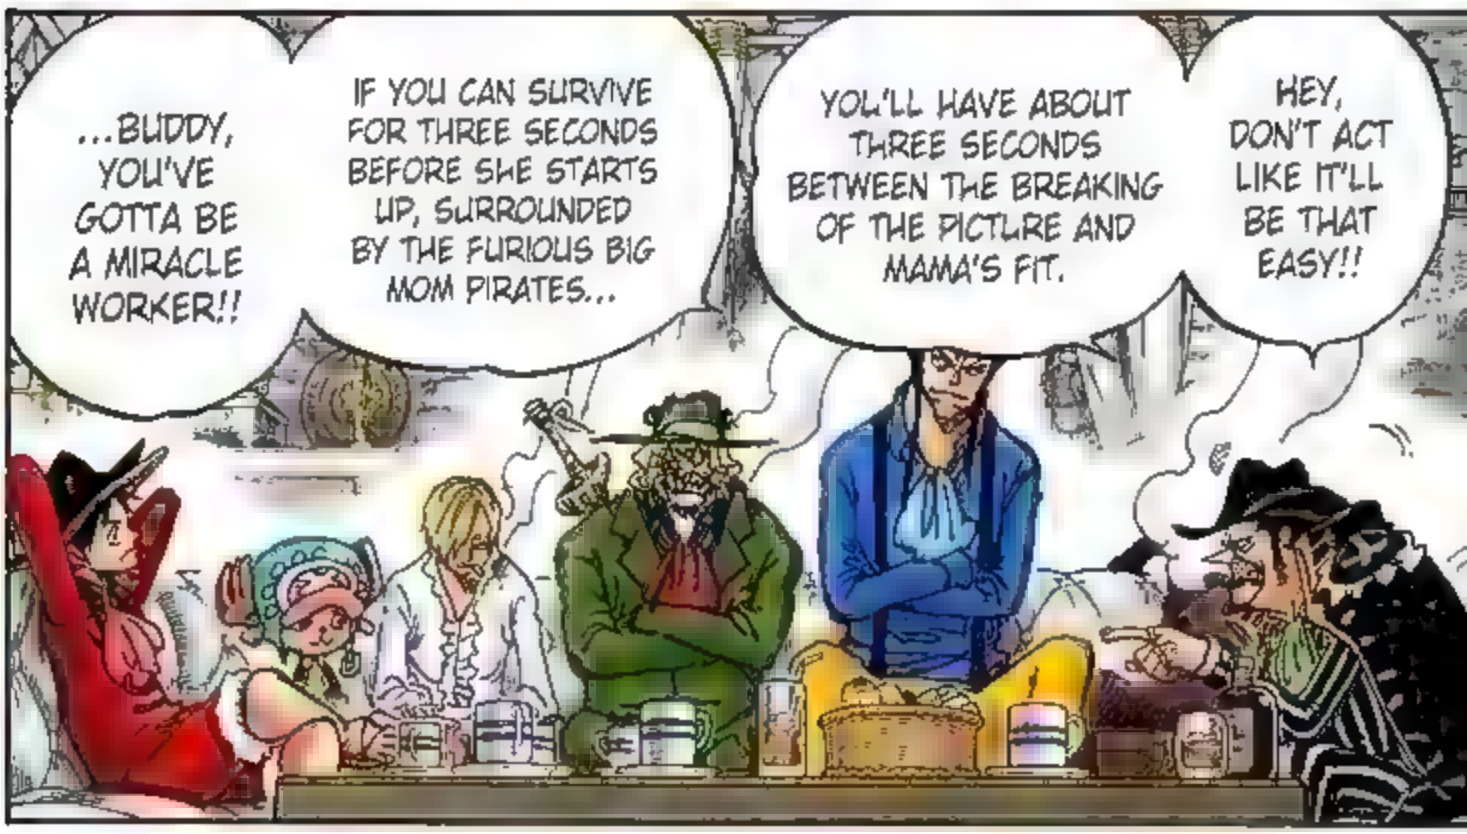
BUT...WHAT ABOUT THE SCREAM? WON'T THAT PARALYZE US TOO?!



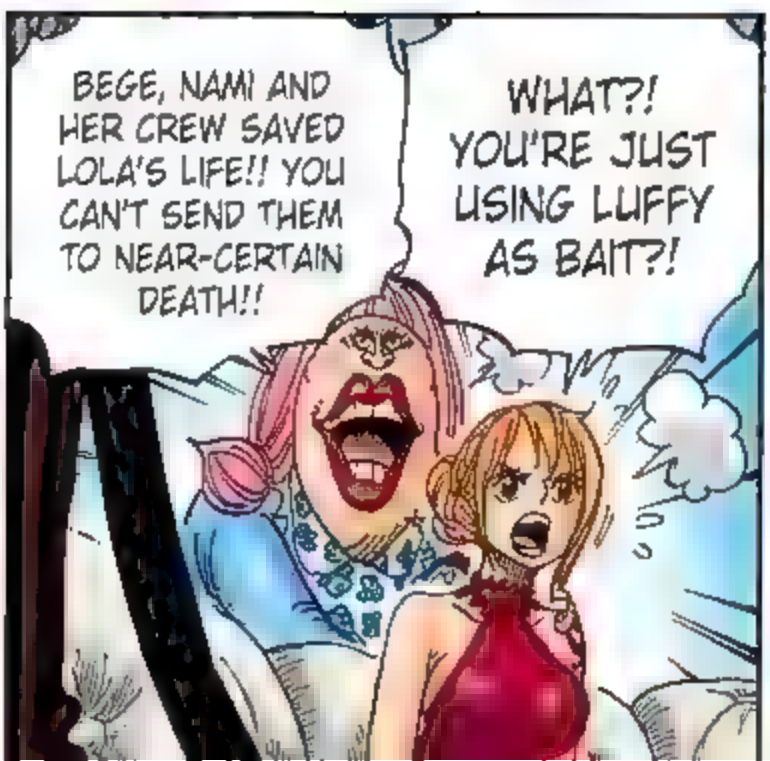
AND THEN THE NEWS OF BIG MOM'S ASSASSINATION WILL RACE TO EVERY CORNER OF THE GLOBE!!!



...LET'S SAVE SANJI'S FAMILY DURING THAT TIME TOO!!
HMM ?!
HEY, IF JUST BREAKING A PICTURE IS GONNA CAUSE THAT MUCH CHAOS...

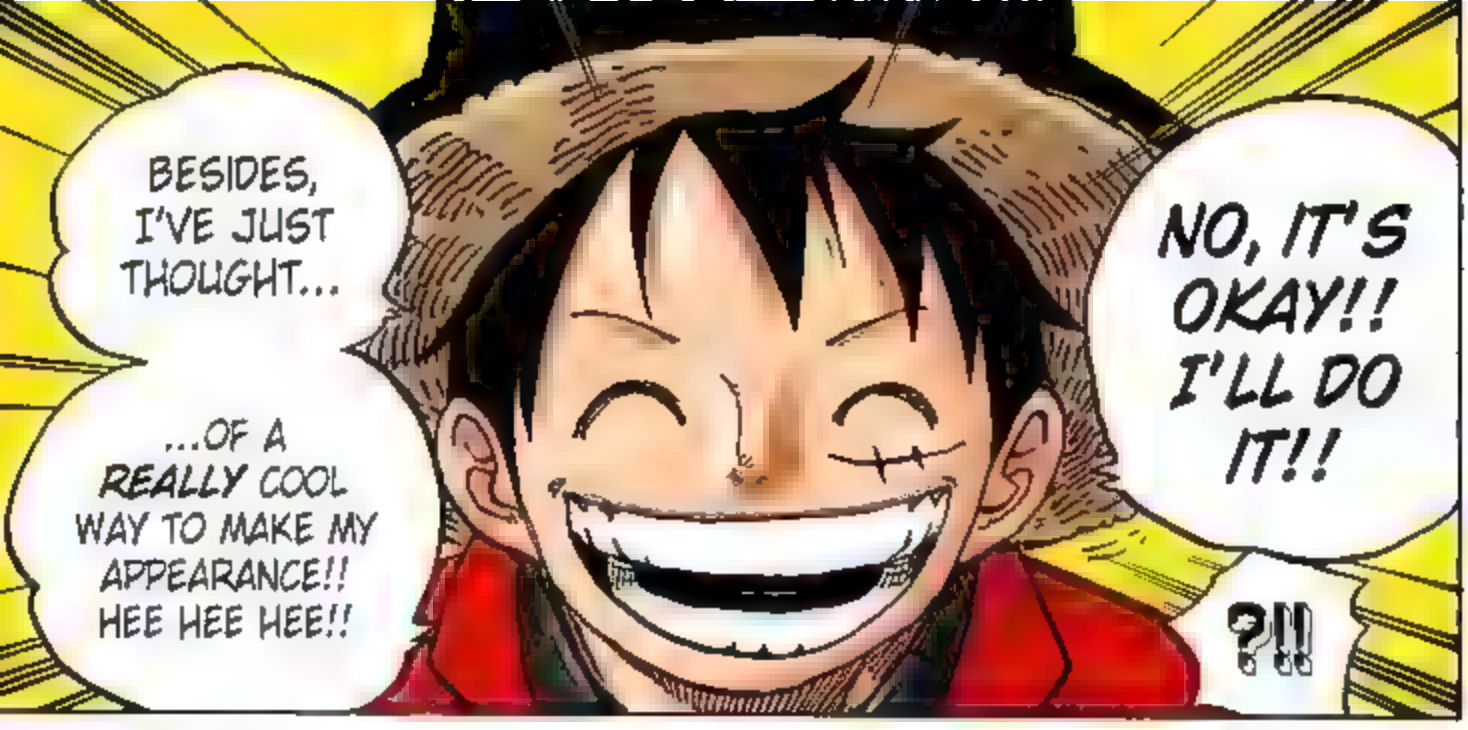


...BUDDY, YOU'VE GOTTA BE A MIRACLE WORKER!!
IF YOU CAN SURVIVE FOR THREE SECONDS BEFORE SHE STARTS UP, SURROUNDED BY THE FURIOUS BIG MOM PIRATES...
YOU'LL HAVE ABOUT THREE SECONDS BETWEEN THE BREAKING OF THE PICTURE AND MAMA'S FIT.
HEY, DON'T ACT LIKE IT'LL BE THAT EASY!!



BEGE, NAMI AND HER CREW SAVED LOLA'S LIFE!! YOU CAN'T SEND THEM TO NEAR-CERTAIN DEATH!!
WHAT?! YOU'RE JUST USING LUFFY AS BAIT?!

GRRGG
AND YOU'RE THE ONE WHO PLAYS THAT ROLE, STRAW HAT!!!
SMIRK!



BESIDES, I'VE JUST THOUGHT...
...OF A REALLY COOL WAY TO MAKE MY APPEARANCE!! HEE HEE HEE!!
NO, IT'S OKAY!! I'LL DO IT!!
?!!

WHEN SANJI SMOOCHES PUDDING, RIGHT?
WELL, YOUR CONFIDENCE IS INSPIRING. DO YOU KNOW WHEN TO DO IT?

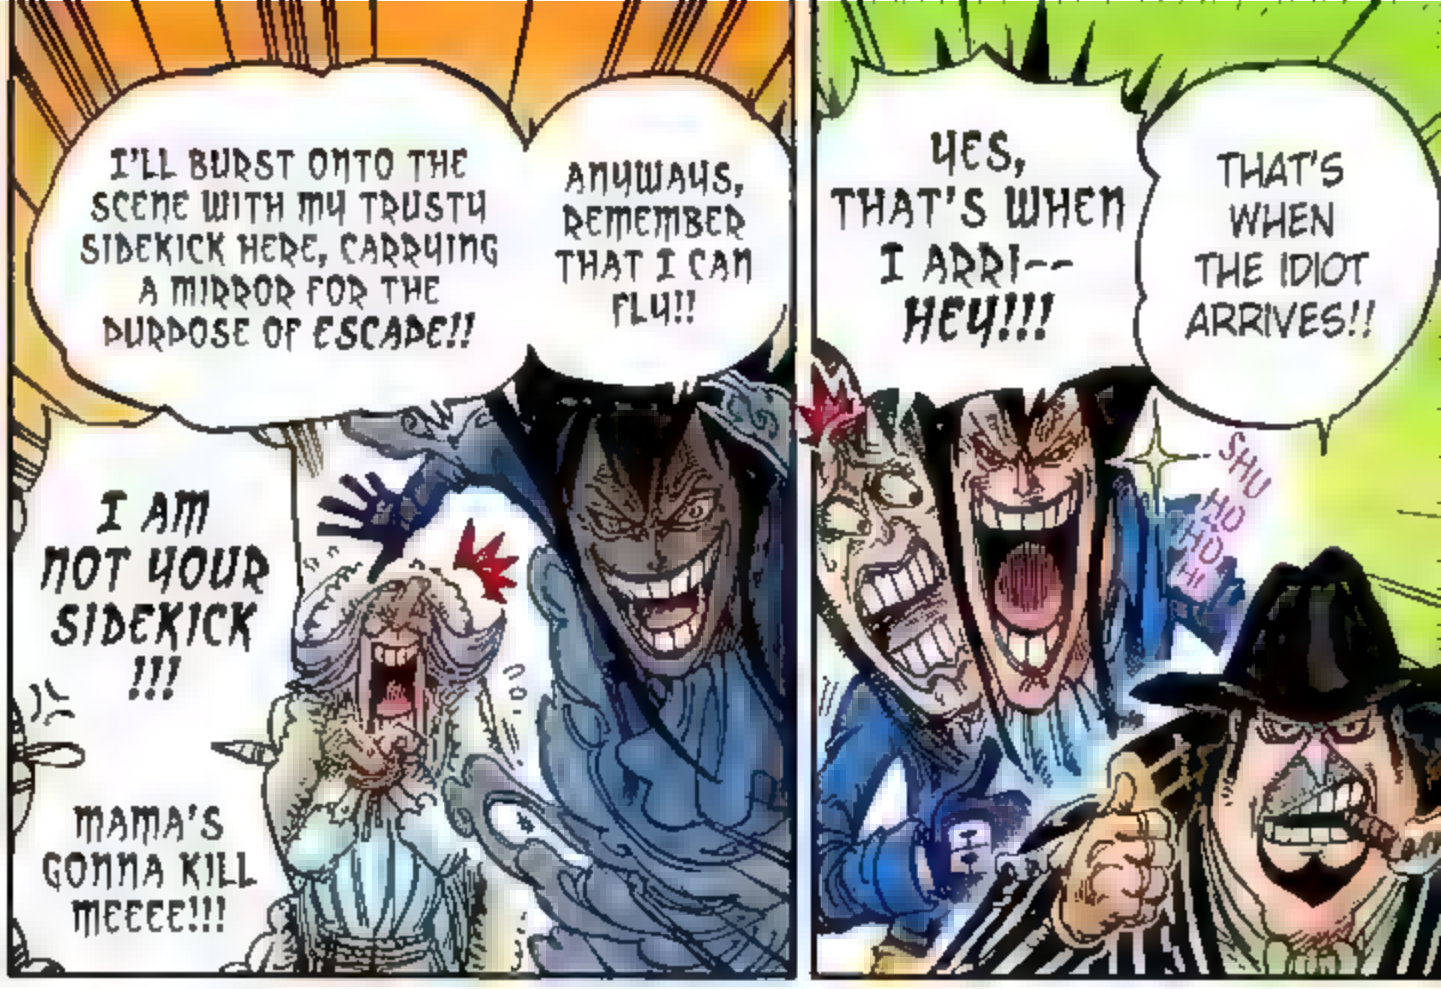
OOOH! WHAT IS IT? IS IT GONNA BE FUN?!

WHILE THE ENTIRE PARTY IS PARALYZED, YOU DO THE SAVING...
AND NOW THAT WE'RE ALL ON THE SAME PAGE--WHEN BIG MOM SCREAMS, THAT'S OUR CUE.
...AND WE'LL DO THE KILLING. IT'S GOT TO HAPPEN WITHIN TEN SECONDS AT MOST.

OH! THAT'S EASY TO REMEMBER!
SHE'S GOING TO SHOOT ME INSTEAD OF DOING THE KISS, REMEMBER? SO INSTEAD, I'LL DODGE, AND THE SHOT WILL BE THE SIGNAL!



I'LL BURST ONTO THE SCENE WITH MY TRUSTY SIDEKICK HERE, CARRYING A MIRROR FOR THE PURPOSE OF ESCAPE!!

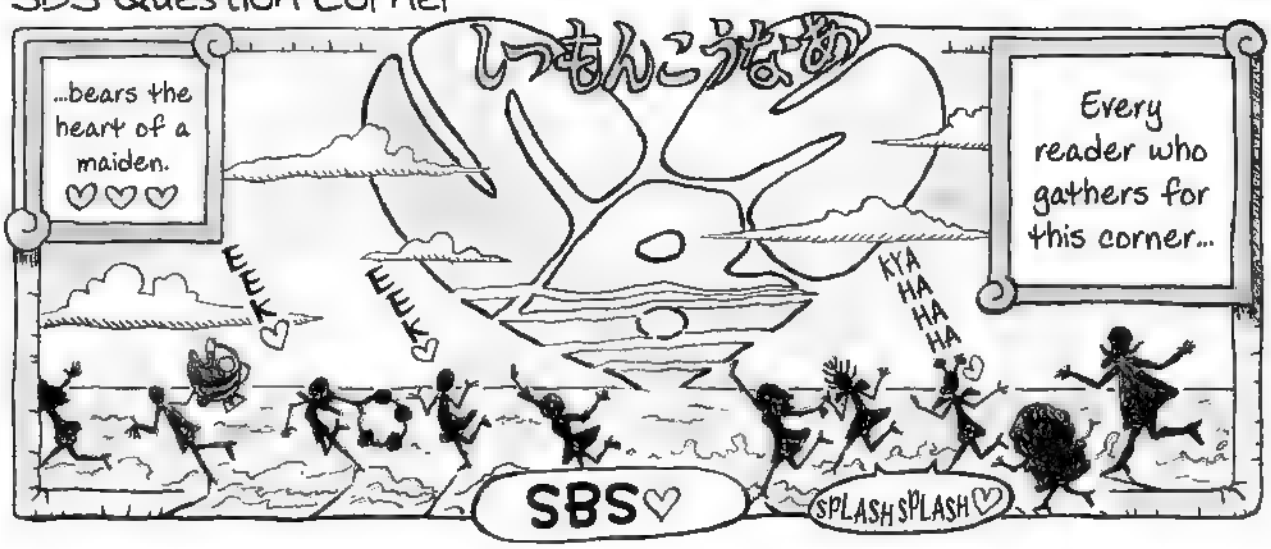
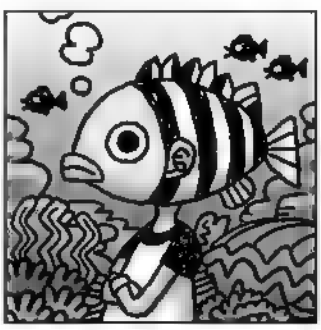
SBS Question Corner

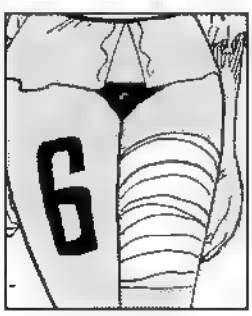


(Igarashi, Oita)

Q: Hello, I'm Eiichiro Oda. I'm here to answer all of your dirty questions. Now, let us begin the SBS. ♡

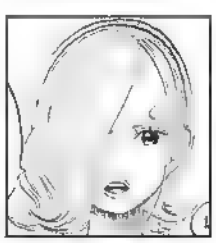


A: Im-pos-ter!!! ⚡ Knock it off!! Stop trying to impersonate me!! I am innocent! The SBS is not a segment for perverted frivolity! It's entirely wholesome! This is the worst intro ever!!



Q: Oda Sensei, I'm sure that you've gotten plenty of letters ever since you revealed Reiju's panties. But don't let it bother you. All of humanity was naked once. If panties are all it takes to get their panties in a bunch, then they need to learn some self-control.

--Heart-Racing Nosebleed



A: Your pen name is the least wholesome thing about this!!! ⚡

Q: Hello, Oda Sensei. In chapter 858, there's a bathing scene for Nami. If the whole family sees this on the anime, it's going to be incredibly awkward… (laughs) What do you suppose I should do?

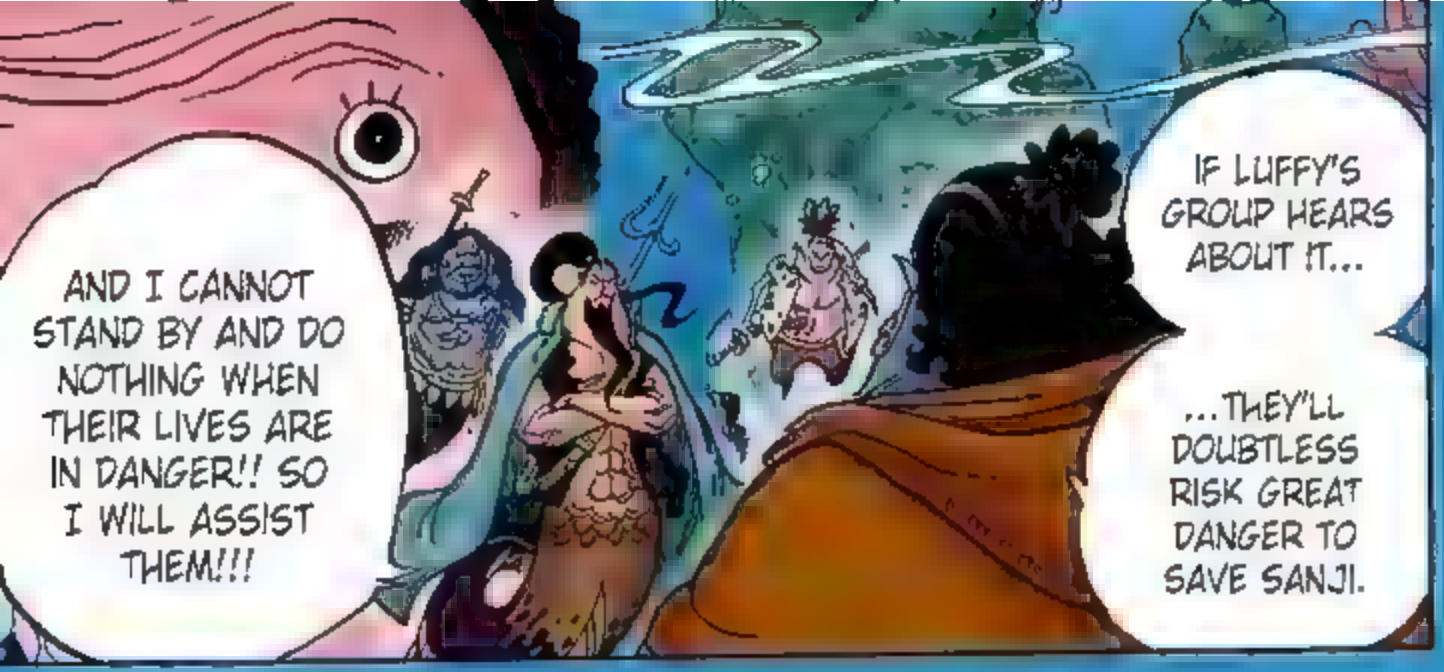
--Sanadacchi

A: Man, what's with all the naughty questions this time?! It's so strange. Okay, listen up, Sanadacchi. All of humanity was naked once! If a bathing scene is going to get you all a-twitter, maybe you just need to learn some self-control!
P.S. I got a heart-racing nosebleed while drawing this scene.

Chapter 860:
10:00 START

REQUEST: "CROCODILE HOLDING AN UMBRELLA OVER A PUPPY SHIVERING IN THE RAIN" BY HIYU MORI FROM HYOGO

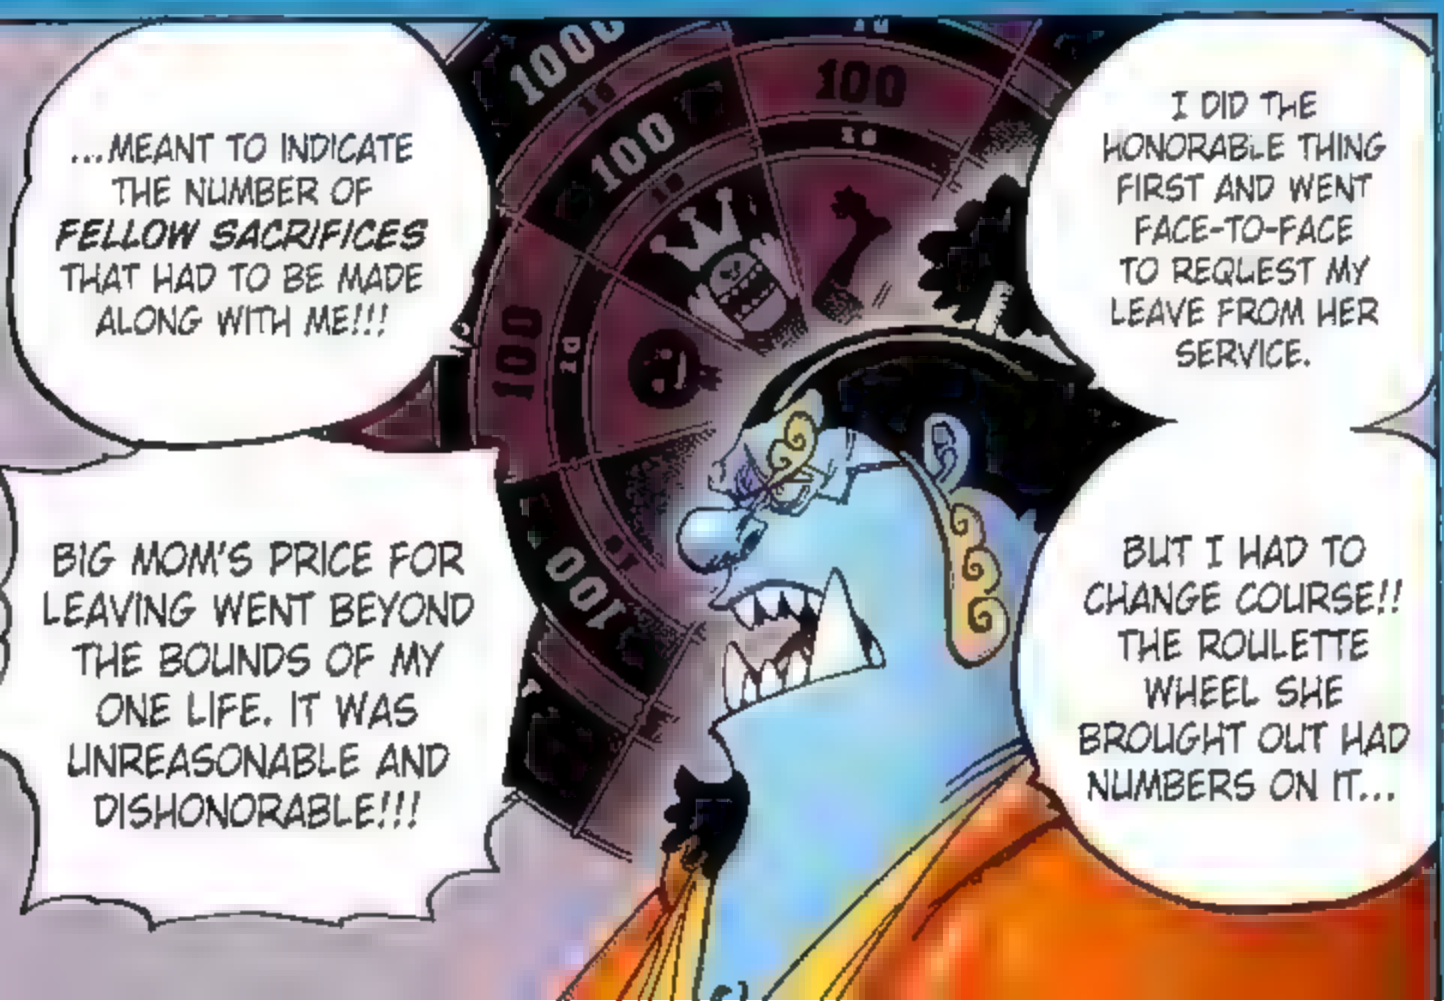
SORRY, PEKOMS... YOU'LL HAVE TO WAIT UNTIL SOMEONE FINDS YOU.
WE'RE LEAVING THE COUNTRY.
HEY, WHERE DO YOU THINK YER GOIN'?! GROWR!!
EASTERN INLET, WHOLE CAKE ISLAND
WHAT DOES SHE SAY AGAIN? "IF YOU LEAVE, YOU DIE."
I CERTAINLY HOPE SHE DOESN'T!!
WHAT'S THE BIG IDEA, HUH?! DOES MAMA KNOW ABOUT THIS?!
...!!
YAMMER
YAMMER
JINBE WAS GRATEFUL, YOU KNOW.
?!
...BUT NOW WE KNOW THAT MAMA HAS HER OWN PLOT TO ASSASSINATE GERMA!
I CANNOT IMAGINE THE PLAN TO ASSASSINATE BIG MOM WILL ACHIEVE ITS EFFECT...
...THAT I WAS ABLE TO HEAR PEKOMS'S STORY JUST NOW!!
IT IS A SHEER MIRACLE ...



AND I CANNOT STAND BY AND DO NOTHING WHEN THEIR LIVES ARE IN DANGER!! SO I WILL ASSIST THEM!!!
IF LUFFY'S GROUP HEARS ABOUT IT...
...THEY'LL DOUBTLESS RISK GREAT DANGER TO SAVE SANJI.

...I WILL BE FOMENTING REBELLION AND BETRAYING BIG MOM!!

IN OTHER WORDS...



...MEANT TO INDICATE THE NUMBER OF FELLOW SACRIFICES THAT HAD TO BE MADE ALONG WITH ME!!!
I DID THE HONORABLE THING FIRST AND WENT FACE-TO-FACE TO REQUEST MY LEAVE FROM HER SERVICE.
BIG MOM'S PRICE FOR LEAVING WENT BEYOND THE BOUNDS OF MY ONE LIFE. IT WAS UNREASONABLE AND DISHONORABLE!!!
BUT I HAD TO CHANGE COURSE!! THE ROULETTE WHEEL SHE BROUGHT OUT HAD NUMBERS ON IT...

...AND THEREFORE, SECURITY IS THIN WITHIN MAMA'S TERRITORY!! AND IF SOMETHING HAPPENS AT THE PARTY...
...ALL ATTENTION WILL BE FOCUSED *INWARD!!* THAT WILL BE YOUR CHANCE TO ESCAPE!!
SO I WANT YOU ALL TO FLEE TO SAFETY!!!
ON TEA PARTY DAYS, THE HORS D'OEUVRE SHIPS FROM EACH ISLAND ARE ESCORTING GUESTS...
NO, YOU DON'T!! I KNOW YOU'RE PLANNING...
...TO GO OUT IN A BLAZE OF GLORY WITH THEM!!!
I KNOW THAT!!
WE HAVE ALWAYS BEEN PREPARED SHOULD IT COME TO THIS...
BUT, JINBE, WE WANT TO HELP *YOU* BECOME FREE!!
THE ONLY DISTINCTION, ALADINE...IS WHETHER I DO THIS *NOW* OR *LATER!!!*
!!
LET US SAY, FOR EXAMPLE, THAT ONE DAY I WILL JOIN THE STRAW HAT CREW.
I WOULD LAY DOWN MY LIFE TO PROTECT MY CAPTAIN, STRAW HAT LUFFY!!

...TO PROTECT YOUR OWN LIFE!! GOT THAT?!
JUST MAKE EVERY EFFORT...
WE'LL TAKE THE SHIP BACK TO FISH-MAN ISLAND!!
FINE. DO AS YOU WILL!!
!
...

I AM. ...!!
YOU'RE WORRIED ABOUT THE RYUGU KINGDOM TOO, AREN'T YOU?
!

GOT IT!!
LET'S GET READY TO SAIL!!
RAAAH!!
HEY! GET BACK HERE, YOU!!
LET US MEET AGAIN, JINBE!!
KNOCK IT OFF!! HOW MANY DECADES HAVE WE KNOWN EACH OTHER?!
I AM SO SORRY TO DO THIS!!!

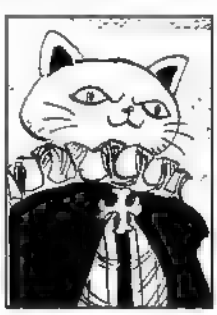
A: Yuck. It's sticky. (Unforgettable quote)

Q: Tell me the name of the big black cat in Hawkins' pirate crew. I can't get over how cute it is. Is that black cat a mink?
--Law's Design Is Cool



A: Umm...black? Black cat? That looks...black to you? Can we just agree that it's a cat? You're right, this cat is a mink. He's a crew member on Hawkins' crew. His name is Faust, and he seems to be a sorcerer...but what kind of sorcery does he command? What kind of saucery does he catmand? (That's a little joke for you folks.)

Q: Hello, Oda Sensei. Whitebeard always wore a bandana around his head. Was he hiding his baldness? Please draw what he looked like underneath.
--Sanadacchi

A: It's like this. According to rumor.

SBS Question Corner

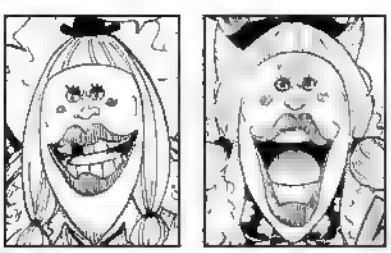
(Hana Usagi, Ibaraki)

Q: Hi, Oda Sensei! I have a request for our talented artist, Carrot. Can she draw a picture of Lola and Chiffon? Thank you! ♀♀

--Kimochi-chan

A: Ah, I see. I'll ask her.

C: Yeah! Sure!



A: Oh...Oh.

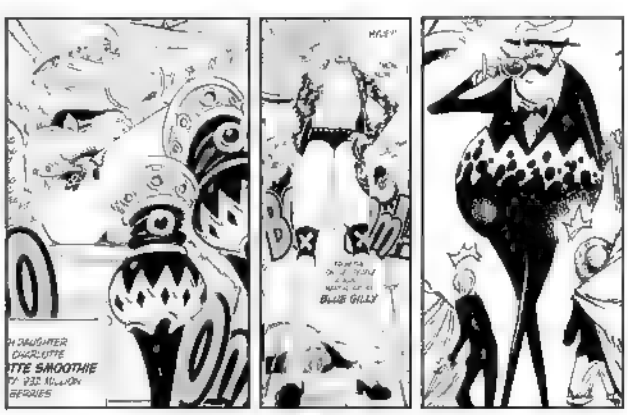
Q: I'm 16 years old, and a huge fan of Charlotte Katakuri. So I have a question--there are some people in Totto Land with very long necks. Are these the Snakeneck people? If I'm right, please use the Germa 66 press tool to stretch out my neck too.

--Minogorilla

A: Ah yes. The Snakeneck people appeared on the slave auction list in the Sabaody Archipelago, but we didn't didn't see them until now. Some of Big Mom's children are snakenecks, even. They're 34th son Mascarpone and 29th daughter Joscarpone. These twins are inseparable.

Q: Is it the style among the Longleg people to get leg tattoos?

--Macchi and Takeshi



A: It is. The Longlegs are very proud of their long and beautiful limbs. As we saw with Blue Gilly back in Dressrosa, it's a fashion choice to have openly visible tattoos on their legs. Baron Tamago does not seem to fall under this type, however.

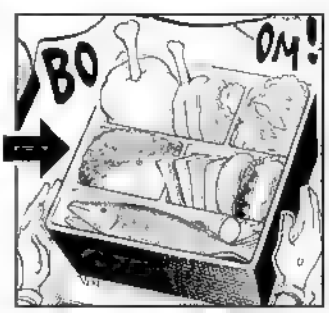
SBS Question Corner

質問コーナー

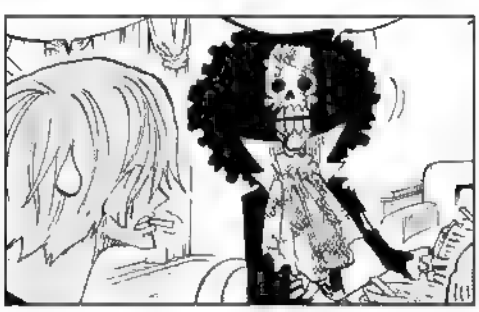
(Fujima, Fukuoka)

Q: On page 28 of volume 85 (chapter 850), you can see the bento lunch that Sanji prepared. When compared to the list of the crew's favorite foods in the SBS section of volume 45, they line up perfectly. However, I just can't figure out what the food is to the left of the sandwich. Is it Brook's favorite, perhaps, since he wasn't in the volume 45 SBS? Can you provide an answer that will swirl my brow?



--OP Girl

A: Ah, good looking out there. It's supposed to be a scene where Sanji's making a lunch for Pudding, and you wonder, "What are you really thinking about, man?!" You're right, he's made all of the crew's favorite dishes. And look at the amounts. This is not a single meal for one lady, Sanji... Here's the menu:
Meat (Luffy), Rice (Zolo), Seasonal fish (Usopp), Pasta (Sanji), Hamburger (Franky), Sandwich (Robin), Tangerine (Nami), Chocolate (Chopper).
As for the dish you couldn't identify, it is Brook's favorite: curry! Brook loves to eat curry, but he makes an absolute mess of it, so Sanji doesn't normally like to make it for him.



Q: Hello, Oda Sensei. The lunch that Luffy eats at the location of his promise with Sanji looks really gross, but Luffy says it's delicious. Is this because his gratitude is the most delicious seasoning of all? I complained about my wife's cooking, and now she doesn't cook for me anymore.

--I Will Only Eat the Food My Wife Cooks

A: That's one of those statements that will cost you your life. You brought it on yourself, buddy.

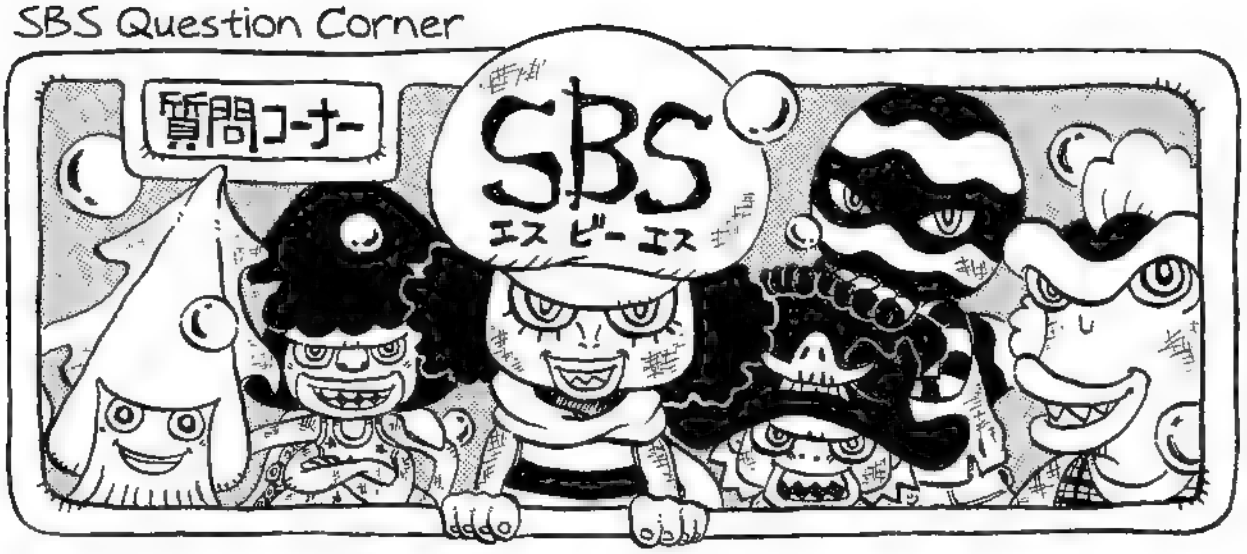
SBS Question Corner



(1 OP, Kanagawa)

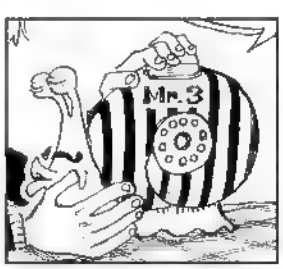
Q: Hi there, Odacchi! I've been a reader since volume 1, and I was noticing that pretty much all the characters of *One Piece,* no matter how they speak, express their gratitude in a straightforward way, with "thank you" or "thanks," but not with alternate sayings like "appreciate it" or "much obliged." Is this an intentional choice on your part?

--Luna

A: Ooh. That's quite an observation to make in the 20th year of the series (laughs). This is indeed an intention of mine. Some of the characters are rather shy about openly admitting their feelings or being polite, like Zolo. From my perspective, people who have to hide it or act cool by twisting their words are actually pretty uncool. So as long as it doesn't totally mess up the flow of dialogue, I always have them just say "Thanks." It's direct and honest. Sometimes the scriptwriters for the anime version will throw in other words and I'll think, "Oh no..." But really, it's not like the people watching would notice, and I don't think it's so important to impose on everyone. It's basically just a personal thing for me. Thanks for noticing!!

Q: Hello, Odacchi! Do the transponder snails have a silent mode? I mean, everyone's got times where they really don't want their phone going off… Can they change the volume on them?

--Uzura



A: Well, transponder snails are living creatures, so it really comes down to training. If you tell it, "Shhh!" and it obeys, then you're in silent mode. As far as volume goes, it's just how well you train and feed them.

Q: I have something to say to my dad.
"Everyone has an equal right to change the channel!!!"

--Naotsu

A: You're still living at home with your parents. I don't know if dependents are strictly equal with grown adults...

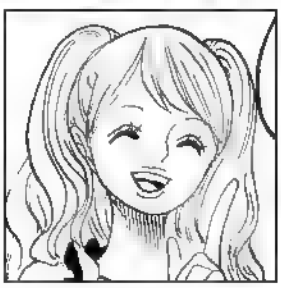
Q: Heso, Odacchi!! Apparently the 25th of every month is "Pudding Day." How about if Charlotte Pudding's birthday is June (*roku* from "Charlotte") 25?

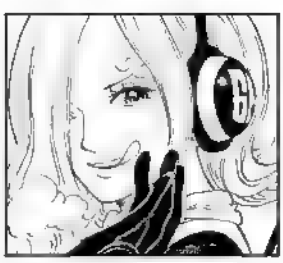
--Dori



A: How about? You want to just "how about" this question? You think you can simply decide the day a person is born that way?! Okay, sure.

Q: I have a matter to discuss with you, Oda Sensei. Can Reiju's birthday be November 30? That would be 11 (*i-i* onna = pretty woman) 3 (*San*-ji's sister) 0 (*Rei*-ju). Let's just assume that it's settled! Thank you very much for agreeing with me!

--The Morio



A: What?! Hang on a second!! Now you listen to me! That's cool.

Q: Hello, Odacchi! I've been trying to come up with very obscure dates for character birthdays, to help fill in the calendar. Sorry that there are so many.

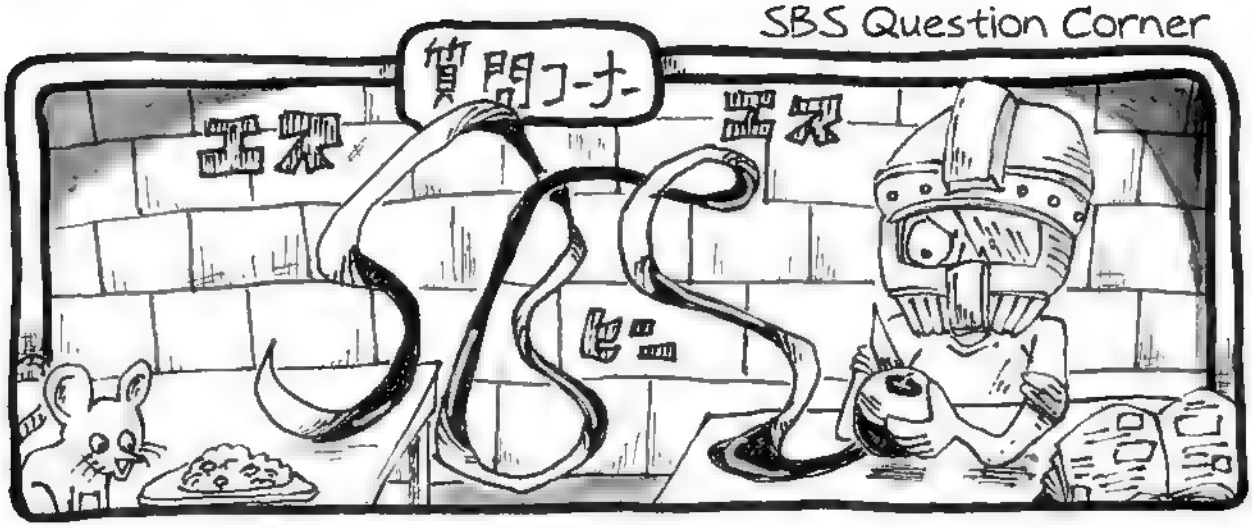
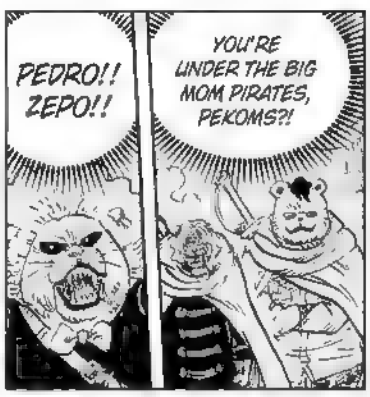
SBS Question Corner



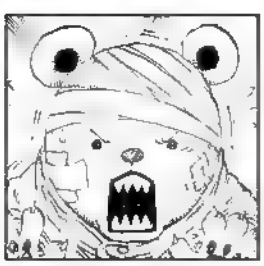
(Hayato Asami, Kanagawa)

Q: Hi, Oda Sensei! My question is about Bepo's distant brother that you mentioned in volume 84's SBS segment. Is that the Zepo who appeared in chapter 850? Or is it just an un-bear-able coincidence?

--Haru Mihashi



A: They do look alike! You're correct. Pedro's Nox Explorers were pursued by the government for searching for Poneglyphs, which turned them into the Nox Pirates. That was about 15 years ago. Bepo loved and admired his older brother Zepo. He descended the elephant to gaze at the sea, and ended up getting washed over to the North Blue, where he met Law. Meanwhile, Pekoms took all the Nox Pirates who were unable to continue due to injury or lack of will, leaving just Pedro and Zepo at sea. Pekoms' group wound up in Big Mom's territory, which saved their lives and gave them a new master to serve. Pedro and Zepo ultimately set their sights on Big Mom's Poneglyphs after five years of searching, which led to their reunion with Pekoms.



Q: I really want to see Charlotte Linlin at ages 28 and 48. Can you help with that?

--M Natsuo

A: Here you go.

Oh, it's time! The SBS is over! See you next volume!!

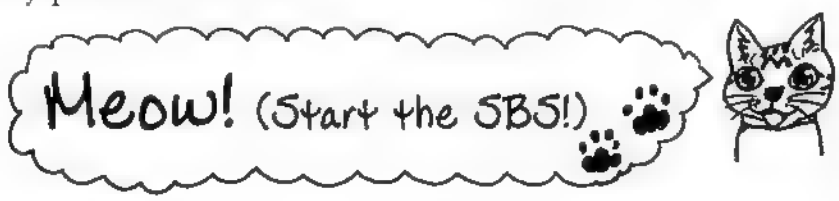
Q: I've always been an animal lover, so I was super excited when the minks showed up! As a sign of my gratitude, I have a message from my pet cat…



--Y, born in the year of the arabesque-patterned rabbit

A: I can't believe this!! Even a cat is starting this segment before me!!

Q: Hi there, Odacchi!!! Bege's kid sure looks a lot like him, and he's even got what looks like stubble above his lip. Is that baby already shaving? And what does this mean for his, uh...body hair? If he's got, um…you know…then does Chiffon get really grossed out when she changes his diapers?

--Portgaz D. Ayana

A: First of all, Chiffon is not going to have any problem with it. She's his mother! Now, as for Pez's little triangle under his nose... Well, the most natural answer is probably...a tortilla chip? It certainly looks like a mustache. As for your question, the answer is...drum roll please!
Drrrr-he's-rrrr-got-rrrr-facial-rrrr-and-rrrrrr-pubichair-rrrrrrr...
I'm not telling you the answer!!

Q: Can I lick Smoothie's legs? That's what Chamoro Shimizu asked me to say.

A: That sick bastard!!

Q: Draw more fanservice!! *Growr!!* That's what Chamoro Shimizu asked me to say.

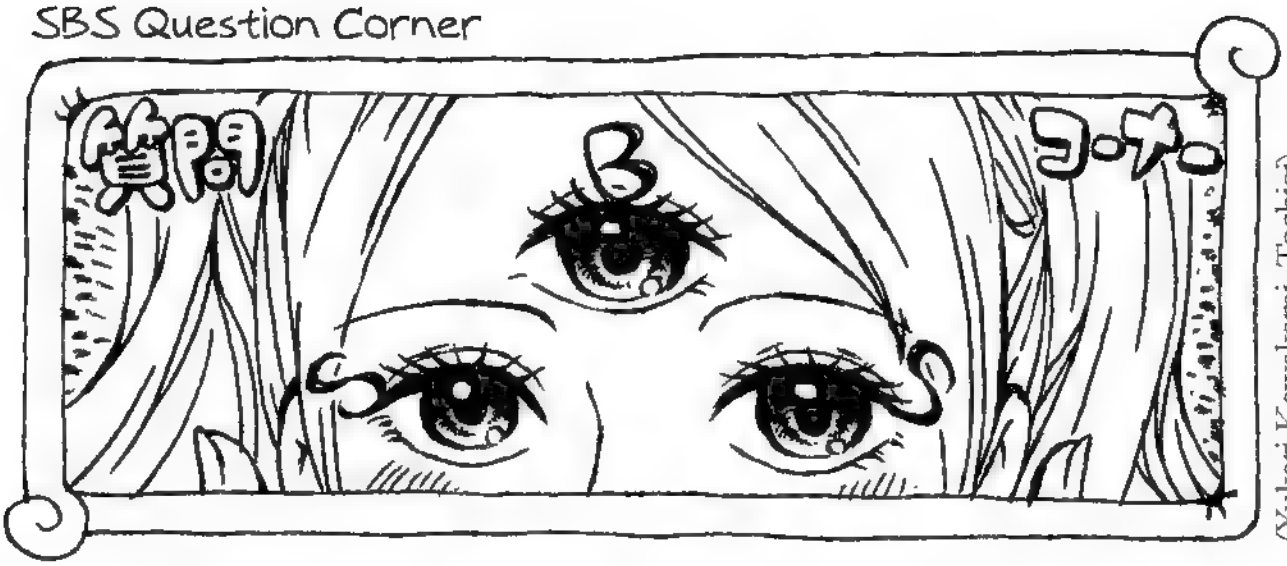
SBS Question Corner



(Yukari Kawakami, Tochigi)

Q: Hiya, Odacchi! After that scene in Chapter 858 when Luffy and Brook fixed their teeth by drinking milk, I was wondering: do **all** of the Straw Hats repair their teeth with milk?

--Makizo

A: They sure do.
*Please visit the dentist, boys and girls. Luffy and his friends are weird.

Q: What is the name of Red-Haired Shanks's sword?

--Kooshi

A: Apparently it's called "Griffon." We've known Shanks ever since the very first chapter, but how does he actually fight?

Q: Hello, Mr. Oda!! Vinsmoke Judge and Sanji both have blond hair. So does that mean the other four Vinsmoke children dyed their hair when they were young? Or is it a "bloodline elements" thing?

--Kunlun Pretzel

A: This question came from overseas. It's strange that the siblings all have different-colored hair, isn't it? But it seems you already figured out the answer. This was due to the bloodline element manipulation. Because it didn't work on Sanji, he was the one who ended up with the same hair as his parents.

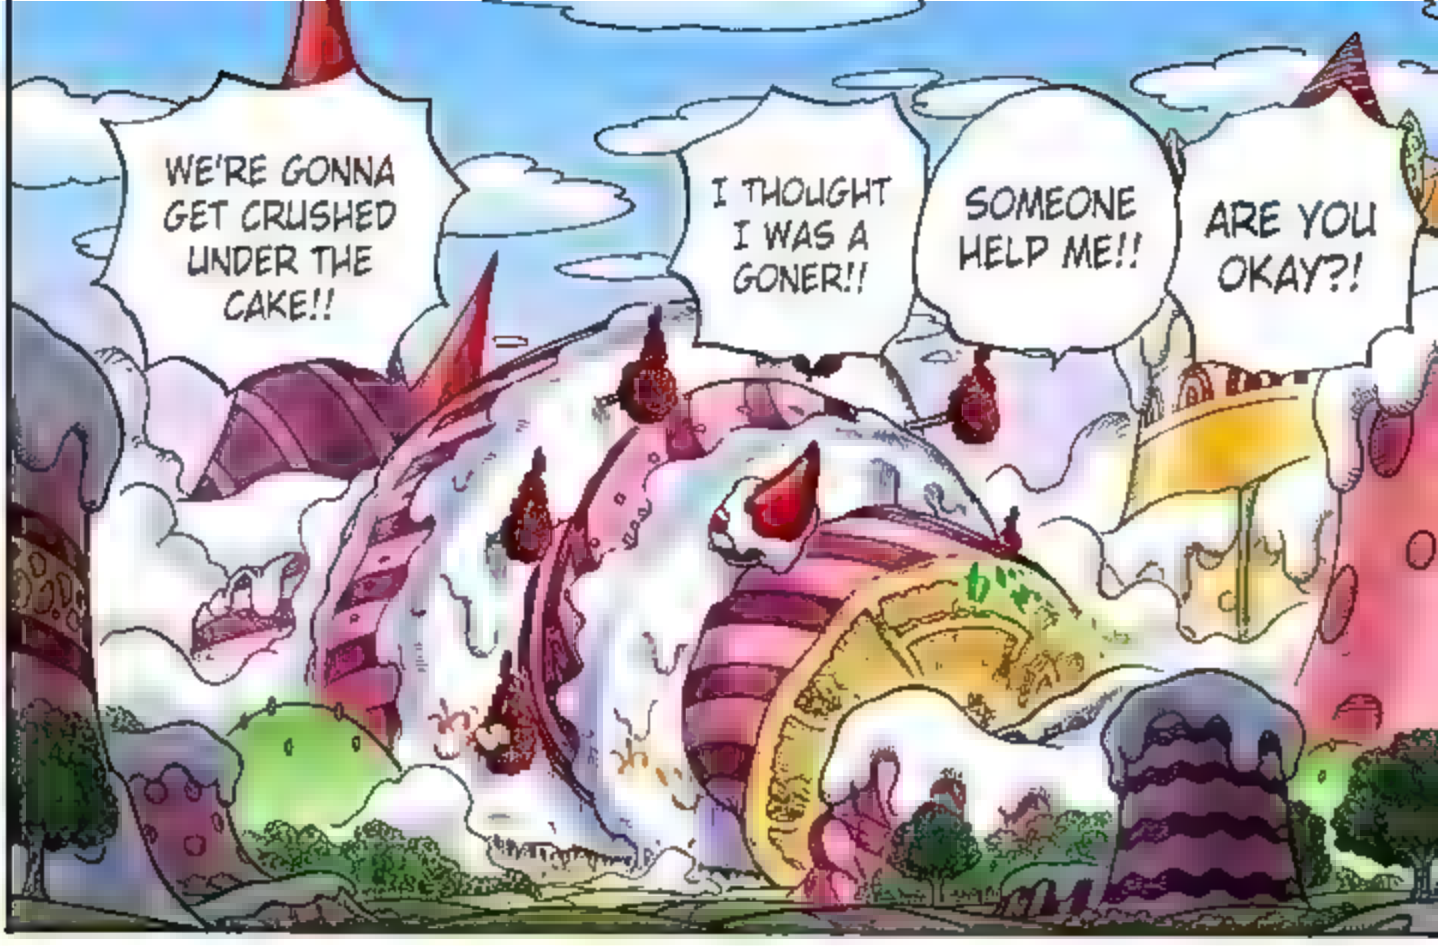
Q: I still love Pudding, even after I found out about her true nature.

--Cuteness Is Everything

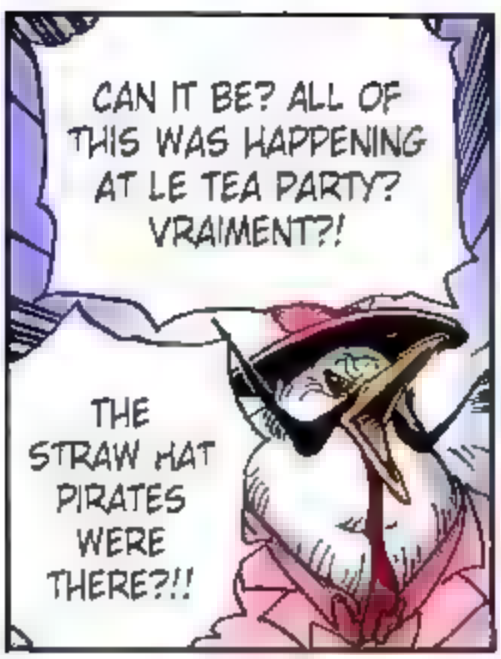
A: So you've chosen the path of thorns. Witness the tragic fate of man.

Chapter 873:
RECIPE FOR DISASTER

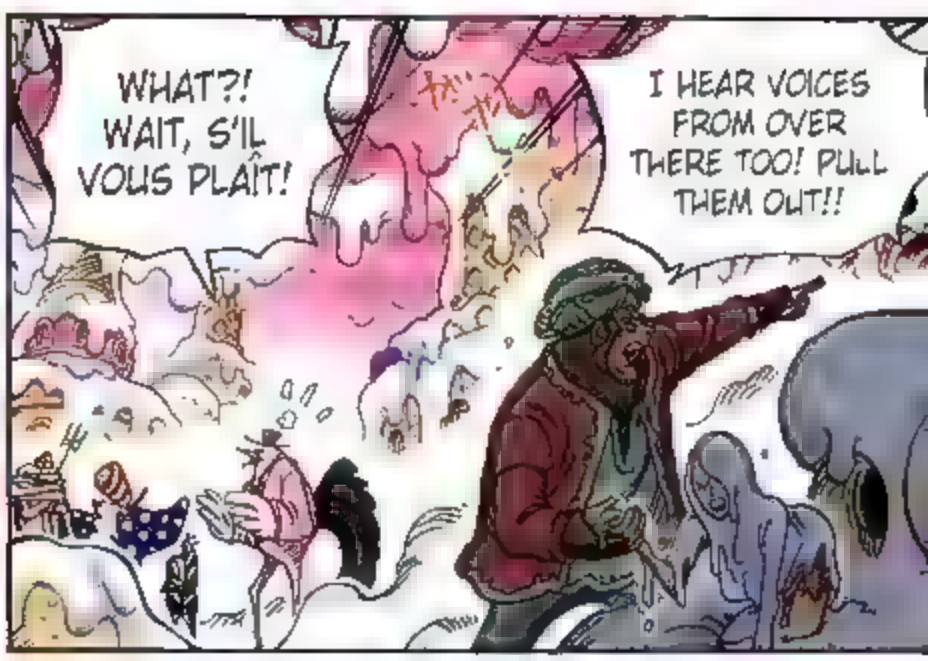
THE SAGA OF THE SELF-PROCLAIMED STRAW HAT FLEET, VOL. 9, BARTOLOMEO: "WE'RE OFFERING ALL CITIZENS A HALF-OFF SALE ON STICKERS, SO ACT NOW AND...WHAT...?"



WE'RE GONNA GET CRUSHED UNDER THE CAKE!!
I THOUGHT I WAS A GONER!!
SOMEONE HELP ME!!
ARE YOU OKAY?!



CAN IT BE? ALL OF THIS WAS HAPPENING AT LE TEA PARTY? VRAIMENT?!
THE STRAW HAT PIRATES WERE THERE?!!



WHAT?! WAIT, S'IL VOUS PLAÎT!
I HEAR VOICES FROM OVER THERE TOO! PULL THEM OUT!!

...AND ON TOP OF THAT, BEGE BETRAYED US AND ACTUALLY PLANNED TO ASSASSINATE MAMA!!!
OUR PLAN TO WIPE OUT THE VINSMOKES FAILED...
YEAH, IT WAS A DISASTER! THE WEDDING AND THE CAKE ARE RUINED!!
...!!

...AS TO WHAT THAT EXPLOSION WAS ABOUT.
BUT IT'S STILL AN ABSOLUTE MYSTERY...
ELDEST DAUGHTER OF CHARLOTTE

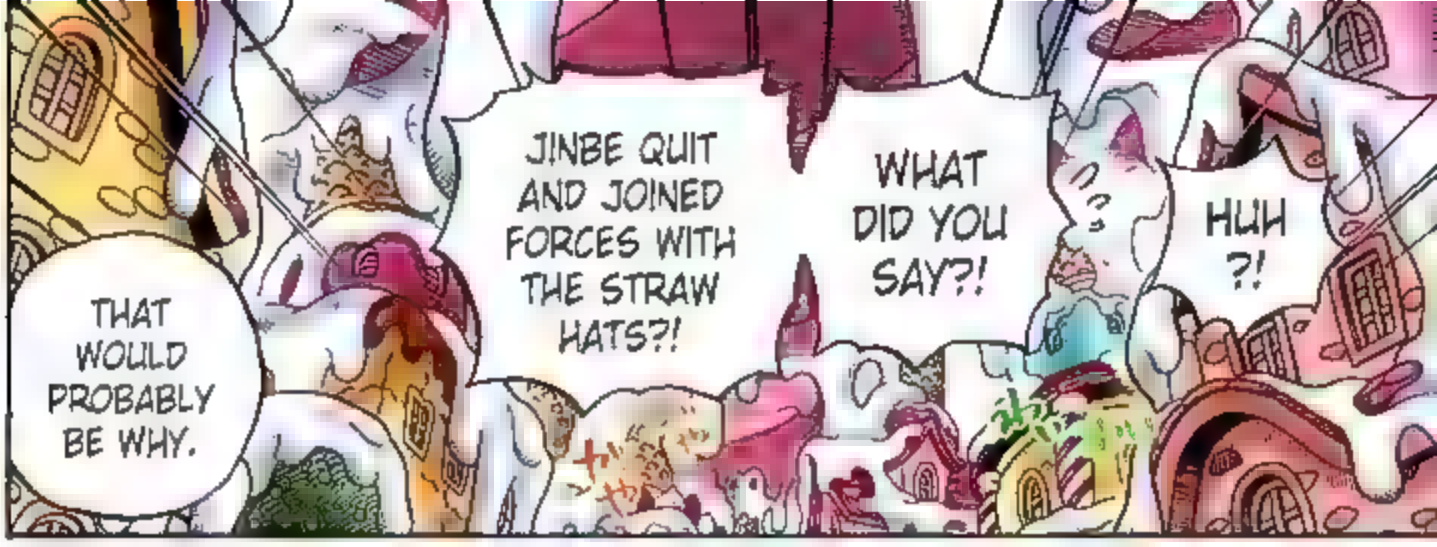
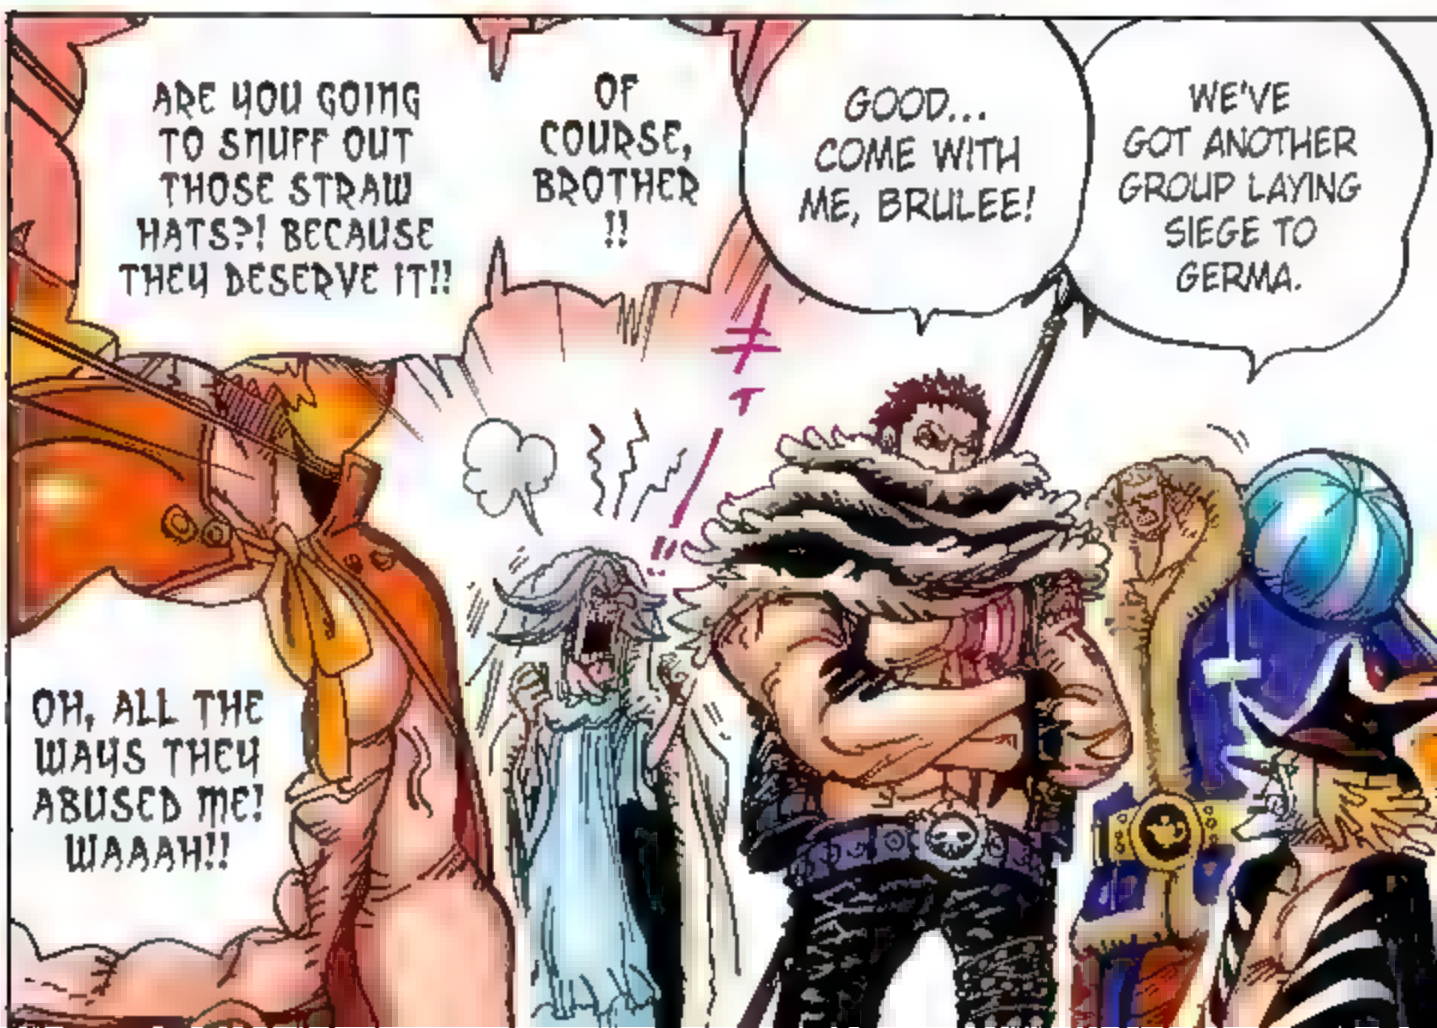
TO THINK THAT I ACTUALLY PUT LE TRUST IN YOU!!
CURSE YOU, BEGE!!
...ALL OF OUR MEANS OF CONTACT WITH LE FÊTE WERE BLOCKED!
DURING LE TEA PARTY...
BET THAT WAS DUE TO BEGE'S SABOTAGE.
BUT AT LEAST WE HAVE SOLVED ONE MYSTÈRE!
SO THAT'S UNLIKELY.
IF THEY DID THAT, IT WAS SUICIDAL. THEY WERE ON THE ROOFTOP WITH US!!
PEKOMS ?!
THAT'S RIGHT, THEY RAN OUT ON US! GROWR!!
ガオ!!
THE FISH-MAN PIRATES ALL PACKED THEIR BAGS AND HIT THE ROAD!! WHAT WERE THEY THINKING...?
AH, OUI! OVER ON THE EASTERN COAST WHERE THEY HAD BEEN STAYING, THE PIRATES OF LE SUN...
WAS THERE SOMETHING YOU NEEDED TO REPORT?



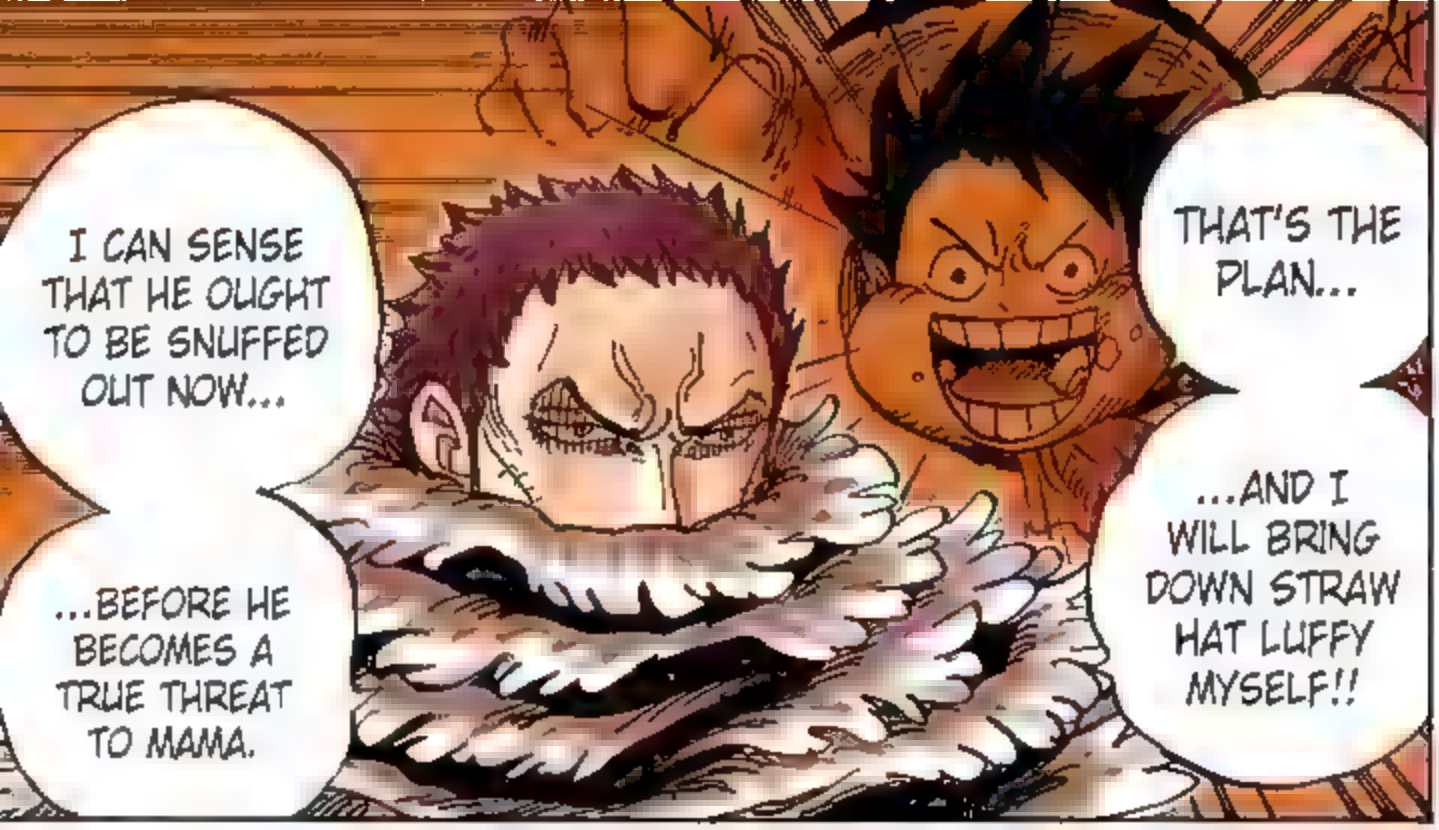
THAT WOULD PROBABLY BE WHY.
JINBE QUIT AND JOINED FORCES WITH THE STRAW HATS?!
WHAT DID YOU SAY?!
HUH ?!

KATAKURI! WE'VE ALREADY SENT TROOPS AFTER STRAW HAT AND BEGE!!

THAT SOUNDS LIKE JINBE. VERY THOROUGH STRATEGY...
...SO HE TOOK BACK HIS REQUEST TO LEAVE TEMPORARILY, IN ORDER TO GIVE HIS COMRADES TIME TO ESCAPE.
HE KNEW THAT MAMA'S RAGE WOULD SPREAD...



ARE YOU GOING TO SNUFF OUT THOSE STRAW HATS?! BECAUSE THEY DESERVE IT!!
OF COURSE, BROTHER !!
GOOD... COME WITH ME, BRULEE!
WE'VE GOT ANOTHER GROUP LAYING SIEGE TO GERMA.
OH, ALL THE WAYS THEY ABUSED ME! WAAAH!!



I CAN SENSE THAT HE OUGHT TO BE SNUFFED OUT NOW...
...BEFORE HE BECOMES A TRUE THREAT TO MAMA.
THAT'S THE PLAN...
...AND I WILL BRING DOWN STRAW HAT LUFFY MYSELF!!

ALL THOSE LEGENDARY INGREDIENTS WE PLUNDERED FROM OTHER COUNTRIES ARE GONE!!

AND TO MAKE MATTERS WORSE...
...MAMA DIDN'T EVEN GET TO TASTE A BITE OF THAT CAKE FIRST, PERORIN!♪

THIS IS BAD. AT THE VERY LEAST, SHE'LL DESTROY THE ISLAND...
WHO IS GOING TO BAKE THAT FOR HER?!!

WANT ME TO COME TO THE RESCUE?!

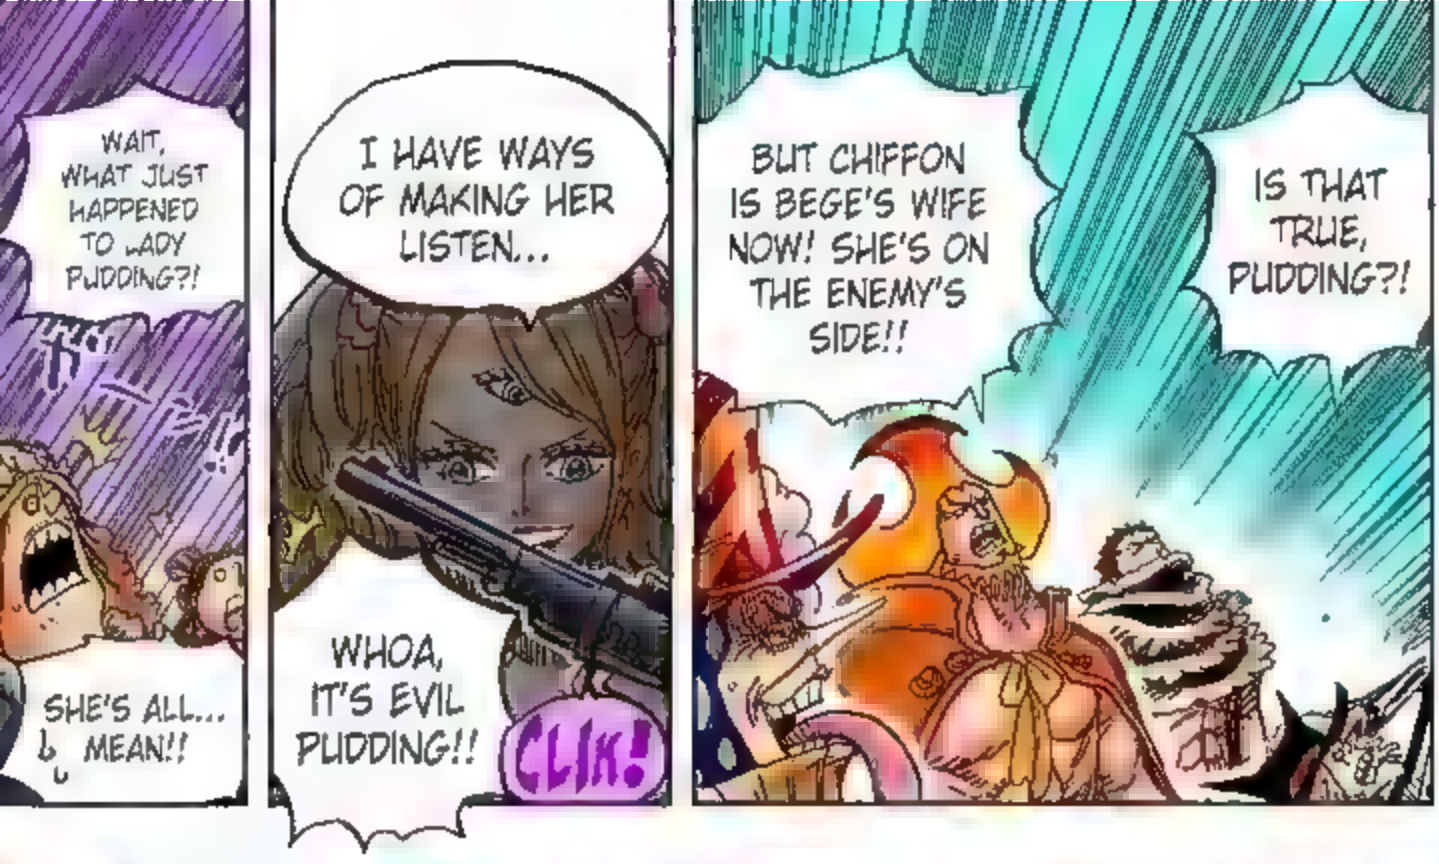
OH! LADY PUDDING!!



WAIT, WHAT JUST HAPPENED TO LADY PUDDING?!

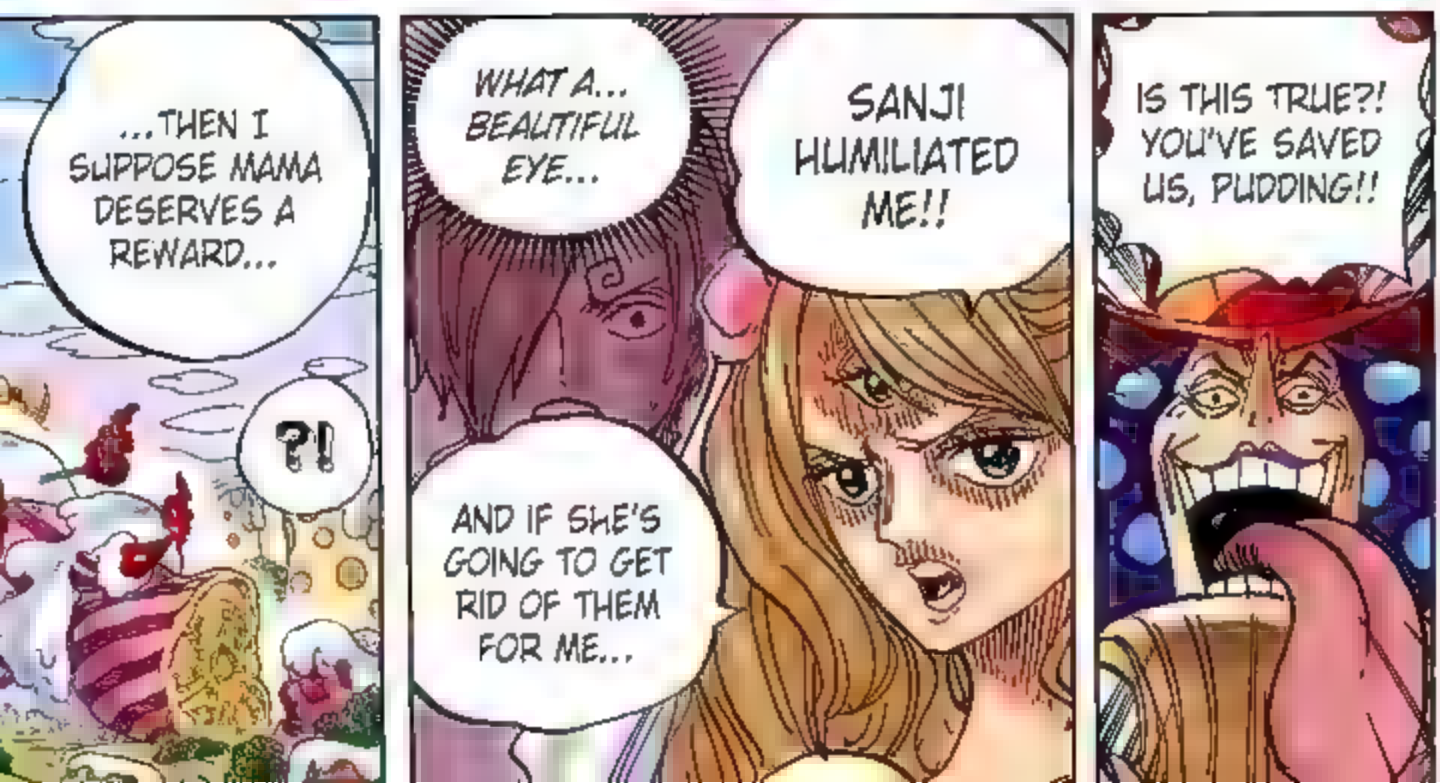
I HAVE WAYS OF MAKING HER LISTEN...
WHOA, IT'S EVIL PUDDING!!
CLIK!
BUT CHIFFON IS BEGE'S WIFE NOW! SHE'S ON THE ENEMY'S SIDE!!
IS THAT TRUE, PUDDING?!

BROTHER PEROS, IF MAMA WIPES OUT THE STRAW HATS...
...GUIDE HER TO CHOCOLAT TOWN, AND I'LL CALM HER DOWN!!
AS A MATTER OF FACT, THE INGREDIENTS FOR THE CAKE WERE STORED AT CHOCOLAT TOWN...
...ON CACAO ISLAND IN OUR TERRITORY! WE HAVE A BACKUP STORE OF MATERIALS!



...THEN I SUPPOSE MAMA DESERVES A REWARD...

Q: Oda Sen…I mean, Odacchi! After reading Volume 86 I became a huge fan of Katakuri. But in Chapter 873, Daifuku (3rd son) refers to Katakuri (2nd son) as just "Katakuri," without the "Brother" honorific. Why did he do that? Are they just twins who don't look like each other? Why is Katakuri the only one who isn't a Minister? Tell me his age and height too!!

--Charlotte Yurie

A: Wow, that's a storm of Katakuri questions! Very perceptive of you to suspect that Daifuku is his twin. As a matter of fact, they're 48-year-old triplets!

C. Katakuri

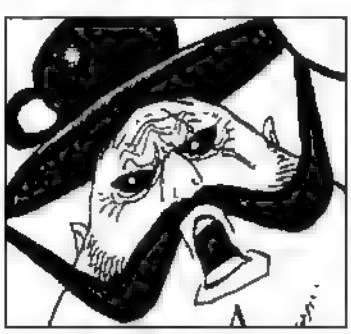
There are 34 ministers for 34 islands. All of them are Big Mom's children, naturally, and I have them all written down, but I'm currently debating whether I should put all that info out there or not. There's just a ton of background info. And most of it is totally pointless. (laughs)

Q: So once Baron Tamago's Egg-Egg Fruit evolves him into Count Niwatori, how does he go back into egg mode?

--Match and Takeshi



A: Like this. But which came first, the egg form or the chicken form? Nobody knows the answer.

(Igarashi, Oita)

Q: Odacchi!! Hey!! So, I've got a request for you. Swap the genders of Kizaru, Fujitora, Akainu and Aokiji!! Can you do that for me?

--Ouchan

A: Sure. Regret your foolishness!!

Q: Hello, Mr. Oda! On the cover illustration of Chapter 874, Ace and Sabo look angry. What happened between them? I noticed that Shanks is laughing…

--Chisaki Sakuragi

A: Let's listen in for a bit, then.
Ace: "Hey, Mr. Red-Hair! Allow me to apologize for my little brother and thank you for everything you've done for him!!"
Sabo: "My name is Sabo. A pleasure. I'm also Luffy's brother! I must insist on showing my appreciation. Thank you so much. I hope we can count on your continued generosity..."
Shanks: "Ha ha ha! Knock it off, you guys! I get it, I get it. Come here and share a drink with me!!"

A: From what I recall, Ace got a few lessons on good manners from Makino ages ago, so that he could thank Shanks properly when the time came.

SBS Question Corner

(Michi Nakahara, Tottori)

Q: Hello, Oda Sensei. In Chapter 852, there's a scene where Jimbei saves Luffy and Nami. In the process, Nami's clothes get tattered. But on the next page, she's changed outfits! So does that mean that on the previous page, that's Nami rustling up some clothes in the background?! How did she do that?! Tell us, Odacchi! ♡

--Help With My Summer Vacation Homework

A: Yes, she's changing. Can't wear those burned-up tatters.

← You can see her rustling here.

← Now look at the previous panel. Nami's noticed something: the clothes of the defeated soldier.

← So she rustles in the corner, then shows up wearing some baggy new clothes. She's trying to wear clothes from a much larger soldier.

She's a looter.

Q: I was looking closely at the *hanafuda* cards Shanks is holding on the cover of Chapter 862…and that hand is called the "Four Lights"!

Like the Four Emperors!!

--Kamiki-kun

A: Wow, I'm amazed that you noticed that! That's right; there's a hand in *hanafuda* called the "Four Lights." In Japanese it's pronounced very similar to "Four Emperors," which would seem to portend Shanks' future status as one of those Emperors. Very well done.

Q: Hiya, Odacchi!☆ My birthday is May 24, but there are no characters who share it! (cries) So if you don't mind, I'd like to suggest (5) *Go-han wa* (2) *Ninjin* (4) *Shi-rousagi* ("The white bunny whose food is carrots") for Carrot's birthday! How about that?

--Ryo

A: Whaaaat?!ミ Okay. I find your reasoning very cute.

Q: Hello. Let's keep on filling up that birthday calendar!

Rebecca: [B looks like 8] is the hidden [*maboro-shi*(4)] princess → August 4

Scarlet: Scarle-to [10] is Rebecca [2 C's] mother [*haha*(8)] → October 28

How about those?

--Shin

A: Wait, wait, wait... Okay, cool.
I have an announcement! There's no way we can display all the birthday suggestion letters here, so I think we're going to reveal them on the internet now. That way, we'll be able to properly attribute all your pen names as we fill in the birthday calendar on One-piece.com. Has your birthday been filled in yet? You can check it out on the home page for the series (*Only in Japanese). As always, you can still submit ideas through the SBS.

Q: You wrote that both Kid and Killer hate curry udon noodles. What happened to them in the past...??

--Karin

A: When they were young, they both experienced their first crush on a girl named Broth Splatterina. The trio were having thick udon noodles in curry-flavored soup for lunch one day, until they looked up and saw that their dear Splatterina was simply covered in brown sauce. When they laughed at the sight of her, she beat them both up and never spoke to them again. Ahhh, the bittersweet memories of youth. That's all! See you next volume!!

SBS Question Corner

(Masamichi Kobayashi, Gunma)

Oda: ⬆ Whaaaaat?! ⚡ How could you tell?! Dang, he read the future! And it's true--I was going to say that!! Darn...

Q: Odacchi, garchu! ♡♡ Is this mink greeting based on the Nepali phrase तिमीलाई माया गर्छु *(timilaimayagarchu)*, meaning "I love you"?

--I Hope Wanda Garchus Me

A: Yes, that's correct. Seems fitting for the minks, doesn't it?!

Q: I want to garchu with Nami.

--Captain Nobuo

A: Next question.

Q: Are Carrot and Wanda's breasts furry and jiggly? Or smooth and jiggly?

--Gyankuri

A: Good question. Well, their bodies are covered in fur, so of course they'd be furry and jig...

Enough! Knock it off!! ⚡

What's with all of these perverted questions right off the bat?!

Oh...! ⚡ My apologies. I got a little worked up. That wasn't very mature of me.

Q: Help me, Odacchi! I'm just like Luffy, I've got "Must-Scarf-Down-Food-Or-I'll-Die-itis"!

--S. Hiroto

A: Yes, this is more like it! More heartwarming questions from innocent little children, that's what I want. Right, Hiroto? Sometimes you eat too much! That might be a sign of hypoglycemia. By repeatedly bingeing on food, you lose stamina and possibly suffer from sleep loss, which could lead to bigger illnesses down the line. Is your work causing you stress? Consider changing your diet to...

I'm sorry!! That wasn't very mature of me!! (cries)

SBS Question Corner

(420 Land, Hong Kong)

Q: I can't even imagine the taste of the various drinks that Smoothie squeezes, but there's one that I **can** envision! The giraffe! Or in its Japanese form, "Kirin"! Just like that popular adult beverage. Are you a fan too, Odacchi?

--RyotaEhara

A: I sure am! You figured that out pretty well. Stussy even mentions its smooth mouthfeel in the bottom panel. How very strange that when you squeeze a **kirin**, you should receive **beer** instead! Boy, nothing hits the spot on a hot summer day like a cold pint of giraffe.

Q: Who's that sharp-toothed panda girl in Big Mom's forces?

--OP Girl

A: Ahh, that's the 19th daughter, Charlotte Poire. She's the twin sister of Galette, the Minister of Butter.

Galette

Poire

Q: Hello, Odacchi!! Tell us the age and height of Cracker and Smoothie, the two Sweet Generals!!

--MochiMochi Donuts

Q: Howdy, Odacchi!! Heeheehee…♡♡ I must admit I've become enraptured with Charlotte Perospero…♡♡ The more I see him, the more I fall in love…♡ Please tell me his height and his most and least favorite foods…♡♡♡

--I Love the Charlotte Family

A: Let's combine the two questions!

C. Perospero
Age 50
[10'11"]

Likes: Candy
Hates: Mint Candy

C. Cracker
Age 45
[10'1"]

Likes: Biscuit cookies
Hates: Kimchi, carbonated drinks

C. Smoothie

Likes: Smoothies
Hates: Meat

SBS Question Corner

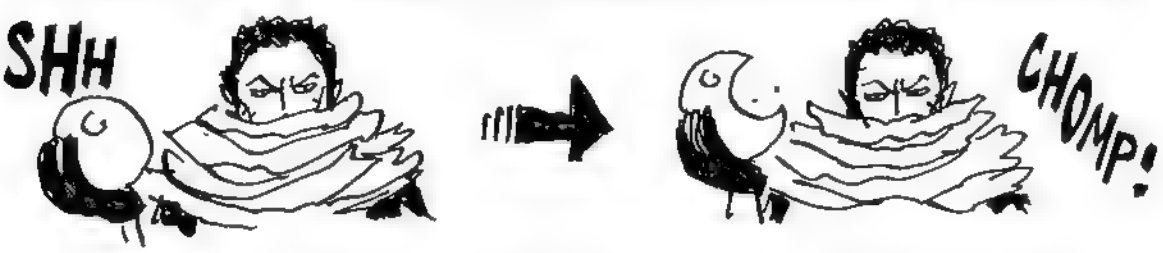
(TalkOP Pirates, China)

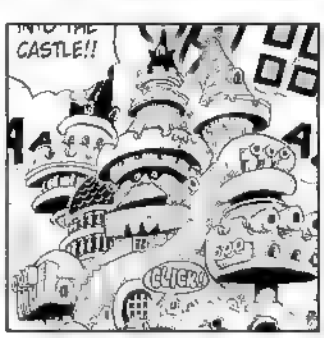
Q: Hello, Odacchi! I was curious about Katakuri. He's not supposed to ever eat in front of anyone, but he sure seems to be in the middle of eating on the third panel of the third page of chapter 861 in Volume 86. You can even see the bite mark.

--Minami Maru

A: Geez, how do you people find these things? (LOL)
Yes. Technically, it's not that Katakuri doesn't eat in front of others. It's that he doesn't let people see him eat. So watch this.



Did you see that?! No, you didn't. Also, his mouth wasn't ripped from birth. There's a reason for his incredible speed...but I'm still thinking about whether or not to reveal that in the story.



Q: What's the cost per night to stay at the Rook Bege?

--Match and Takeshi

A: It's inside of Bege's body, so if he accepts you, it's free. You can't buy a reservation with money

Q: Guys like Katakuri and Doflamingo who are real tall drinks of water are all the rage lately. What's the height difference between them and the shortest of the giants?

--Beni

A: Let's start with Big Mom, who looks practically gigantic herself: she's 2.8' 10". That's bigger than Whitebeard. Meanwhile, the shortest a fully grown giant can be is about 40 feet tall, so that's at least two heads taller than Big Mom. Forty feet is about the length of full-sized buses and 18-wheelers. If you see one of those big boys, just imagine that a giant in One Piece would about the same size lying down.

Q: Hi, Odacchi. In chapter 883 we got to see the shocking truth about Katakuri's face. Is it a personal policy of yours to never draw a "perfect" character? I know I certainly felt closer to him after this. It's easy to see how a person can get stressed when others hold a particular image of you.

--Minami maru

A: Well, that's a very kind thing to say, Minami-maru! Isn't Katakuri hilarious? *High*-larious! I don't know if I would say it's an official policy. It's just that perfect people are boring. People love other people's flaws. (Wow, that was really deep and cool.)

Q: Where's the Young Master now?

--Summer Prince

A: In Impel Down, Level 6.

Q: Is Tsuru bringing Doflamingo a newspaper every day, like he asked?

--Coo

A: No, I doubt she'd go to those lengths to accommodate a prisoner. But Doflamingo knows many of his fellow inmates. I'm sure that he uses all kinds of underhanded tactics to get a paper from time to time. Hee hee hee hee!!

Q: Does Lao G use conditioner?

--Ska Junkie

A: Umm. How the hell should I know?!

Q: How does Luffy determine what makes a lady "beautiful"? Why does he say that to Alvida, but doesn't make that distinction for other beauties like Nami, Robin and Hancock?

--NiramOtomigus

A: Yes, it's true that he called Alvida a beautiful lady. But while most people would say something like that as an obvious compliment, it's just a categorical description for Luffy. Even Luffy can recognize attractive features on a person, it's just that he doesn't particularly care.

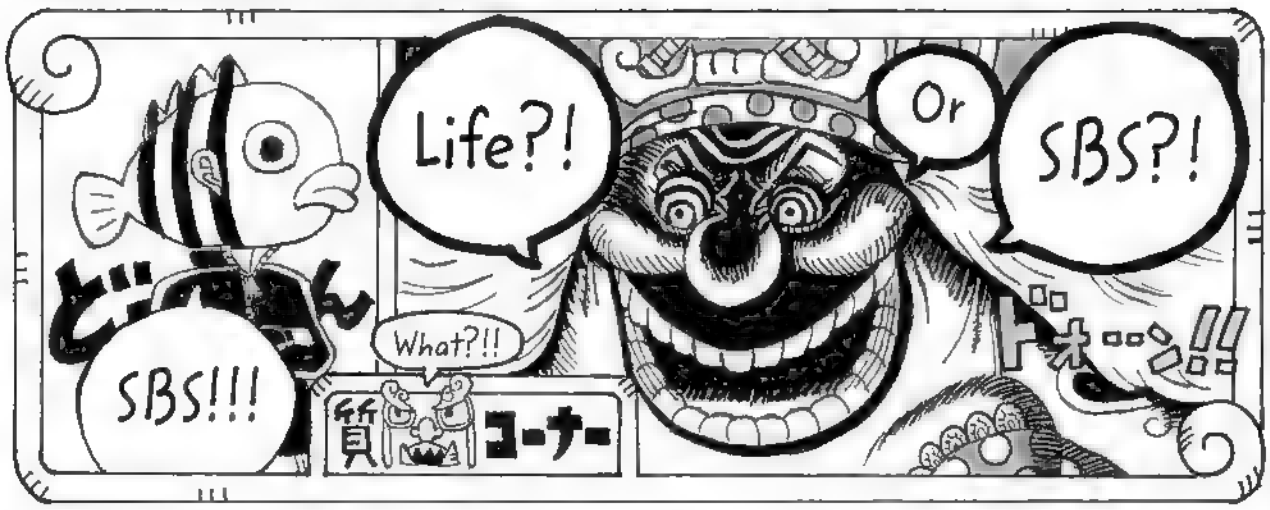
SBS Question Corner

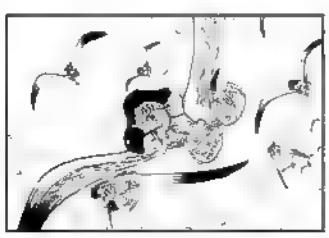


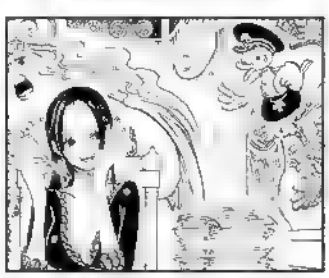
(Hana Usagi, Ibaraki)

Q: The carrier bats are like the postal system of the *One Piece* world. Do they deliver packages too? Do the pirates send each other traditional Obon gifts or holiday presents?

--Boneless Ham

A: I don't want to see pirates who are considerate and polite. That doesn't happen. Carrier Bats are a system primarily utilized By the World Government. Civilians can negotiate with a News Coo to have mail delivered, and there is a private sector service called the SongBird Post, But they can't fly very far. On the other hand, Albatross Post can Go long distances, But doesn't deliver many types of mail. So the non-government services aren't all that advanced. It's more typical for pirates to send their own ships to deliver things (and it's not like they have addresses). You can imagine that a parting Between people in this world is much more powerful than the way we see it today.





Q: Hello, Oda Sensei. I have counted up the number of questions (and non-questions) you have answered on the SBS segment, not including any of the games and other special projects. The grand total was… **1,199 questions!!!!** (From vol. 4-86) *Da-doom!!* That's incredible. Good luck with answering all of the serious questions, the "Is that really a question?!" questions, the jokey questions, and the gross/pervy questions.✌ (LOL)

--Black Little Gakky

A: Wow, you counted up all the questions! Thank you. I guess that means we're over 1,200 By now. This is a valuable space where I get to have an honest discussion with my readers. I will continue to hold it sacred!

Story ・あらすじ・

After two years of hard training, the Straw Hat pirates are back together, first at the Sabaody Archipelago and then through Fish-Man Island to their next stage "The New World"

Luffy and crew head into Big Mom's stronghold and successfully take back Sanji, who was stuck in a political marriage with Big Mom's daughter. They then join forces with Bege in a plot to assassinate Big Mom that ultimately fails. When Big Mom doesn't get to eat any wedding cake, she falls prey to her hunger pangs, and turns her rage on the Straw Hats. Sanji decides to help Pudding bake a new cake to placate Mama's rampage. The other Straw Hats attempt to escape Whole Cake Island, but are on the defensive against Mom's powerful forces. In order to help them escape, Pedro sacrifices himself, and Luffy enters a one-on-one battle with Katakuri, where he struggles against his opponent's strength. Now disaster looms as Big Mom is on the *Sunny* itself!

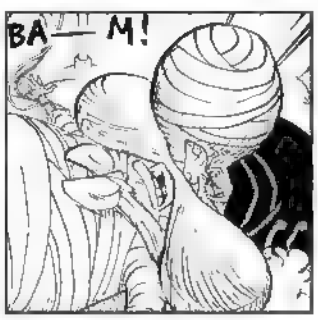
SBS Question Corner

(Chief, Tochigi)

Q: Did Chef Streusen land directly on his right eye? He must be so talented and nimble!! Hello! Let's start the SBS.

--Dorry



A: It's not really his eye as much as his entire right forehead that got whacked and swelled up. It takes a real man to save the day that way...

Hang on, you just started the segment!!!

Q: Nami sure insults Caesar to his face a lot: "scum," "trash," "better off dead." Did she catch a bit of Robin's sharp tongue?

--Dorry

A: Please, remember Punk Hazard. Caesar was giving children drugs, referring to his own followers as guinea pigs, and dedicating his life to building weapons of slaughter. He is a man who is better off dead. If Nami is kind to anyone, it's only women and children, so I'm certain that she utterly despises Caesar.

Q: Nice to meet you, Oda Sensei! I understand that Katakuri loves sweet things. Does that mean his least favorite kind of food is spicy things?

--Yukito

A: His least favorite is hot ramen. It's the natural enemy of Katakuri, who really doesn't want to let anyone else see him eating. Actually, he's totally fine with spicy food.

Q: Hello, Oda Sensei! How does Katakuri sleep?

--Tattsu

A: Keeping his back from touching the ground is a sign of his strength, but the wall is totally fine, actually. So he'll sleep leaning against the wall, or sometimes he won't lean on anything. He'll fall asleep standing upright, or sitting.

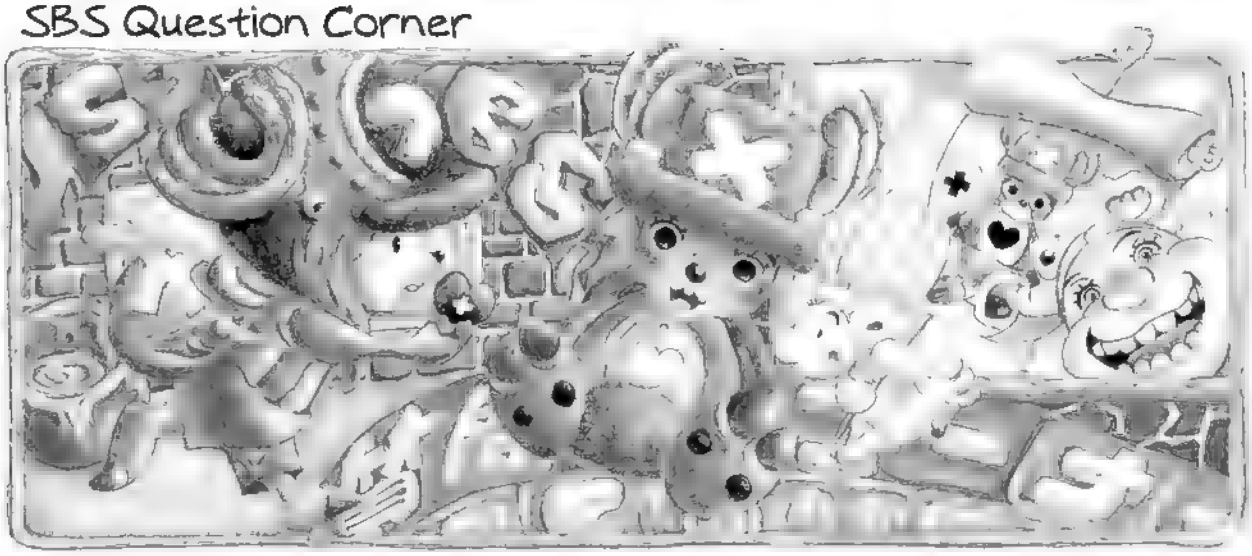
SBS Question Corner



(Takahisa Fujimoto, Nara)

Q: Oda Sensei, can my son (age 3) marry one of Big Mom's daughters? I could really use a great military force at my command, and Big Mom would also get my comprehensive chore work, plus my super-tough-as-nails wife! Kinda seems like a win-win, don't you think?

--Political Marriage Between Sanada and Charlotte

A: Um, don't ask me, go ask Big Mom! Next question!

Q: What are the favorite and least favorite foods of Crocodile and Daz? I'm thinking that since the president loves his bananagators, he won't eat bananas and gators, but my sister thinks he doesn't like oranges. She said it would be hard to peel them with his hook and all. Now we're fighting.

--Banana Me and Orange Sister

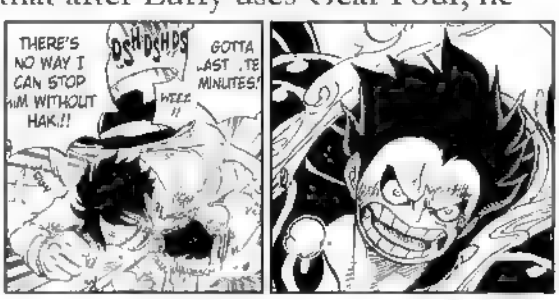
Crocodile
Likes: Gator meat, tomatoes
Hates: Ketchup

Daz Bonez
Likes: Raw ham
Hates: Cooked pork

A: There. Your answers!! Doesn't seem like the difficulty of eating or the gator pet situation factors into it. In fact, based on these answers, these two guys are some annoyingly picky eaters

Q: In the comic and anime, it's made pretty clear that after Luffy uses Gear Four, he can't use Haki for another ten minutes, and he's at risk of being immobilized with fatigue. But in chapter 885, he seems to be moving around just fine! How did he nullify the risk of immobility?

--Bushi



A: There's no risk of him not being able to just get up and move around. He can't use Haki, but he can run around if he wants to. In Dressrosa, for example, he had people to help him after Gear Four, and was able to preserve his strength for the next attack. If he can't rely on someone else for help, he's just gotta tough it out!

Q: Is semla a real thing? I want to try them!

--Odamania

A: Semla are real. It's a pastry from Sweden. There's a period called Lent in Christianity where people used to go on fasts. This was a long time ago. And they'd eat semla before the fast. So that part of the story was based on the historical custom. I've never had semla either. I want to try it!

Q: Hello, Oda!! On page 132 of volume 88, there's a reference to a place called "Chockfull Town," but this doesn't seem to be a kind of food. Is it chock-full of something? Who's the minister?

--RyotaEhara

A: Yes, I know the name on its own sounds weird, but maybe this description will help. Chockfull Town on Pantry Island, under the control of Minister of Finance, Noisette (15th son). This island manages the funds used to buy ingredients for Totto Land. In other words, "Pack these dishes chock-full of good stuff! Spare no expense!"

Q: You know how there's that netting coming down the front of the cap of Charlotte Bavarois, 26th son of Charlotte? Is that the same thing that old baseball caps used to have? Those were so cool!

--Captain

A: Yes, you recognized it! You got it. They used to have those things. When I was a little kid, all the baseball caps that Japanese boys wore had these mysterious net things under the brim you could pull down. I looked them up, and they're called "front mesh," apparently. I wonder if any caps nowadays have them. I'm happy someone noticed. It looks cool.

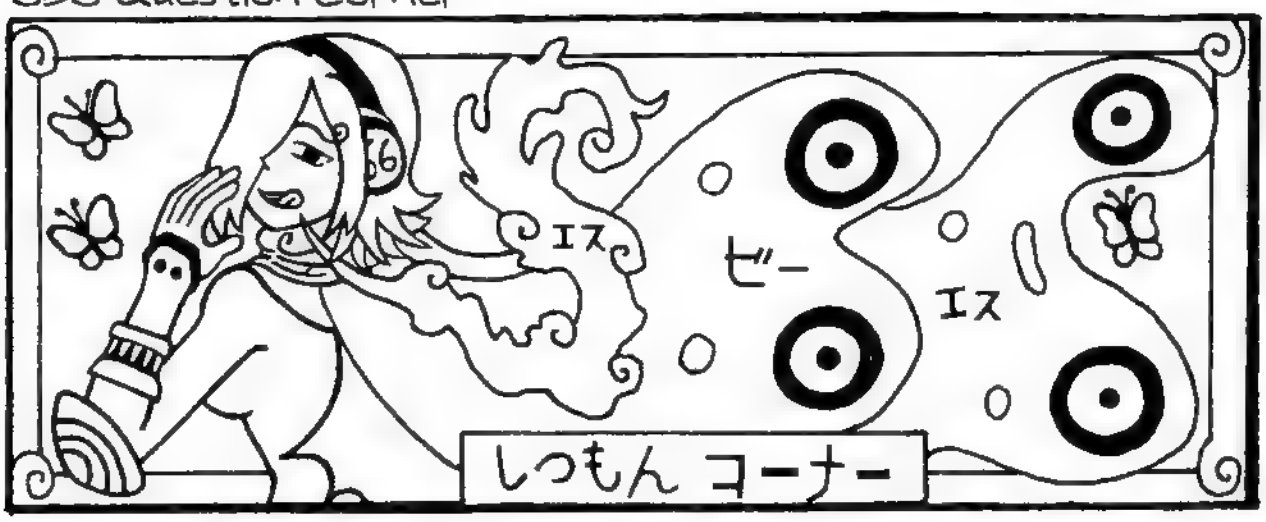
SBS Question Corner



(Isabelle, Brazil)

Q: To utilize Flampe's expression from chapter 891, out of Big Mom's 85 children, if Katakuri is the "King of Big Brothers," who is the King of Big Sisters, King of Little Brothers, and King of Little Sisters?

--OP Girl With Asking Pangs

A: Well, first of all, let me just clarify that her "Best Sistress Award" is something that Flampe herself created and runs. She's dedicated enough to rush around collecting the surveys herself. She actually collects data on elder and younger brothers and sisters in total, so let's look at the Top 3 of each.

"Biggest Bro"

"Biggest Sis"

"Bestest Buddy"

"Best Sistress"

Of course, given that each person has an unequal opportunity for votes in these categories, this is clearly just an excuse for Flampe to declare herself the "King of Little Sisters."

Q: Hello, Oda Sensei. What's up with how big Smoothie is in chapter 894? Why? What kind of power is that? And why's her sword wet there?

--Nameless OP Fan by the Name of Ei-chan

A: I didn't have the space in terms of pages to draw this, but Smoothie is an "Evaporation-Woman" with the powers of the Wring-Wring Fruit. She can squeeze things to create juice, or cut an opponent with her sword to pull out their moisture and dry them up. She can store that stolen liquid in her own body to get bigger, and expel it as an attack. She's very tough.

Chapter 896:
ONE LAST THING

THE SAGA OF THE SELF-PROCLAIMED STRAW HAT FLEET, VOL. 28, HAJRUDIN: "BUGGY'S DELIVERY ESCAPEE LIST: CAPTAIN HAJRUDIN OF THE NEW GIANT PIRATES"

YEOW !!
THAT'S RIGHT, YOU CLOWN!! BROTHER KATAKURI IS THE PERFECT MAN!!

IN OTHER WORDS, THEIR SHIP WON'T ARRIVE UNTIL ONE.

...UNTIL ENOUGH TIME HAD PASSED!!
...AND THEN I'D EITHER HIDE THERE OR ON ANOTHER ISLAND...
...THE VERY KEY TO UNLOCK THE MIRRO-WORLD...
SO I'D GO AFTER SISTER BRULEE...

...WILL RUN FROM HIS FIGHT AGAINST KATAKURI...
...AND STILL POP OUT OF THIS MIRROR AT ONE O'CLOCK.
EXACTLY. SO IT'S QUITE POSSIBLE THAT STRAW HAT LUFFY...
...
...SO I CAN EASILY SEE HER GETTING CAPTURED...
AND SISTER BRULEE'S A REAL KLUTZ...
I SEE. THAT MAKES SENSE.
...WE'LL NEVER GET OUTTA HERE ALIVE...

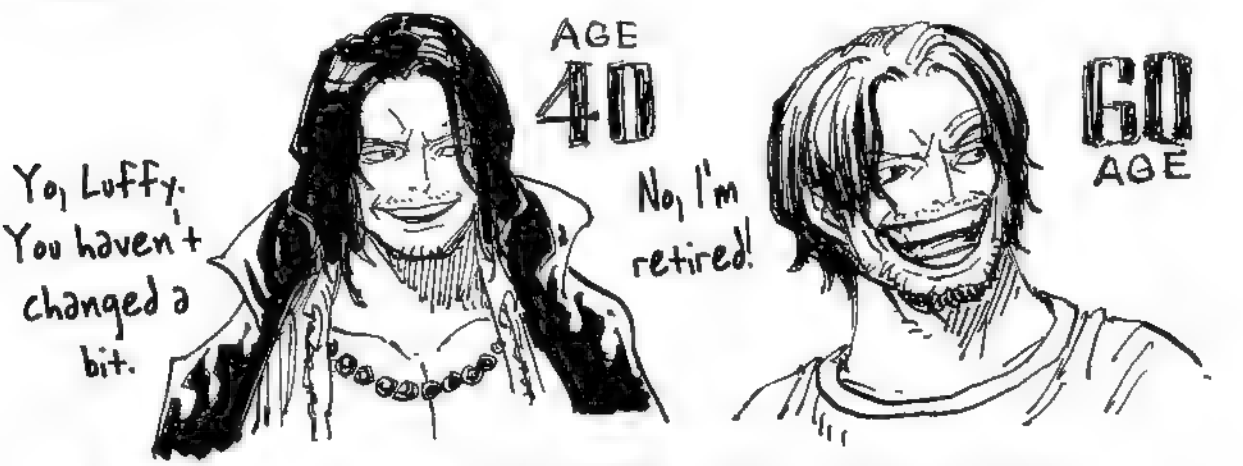
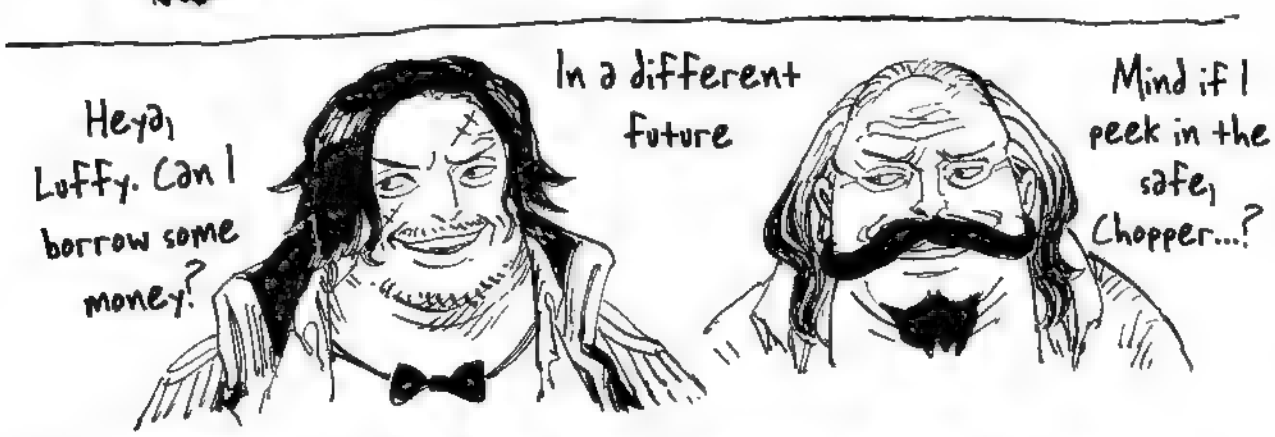
(Igarashi, Oita)

Q: I love love love love Ace. What would he look like if he wasn't killed in the Paramount War? Please let us see Ace at age 40 and age 60, exalted Eiichiro Oda!!

--Daughter of Ace from the Whitebeard Pirates

A: I see.





You never know what path life will take you down, so I drew two possibilities.

Q: Hey, Odacchi!! On page 145 of volume 86, chapter 866, we see Hajrudin as a boy. But who's that other boy eating behind him? Could that be the giant pirate Stansen from Chapter 500?!

--C. Macaron

A: Good discovery That's right, he's old childhood pals with Hajrudin. And after all of this time, he's come to join Luffy's fleet on the page to the left.

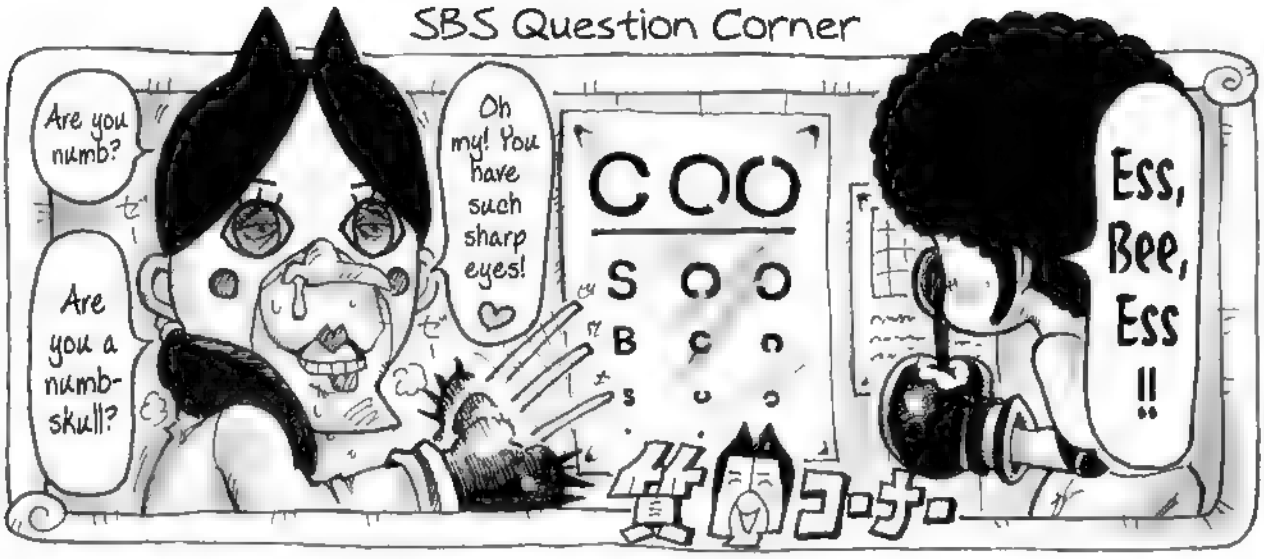
SBS Question Corner

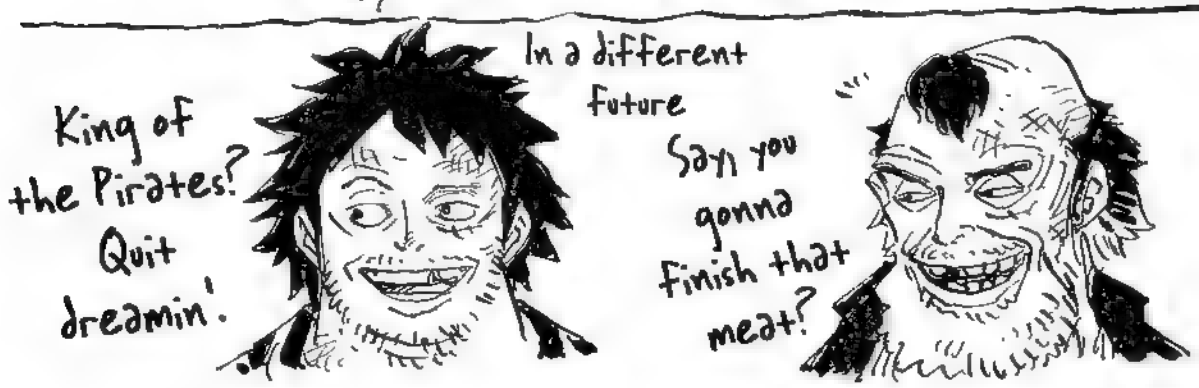


(Hippo Iron, Saitama)

Q: Hello, Odacchi! I am huge fan of Odacchi and Luffy. And today, I have a question for you! As a child, Monkey D. Garp had big round eyes like Luffy, but as an adult, they're narrow. So what happens to Luffy's eyes? Will Luffy be like Garp when he reaches age 20?

--Ngoc Duyen

A: The text of this question might be a little strange, because it was sent from Vietnam through a machine translator. In other words, when Luffy turns 20, will his eyes get narrow like Garp's are? That's only one year away from how old Luffy is now, so I don't think he'd change that much. Let's follow Ace's example and see how he'd turn out at age 40 and age 60.



There. When his future goes well, he does look kind of like Garp, doesn't he? But you never know what'll happen!! That's all for the SBS this time around!! See you next volume!!

What do you suppose is the plumpest thing in the world? You know how sometimes you can't help but think about this topic...for three hours?
Maybe it's the cheeks of an indignant child.
Or is it a butt?
But I think in the end...it's got to be shrimp.
Can we agree that it's shrimp?
Let volume 90 begin!!!

-Eiichiro Oda, 2018

Eiichiro Oda began his manga career at the age of 17, when his one-shot cowboy manga **Wanted!** won second place in the coveted Tezuka manga awards. Oda went on to work as an assistant to some of the biggest manga artists in the industry, including Nobuhiro Watsuki, before winning the Hop Step Award for new artists. His pirate adventure **One Piece**, which debuted in **Weekly Shonen Jump** in 1997, quickly became one of the most popular manga in Japan.

Story ・あらすじ・

After two years of hard training, the Straw Hat pirates are back together, first at the Sabaody Archipelago and then through Fish-Man Island to their next stage, The New World.

Luffy and crew head into Big Mom's stronghold and successfully take back Sanji, who was stuck in a political marriage with Big Mom's daughter. They then join forces with Bege in a plot to assassinate Big Mom that ultimately fails. Big Mom then chases after the fleeing crew. Sanji decides to bake a new cake to placate Mama's rampage, and Luffy enters a one-on-one battle with Katakuri to help the rest of the crew escape. Big Mom reaches the ship just as Sanji finishes the cake, luring her away. Meanwhile, Luffy triumphs in an extreme battle against Katakuri, and then throws off his pursuers to reach the crew. But the Big Mom Pirates' siege is fierce, and the ship sinks under a hail of cannon fire.

SBS Question Corner

Q: Hey, hey, hey! Step right up, folks! We're servin' some delicious chilled SBS for the summer months!

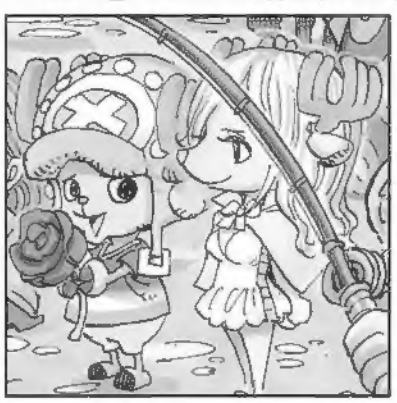
--Saya

A: Gosh, is it already that season? It sure has been hot lately. Hey, pal, I'll take a plate! Gotta love the sound of wind chimes as you eat. Ooh, already here? All right, let's give it a little taste.
Slurp slurp slurp, gulp. Mmm, that's the stuff. Nothing in the summer like nice chilled SB...
Hey, you started it without me!!! (Also, it's not summer.)

Q: Nami's dream is to draw a sea map of the entire world based on what she sees with her own eyes. Is she actually drawing that map?

--Kutsu Koko

A: Of course she is. It's practically a daily ritual that she charts more after dinner. During the day when the story is moving, she has to give navigation directions, so she's usually on the deck instead.



Q: Heso, Odacchi!! I see where Chopper's looking on the cover page illustration of chapter 900… But please, don't let Chopper have a romantic interest. I want him to continue being **everyone's** Chopper! *(laughs)*

--Daiya

A: Milky the mink is the rare character whom Chopper can relate to as a person or as a reindeer. If Chopper really, truly falls in love, I cannot stop him. Because "Love is always a hurricane!!"
